All tho many of these buildings may be sold in the future, it is important to keep an eye on all future activity at these locations.

## "Maple Resolve" - Huge Drill In Canada Starts April 20th, More Troops Involved Than "Jade Helm" In The United States!

Everyone in the alternative media has been made aware of the upcoming operational "drills" happening in the United States under the name "Jade Helm". There have been those that have proclaiming that these drills could be both a test and the prelude to when the US Government imposes their planned Martial Law across America. It is also surprising that most of the American sheep are totally unaware of these drills taking place in what is supposed to be a "free" nation!

At Investment Watch Blog website, it appears that there is a drill to be conducted in Canada that will occur in Wainwright Alberta at exactly the same time as the Jade Helm "exercises" in America!

Maple Resolve will be conducted at the Canadian Manoeuvre Training Centre in Wainwright, Alberta from April 20 to May 23. The exercise will involve nearly 4,500 military personnel from Canada, the United States and the United Kingdom.
