Your Intelligent Talking Computer Chess Opponent
 When he talks, you'll be both amused & probably abused by his extensive vocabulary. A natural sounding synthesized voice feature allows you to choose from the following selection modes: Makes sarcastic comments during the game. Offers advice to improve your ability. Announces moves for the visually impaired. Or demonstrates how the game works for beginners. Even though CHESSTER may sometimes seem to be letting you win, he is probably preparing a crushing attack because he is an expert chess player at his top level - but you can set his level to as low as rank beginner. You will most likely learn to both love & hate...CHESSTER.
 T760 Talking Chesa \$199.00

Solar Energizer Necklace

Users report increased energy, elevated mood, feeling of well-being, improved sleep, reduced tension, relief of chronic pain, anxiety and depression. Breakthrough by a remarkable Israeli inventor during extensive research in bioelectronics. Awarded U.S. patent in 1979. Encapsulated solar cell delivers a continuous supply of energy when exposed to light. Positive and negative electrodes are formed by the 18" chain. No tingling sensation is felt, but any simple test meter will detect its presence. Relief is said to come from the body's natural ability to heal itself once it has the needed energy. During tests with volunteers most of the participants reported a dramatic improvement within one week! Attractively styled & may be worn by both men & women. In velvet jeweler's pouch with instructions. Money back guarantee.

Melting Coins

Stunning! Unreal! Impossible! Two borrowed coins are placed in a holder and covered with a sheet of paper. The coins seem to melt as you pass a pencil through each one. The pencils & paper are removed and the coins are intact. They'll NEVER figure it out even after hours of examination. Incredible self-working effect. Coins not included.

☐ 1088 Melting Coins \$7.98

Magical Black Box

One of the finest self-working close-up effects available. Trick takes place in spectator's hand & he can't discover the secret. You place a sealed box in spectator's palm, a coin resting on the lid. Then say a magic word & pass the playing card over the coin. Suddenly the coin has disappeared. Ask him to open the box - the coin is miraculously inside. Baffles them over & over. Trick includes instructions, all equipment.

☐ 3257 Black Box \$4.98

Break Away Wand

Made for LAUGH! Wand is perfectly normal when held by magician. How ever, when

handed to a spectator, it COLLAPSES into several loose-jointed sections. When returned to performer, wand instantly becomes straight. Hand this to the wise guy in your audience. Excellent plastic construction.

☐ 3935 Break Away Wand \$9.98

Miracle Floating Gimmick

Make ordinary objects float mysteriously without viable support! Bottles, cans, almost anything. Ideal for professional magicians, but so easy that you can perform it right away. Just hold object by fingertips, then let go. Object remains suspended in mid-air. Amazing. Great for demonstrating "light" beer & "light" bulbs. They won't believe it.

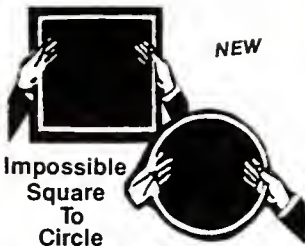

☐ 3648 Floating Gimmick \$4.98

Famous Prison Chain Escape

Strong chain with padlock & key is thoroughly examined by all, then you permit one of the spectators to bind your wrists together tightly with the chain. Escape is apparently impossible, yet under the very eyes of the spectators you escape in two seconds. Easy - when you know how.

☐ 3233 Chain Escape \$6.98

Impossible Square To Circle

No one has ever defied the laws of mathematics by changing a circle into a square. You'll have your audience spellbound when you do the "impossible." No practice required to effortlessly turn a metal circle into a square, then back to a circle again. Ingenious gimmicked device does it for you. Will become highlight of your act.

☐ 2812 Square Circle \$9.98

Silks From Nowhere

The effect: From bare hands you produce a white silk. Tuck it into your fist and with a magic word it disappears. Next, as though you had the power to change day to night you pull a black silk out of thin air. The silks you produce can be inspected at any time and can be made to appear & disappear as often as you like. You can make both silks appear at the same time. Comes with everything needed for an astounding performance.

☐ 2373 Eclipse \$18.98

Repel Pests With Sounds You Can't Hear

Ultrasonic Pest Repellers

Transonic 200 is the most versatile & sophisticated system available today for indoor & outdoor use. Clean, effective, dependable operation

without poisons, baits, traps, sprays or bad smell. Creating an incredible ultrasonic sound, Transonic 200 should rid your home of rats, mice, crawling bugs, even bats. With the approval of the Canadian government, this is the only unit in the world approved by a major government. Manufactured in the U. S. under American patents & an Environmental Protection Agency number. Runs on its own battery as well as house current. Small enough to fit in your hand, it protects up to 1500 square feet indoors, and 800 square feet outdoors. Because it operates on a 9-volt battery (not included) you can take it with you wherever you go. In an unbreakable ABS-plastic case, it comes complete with a 110V AC adapter so you can plug it into the wall.

□ 6839 Transonic 200 \$49.98

Deluxe Pest Repeller

The industrial-grade pest repeller that controls up to 10,000 square feet. Originally designed for restaurants, factories, and food plants. Generates both sonic signals (to repel pests such

as pigeons, raccoons or rabbits) and ultrasonic signals to repel rodents and bugs. You can set it to any of nine pitches and loudness options, depending on which pests you have. Works from any 12 volt power source, including car or boat battery, or direct from any 110 V outlet (with AC adaptor included). 6" L x 3" H x 4 1/2" D.

□ 6824 Transonic XL \$89.98

Automatic Fisherman

Catch Fish Without Effort Lures, catches & holds fish automatically! Catch the limit while you sleep, play, etc. Bait-up & set your "mechanical reel" like a spare line tied to a boat, pier or tree & go about any other business. YOUR AUTOMATIC FISH CATCHER WILL HOOK ONE & BRING IT IN! Great for camping, picnics or loafing at the river bank. Many customers use several for bigger hauls. Comes with line, trigger release, 60lb. test, swivel & stainless steel spring. Easy to use. Also great for survival kits, backpacking, ice fishing.

□ 4103 Automatic Reel \$3.98

No Fish Can Resist!

Swims, Buzzes & Attracts Fish

NEW FISH LURE SWIMS, DIVES, BUZZES UNDER ITS OWN POWER. Slow, erratic action of injured minnow. Goes down 15 feet, attracting fish by its action & insect-like buzzing. Goes far beyond casting range, entirely self-propelled by special fuel pellets. Large supply included. Additional fuel available. 2" long. Plastic. Use over and over.

□ 4108 Fish Lure . \$3.98

World's Best Mousetrap

Catches mice, not fingers. Very easy to set, yet fingers are never near the snapping end. Unique bait post & target trip trigger means mice are caught right behind the neck for quick kill. Bait stealing is totally eliminated. Absolutely sanitary because you never touch a caught mouse to empty & reset.

Long-lasting steel & Polystyrene. 2 or more, \$2.49 each.
□ 4148 Single Mousetrap \$2.98

Electric Pest-A-Cator Get Rid of Rodents, Roaches, insects Electronically!

Safe, effective pest control without pesticides or dangerous traps to set & empty. Proven effective by tests at a major university, the unit plugs into a standard electric outlet (preferably in a central location in the home or office) & starts working immediately. Unlike ultrasonic units, which can only do one room, Pest-A-Cator uses new technology to alter the magnetic field normally present in the wiring, driving insects & rodents crazy wherever they are in the house. They quickly find somewhere else to make their home. Will not effect house pets (except gerbils & hamsters), computers or appliances. Optimum results are usually achieved within 2-3 weeks. Suggested use is one unit per 2500 Sq. ft. Electrical usage is approximately 0.8 amps and only pennies a month. Registered by EPA, U.L.I. listed and patented in the U.S. & Germany. With year warranty. Only 4 1/4" x 2 1/4" x 1 1/4".

□ 4800 Pest-A-Cator \$54.98

Pocket Electronic Mosquito Repeller

Tested by Swiss Engineers to keep biting insects 6-8-ft. away. Emits special high-pitched audio frequency that pests can't stand, but you can't hear. Weighs only 1 1/2 ozs. Easily carried on belt, pocket, backpack, golf bag (only 2 1/4" x 3/4"). Manufacturer claims it's more effective than any liquid, spray or cream repellent. Over 3 million have been sold in Europe. Not to be confused with much cheaper, less effective models! Place an "AA" battery, included, in the unit, turn on the power & bugs scramble for cover. Money back if not 100% satisfied. Cannot be sold in Colorado or Indiana.

□ 6301 Electronic Bug Shield \$19.98

Bark Control Collar Uses Sound, Not Shock

Sate, effective collar system stops nuisance barking. When you dog barks, the specially designed transceiver creates harmless, but effective high-frequency sound waves that only your dog can hear. He'll quickly associate his barking with the unpleasant sounds the collar emits. Developed by respected animal research schools. Latest electronic technology accurately discriminates barking from normal sounds. Collar is activated after your dog's bark, so alarm barking behavior will not be interrupted.
