

The Wake of the Red Death

A Ritual of Destruction

Book of Wamphyri and Shadows

"The Masque of the Red Death" is a very powerful tale by Edgar Allen Poe, the late poet and writer who raised the level of literature during his time which has changed the field of writing and those interested in the macabre for all time. Poe used a great deal of symbolism in his works, a manifestation of death incarnated into the archetypical Red Death, the tall and gaunt figure of blood red, cloaked in the shrouds of the dead. The Red Death is implemented in this destruction rite as the plague bearer, an extension of Azrael - the Angel of Death as a messenger of Will.

This ritual is to be done during the night, past midnight, for then the powers of the astral waves are yours to manipulate and man is vulnerable at night, more of a chance of success if they are not of strong mind and spirit. If they are as an equal, then there are several secrets in the destruction not listed in these pages. This is either a hermetic rite or could be ceremonial as well.

The Sorcerer is to be clothed in a blood red cloak and/or robe. The Sorcerer should also be clothed in a white grave shroud which would be placed under the robe or cloak. The face should be streaked in blood red paint or blood, same with any bare skin shown. A personal item of the intended Opfer must be present, be it either a cloth, photograph, paper, etc. A crystal should also be present as well as bones, dagger, above the altar the Wamphyri - Varcolaci Pentagram and the Sigil of Nachttoter - The Red Dragon.

This night you shall become vengeance and anger - The law of Abraxas is implemented - The spirit of Kali is invoked. Love causing destruction to those who have crossed you.

The Red Death Awakes

Shrouded in the habiliments of the grave, take in your hands the grave soil in which you have blessed as your own, in the other the crystal within which you store your acausal energy.

Face the sigil of the Red Dragon and the Wampyre - Varcolaci Pentagram and visualize fire and blood entering your being, filling you with violent and destructive energy - Demonic shapes from within your mind, shaping according to your desire. The Red Death you become this night - Chant:

Tiamat - Mother of Vampyres and mother of immortality - I seek thy energy - thy life - This Dark night I invoke the powers of destruction to spread destruction to my enemy! I will remain unharmed from this calling and it is my Will that the joy of causing death to my enemies is one of the ultimate pleasures of existence! I am Wampyre - All humans shall bow before my might

and strength - For under the bloodied kiss of LAYLAH I have risen!
I invoke the Vampyre Earth Goddess KALI, Mother hear calling and enter my sanctuary and my being - I am GOD! Blood drenched mother of nightmares, My enemy is to be devoured this night through MY WILL! MY DESIRE! MY LAW! Just as I cause Joy and Love to myself and others I can and also do DESTROY those who break my law - Hail Death! I now become the RED DEATH, fill me with the spirit - I am of Nachttoter - Blood of the Dragon fills my veins! The fire of Satan envelopes me, empowering my being through my desire. The svastika of EA spins fast, causing life, love and destruction according to the strong and clever.
