

Who is Responsible for ALL the Wars?

All Wars are Bankers' Wars!

All Wars are JEWISH Banker's Wars!

Lorraine Day, M.D.

War is Just a Racket!

*-- Excerpt from a speech delivered in 1933, by **Major General Smedley Butler, USMC.***

War is just a racket. A racket is best described, I believe, as something that is not what it seems to the majority of people. Only a small inside group knows what it is about. It is conducted for the benefit of the very few at the expense of the masses.

I believe in adequate defense at the coastline and nothing else. If a nation comes over here to fight, then we'll fight. The trouble with America is that when the dollar only earns 6 percent over here, then it gets restless and goes overseas to get 100 percent. Then the flag follows the dollar and the soldiers follow the flag.

I wouldn't go to war again as I have done to protect some lousy investment of the bankers. There are only two things we should fight for. One is the defense of our homes and the other is the Bill of Rights. War for any other reason is simply a racket.

There isn't a trick in the racketeering bag that the military gang is blind to. It has its "finger men" to point out enemies, its "muscle men" to destroy enemies, its "brain men" to plan war preparations, and a "Big Boss" Super-Nationalistic-Capitalism.

It may seem odd for me, a military man to adopt such a comparison. Truthfulness compels me to. I spent thirty- three years and four months in active military service as a member of this country's most agile military force, the Marine Corps. I served in all commissioned ranks from Second Lieutenant to Major-General. And during that period, I spent most of my

time being a high class muscle- man for Big Business, for Wall Street and for the Bankers. In short, I was a racketeer, a gangster for capitalism.

I suspected I was just part of a racket at the time. Now I am sure of it. Like all the members of the military profession, I never had a thought of my own until I left the service. My mental faculties remained in suspended animation while I obeyed the orders of higher-ups. This is typical with everyone in the military service.

I helped make Mexico, especially Tampico, safe for American oil interests in 1914. I helped make Haiti and Cuba a decent place for the National City Bank boys to collect revenues in. I helped in the raping of half a dozen Central American republics for the benefits of Wall Street. The record of racketeering is long. I helped purify Nicaragua for the international banking house of Brown Brothers in 1909-1912 (where have I heard that name before?). I brought light to the Dominican Republic for American sugar interests in 1916. In China I helped to see to it that Standard Oil went its way unmolested.

During those years, I had, as the boys in the back room would say, a swell racket. Looking back on it, I feel that I could have given Al Capone a few hints. The best he could do was to operate his racket in three districts. I operated on three continents.

The Reason for World War I

Palestine's Early Roots

The International Jews wanted to get Palestine into their hands, so they could take it over. They wanted the world to believe that the present-day Jews are descendants of the Israelites of the Old Testament – but they are NOT! The present-day Jews have NO relationship to the Israelites of the Old Testament. The present-day Jews are descendants of the barbarian Mongol Turks (NON-JEWS) of Khazaria (a nation located between the Black Sea and the Caspian Sea during the 8-th – 13th centuries), a group of people who CONVERTED to the culture and religion of Judaism.

So, today's "Jews" aren't even really "Jewish." They are descendants of Mongol Turk GENTILES!

Who ruled Palestine at the time of World War I?

From about 1517 to 1917, **the Ottoman Empire** ruled much of the region. When World War I ended in 1918, the British took control of Palestine.

But before the Jews could get their hands on the land of Palestine, first it had to be taken away from the Ottoman empire that was ruled by the Muslims.

The International Jews, who have always planned on ruling the world, had two major goals when they instigated World War I: a) destroy the Christian country of Germany – the only remaining truly Christian country in Europe at that time, and b) get the land of Palestine out of the hands of the Ottomans and into the hands of the British (who at that time were – and still are today – ruled from behind the scenes by the International Jews).

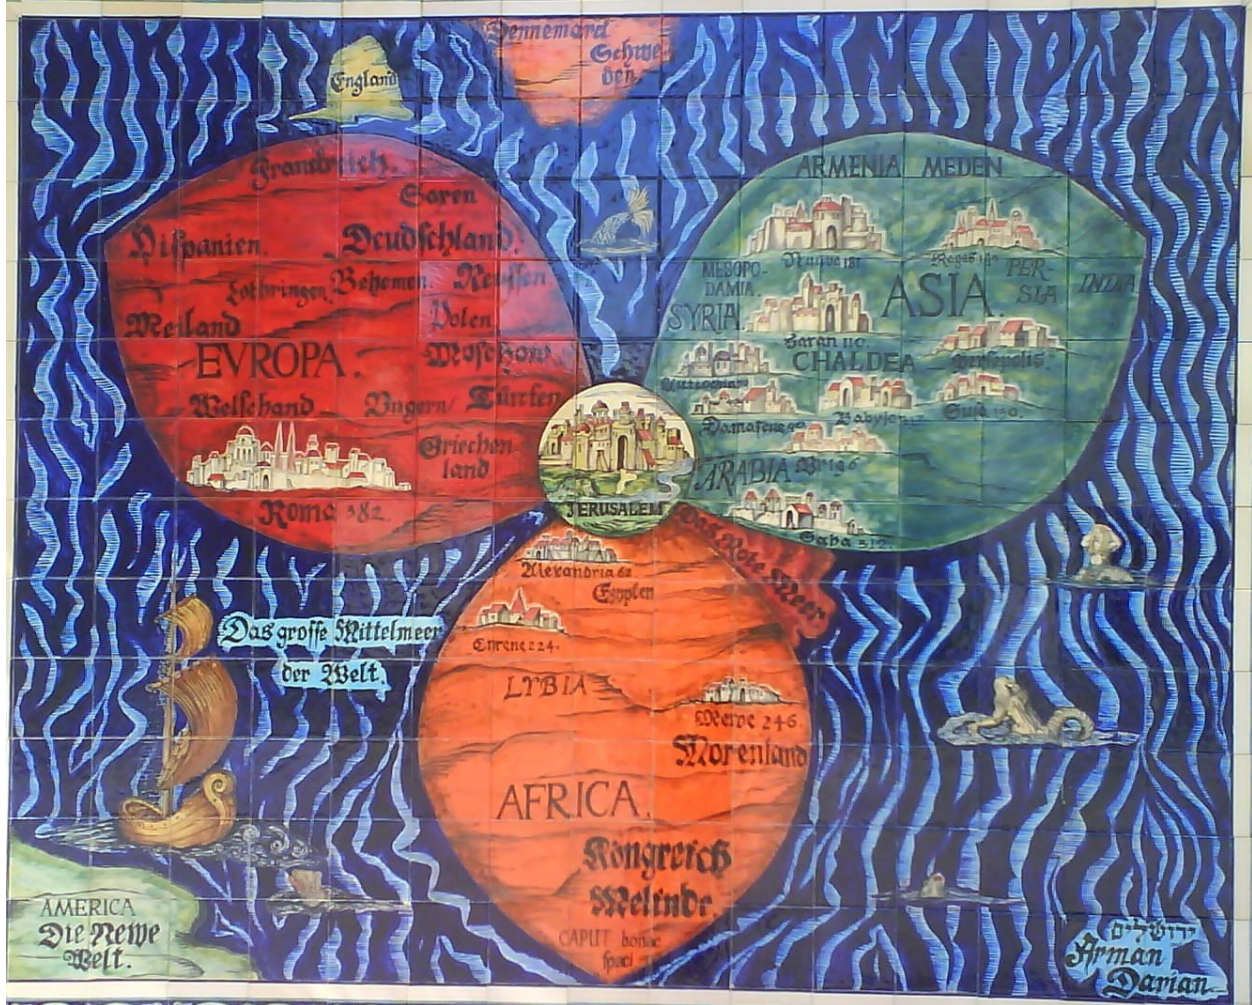

The Balfour Declaration:

The Balfour Declaration was a public statement issued by the British government in 1917 during the First World War announcing its support for the establishment of a "national home for the Jewish people" in Palestine, then an Ottoman region with a small minority Jewish population.

The Reason for World War II

The International Jews had two goals for World War II: a) CRUSH Germany completely, to get rid of all the Christian white people, and b) take the Land of Palestine from British control and give it completely to the Jews to form their FAKE Nation of "Israel" – so they could continue the LIE that today's Jews are descendants of the Israelites of the Old Testament – which they are NOT!

Not only is the Land of Palestine full of many rare metals, which the Jews wanted to own and control, but it is the "Center" of the original known world.

Bunting's map, drawn in 1600, showing Jerusalem at the very center of the world

In antiquity, all commerce from Africa to either Europe or Asia, had to travel through the area of Palestine. And all commerce from between Europe and Asia also had to travel through Palestine. Originally, God set it up that way, because the Garden of Eden, and later, the true Israelites – who were “Christians” – worshipers of the TRUE God, before the Messiah, Jesus Christ was born, lived in the original Old Testament nation of Israel.

After Christ was born, then all travelers coming through Palestine could learn about Jesus, the Messiah, the Savior of the World!

The Reason for World War III

The same International Jews are behind World War III. They have two goals for World War III: a) slaughter ALL Gentiles, particularly Christians, b) get control of the whole world for themselves.

World War III has already begun with the conflict now going on between Russia and Ukraine. But it is all staged. Zelensky, the head of Ukraine (installed by a U.S. coup) is a JEW. But the Ukrainians are Gentiles. Zelensky's job is to make sure the Gentiles in his country are exterminated. Putin, the head of Russia, is also a Jew, and his job is to make sure the Gentiles in his country are also exterminated. They are using the ruse of war between the two countries to accomplish their goals.

Protocol: 13.6

"Who will ever suspect then that ALL THESE PEOPLES WERE STAGEMANAGED BY US ACCORDING TO A POLITICAL PLAN WHICH NO ONE HAS SO MUCH AS GUESSED AT IN THE COURSE OF MANY CENTURIES?"

It is highly likely that the war will escalate until it involves most of the countries of the world as another form of Population Extermination (to add to the slaughter by Covid injections and the massive number of deaths from the coming planned famines).
