

# **Depopulation Murder Rates in the Forthcoming Planned Global Genocide 2018 – 2023**

**as forecast / announced by  
*[www.deagel.com](http://www.deagel.com)***

This is a short compilation to highlight the website *Deagel.com* and its wider implications. It was first analysed by Ryan Zimmerman on Steemit, [all credit goes to him and his post:](https://steemit.com/news/@rebelskum/deagel-a-real-intelligence-organization-for-the-u-s-government-predicts-massive-global-depopulation-50-80)

<https://steemit.com/news/@rebelskum/deagel-a-real-intelligence-organization-for-the-u-s-government-predicts-massive-global-depopulation-50-80>

*Deagel* collects information on international military aviation and advanced technologies.

It lists its partners and clients as:

- NSA
- NATO
- OECD
- OSCE
- Russian Defence Procurement Agency
- Stratfor
- The World Bank
- UN

Its report on North Korea was given to the US President during Presidential Daily Briefings and was quoted by a Stratfor report, as can be seen in WikiLeaks documents:

[https://wikileaks.org/gifiles/docs/26/2655808\\_dprk-marko-p-.html](https://wikileaks.org/gifiles/docs/26/2655808_dprk-marko-p-.html)

*Deagel* is thus a recognised intelligence provider to military, secret services & governments. For this reason, its forecasts have to be taken seriously, not least because they are recognised by powerful global players. They forecasts drastic population decreases in the Western world.

The analysis on Steemit described it as:

*“Deagel, a real intelligence organization for the U.S. government, predicts massive global depopulation (50-80%) by 2025”*
