**Megiddo: The Omega
Code 2 (The Movie)**

By: 8X Entertainment

Now you can own the movie that brings the Gospel message and the climactic battles of the Book of Revelation to life like never before. Stunning visuals and gripping performances explode across the screen, chronicling the Great Tribulation, the battle of Armageddon, the second coming of Christ, and the ultimate triumph of God over Satan.

Megiddo stars *The Omega Code*'s Michael York, as well as Michael Biehn of *The Terminator*, *Aliens*, *The Abyss*, and *Tombstone*; and Diane Venora who played opposite Russel Crowe in *The Insider*, opposite Robert DeNiro in *Heat*, and opposite Bruce Willis in *The Jackal*.

Though both a prequel and a sequel to *The Omega Code*, *Megiddo* works also as a stand alone story for anyone who missed its predecessor. For at its emotional core, *Megiddo* is the Cain and Abel story of the two men enamored with the same woman, raised as brothers, who grow up to find themselves pitted against each other over the fate and souls of the entire world.
