

give up, give in, give up, give in, give up
give up, give in, give up, give in, give up
give up, give in, give up, give in, give up
give up, give in, give up, give in, give up
give up, give in, give up, give in, give up

I want to fuck for the new world system
I need to fuck for the new world system
I love to fuck for the new world system
I have to fuck for the new world system
I like to fuck for the new world system

I need to serve the new world leader, I need to serve the new world system
I love to serve the new world leader, I love to serve the new world system
I like to serve the new world leader, I like to serve the new world system
I have to serve the new world leader, I have to serve the new world system
I want to serve the new world leader, I want to serve the new world system

I need to serve, I need to kill for the new world system
I have to serve, I have to kill for the new world system
I like to serve, I like to kill for the new world system
I love to serve, I love to kill for the new world system
I want to serve, I want to kill for the new world system

I have to be programmed for the new world system
I like to be programmed for the new world system
I need to be programmed for the new world system
I love to be programmed for the new world system
I want to be programmed for the new world system

I want to be assimilated by the new world system
I need to be assimilated by the new world system
I love to be assimilated by the new world system
I have to be assimilated by the new world system
I like to be assimilated by the new world system

I want to serve the new world leader
I need to serve the new world leader
I love to serve the new world leader
I have to serve the new world leader
I like to serve the new world leader

I need to kill for the new world government
I love to kill for the new world government
I like to kill for the new world government
I have to kill for the new world government
I want to kill for the new world government

I need to kill for the new world leader
I have to kill for the new world leader
I like to kill for the new world leader

I love to kill for the new world leader
I want to kill for the new world leader

I need to serve the new world order
I like to serve the new world order
I love to serve the new world order
I have to serve the new world order
I want to serve the new world order

I have to be programmed by the new world leader
I need to be programmed by the new world leader
I like to be programmed by the new world leader
I love to be programmed by the new world leader
I want to be programmed by the new world leader

we have to kill for the new world system we have to serve the new world system
we need to kill for the new world system we need to serve the new world system
we like to kill for the new world system we like to serve the new world system
we want to kill for the new world system we want to serve the new world system
we love to kill for the new world system we love to serve the new world system

we have to be programmed assassins for the new world system
we need to be programmed assassins for the new world system
we want to be programmed assassins for the new world system
we need to be programmed assassins for the new world system
we love to be programmed assassins for the new world system
