*Now go, attack Amalek, and proscribe all that belongs to him. Samuel 15:3 (The Israel Bible™)*

Read the text above!

What most people don't know is that Jews refer to non-Jews as "Amalek." The Jews of today fraudulently believe that they are the descendants of the Israelites of the Bible – which they are NOT!

The Jews of today originate from Khazaria, a nation that existed between about the 6<sup>th</sup> and 10<sup>th</sup> century AD, in an area west of what is now Russia. Khazaria occupied the area between the Black Sea and the Caspian Sea.

The Khazarians were the descendants of Mongol, barbarian Turks, so they were “Gentiles.” Their leader was called a “Khan.” The Khazarians accepted the culture and religion of Judaism, a pagan cult whose “holiest” book was the Babylonian Talmud, again, a book of cultic paganism, and are the ancestors of at least 80-90% of all of today’s “Jews.” The rest are Sephardic Jews, from Spain, who also are NOT descendants of the Israelites.

So, the fact is that JEWS are Not “Jewish”! Jewishness is NOT an ethnicity. It is a culture and religion of paganism!

The Jews of today claim to be descendants of Abraham, which they are NOT! Abraham was NOT “Jewish.” He was a Babylonian who converted to worship of the true God and looked forward to the coming Messiah – who came in Abraham’s lineage. So, Abraham was a “Christian” – before Christ was born. He had “crossed over” from worshiping pagan idols to worshiping the true God, so he was called a “Hebrew” – a word that means “to cross over.”

The Israelites were worshipers of the true God who were in a war with the Amalekites, a pagan nation. Because the Amalekites worshiped Satanic pagan idols, and hated the Christian Israelites, God said they would be driven out of the land and the Israelites (who, again, were worshipers of the true God – they were NOT “Jews”) would end up owning all of their enemies possessions when the Amalekites were driven from the land.

NOW, today’s Jews called the rest of us - - “Amalekites” and they believe they have the “God-given” right to take everything we own.

That's why the Israeli newspaper headline (above) quotes that verse.

The CEO of Pfizer, (Jew) Albert Bourla has stated that they will make sure there is a yearly Covid "vaccine" (Kill Shot!) FOREVER, until the Jews have murdered every Gentile on the planet.

And THAT is why their article uses the Old Testament text about "Amalek."

The Satanic Jews are never happy unless they shove in our faces the fact that they plan to Kill us ALL – and take everything we have!
