Respondents

## AFFIDAVIT OF JASON BOWMAN

(Affirmed this 4th day of July, 2012)

I, Jason Joseph Bowman, founder of the Association of Citizen Prosecutors / informant deponent, of the Town of Alliston in the County of Simcoe, AFFIRM THAT:

1. I and Rev. Kevin McNamee-Annett of the International Tribunal into Crimes of Church and State, and others intend to commence proceedings against the named defendants, and others in Federal Court.
2. I verily believe that these defendants are parties to criminal offenses including *inter alia*, conspiracies involving parties named, and occult parties, *et al*.
3. I am personally aware of thousands of other status and non-status individual parties, each of whom claim that they have been aggrieved by what I verily believe to be collective acts and omissions on the parts of the named respondents.
4. I and Rev. Kevin McNamee-Annett have commenced meeting personally with each of said parties for the purpose of obtaining information and evidence because in each instance, said parties have been unable to compel other authorities to pursue the crimes alleged notwithstanding the willingness of said parties to proffer *prima face* evidence sufficient to cause process to issue.
5. I verily believe that widespread, systemic institutional bias and on-going criminal conspiracies appear to have perverted the course of justice in many of these instances across Canada, and intend to proffer evidence in order that all parties accused of criminal wrongdoing are held to account - without regard to their title or office - to the fullest extent the law.
6. Within the past 12 months alone, I have been made aware of separate and specific examples where otherwise preventable death or serious injurious harm of victims of the aforementioned conspiracies has resulted at the unclean hands of parties named as defendants.
7. I make this affidavit in support of this motion and for improper purpose.

Affirmed before me at the City of Toronto in the Province of Ontario on this 4th day of July, 2012.
