INTRODUCTION

"In each man's soul there exist two simultaneous sentiments: the one bends towards God, the other to Satan".
Baudelaire

The ORDO BAPHOMETIS is a purely knowledge based lodge of a gnostic-magical orientation.

The high priest C.I.T. of the ORDO BAPHOMETIS has established, through his transyuggothic time-station, a connection to the "BLACK HIERARCHY" in the 15th universe and received instructions to establish an Order on a purely gnostic-magical basis.

The astral-physical equilibrium of this planet is beginning to shift and this will have serious consequences for all regions.

It uses an esoteric polarization of the mental and astral planes. This esoteric polarization releases the potential energy produced on the mental and astral planes upon the physical plane and it interferes in the material matrix of the earth. The ORDO BAPHOMETIS works against this through its gnostic-magical influx.

The earth should be preserved and there should be no interference from any plane!

The ORDO BAPHOMETIS is an outer RETREAT subordinate to the HIGHEST GOD of the 15th universe. The 15th universe is also known as the "BLACK UNIVERSE"; it is in the 15th vibration matrix - identical with the 15th tarot card.

The ORDO BAPHOMETIS serves as the visible medium of the "BLACK HIERARCHY", to transpose the cosmic power from the 15th universe in our world and to contribute to the esoteric-magical control of the equilibrium.

AIM OF THE ORDO BAPHOMETIS

The primary aim of the ORDO BAPHOMETIS is to bind the gnostic-magical and black-violet influx from the 15th intercosmic vibration-model that is now magically irradiating our objective-material system and to influence this cthonic to work against the dematerialization process of the physical and astral matter of our planets.

The next aim of the ORDO BAPHOMETIS is to make the gnostic-magical mysteries and the theoretical knowledge accessible to mature people.

Gnostic-magical knowledge is the highest knowledge. It therefore falls upon all to transfer and apply this theoretical knowledge into everyday practice.

It is the will of the ORDO BAPHOMETIS to pour the gnostic-magical semen on the world and its devotees, so that the mystical union with the beginning of the AON BAPHOM can be established.

The gnostic god AIWASS said: "I am the great god that sits upon a throne of white marble. Black as the night are my eyes, but brilliant as sun-illuminated snow fields. My horns of pure obsidian, their trimming in scarlet, in their points the honey of gnosis. My tail points to the snake's nose. My phallus is ever erect, for my inner snake is forever united with the Lady of Dreams in a kiss. My feet are solid upon the earth, my horns pierce the clouds. I am the god to which the throne of Ra was given, I am the glorious one, Christ named by some, by others BAPHOMET, but Satan by the masses".

THE GRADE SYSTEM OF THE ORDO BAPHOMETIS

The ORDO BAPHOMETIS operates according to a grade system comprised of 99 degrees. Each degree must be acquired by the brothers' and sisters' own efforts.

Moreover, there are 99 magical initiations identical to the 99 gnostic-magical universes of the "BLACK SPACE". The head of the Order takes the 100th degree, as the daimon BAPHOMET.

These 100 degrees are divided into 10 magical sections, each presided over by a genius of the "BLACK HIERARCHY".

ORDO BAPHOMETIS OCCULTIS

O..B..C..

The ORDO BAPHOMETIS OCCULTIS is a secret Order in the ORDO BAPHOMETIS. It is a high-magic machine or magical mandala, which exists on the ethereal plane.

This magical machine will visibly manifest in the near future in the ORDO BAPHOMETIS.

The main retreat is named:

BAPHOCUM

The ORDO BAPHOMETIS OCCULTIS has a secret geometrical-mathematical structure and form:

It has 5 magical space stations - visible and invisible. In these 5 space stations various evocations and invocations,

which serve as magical aids, allow communication through these instruments with the spheres of the geniuses. By means of these 5 space stations one can gain access to the secret Order overall in other dimensions and parallel worlds.

The function of this "Inner Order" is to investigate and examine the secret BAPHOMETUM. Even the highest adept of the ORDO BAPHOMETIS has not yet succeeded in perceiving the secret nature of the BAPHOMETUMS and in roughly exploring it.

THE TEACHINGS OF THE ORDO BAPHOMETIS

1. There is no "white" and "black" magic. It depends only on the respective intellectual evaluation of the magician, who lets this or that practice come to pass.
2. It is not based on a demonization or Satanization of various worlds, but around a "release" of certain energies.
3. Through the Baphometric Masses and rituals, very subtle vibrations are produced, which are intended to magically shape a gnostic sanctum in which the adepts of the "Black Hierarchy" work at the construction of the anti-cosmos. Here certain thoughtforms are electronically consecrated for projection into the material world.
4. In the universe harmony must prevail! Through the magical rituals and masses of the ORDO BAPHOMETIS, a polarization of the material world is prevented.
Through the magical-gnostic work in the Order, a esoteric-magical evolution consistent with the Cosmic Hierarchy is ensured.
5. The magical energies and vibrations released by the ORDO BAPHOMETIS are absorbed by the Higher Hierarchy, channelled and used for higher purposes.
6. The BAPHOMETISMUS is the oldest magical system of the "black adepts".
It is a high circle, if not necessarily the highest, because it works around negatively polarized energies and structures in the metaphysical continuum.
7. This magical teaching system is mathematically expressed and formulated around negative potential, around negative wavelengths, around negative-imaginary units and associations, around negative curvature units.
8. Our duty consists of: to negatively charge the nucleus of the magical atom, or to charge the permanent atom of the psychological-physical world with negative electrons.
9. AGARTHI, the secret magical center, intensely radiates its dark-violet rays into the aura of the chosen ones in order to provide them with the Baphometric-Agarthic legends, so that they can obtain further secret teachings.

10. It does not concern a war about authority in this world, but a great holy glorification of people to the higher or lower hierarchy.
11. The function of the "Black Hierarchy" is to project a negatively charged state into the atomic structure of the PERMANENTUMS; to teach the use of BAPHOMEN.

INVOCATIO BAPHOMETIS

Priest:

As priest of the secret BAPH ET OM, I call to you,
great and secret god of the Baphometums, to assist
us in our magical work of the GREAT WORK OF LINGAM
AND YONI. Send us your strength and power. Enlighten
and lead us on our path into the INFINITE MYSTERIES
OF YOUR GNOSTICUMS.
(Make the sign of the gnostic mysteries of BAPH, middle
finger and thumb closed and forefinger across.)

Priestess:

I, O Great Baphomet, your secret and scarlet priestess,
dedicate myself with absolute devotion to the Great
Work. I will always conscientiously carry out Your Will,
as it is written in the secret statutes of the ORDO
BAPHOMETIS.
The Scarlet Whore is the magical vacuum, in which the
Arcanum Baphometis Sexualis leads. Through the Scarlet
Whore the immortal HOMUNCULUS is created and activated
in the PLEROMIC EGREGOR.

Priestess:

I, contributor of the "RED LION", am a true mystery,
only to be known by the hermetic circle of Baph et Om.
I, the Scarlet Whore, the Hyle of the secret elixer and
the forbidden blood; through me is the Great Work
completed.
(Drops the cloak and exposes herself to the high priest.
Spreads her legs and shoves her abdomen forward. The arms
stretch sideways and up, head to the back, with piercing
thumbs.)
High priest, do you recognize me? The Scarlet Whore in
the hermetic sanctum of KENOMA and PLEROMA.

Priest:

I still do not recognize you!
(Remove the hood.)

CEREMONIA PRINCIPII
Purification of the Virgin

Priestess:

Asperge me, BAPHOMET hyssopo, et mundabor;
Lavabis me, et super nivem dealbabor,
(and lays her robe down with the words) per sanctum
Mysterium et Magicum Satanicum Baphometis et
Babalon.

Priest:

Asperge me, Babalon, hyssopo, et mundabor,
lavabis me, et super nivem dealbabor.
(He removes his hood)

ORATIONES DEI OPERIS

Priestess:

Calls: NUIT - BAPHOMET - BAPHOMAE,
High gods and goddesses of a Cosmic Mystery, support
me in the Great Work, which is to be performed in
this Order's work.
I call to you: NUIT - BAPHOMET - BAPHOMAE,
send me the required energies and power, in order
to let the dark light shine forth from the secret
matter.

Priestess:

See! The Perfect One has said, the elements of my
body have been examined and found pure, a golden prize.
You Perfect One of Baph, may your flood flow through
me - through lymph, marrow and blood! The scourge,
dagger and chain cleanse body, heart and mind.
Hail, Hoor-Apep! You sword of steel! Alpha and Delta
and Epsilon met in the shadow of the pillar and
proclaimed in the Jota the tenfold heart and the
flaming crown.
Hail, Hoor-Apep! Unspeakable Name!
Hail, NUIT - BAPHOMET - BAPHOMAE!

CEREMONIA THURIBULI

Priestess:

(She is to arouse the fire and the priest with her
hands and say:)
"Accendat in nobis Dominus ignem sui amoris et
flammam aeternae caritatis."
(The priestess masturbates the priest's phallus and
imagines that her "inner fire" passes into it.)

Priestess:

Goddess of the Night "NUIT", fill me with your secret fire of the darkness and channel it into the holy staff of the high priest, so that it is inflamed and the "white nectar" rises to impregnate your Scarlet Daughter!

CEREMONIA DEDICATIONIS

(Invocet virgo Imaginem Dei MINIS his verbis.
The virgin calls the seal of the god MINIS =
Maximi Ingentis Nefandi Ineffabilis Sanctissimi
- with these words: "Tu qui es praeter omnia..."
Nec relinquet alteram Imaginem.)

Priestess:

You, who are beyond all ... abandon not the other form. You, who stand beyond time and space and are your secret source of red and white blood, abandon not the other form!

CREATION OF THE MAGICAL CHAIN

CONGREGATION:

WE ARE ONE BAPHOMETIC POWER!
WE ARE ONE LUCIFERIAN STRENGTH!!
WE ARE ONE BAPHOMETIC WILL!

(5 minutes concentration!)

SACRIFICIUM SUMMUM

(Wafers and wine are carried to the brothers and sisters.)

Priest

I enter the HOLY of HOLIES. See! See! See! Two, without interruption, become ONE, singing with a sonorous voice the words of the holy verses.

Priest:

Priestess of Baph, receive now the holy communion of the white blood, which is offered to the High Dark God BAPHOMET in the tabernacle of the BAPHOMETIC DAMONIUM.

Priestess:

High priest of Baph, I am prepared to receive the holy communion of the white blood from you. See! I expose the secret sanctuary of LINGAM AND YONI to you.
(The priestess exposes her yoni to the priest.)
(Now both perform the MAITHUNA.)

REVIVAL OF THE HEAD

CONGREGATION:

(The head is in the center of the temple.
The congregation forms a magical chain around
the HEAD.)

We, the secret brotherhood of BAPH, call to
you, SHEM, the reviving universal power!
Send your qliphotic light into this HEAD and
revive it!
We raise the power of the 4 elements and send
them to you.
LIVE! LIVE! LIVE! YALLAH! YALLAH! YALLAH!

BENEDICTIO BENEDICTUM

(Extended in a Tau, the priestess announces these
words:)

Priestess:

"Quia patris et filii et spiritus sancti in
tabernaculo Baphometis?"
Then in the secret tabernacle the coagulatio and
solutio are found in place of the true phoenix.
It is in the place of the true Master of Baph,
the priest and the priestess, that the material
substances are transformed in the ethereal matrices
and new dimensions for high magic workings are
opened.

CEREMONIA FINIS

Priest:

(Makes the sign of completion: right hand over left
hand.)
See! The Great Work is complete!
The Perfect One has said that the elements of my body
have been examined and found to be pure, a golden prize.
Smoke and wine and fire and bread, these I take, true
sacraments, for the perfection of the oil.
For I am wrapped in flesh and I am the eternal spirit.
I am the man who has freshly risen from death, his glory
I inherit since I partake of him. I am the manifestation
of the unseen. Without me it is as if the whole land of
KHEM and BAPH did not exist.
HAIL BAPHOMET! HAIL BAPHOMAE! HAIL BABALON!
HAIL NUIT! HAIL SATANAS! HAIL LUCIFER!

AUMGN

ALL:

NUIT - BAPHOMET - BAPHOMAE - BABALON - LILITH

THE VISIBLE UNIVERSE AS A MANIFESTATION OF THE BAPHOMAE

The term "BAPHOMAE" was introduced by me and I understand it as follows: the "True Self" of BAPHOMET.

It - BAPHOMAE - is the primordial cosmic substance, which has always existed and always will exist. It is the indefinable essence that continually creates new universes and etherealizes universes. It stands behind the AIN SOPH AUR of the kabbalistic tree of life.

To the initiate, BAPHOMAE is visible through the visible universe in ALL. Through the visible universe, BAPHOMAE is expressed in its lowest octave. The visible universe serves as a medium through which BAPHOMAE can be revealed to its devotees.

BAPHOMAE speaks through the physical matrix to its children and novices. But these visible sectors of the cosmos are only one tenth of the true nature of this incomprehensible being. In order to understand and grasp BAPHOMAE correctly, we must magically-gnostically transcend visible matter to attain the first steps and initiation stations. BAPHOMAE embodies the female aspect and consequently the purely diabolic-gnostic path of Baphomet.

We devotees and worshippers of the BAPHOMET-PRINCIPLE describe BAPHOMAE as the COSMIC WOMB (UTERUS), which is the originator of BAPHOMAEIC SEXUALITY. For without sexuality there is no universe and no humankind.

BAPHOMETIC SEXUALITY is an elemental force and archaic energy of terrific animalistic energetics and dynamics, which can be controlled and directed only by the higher adepts of the "INNER BAPHOM".

BAPHOMAE continuously provides, in its capacity as primordial creator of all universes, for a magical crystalization in the morpho-genetic field of the physical plane. Our duty as devotees of Baphomet is to work against the etherealization of the planet earth by the beings of the spiritual hierarchy.

BAPHOMAE endeavors to emphasize the daemonic-magical influx in its visible expression, because the PRIMORDIAL-UNIVERSE has always been seen in its true sense and version in the SUPER-DAEMON. We worship BAPHOMAE as our GREAT GODDESS underlying the BAPHOMET-PRINCIPLE and to us she is power, life and all of our wishes fulfilled.

HAIL BAPHOMAE!

CONCLUSION

BAPHOM - BAPHOM - BAPHOM. THE LAW OF THE NEW AEON!

The hieroglyphs of the dark-violet eyes, which glow from the indefinable BAPHOMETUM, illuminated in the height of revelation, resound in me as follows:

"In you lie sin and redemption. The earth is a dark silhouette that is mirrored in the astral-etheric ocean. In this mirror everything is inverted. Thus evil is good and good is evil. Destruction is the construction of matter and death is birth. Enjoyment is the Fall, accumulation and saving are debt, martyrdom is redemption.

Upon reaching the lowest point of the deepest magical abyss,
you can swing up to the highest goal.

In the vaults of the deepest darkness sleeps the seed of the
divine light.

Seek! You must undergo the transmutation simultaneously on all
three planes. The transmutation is your release. You must depart
for a long time, study and experiment, until you have solved the
secret of the three magic codes, which open simultaneously.

You must find the MATERIA PRIMA! You must discover, as each
BAPHOMETIC ELEMENT, death, decay and resurrection in oneself.
You must penetrate to the great, dark mother's womb - BAPHOMAE -
from which the gnostic life flows. This is the cogent point of
the material plane, and the bond loosens only at this point.

All possibilities exist on this earth: the possibility of
perdition, but also of resurrection. Mankind is the crystalline
intersection point of all boundaries.

Magus, you have now become the ruler of three worlds. You have
now finally relaxed your own bonds, having extracted your power
over gross and subtle matter. Now, because they are with you,
you can rule over them. Determination no longer binds you. You
know the secret gateway to the magical BAPHOMETUM and hold the
key in your hand. You can choose and decide freely, unbound by
the laws of the body.

You can migrate into the secret realm of BAPHOMET, penetrating
into the unbounded world of the infinitely small and the infinitely
large. You have become the true ruler of the MICROCOSM and the
MACROCOSM."
