

Monarch Programming and the Black Awakening pack 2015

Monarch Programming is a method of mind control used by numerous organizations for covert purposes. It is a continuation of project MK-ULTRA, a mind-control program developed by the CIA, and tested on the military and civilians. The methods are astonishingly sadistic (its entire purpose is to traumatize the victim) and the expected results are horrifying: The creation of a mind-controlled slave who can be triggered at anytime to perform any action required by the handler. While mass media ignores this issue, over 2 million Americans have gone through the horrors of this program. This article looks at the origins of Monarch programming and some of its methods and symbolism.

NOTE: This article contains disturbing elements and might trigger Monarch survivors.

Monarch programming is a mind-control technique comprising elements of Satanic Ritual Abuse (SRA) and Multiple Personality Disorder (MPD). It utilizes a combination of psychology, neuroscience and occult rituals to create within the slaves an alter persona that can be triggered and programmed by the handlers. Monarch slaves are used by several organizations connected with the world elite in fields such as the military, sex slavery and the entertainment industry. This article will look at the origins of Monarch programming, its techniques and its symbolism.

Monarch Programming

Although there has never been any official admittance of the

existence of Monarch programming, prominent researchers have documented the systematic use of trauma on subjects for mind-control purposes. Some survivors, with the help of dedicated therapists, were able to “deprogram” themselves to then go on record and disclose the horrifying details of their ordeals.

Monarch slaves are mainly used by organizations to carry out operations using patsies trained to perform specific tasks, who do not question orders, who do not remember their actions and, if discovered, who automatically commit suicide. They are the perfect scapegoats for high-profile assassinations (see Sirhan Sirhan), the ideal candidates for prostitution, slavery and private movie productions. They are also the perfect puppet performers for the entertainment industry.

"What I can say is I now believe that ritual-abuse programming is widespread, is systematic, is very organized from highly esoteric information which is published no-where, has not been on any book or talk show, that we have found it all around this country and at least one foreign country.

People say, "What's the purpose of it?" My best guess is that the purpose of it is that they want an army of Manchurian Candidates, ten of thousands of mental robots who will do prostitution, do movies, smuggle narcotics, engage in international arms smuggling, all sorts of very lucrative things, and do their bidding and eventually the megalomaniacs at the top believe they'll create a Satanic Order that will rule the world."

Exposing the Closing Ceremony Ritual

The video "EXPOSING the Closing Ceremony Ritual - Occult Symbolism (London 2012 Olympics)" will show posthuman looking young people, building up the illuminati pyramid made of 13 steps and 303 building blocks (see one dollar bill), then later, after having completed the pyramid, you'll see them lying dead on the ground around the pyramid.

What does this symbolize? This symbolizes programmed Monarch slaves, being posthumans, since under the planned NWO, the future posthuman-transhuman society, everyone but the highest elite will be a programmed Monarch slave. The illuminati will build up their pyramidal society with the help of these programmed assassins. After having built the pyramid, their omega programming will get triggered making them commit suicide, that's why they're lying dead on the ground.

The massive chaos being created by millions of these programmed assassins, once having been triggered to start killing people (delta programming) all over the world, will overwhelm the regular authorities, and make the sheeple loose faith in their respective governments. They will be shouting: "We need a world leader, only a world leader can save us now. We have to give absolute power to the United Nations over all countries." (basic sheeple psychology)

That's when the Antichrist will step in and trigger these Monarch slaves (omega programming), so they will commit suicide. All assassins being dead now, law and order will be restored in an instant, and the sheeple will be hailing the Antichrist as the promised savior who will be accepted as the world leader with

absolute power. Of course these assassins have been programmed by the very same Antichrist and his occult minions in the first place. Problem reaction solution.

It's so simplistic, but all the truly ingenious plans have to be simple in order to work well. You see, this happens when people don't stand in their own truth and in their own power, and always watch out for a leader outside of them. Some hard lessons ahead for the sheeple on this planet here, I guess. GOD (the highest one) is though, you know. The harder you are, the harder HE will get. Without GOD's will, the Antichrist wouldn't even exist. The Antichrist is the punishment for your sins, the manifestation of your unholy mind set, your pride and lack of humility before GOD.

Financing Mkultra and the False Dichotomy

You see, all those billions of dollars taxpayers have been spending for CIA mkultra programs and similar ones, were not used to ward off the Soviets during the alleged Cold War, in truth these technologies of manipulation were being developed for setting up the kingdom of the antichrist. The false dichotomy between the U.S. and the USSR was just a clever satanic deception for getting the money and eroding people's moral standards, making them more demonic. Mkultra is a truly demonic technology.
