

THE KAMEAS OF THE PLANETS

PLANET = SATURN

METAL = LEAD

ANGEL = CASSIEL

SIGNATURE =

This Kamea can produce lead itself if needed and all the things that the Angel *Cassiel* rules, such as longevity, assistance for the elderly, the means for making anything durable or lasting. The materials for building and also houses or shelters. He is the "Lord of Time" and so produces methods of calculating time if there were no clocks or watches. (i.e., you might find a working sun-dial after an invocation by the use of this Kamea!). *Cassiel* rules the bone structure, strenghtening weak or broken bones. He is "Lord of the Dead" and can thus bring news from those who have died. This is not through mediumistic but natural ways.

PLANET = JUPITER

METAL = TIN

ANGEL = SACHIEL

SIGNATURE =

Can produce coinage containing tin, (or silver) when there is a currency system and in times of need it produces money or it's equivalent, goods for barter for what you need when there isn't a currency system. It provides for the expansion of anything. If there were fifty people to feed and there was only food enough for twenty, you would use it for the "expansion of food" and in some way there would be enough. This is as in the miracle of the loaves and fishes. It expands space, so that many people can crowd into an area of safety. It attracts those people of power and knowledge who can render aid. It is the beneficial Kamea to expand or procure anything that is needed, and can be used generally for needs NOT listed under the other Kameas.

PLANET = MARS

METAL = IRON

ANGEL = SAMAEI

SIGNATURE =

This Kamea produces fire when needed. Warmth is a necessity, and if there were no matches available and you had to rub two sticks together, you would use this Kamea to insure production of fire. Very useful in times of flood devastation or when warmth can not be obtained by ordinary means. As the Angel *Samael* is a 'Soldier Angel', it produces force for your protection when needed. (Could produce soldiers or armed men). As he rules sharp instruments, it helps to fashion them should all be destroyed and you require a knife, spear, etc. It gives courage, physical endurance and vigor, and dauntlessness in trials of any kind. It overcomes enemies, or renders them helpless. It protects the warrior, and all who carry it in times of great danger. It produces the metal iron when needed, or anything made from iron.

PLANET = SUN

METAL = GOLD

ANGEL = MICHAEL

SIGNATURE =

(THE KAMEAS CONTINUED)

(PLANET OF THE SUN)

made of gold, and protects Royal persons if this is known by them and they carry this Kamea with them. If gold coinage were still being used, it would produce that as well, but cannot be said to produce paper currency, and in a world emergency, that would be useless anyway. It will never produce things for barter or things known as "precious", whatever your needs might be at the time. It is a highly protective and "lucky" Kamea, and, above all, it protects against "the negative power of the Sun", or from death and disaster caused by atomic energy. Atomic power, and its by-products of the negative, or evil, side, are called "the negative powers of the Sun", since they destroy, while the beneficial powers of the Sun create. So, it is a powerful Kamea against any deleterious effects caused by anything atomic.
