The sabbath, from sunset Friday to sunset Saturday is also observed. Astrological events like full moons and

eclipses are also causes for "celebration."

This is a compilation of 6 different versions of SRA calendars. It is highly unlikely that any one SRA survivor would have been abused on all the above dates. However, most SRA survivors, irregardless of the group they belonged to, were abused on the following dates:

April 26-May 1, June 21, October 31, and December 22 & 24. Many survivors are also affected one to two weeks prior to the celebration of any major ritual as this is the time for preparation rituals leading up to a major event.
