

Looks Like Almost Everyone is Controlled Opposition

Academy of Divine Knowledge

Del Bigtree, David Icke, Christiane Northrup, Sharon Tenpenny, Judy Mikovits, Carrie Madej, Robert Kennedy, Jr., and many others, are listed as “teachers” in the Academy of Divine Knowledge, a Masonic organization led by Sasha Stone. The organization has close ties to the UN. Their logo is a Satanic hexagram.

The other teachers are an assortment of psychic mediums, yoga instructors, remote viewers and other New Agers.

The Academy of Divine Knowledge, because of the backlash, has changed it’s name to some other less conspicuous (and new age sounding) name.

Celeste Solum

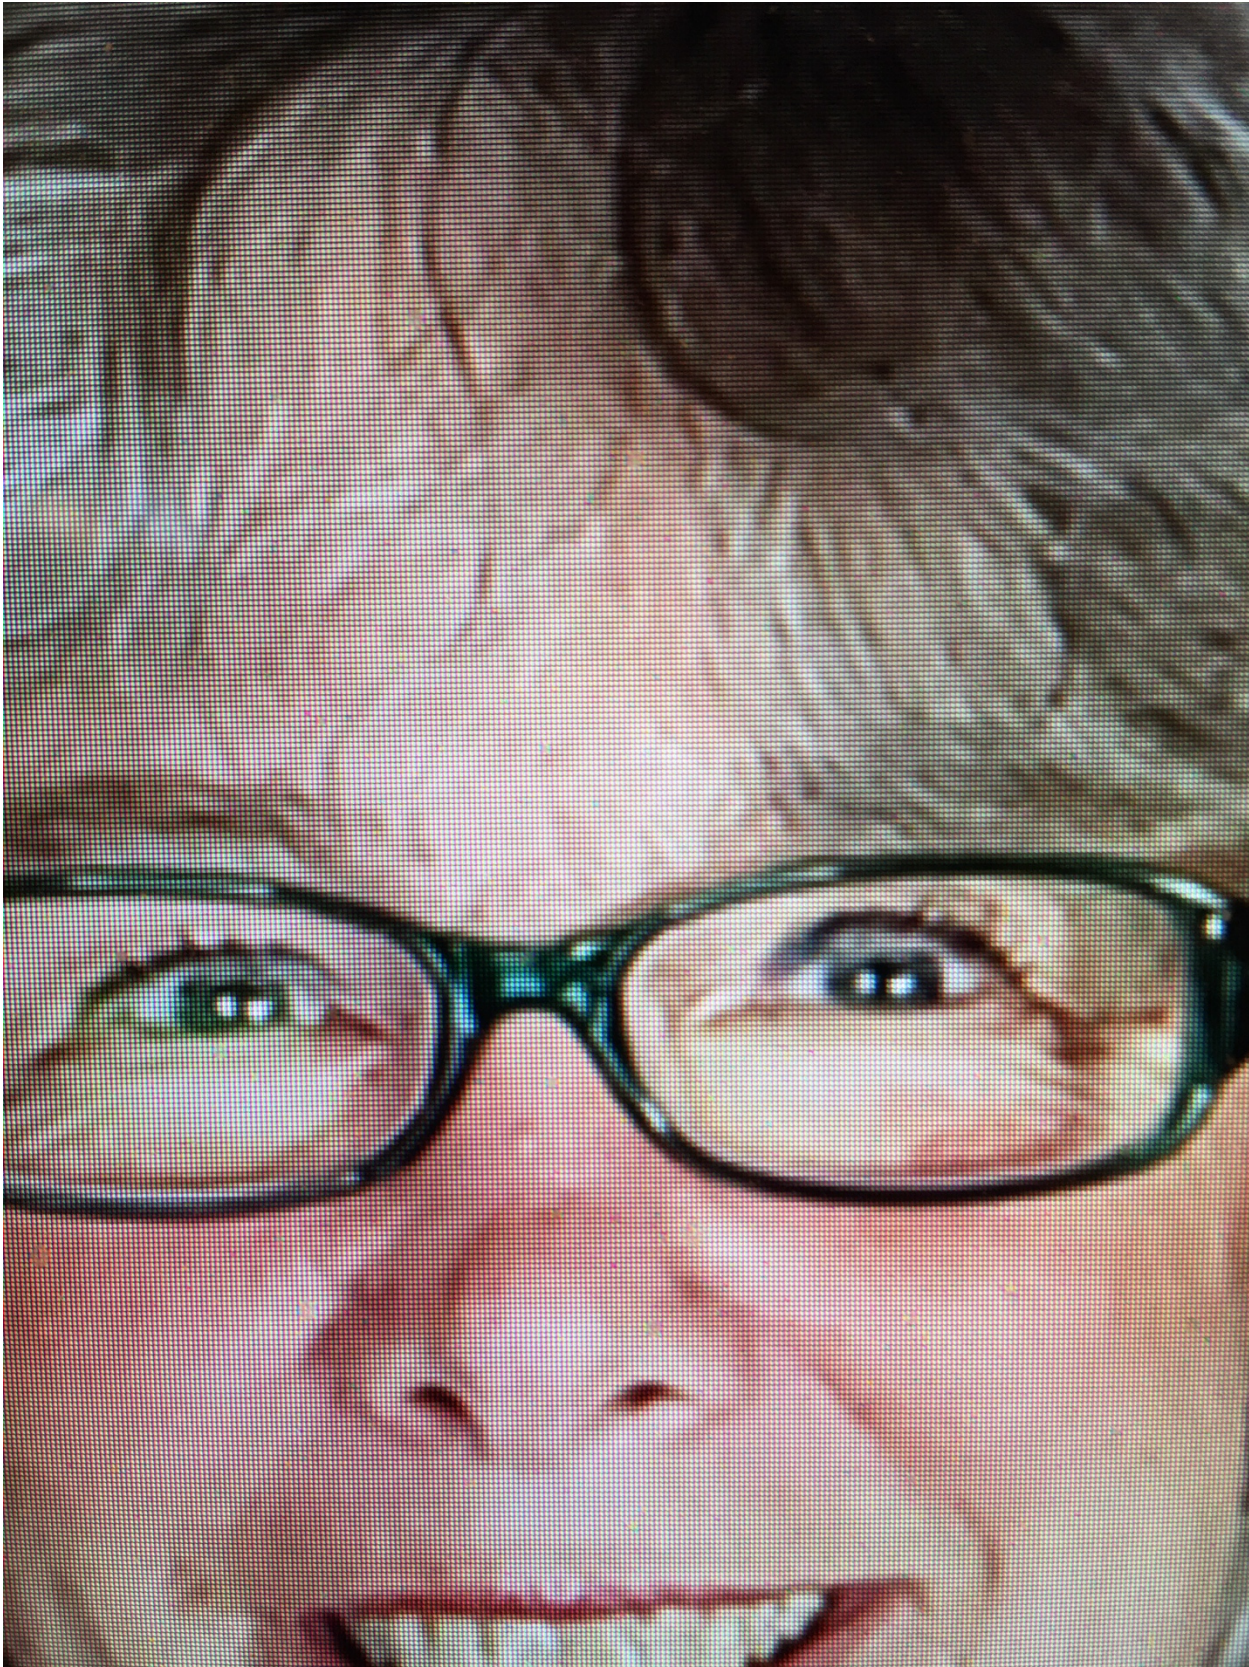

Appears to be a New Ager, although she claims to be a Christian. When she appears on other shows, her posted bio states; “Celeste also has education and experience in

nursing, pediatrics, dentistry, environmental medicine, and alternative medicinal remedies.”

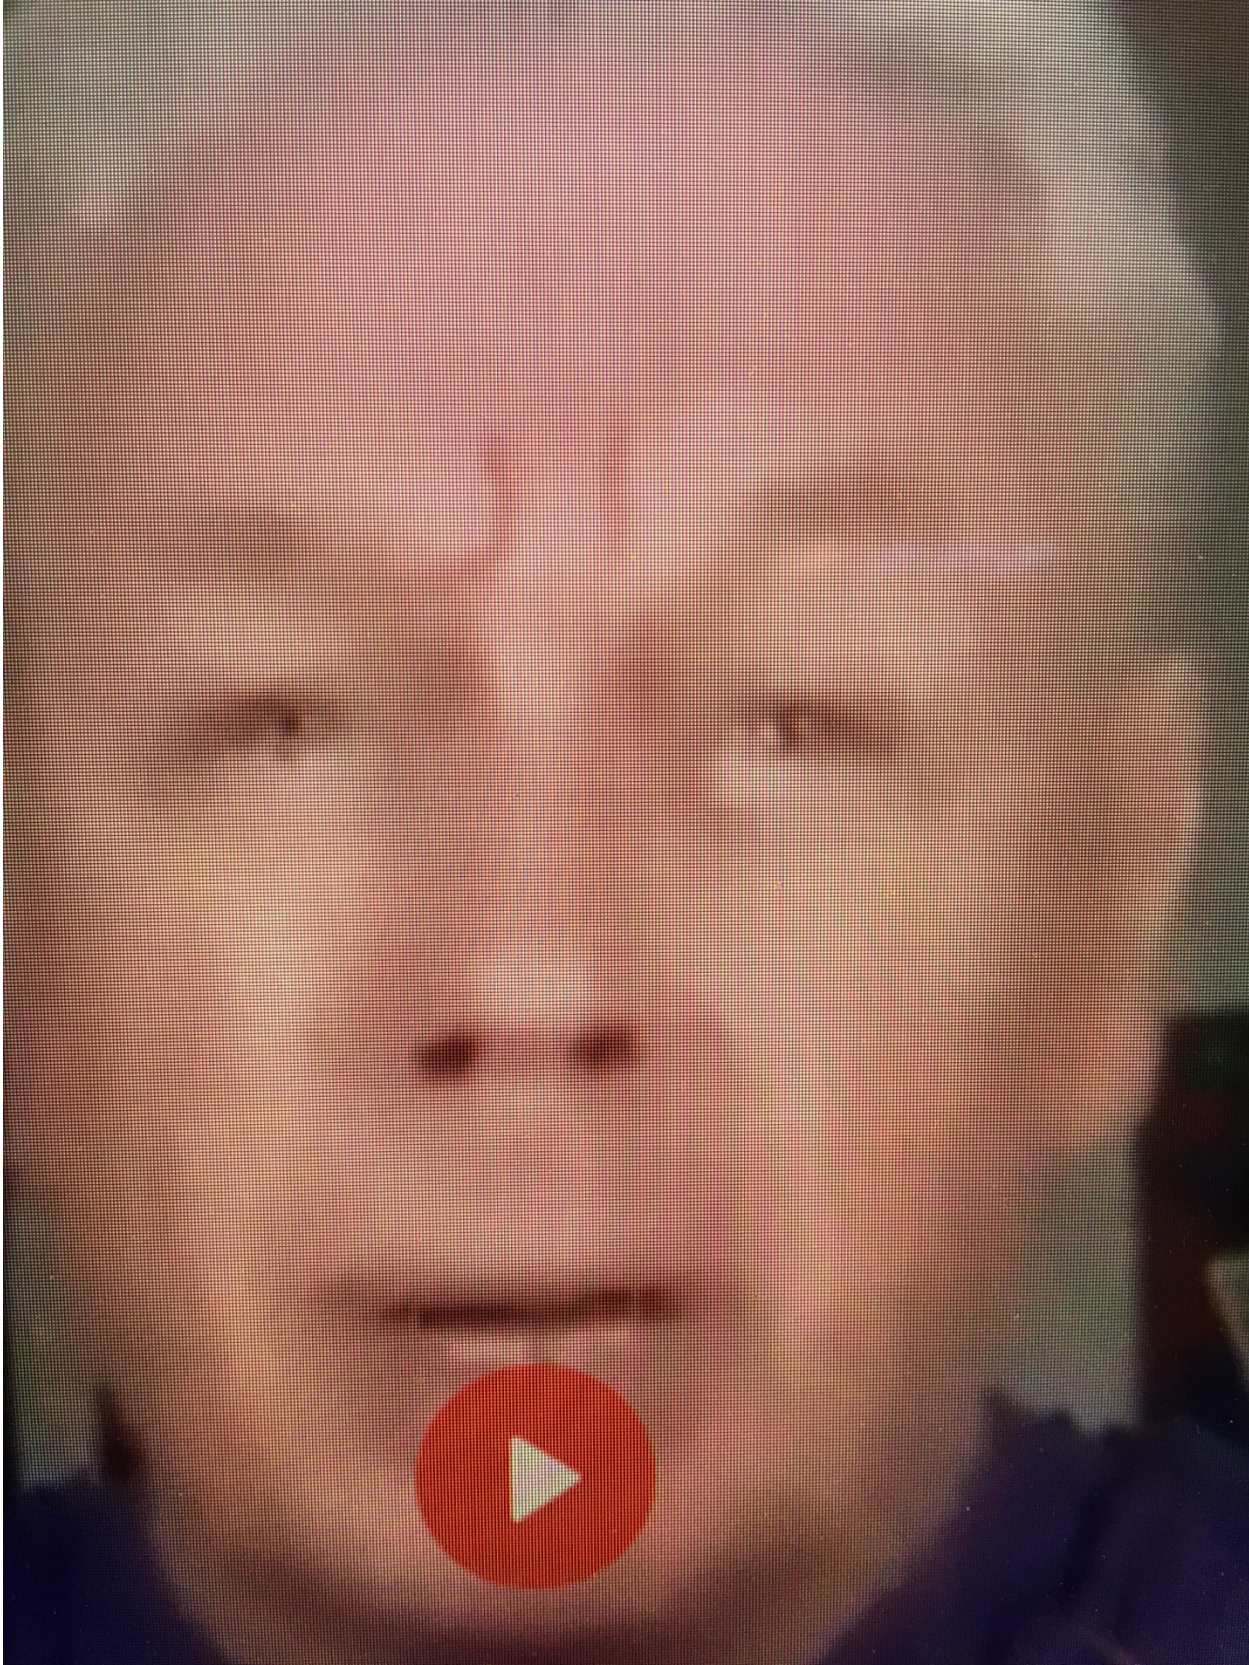

That is a very odd combination of “education and experience.” And when I went to her website, I could find no biographical information, nor documentation of her training in any of those areas.

“**Celeste** became a Christian because of World War II, when her family left their faith, just in case there was another Holocaust.” Does that mean she is Jewish?

In the main picture of herself she has posted on her website, she is “shape-shifting” – which means her pupils are no longer round, instead, they are vertical slits like a venomous snake.

David Icke eyes are also “shape-shifting” during his video presentation. Here is a screen shot.

Just like former U.S. President, George H. W. Bush. See his vertical, snake-like, pupils.

Dr. Robert Malone

Dr. Malone actually did research on the development of mRNA technology, and has close ties with the Drug companies and with the

Wikipedia states: Robert Wallace Malone (born 1959) is an American virologist and immunologist. His work has focused on mRNA technology, of which he was a pioneer, pharmaceuticals, and drug repurposing research.

Apparently, Dr. Malone has stated he has had two of the Covid Injections. Why would he do that if he believes they're harmful? And if he doesn't believe they're harmful, that suggests he is Controlled Opposition.

Jordan Peterson

Jordan Peterson is wining and dining at this very moment amongst members of the globalist ruling elite. He is one of the billed attendees at the annual summit of the infamous Trilateral Commission, an organization founded by David Rockefeller with the explicit purposes of undermining nationalism and establishing a one-world government.

Even the Truckers' Logo says 666

(Three curved lines surround the circle – each making the number “6”)

Controlled Opposition

This accounts for somewhere between 65-80% of the most prominent anti-vaxxers speaking publicly about the Covid HOAX.

I have never heard any of them expose the fact that the Jews are behind the FAKE Covid “pandemic” – which is nothing but a “cover” for Population Extermination, and the takeover of the world by the Jewish Elitist Communists.

**They ALL seem to have ties to the very enemy
they are supposed to be exposing!**
