# RULES

## I

The name of the Society shall be The Pilgrims.

## II

The object of the Society shall be the promotion of Anglo-American good fellowship.

## III

The Officers shall be a President, Vice Presidents, Chairman, Honorary Chaplain, Honorary Treasurer and Honorary Secretary, of whom the President, Chairman, Honorary Treasurer and Honorary Secretary, together with sixteen other members, shall constitute the Executive Committee of the Society ("the Committee"). The said Officers shall be unpaid and shall be elected annually at the annual meeting of the Society, provided that no Officer being the Chairman, Honorary Treasurer or Honorary Secretary shall serve in the same office for more than six years unless elected for a seventh or subsequent year after not less than three-quarters of the members of the Committee shall have signed a memorandum approving the eligibility of that Officer for such election.

The Committee may also appoint from one of the members of the Society an Assistant Honorary Secretary who shall be unpaid and who shall not be a member of the Committee.

## IV

The Society shall be composed of members of British or American nationality prominent in public or social life, science, art or literature, who shall be elected by the Committee and membership of the American Pilgrims shall ipso facto constitute membership of the British Pilgrims and vice versa without additional fees. The membership shall be limited to 1,100, but this number may be varied at any time by the Committee.

## V

Candidates must be proposed by one member, seconded by another and be personally known to both members who shall inform the Committee in writing as to the eligibility of the candidate and state the candidate's interest and involvement in Anglo-American relations. The candidate's full name and occupation shall be entered in a form to be provided for the purpose, which shall be signed by the proposer and seconder.

The names of the American candidates may be referred to the American Committee for their approval.

The election for membership shall be by the Committee, after taking the advice of the sub-committee on Membership, and shall take place at such times as the Committee shall think fit.

The election shall be by vote or by ballot; one negative vote or one black ball in five shall exclude. If twice rejected a candidate cannot be put up again for election without the unanimous consent of the Committee.

The Chairman of the sub-committee on Membership shall forward to every member of the Committee a list of the candidates with the names of the proposers and seconders at least one week before the candidates' names come before the Committee for election.

The Honorary Secretary shall notify each new member of his or her election and furnish him or her with a copy of the Rules.

Anyone whom the Committee considers worthy of the honour may be elected an Honorary Member of the Society.

## VI

The Committee may at any time cancel the membership and refuse to receive the subscription of any member; such ex-member shall not have the right to make any appeal whatsoever or to demand the reason for such cancellation, but the entrance fee and subscription for the current year shall be returned to him or her.

Any member becoming bankrupt or compounding with his or her creditors shall, ipso facto, cease to be a member, but can be reinstated by the Committee if in their opinion he or she has done nothing to injure his or her reputation.

## VII

The management of the Society shall be vested in the Committee which shall make and be responsible for enforcing all such rules and regulations as they shall from time to time think necessary for the management and well-being of the Society and for carrying out its objects; such rules and regulations shall be binding on all members of the Society. The Committee shall have power to add to, or alter, these Rules after two weeks' notice of the proposed addition(s) or alteration(s) shall have been given to each member of the

Committee. Additions or alterations adopted by the Committee shall be reported to the next annual meeting of the Society.

The Committee shall have the power on behalf of the Society to acquire or invest in assets, or to dispose of assets, in such manner and on such terms as it thinks appropriate; that power can include the ability to gift or loan assets if the Committee considers that to be the most appropriate course.

One-third of the Committee shall be elected at the annual meeting of the Society and hold office for three years, one-third retiring each year and being eligible for re-election for one further three year term. Any Committee member so re-elected shall not be eligible for further re-election unless elected an Officer or unless he or she shall have retired from the Committee at or before the annual meeting of the Society last preceding the annual meeting at which such re-election is proposed.

Five members of the Committee shall form a quorum.

The Committee shall have power to fill vacancies.

Honorary Members shall be eligible to serve on the Committee.

The Committee shall appoint annually a sub-committee on Finance, a sub-committee on Membership and a sub-committee on Programme events, which shall be responsible to and shall advise the Committee in respect of financial matters, candidates for membership and programme events respectively. Each of the said sub-committees shall consist of five members together with the Chairman who shall be an ex-officio member. In the case of the sub-committees on Finance and Membership, the members shall all be appointed from members of the Committee and, in the case of the sub-committee on Programme events, its chairman and at least two other members shall be appointed from members of the Committee.

The chairman of the sub-committee on Membership shall not propose or second any candidate for membership.

The Committee shall have power to appoint additional sub-committees for any purpose or object and to delegate to such sub-committees the functions and powers of the Committee relating to the same. The composition of each such sub-committee shall be as prescribed by the Committee (the Chairman in any event being an ex-officio member thereof) and may include members of the Society who are not members of the Committee.

Unless otherwise prescribed by the Committee in respect of any additional sub-committee, three members of a sub-committee shall form a quorum.

Except where otherwise provided in these Rules, the decision of the Committee, or of any sub-committee, on any question shall be that of the majority of those members present and voting on the question.

## VIII

No member shall by virtue of his or her membership be liable for any amount beyond his or her entrance fee and annual subscription.

## IX

At any meeting, whether general or in Committee, the chairman shall have a casting vote, except at the election of a member when the chairman shall have only one vote.

## X

There shall be an annual meeting of the Society held at such time and place as the Committee may decide for the purpose of receiving a report of the Committee in respect of the affairs of the Society for the past year and a statement of the accounts and of electing the Officers and members of the Committee; two weeks' notice of such meeting shall be given by the Honorary Secretary in such manner as the Committee may determine.

## XI

There shall be an entrance fee and annual subscription, the amounts of which shall be determined by the Committee from time to time. The entrance fee shall be paid on election and the annual subscription shall be paid on or before 1 May each year.

Any member elected after 1 December in any year shall pay only half the usual annual subscription for the portion of the year between the date of his or her election and the following 1 May.

## XII

All subscriptions shall be paid to the Honorary Treasurer who shall keep the accounts of the Society and report thereon to the Committee from time to time.

The Honorary Treasurer shall at each annual meeting render a statement of the accounts which shall have been duly audited.

If a member's subscription be three months in arrears, he or she shall cease to be a member of the Society. The Committee may reinstate a member on a satisfactory explanation of failure of due payment.

### **XIII**

All members shall from time to time communicate to the Honorary Secretary their own addresses or those of their agents or bankers and all notices sent to such addresses shall be considered as duly delivered.

### **XIV**

No member shall make use of the name or address of the Society for purposes of advertisements or for any other purpose without the prior consent of the Committee.

### **XV**

Members desiring to resign must notify the Honorary Secretary of such intention not less than one calendar month before the next annual subscription becomes due; otherwise they will be liable for the subscription for the ensuing year.

### **XVI**

Members may introduce their friends to the public meetings of the Society subject to such restrictions as the Committee may from time to time establish, but the same guest (other than the spouse of the member concerned) may not be introduced on more than one occasion in any year without the consent of the Committee.

### **XVII**

The decision of the Committee on all matters relating to the Society shall be final.
