## **Why Won't Anyone Mention the Word “Jew”?**

### **The Jews' Ferocious ASSAULT on Western Christian Culture and the white race: Promotion of Filth and degeneracy**

**Lorraine Day, M.D.**

#### **Does the U.S. Government Endorse Lying to DESTROY families?**

We frequently hear the political terms, Neocons, “the far left”, Socialists, elitists – but rarely do we hear the word “Jew.” Everyone is terrified of being labeled an Anti-Semite. Of course, that’s exactly what the Jews want - - for everyone to be afraid of exposing the sinister plan of the Jewish elite to control the world and destroy Christians and Christianity.

The Jews have been extremely successful in intimidating the population of America, and probably most of the world, into being afraid to expose their evil deeds and satanic plans while they mount a massive assault on Western Culture, the white race, Christians and Christianity.

Everything that Christianity stands for – goodness, kindness, morality, self-control, healthful living, faith in Jesus Christ – is mocked, ridiculed and denigrated by the Jews. They have brought degeneracy, criminality, filth, and a cesspool mentality to America and most of the world.

Minorities are promoted, which is fine, however, whites, especially white males, are denigrated, which is a major focus of the Jewish agenda, since Jews don't consider themselves “white.” Also, Christians and Christianity are disparaged, being pictured in the worst way possible, while the neurotic traits of Jews are grandly promoted.

#### **Jews' Assault on Children and the Family**

**The Removal of children from their parents for monetary gain on the part of the Social Services department, and the potential supplying of children for the network of pedophiles at the highest levels of the U.S. Government.**

Do Social workers have the constitutional right to lie, plant evidence, and bring in false witnesses to testify falsely, in order to remove children from their parents?

That question is being argued in Federal Court right now (November 24, 2016), just one level below the Supreme Court of the United States.

There is a case in Federal Court right now (Preslie Hardwick vs County of Orange, California, Marcia Vreeken, et al) in which social workers are contending they have a constitutional **“right to lie”** in order to remove children from their parents, and the social worker is **immune from prosecution!**

**The Adoption Safe Families Act (ASFA)**, signed into law by pedophile U.S. President Bill Clinton on November 17, 1997, gives departments of Social Service, as well as Christian Institutions, financial incentives to remove children from their parents for what is termed “abuse and neglect” (of which “poverty” is one of the definitions of “abuse and neglect”), move them through foster homes rapidly, and put them up for adoption, before parents know what is really happening to them.

This law not only makes money for the Social Service departments and the Christian Institutions, but it also provides a ready supply of new children, both boys and girls, for the extensive pedophile networks that operate at the highest levels of the U.S. and U.K. governments, and many other governments as well.

In 2015, 460,699 went missing. **Outrageously, 84% of those almost half a million children went missing while under the control of social services!!** Does that not sound like the social services departments are a perfect cover for funneling children into the pedophile networks? How could almost half a million children every year just vanish without a trace?

**Can Vaccinations be tied into social engineering, artificial Intelligence (AI) and transhumanism?**

Dr. Graham Downing, a neuro-musculoskeletal and functional medicine consultant in the U.K., disclosed (on the Richie Allen Show posted November 24, 2016) that the vaccination of pregnant women induces inflammation in their bodies and also increases the risk of releasing inflammatory markers in their fetuses/infants. The vaccinations that are full of neurotoxic ingredients, e.g., Thiomerosal (mercury), aluminum, formaldehyde, sodium borate, detergent, polysorbate 80, and human fetal cells.

These inflammatory substances produced in the pregnant mother cause an elevation in the fetal brain as well, where cytokines release glutamates (the potentially deadly ingredient in MSG – monosodium glutamate). The prefrontal lobes and the limbic system of the brain, that involves human emotions, are affected in fetuses from pregnancy vaccines administered to moms-to-be.

Aluminum found in vaccines, prohibits glutathione production that is needed for detoxification. Purkinje cells in the baby's brain are also damaged. Additionally, pregnancy vaccines create physiological distress in pregnant women along with impacting the developing right hemisphere of the male fetus. Gross motor skills in male fetuses are impacted negatively, which coincides with more males being diagnosed with Autism. The right hemisphere of the brain controls social skills.

### **Computer Games**

Computer games are designed to be addictive and decrease the frontal brain activity – where life decisions are made, in addition **to increasing dopamine levels in the brain**. Dopamine is a brain neurotransmitter. **Psychopaths have high dopamine levels.**

These changes also result in a significant decrease in empathy – an inability of these children to identify with – or acknowledge – or understand, the pain or suffering of others. This is also a characteristic of psychopaths, who can maim or kill another human being without experiencing any guilt.

Dr. Downing has scientific evidence that “Unborn Babies are Being prepared for AI (Artificial Intelligence) and Transhumanism through vaccines, Medicine and computer games.” Transhumanism is the belief or theory that the human race can evolve beyond its current physical and mental limitations, especially by means of science and technology.

In other words, God didn't create human beings properly – “Man” must “improve” them by science technology THEY have developed!

### **Jews” Assault on Christianity**

#### **Statement by Jewish Professor Israel Shahak**

#### **On the Jewish hatred towards Christianity**

Dishonoring Christian religious symbols is an old religious duty in Judaism. Spitting on the cross, and especially on the Crucifix, and spitting when a Jew passes a church, have been obligatory from around AD 200 for pious Jews. In the past, when the danger of anti-Semitic hostility was a real one, the pious Jews

were commanded by their rabbis either to spit so that the reason for doing so would be unknown, or to spit onto their chests, not actually on the cross or openly before the church. The increasing strength of the Jewish state has caused these customs to become more open again but there should be no mistake: *The spitting on the cross for converts from Christianity to Judaism*, organized in Kibbutz Sa'ad and financed by the Israeli government is an act of traditional Jewish piety. It does not cease to be barbaric, horrifying and wicked because of this! On the contrary, it is *worse* because it is so traditional, and much more dangerous as well, just as the renewed anti-Semitism of the Nazis was dangerous, because in part, it played on the traditional anti-Semitic past.

This barbarous attitude of contempt and hate for Christian religious symbols has grown in Israel. In the 1950s Israel issued a series of stamps representing pictures of Israeli cities. In the picture of Nazareth, there was a church and on its top a cross - almost invisible, perhaps the size of a millimeter. Nevertheless, the religious parties, supported by many on the Zionist "left" made a scandal and the stamps were quickly withdrawn and replaced by an almost identical series from which the microscopic cross was withdrawn.

Then there was the long-drawn-out battle about Christian influence in elementary arithmetic. Pious Jews object to the international plus sign for it is a cross, and it may in their opinion, influence little children to convert to Christianity. Another "explanation" holds; it would then be difficult to "educate" them to spit on the cross, if they become used to it in their arithmetic exercises. Until the early 1970s two different sets of arithmetic books were used in Israel: One for the secular schools, employing an inverted "T" sign. In the early '70's the religious fanatics "converted" the Labor Party to the great danger of the cross in arithmetic, and from that time, in all Hebrew elementary schools (and now many high schools as well) the international plus sign has been forbidden.

Similar development is visible in other areas of education. Teaching the New Testament was always forbidden, but in the old time conscientious teachers of history used to circumvent the prohibition, by organizing seminars or sending the students to libraries (not the school libraries, of course). About 10 years ago there was a wave of denouncing such teachers. One in Jerusalem was almost sacked, for advising her history pupils, who were studying the history of Jews in Palestine around 30-40 AD, that it would be a good thing if they would read a few chapters of the New Testament as a historical aid. She retained her post only after humbly promising not to do this again.

However in recent years, anti-Christian feelings are literally exploding in Israel (and among Israel-worshipping Jews in Diaspora too) together with the increase of the Jewish fanaticism in all other areas too.

The real enemies of truth here, as in many other aspects of the Israel reality, are the socialists, "liberals", "radicals", etc. in the USA. Imagine the reaction of the US Liberals, and of such papers as *The Nation* and *New York Review of Books*, not to speak of the *New York Times* if in any state whatsoever, the government financed spitting on a Star of David? But when here in Israel, the government finances the spitting on a cross, they are and will continue to be, *quite silent*. More than this, they helped to finance it. United States taxpayers, who are of course mostly Christians, are financing at least half the Israeli budget, one way or another, and therefore the spitting on the cross too.

**Professor Israel Shahak is an Israeli citizen, former concentration camp inmate during WW II, and the founder of Israel's Human Rights League. His new book "Jewish History, Jewish Religion" about Jewish hatred and contempt toward Gentiles, is highly recommended.**

### **Jews' Assault on the White Race**

**JEWRY HAS BEEN WAGING A RELENTLESS WAR** on White America ever since its first large scale wave of immigration to America from Eastern Europe and Russia beginning in 1880.

The first attack on White America, (perceived by the Jews as a power bloc that would oppose their lust for power and control), took place in the public school system at the turn of the 20th Century.

Through their increased centers of Jewish organizations such as the American Jewish Committee with their first meeting in New York City in 1906 to demand "rights for Jews" (rights were never denied to Jews) and which divided America into 12 Jewish districts - along with Jewry's economic rise within White America seeking to "strengthen Judaism against its Christian competitors in the marketplace," Jewry took up arms against traditional White cultural expressions such as Bible readings, prayer, singing of Christmas Carols, and the celebration of Christmas and Easter in America's schools.

This attack by the Jews on public Christian expression was first outlined by Henry Ford in his book, *The International Jew - The World's Foremost Problem*, published in 1921. Ford and others after him such as Professor Kevin MacDonald have pointed out that it was the American Jewish Committee which first vigorously advocated for open immigration in America beginning in 1914 until the great watershed in 1965 with the Open Immigration Law of 1965, trumpeted, advanced, and implemented through Jewish influence in US Congress.

Ford wrote in 1921 as a warning to America regarding Jewry's mission to diminish the Euro-White presence in the US: "The energies of the Jewish powers are concentrated on the task of preventing America from changing the immigration laws in a manner to protect the country from undesirable aliens."

Prof. Kevin MacDonald wrote in 2002: "The primary objective of Jewish political activity is to create a Jewish safety-net in a society acceptant of a wide range of attitudes and behaviors, as well as a diversity of religious and ethnic groups." Open immigration as foisted on Americans by the Jews has now come home to roost in every major city in the US, turning our once White American cities into Third World scenarios. "Diversity Is Our Strength!" proclaim the Jews in their closed neighborhoods. But in fact, "Diversity Is Jewry's Strength!" - subverting and weakening the only power bloc that could ever oppose Jewry's lust for power - White Christian America. For it is in a racially diverse environment that Jews can rule over their White Christian hosts. <http://www.realjewnews.com/?p=466>

### **Jew's Assault on Truth**

Because the Jewish-owned mainstream media was unable to deceive the public during the recent election, they are in meltdown. The major networks were essentially part of Jewish Hillary Clinton's campaign entourage, covering up her scandals, covering up her health issues, covering up her perversions, and promoting her lies to the public. They desperately wanted her to become president – to secure the status quo – and to continue to advance towards a One World Government controlled by the Jews!

However, the alternative media, including Wikileaks, as well as many other truth-telling websites were successful in awakening the American people to the evils of the Jewish Illuminati, the Jew-owned and run private Federal Reserve Bank, the constant Wars promoted by the Jews, and the Jewish-backed Terrorism around the world - - - although none of these alternative websites EVER used the word "Jew" – for fear of retaliation. They always referred to these super-rich, elitist Jewish terrorists as "neocons" or "zionists" or "elitists" or "international bankers" or some other such term. No one seems to be willing to name the enemy: The Jews!!

**TRUTH is now branded "FAKE NEWS" by Mainstream Media**

Because of their failure to completely deceive the public during this election, the mainstream media (again owned by the Jews) has declared all-out WAR on the alternative media, naming 351 Untrustworthy FAKE News Sites.

These supposedly “FAKE” News Sites **actually are the ones telling the Truth.** The Mainstream, Jewish-owned, media, including CNN, CBS, ABC MSNBC, and even Fox News are the ones FAKING the news!

These truth-telling websites include, Rense, InfoWars, Activist New, American Free Press, Breitbart News, Henry Makow, Intellihub, Lew Rockwell, Russia Today, Storm Clouds Gathering, The Daily Caller, The Daily Beast, The Common Sense Show, Veterans Today, and hundreds of others.

### **Canada’s “FALSE NEWS” Law Struck Down by Canada’s Supreme Court**

It is interesting to note that for many years, Canada lived under a “False News” law, but it was struck down by the Canadian Supreme Court in 1992 in the case of my friend, Ernst Zundel, who was imprisoned in Canada under this evil and unconstitutional law, because he told the truth about the Holocaust Hoax.

***R v Zundel*** [1992] 2 S.C.R. 731 is a landmark Supreme Court of Canada decision where the Court struck down the provision in the Criminal Code that prohibited publication of false information or news on the basis that it violated the freedom of expression provision under section 2(b) of the Canadian Charter of Rights and Freedoms.

### **Background**

In 1985, [Holocaust denier Ernst Zündel](#) was charged with "spreading false news" by publishing a pamphlet entitled "[Did Six Million Really Die?](#)" in [Canada](#), contrary to s.181 of the Criminal Code.

Section 181 states that "[e]very one who wilfully publishes a statement, tale or news that he knows is false and causes or is likely to cause injury or mischief to a public interest is guilty of an indictable offence and liable to imprisonment". At trial, Zundel was convicted. However, on appeal the case was sent back for a new trial due to a procedural error at trial in admitting evidence and instructing the jury. He was re-tried in 1988, and convicted again. The judgement was upheld by the [Court of Appeal](#), and Zundel appealed to the Supreme Court. The issue before the Supreme Court was whether s. 181 of the Code infringed "the guarantee of freedom of expression in s. 2(b) of the Canadian Charter of Rights and Freedoms and, if so, whether s. 181 is justifiable under [s. 1](#) of the Charter."

## Opinion of the Court

Justice [Beverley McLachlin](#), writing for the Court, found that Zundel did violate section 181. The book was examined, and the court concluded that it "misrepresented the work of historians, misquoted witnesses, fabricated evidence, and cited non-existent authorities." However, section 181 violated section 2(b) of the Charter. Kelsey noted that section 2(b) protects all expression of a non-violent form, and as such, the content itself is irrelevant (section 2(b) is content neutral). The protection provided by the Charter includes expression of minority beliefs even where the majority may find it false (Morais 2001). The imposition of imprisonment for expression has a severely limiting effect on freedom, beyond reason.

McLachlin further found that it could not be justified under section 1 of the Charter as the restriction on all expressions "likely to cause injury or mischief to a public interest" was far too broad.

And the law was expunged from the government of Canada!

**But now the United States is sinking to a new low in the mainstream media's desperate attempt to Mind Control the entire population of America with its utter deceptions. This is in direct violation of the First Amendment of the U.S. Constitution.**

The **First Amendment (Amendment I)** to the United States Constitution prohibits the making of any law respecting an establishment of religion, ensuring that there is no prohibition on the free exercise of religion, abridging the freedom of speech, infringing on the freedom of the press, interfering with the right to peaceably assemble, or prohibiting the petitioning for a governmental redress of grievances. It was adopted on December 15, 1791, as one of the ten amendments that constitute the Bill of Rights.

## **Jews' Assault on Morality**

### **Media**

#### **TV Themes**

All the television networks, movie studios, and news magazines are owned by Jews. So what do they promote?

**Married with children:** shows a white family where the parents are stupid and childish, and the children disrespectful and also stupid.

**American Greed** (Should be titled: Jewish Greed) Con artists who con people out of millions of dollars in so-called investments. At least 85% of all those exposed on this TV program – are Jews. It should NOT be called “American Greed” (another attempt at making Americans “ashamed” of being an American). Instead it should be named Jewish Greed!

**Will and Grace** – a sitcom created by two Jews that promotes the homosexual lifestyle.

**Friends** – a group of four actors (all of whom appear to be Jews in real life) promoting illicit sex, lesbianism, homosexuality and pornography.

**2 Broke Girls** – a sit com featuring 2 very stupid young women who work in a diner. The humor is always sexualized and is rarely funny. It is directed at a 4<sup>th</sup> grade level.

**Shark Tank** – would-be entrepreneurs wanting an investment in their business, present to a group of 5 already vastly successful entrepreneurs. Even though a couple of the investors do seem to have a heart, for the others it’s just about MONEY! One of the investors is often downright rude.

**Everybody Loves Raymond** – Three generations of one family are the center of this sitcom. They are promoted as being Italian, but in reality, all the family traits are Jewish: a neurotic mother who controls her grown sons by guilt, who plays the “Oh, poor me” card constantly, a father who is rude, boorish, stupid and uncouth, and the two seniors fight constantly, insulting each other at every turn. Their grown children have all sorts of problems caused by the perversity of the parents. The show constantly disparages Christians and Christianity, always trying to make the Jewish (“Italian”) way look superior.

**All In the Family** – depicting white people as uneducated, ignorant, intolerant red necks. The son-in-law, who is a hard core liberal communist, is promoted as the only sane one on the show – who is to be admired at all costs.

**Tots and Tiaras** – promotion of pedophilia by hypersexualizing little girls as young as 3 or 4.

**Keeping up with the Kardashians** – a family that has no talent whatsoever, except for drawing attention to themselves by their vapid, insipid lives, their serial marriages and a mother who is an expert at publicity, no matter what it takes.

**NCIS** – a crime-solving show with “kooky” characters that are apparently supposed to be endearing, but are out-right “freaky” with a lead “actor” that may be the worst actor in Hollywood. The director goes to great lengths to show

blood and gore and as many dead bodies as possible – for nothing more than “Shock” value.

**Impastor** - a fugitive and hard-core gambling addict who, in order to hide from a pair of loan sharks, ends up stealing the identity of a recently deceased gay Lutheran pastor who was relocating to Ladner, a small-town community outside of Portland, Oregon. The show is centered around lying, and the denigration of Christianity.

None of these TV shows have ANY redeeming value. They, and many others, promote degeneration, crime, filth, and every destructive characteristic one can imagine.

### **“Stars” of the Music Industry**

**Niki Minaj, Miley Cyrus, Katy Perry, Beyonce** - all mind-control sex slaves of the Illuminati who have very little, if any, talent, proving that the Jews can make ANYONE – literally ANYONE – a “star.” Their behavior on – and off – the stage is reprehensible in every respect, yet they are promoted as role models for young girls.

**Rappers Kanye West and Jay Z.**– who rap about pimps, whores, rape, use filthy language yet Georgetown University gives a course on Jay-Z. In an opinion piece, the professor of the University course wrote the he “believes that Jay-Z could be compared to Homer or Shakespeare.” What Trash! These are the poorest of role models for young boys.

**“Kaitlin” Jenner** – has his own show promoting Transgenderism. Until Bruce Jenner dies, every cell in his body will testify that he is a MALE! Just more degeneration into the cesspool of the Jewish Talmud – the “holiest” book of the Jews that promotes BIGOTRY against EVERY non-Jewish race, promotes pedophilia, homosexuality, and every other perversion.

### **Sports Athletes as Role Models**

Sports Athletes today are often involved in illegal drugs, “doping” (taking performance enhancing drugs), learning to be fierce competitors rather than learning to work together, some will do anything to win. Off the field (or court), some have been charged with rape, domestic violence, theft, robbery, manslaughter, murder, conspiracy to commit murder, cruelty to animals, bribery, money laundering, drug dealing, drug trafficking, and many other crimes.

### **The main subjects of today’s Movies, TV shows, music and books are:**

Incest  
 Pedophilia  
 Homosexuality  
 Sexual promiscuity  
 Theft, lying, vile profanity, covetousness,  
 Greed  
 Pornography  
 Adultery  
 Fornication  
 Destruction of the family  
 Rebellious Children disrespecting parents  
 Drugs (illegal and legal)

Ridiculing Jesus, Christianity and Christians  
Satanism and witchcraft and filthy, gutter language  
Murder and violence

**Social Media** Through Facebook, Twitter, Instagram and other social media are not “evil” by design, they have become an addiction for millions of Americans, particularly young Americans, causing them to focus on trivia and become dissatisfied with their own life. People while away their time on nothingness!

**Video games** focus the user’s attention on violence, including murder, aggressiveness, and the overwhelming desire to dispose of their “enemy.” They are not only addictive, but they teach the worst “values” possible to the user.

**Extreme Sports** focus on getting the biggest adrenalin rush possible. If the adrenalin is not flowing, the person hardly feels alive!

### **No time to Think**

There is no time for reflection on one’s life, no time to learn lessons from the individual’s wrong decisions, and no time to think about – or study - God or His Word, the Bible.

### **Filthy language and habits**

Filthy language – even women use words, in almost every sentence, that are vulgar and crude.

Sexting naked pictures and disgusting texts is life for many people.

### **Pedophilia**

The massive National and International Network of Pedophiles is now being exposed. Millions of lives of young children are being destroyed by these evil people. Children are being tortured, mind controlled, sexually assaulted, and sacrificed by these Satanists at the highest levels of government.

Clothing for sale in stores, even for young children, particularly little girls, is provocative, sexualizing babies and very young little girls.

Pedophilia, homosexuality, transgenderism, and every other kind of perversion, is right out of the Jewish Talmud.

### **Degenerate Rock and Rap Music**

Almost all music companies are controlled by the Jews, including Rock, Rap, Country, Pop, and even Classical music – which is almost non-existent. Music has been degraded to the Satanic – yet another way the Jews have destroyed Western Christian culture.

### **The Cares of this World**

Even if the distraction is not evil – just the cares of this world – Jesus warns us about allowing those things to lead us away from Him. God says, “Cast your cares on Me, for I care for you.”

### **The Scofield Bible and other Bible translations**

God HAS preserved His Word in the original Hebrew and Greek – the language in which the God-inspired writers wrote it. Unfortunately, the translators have “re-written” the Bible – in virtually ALL versions - according to their OWN preconceived beliefs causing ALL the translations – including the King James Version – to have many errors. These errors have been sorted out and corrected in my book, “Who Rewrote the Bible?”

### **God is still in control!**

Even though God is still in charge of the Universe, including this world, he has allowed Satan to attract and deceive most of this earth’s inhabitants.

Even though people “go to church” – they don’t really study the Bible on their own – diligently and repeatedly

### **The War of Armageddon**

The War of Armageddon - the war between Christ and Satan – the war between Good and Evil – the war between today’s Jews and Non-Jews (what they call “Gentiles” or goyim, or beasts) - began in the Garden of Eden, when Satan first tempted Eve. It has continued during all of human history.

Even though Satan appears to be winning temporarily, Satan can do nothing unless God allows it. God is allowing Satan to take down the world, so humanity can see how BAD sin can get with Satan running the world.

**Jesus Christ will win in the end**, but only **after** EVERYONE has experienced either personally, or by observation, the depths of sin – and what it does to humanity – until all of humanity ultimately recognizes their need for Jesus Christ to run their life.

It is only when we recognize our utter destitution, is Jesus Christ able to put His character and disposition in us. THAT is *eonian* life – the life of Christ dwelling in us!
