## **How to Use Your Class CD**

To make the most out of your course materials, please follow the instructions below to use the course CD-ROM.

1. Insert the CD-ROM into the CD drive of your computer.
2. Go the Windows Explorer (on PCs) or Sherlock (on Macs) and view the contents of the CD-ROM.
3. Click on the folder called "Course Notes." This folder contains your class notes and homework workbook. These documents are in PDF format. You will need Adobe Acrobat Reader to open these documents (you can get a free version at <http://www.adobe.com>). Print these documents.
4. In the folder called "Video Files" you will find the applicable video clip(s) for class. Refer to these clips before or after class. You can play the video clips with Windows Media Player.

**COLOR CHIPS:** Please note that laminated color chips are available from the Esoteric School at a cost of \$11. If you would like to order a set of laminated color chips, visit:
