Did religious fanatic Muslims commit the acts of September 11, 2001? Or could some other form of religious fanaticism be at work? Continue reading for the answer!

The Jew Doesn't Fight His Own Battles

World Zionism is the architect of global terrorism, the man behind the curtain if you will. Ever since the establishment of the terrorist state of Israel in 1948, there has been a major increase in violent terrorist acts across the globe. The world has plunged into an era of chaos, destruction, war, tyranny and strife, and all this satanic madness can be traced back to International Jewry's doorstep, Tel Aviv. Israel is engaged in a global "strategy of tension," a maniacal effort designed to drive a wedge between the Western world and the Islamic world. International Jewry will continue to exacerbate and exploit the contrived divisions between the West and the Islamic world, Christianity and Islam, until they achieve their final objective -- the annihilation of the hated Gentiles and eventual world domination.

Israel and its loyalists abroad have been engaged in a concerted propaganda effort to demonize the Muslim/Arab world and nations which get in the way of Israeli hegemony in the middle-east. Israel rarely fights its own battles unless their opponent is so completely hopeless who are armed with nothing more than sticks and stones, like the Palestinians.

Because Israel is determined not to risk its own blood and resources to achieve its strategic objectives, it endeavors to influence Western powers with strong military might to do it for her. Historically, Jews have always prided themselves on manipulating the *Goyeem* into doing the dirty work, not only because they are cowardly and cunning, but also because when things go south the blame could then be passed off on the Gentile proxy, with the Jew getting off scot free.

The way Israel and its fifth-column loyalists abroad manipulate Western powers into doing its bidding is through pro-war media propaganda, bribing and/or blackmailing Western leaders and also through the use of false-flag terrorism – oftentimes all three methods are employed simultaneously to achieve the desired result. Former Mossad case officer, Victor Ostrovsky, wrote two books detailing the Israeli Mossad terrorist agency's relentless use of 'false-flags' to set up adversarial Arab and Muslim countries as targets for the United States military by framing them for terrorism. (See: [By Way of Deception](#))

One example is [Operation Trojan](#): in 1986 [Israel's Mossad set off an explosive](#) inside the La Belle Disco in Berlin, Germany, killing two American military officers and a female civilian; a few days later Mossad agents planted a radio transmitter in Tripoli, Libya, that broadcast fake terror messages on a frequency used by the Libyan government making it look like Libya had ordered the bombing that killed two Americans in Germany. This Mossad operation successfully induced a US military strike against Libya killing scores of Libyan civilians including Colonel Gadaffi's adopted 15-month old daughter. Watch the video below for a brief history of Israeli false-flag terrorism and covert operations, some of which have successfully tricked Western powers, mainly the United States, into bombing a country which Israel didn't like.

Jews Control American Mass Media & Hollywood

Without the mass media as a willing co-conspirator, the Zionist terrorist masterminds of 9/11 would never have been able to pull it off without getting exposed rather quickly (it's not like it actually worked since we know they did it anyway). The American (and global) media is not merely "incompetent," it is criminally biased in favor of the Jews and Israel because that's who owns and controls it. The Jewish-owned Mass Media and fifth-column Zionist political pundits masquerading as "experts on terrorism" were mobilized to bury the truth of who orchestrated the attacks by immediately pinning the blame on 19 incompetent Arab patsies who were working for a [fictional terror group](#) called "Al Qaeda." They did this well using all the tried and true techniques outlined in the Jew [Edward Bernays](#)' infamous book, "Propaganda."

Israel Did 9/11 - All The Proof

Jews have been using terrorism, specifically of the false-flag variety, to achieve their political ends for a very long time. Some of the earliest examples of Jewish terrorism goes back to the late 1800's when radical Jewish Marxist terrorists from the Pale of Settlement were constantly plotting to assassinate the Christian Czar's of Russia. Jews succeeded in assassinating [Czar Alexander II](#) in 1881 and [ritually murdering Czar Nicholas II](#), along with his whole family, and millions more, in the [Jewish coup d'état known as the Bolshevik Revolution](#). The "Red Terror" of the Communist Jews of Russia and Eastern Europe was simply exported to Palestine in the 1940's in the form of the Irgun, Stern Gang (Lehi) and Haganah who [attacked, bombed, shot, raped, pillaged](#) and [ethnically cleansed 750,000 Arabs from Palestine](#) in two years. Not only did the indigenous Palestinian Arabs feel the wrath of these sadistic Jewish terrorist gangs, but the British forces ruling Palestine under the British Mandate did as well. The British [were targeted in many Irgunist attacks](#), such as the bombing of the [King David Hotel in 1946](#), killing 91 people including 32 British military officers. The Irgun terrorists blew up the hotel disguised as Arabs. The Lehi assassinated Lord Moyne, the British Minister Resident in the Middle East, and murdered Swedish diplomat Folk Bernadotte. These Jewish terrorist groups went on to form Israel's government and military establishment; the Irgun became the Likud party, the Haganah became the core of the Israel Defense Forces (IDF). Besides the King David Hotel bombing, the first major false-flag terror attack in the 20th century by Jews, there was the [Lavon Affair](#) in 1954, where Jews disguised as Muslims bombed British/American targets in Egypt, as well as the pre-meditated [USS Liberty attack](#) in 1967, where Israel slaughtered 34 American sailors in cold blood on a bright sunny day, among [many others false flag attacks](#).

Figuring out exactly *how* 9/11 was done is the work of crime investigators or conspiracy hobbyists who will endlessly go on discussing and debating every minuscule and intricate detail of how it was pulled off to no avail. It doesn't take a structural engineer to tell you that two 110 story buildings and a 47 story steel skyscraper plummeting to the ground at nearly free-fall speed, masses of concrete, steel and other building materials pulverizing into dust clouds out of thin air, in mere seconds, requires the assistance of highly-powered explosive charges strategically placed throughout the buildings. All you need is two eyes that can see and a brain that works to come to understand that those buildings were demolished with explosives and thus it had to be an "inside job." But who were these "insiders"? Don't go looking to Zionist-apologist Alex Jones for the answer to that crucial question, he's not going to tell you. If you want to know who pulled off this dastardly, precision act of mass murder in broad daylight, look no further than the contents of this article.

Zero – An Investigation Into 9/11 ([How it was done](#))

Israel's attack on 9/11 was primarily designed to turn public opinion against the enemies of Israel (Arabs) and to induce the Western powers to take out Israel's regional enemies and secure resources for the ill-begotten bandit state in the middle-east. The codename for the 9/11 operation was "The Big Wedding" which could be interpreted as a reference to the planned coagulation of US and Israeli foreign policy — making Israel's evil ambitions America's too.

Like all Israeli false-flag attacks Muslims were scapegoated for this Zionist crime. The only beneficiary of such an event was Israel. You can observe this Zionist agenda being played out clearly in the mainstream media broadcasts on the very day of 9/11 and in the weeks that followed. Here are a few revealing clips for your consideration:

One of the first commentators to bring up the name of Osama Bin Laden as being responsible for 9/11 was Israeli defense minister **Ehud Barak** on a BBC broadcast shortly after the Twin Towers had collapsed. The fact that a notorious Zionist war criminal like Barak is on television within hours of the attack pointing fingers at Bin Laden is extremely indicative that he is the brains behind the attack. Bin Laden served as an ideal patsy and fall-guy for Israel's 9/11 hit.

[video src="http://prothink.info/zcf/israel%20did%20911%20vids/Ehud%20Barak%20Names%20Boogeyman%20On%20911.mp4" width="600" height="400"]

On the morning of September 11th, a [Zionist Jew](#) by the name of **Jerome Hauer** was on national television trying to convince Dan Rather (and the rest of us) that jet-fuel fires and the impact of the planes — not explosives — had caused the collapse of the towers and that the attack had the **"fingerprints of somebody**

like Bin Laden." Somehow he just happened to know the entire 9-11 official story on the day that it happened. Perhaps because he wrote the script with his Zionist colleagues?

[video src="http://prothink.info/zcf/israel%20did%20911%20vids/Jerome%20Hauer%20Blows%20His%20Cover%20on%20CBS.mp4" width="600" height="400"]

Later in the day the then Prime Minister of Israel, **Ariel Sharon**, held a press conference in which he called for an "international war on terror." Ehud Barak and other Zionists also spoke this kind of language on media broadcasts, making their pre-planned Jewish war agenda quite apparent to say the least.

[video src="http://prothink.info/zcf/israel%20did%20911%20vids/Ariel%20Sharon%20911%20speech.mp4" width="600" height="400"]

This BBC clip aired later in the day on 9/11 is very revealing. Here are Zionist Jews beating the war drums against the Arabs, calling for a "war on terror" led by the perilous United States military machine. Iraq, Iran, Syria, Libya, (all Israeli enemies), are listed as legitimate targets for US retribution in this new "War on Terror." Several Jewish-Zionist attack dogs **Ehud Barak & Richard Perle** led the warmongering, on behalf of Israel. Zionist ideologues were clearly trying to shape the US government's response to 9/11 with Israeli objectives in mind. It cannot get any more obvious than this:

[video src="http://prothink.info/zcf/israel%20did%20911%20vids/Jews%20Name%20Boogeyman%20on%20911.mp4" width="600" height="400"]

The Jewish-controlled US media — in a premeditated incitement to genocide — aired and re-aired what many consider to be a misrepresented video of Palestinians supposedly celebrating the 9/11 attacks in the West Bank.

[hana-flv-player video="http://prothink.info/zcf/israel%20did%20911%20vids/Palestinians%20celebrating%20911.flv" width="600" height="400" description="" player="2" autoload="false" autoplay="false" loop="false" autorewind="true" /]

Meanwhile the Zionist controlled media completely neglected to report the fact that **five Israeli Mossad agents were arrested with suspicion of involvement in 9/11 after having been witnessed videotaping the attacks and reacting with joyous laughter and jubilant celebration, from a rooftop in New Jersey.**

[video src="http://prothink.info/zcf/israel%20did%20911%20vids/Five%20Dancing%20Israelis.mp4" width="600" height="400"]

After watching the above videos it should be all too obvious that the Zionist Jews were ready to sell their pre-written 9/11 propaganda script to a gullible and hoodwinked American public. Within an hour of the attacks several Zionist-Jewish criminal personalities were announcing that Osama Bin Laden had done it; a planned piece of disinformation by the real perpetrators. This PR effort was designed to create an instant mindset, put public opinion in a trance, and prevent even intelligent people from thinking for themselves — the propagandistic art of repetition played to perfection. This alone is a strong indication that the Zionists engineered the terrorist events on 9/11.

In the months leading up to 9/11 it was reported that Israeli intelligence gave a general warning to the CIA alleging a network of 200 Al Qaeda "terrorists" were operating on American soil and were planning a major terror attack. Conveniently the Mossad sources were unspecific about any of the details of the planned attack. The Israeli intelligence sources also went on to lead American officials in the direction of **Osama Bin Laden** and

Iraq being the authors of this upcoming terror event. The UK's Telegraph reported:

"Israeli intelligence officials say that they warned their counterparts in the United States last month that large-scale terrorist attacks on highly visible targets on the American mainland were imminent. [...]"

The Telegraph has learnt that two senior experts with Mossad, the Israel military intelligence service, were sent to Washington in August to alert the CIA and FBI to the existence of a cell of as many of 200 terrorists said to be preparing a big operation.

"They had no specific information about what was beng planned but linked the plot to Osama bin Laden and told the Americans that there were strong grounds for suspecting Iraqi involvement," said a senior Israeli security official." (The Telegraph, "Israeli security issued urgent warning to CIA of large-scale terror attacks," 16 September, 2001)

This was not a warning, it was planted propaganda. This is yet another significant indication that the Israelis were planning a false-flag operation in which Al Qaeda and Iraq were to be blamed. In the years following 9/11 we saw a concerted effort on the part of pro-Israel Jewish neocons — such as Richard Perle, Paul Wolfowitz, Douglas Feith and his "Office of Special Plans," William Kristol and Robert Kagan and their "Project for a New American Century" group, Michael Ledeen and his "American Enterprise Institute," David and Meyrav Wurmser, Charles Krauthammer, Stephen Bryen, John Bolton, etc — to promulgate this erroneous Iraq-Al Qaeda connection in an effort to artificially make this phony Mossad "warning" come true through lies and propaganda pieces planted in our media.

Mossad Founder Predicts The Future

Pictured right is Isser Harel. Born in Russia, Harel became Israel's pre-eminent spy and founder of the infamous Mossad. He predicted the events September 11, 2001 with uncanny accuracy, twenty-one years prior to 9/11.

On September 23, 1979, Michael Evans, an American supporter of Zionism, visited Harel at his home in Israel and had dinner with him and Dr. Reuven Hecht, a senior adviser to then prime minister Menachem Begin.

Elder of Zion, Isser Harel.

At dinner Michael Evans asked Harel about terrorism and if it would come to America. Harel told Evans: ***"In Islamic theology, the phallic symbol is very important. Your biggest phallic symbol is New York City and your tallest building will be the phallic symbol they will hit."***

Anyone knowledgeable in symbolism will tell you that the phallus is an important symbol in Freemasonry and Occultism, not "Islamic theology." Freemasonry and Occultism are fundamentally based on the rites and rituals of Judaism and the Kabbalah (Jewish mysticism).

The fact that 9/11 was planned by the Mossad as evidenced by this shocking pronouncement by Isser Harel is well documented and appears in a book written by Michael Evans. (["Is America In Bible Prophecy?"](#), [Belief Net](#))

World Trade Center In Zionist Hands

The first step in the preparation of the 9/11 attacks was to secure control over the World Trade Center complex into private hands. This was crucial to the success of 9/11 because without complete control over this complex there would be no opportunity or possibility of setting explosive charges in place as the coup de grâce in bringing the towers to the ground. In steps five key Jewish crime network assets:

1) [Larry Silverstein](#) - Larry is a wealthy Jewish American businessman from New York and has been described as an "ardent supporter of Israel." Larry [obtained a 99 year lease](#) on the entire world trade center complex on 24 July, 2001. The towers were nearly worthless, [being filled with asbestos](#) that needed removal, yet Larry "felt a compelling urge to own them." Larry had a breakfast meeting in "Windows on the World" restaurant at the top of the North Tower [every single morning](#). Amazingly, Larry was absent from this routine meeting on the morning of 9/11. He later claimed he didn't show up because of a "doctor's appointment." Larry's two children, who also worked in the WTC, conveniently were absent from the towers that morning as well.

Jew Silverstein

Silverstein is a prominent member of the Jewish, Pro-Israel Lobby in the United States having [served as chairman](#) of the United Jewish Appeal/Federation of Jewish Philanthropies of New York. The UJA has [raised a billion dollars](#) for its client, the Zionist State of Israel. In 1992 he [co-founded the Israel Export Development Company](#) (IEDC) which sought to facilitate safer investment in Israel. The IEDC [is an offshoot](#) of the [Institute for Advancing Strategic and Political Studies](#) (IASPS), a hawkish Pro-Israel think tank. This connects Silverstein with the think tank that penned the "[Clean Break](#)" policy document, [authored for the Israeli government in 1996](#) by prominent Jewish neocons Richard Perle, Douglas Feith, David Wurmser and Meyrav Wurmser. Silverstein also sits on the board of trustee's of the Museum of Jewish Heritage in New York.

Larry Silverstein scored more than [\\$4.5 Billion in insurance money](#) as a result of the destruction of his complex. Silverstein was personal friends with no less than three Israeli Prime Ministers: Ariel Sharon, Ehud Barak and Benjamin Netanyahu, all of whom called Larry on 9/11 to make sure everything went as planned. [Haaretz daily reported](#) that Silverstein was such good friends with Netanyahu that they would speak on the phone every Sunday afternoon. It has [recently come to light](#) that Silverstein may have been the treasurer of the Jonathan Institute, the Israeli anti-Muslim propaganda outfit named after Netanyahu's late brother, as well as Netanyahu's political campaigns. ([More](#) on Silverstein)

2) [Frank Lowy](#) - Lowy, a Jewish billionaire who holds Australian and Israeli citizenship, was the owner of Westfield America, one of the biggest shopping mall conglomerates in the world. He is [listed](#) as the 174th richest man in the world. Lowy leased the shopping concourse area called the Mall at the World Trade Center, made up of approximately 427,000 square feet of retail floor space. Frank Lowy has quite an interesting history. He was a member of the Golani Brigade, and fought in the Israeli war of independence. Before this he was a member of Haganah, a Jewish terrorist network. Frank Lowy spends three months of the year at his home in Israel and has been described by the Sydney Morning Herald as "a self-made man with a strong interest in the Holocaust and Israeli politics." He funded and launched the [Israeli Institute for National Strategy and Policy](#), which will "operate within the framework of Tel Aviv University" in Israel. He also has [close ties with many top Israeli officials](#) such as Ehud Olmert, Ariel Sharon, Bibi Netanyahu, and Ehud Barak. Moreover, Lowy was implicated in an [Israeli Bank Scandal](#) with Olmert. More information about Lowy and his ties to Israel can be [further researched here](#).

Jew Lowy

Jew Eisenberg

3) [Lewis Eisenberg](#) - This Jewish criminal personality was the head of the Port Authority of New York and [authorized the lease](#) transfer to his Zionist brethren Larry and Lowy. Eisenberg was a large contributor to the Bush-Cheney presidential campaign, as well as a partner in the Jewish bank Goldman-Sachs. Eisenberg has been both a [member of the Planning Board](#) of the United Jewish Appeal/United Jewish Federation pro-Israeli pressure group in the U.S.

4) [Ronald Lauder](#) - Jewish billionaire [Estée Lauder Cosmetics](#) magnate. He was the chairman of NY Governor George Pataki's commission on privatization. He is the key individual who [lobbied for the privatization](#) of the WTC. He also pushed the former Stewart Air Force Base to become privatized. Oddly, the flight paths of the two planes that hit the Twin Towers converged directly over this airport. Lauder is an avid Zionist, supporter of Israel and is active in the [following Jewish organizations](#): Conference of Presidents of Major American Jewish Organizations, Jewish National Fund, World Jewish Congress, American Jewish Joint Distribution Committee, Anti-Defamation League, Jewish Theological Seminary. Ronald Lauder was [elected president](#) of the World Jewish Congress on 10 June, 2007. Lauder is [close friends](#) with Israeli Prime Minister Benjamin Netanyahu. Lauder founded a school for the Mossad in Herzliya, Israel, called the [Lauder School of Government Diplomacy and Strategy](#). He is the key Sayan involved in the preparation of 9/11.

Jew Lauder

Jew Hauer

5) [Jerome Hauer](#)- Jerome Hauer was the managing director of Kroll Associates on 9/11. The company, known as "the CIA of Wall street," provided security for the World Trade Complex. Hauer had previously oversaw Mayor Rudy Guiliani's office of emergency management, located in Silverstein's WTC Building 7, from 1996 to 2000. On the morning of September 11th, Hauer was on national television, [trying to convince](#) Dan Rather, (and the rest of us), that jet fuel fires had collapsed the towers, and that the attack had the "fingerprints of somebody like Bin Laden." Somehow he knew the entire 911 official story, the very day it happened. Perhaps because he authored the script? Jerome Hauer also [advised the White House](#) to go on Cipro, the anti-biotic effective against Anthrax, one week prior to the first anthrax mailings. [Jerome Hauer](#) is Jewish and a staunch Zionist. Hauer's mother was the Honorary President of the New York Chapter of Hadassah, the "Daughters of Zion." On 6th November, 2001, Hauer [participated](#) in preparing a paper produced by the Council on Foreign Relations entitled, [Improving the US Public Diplomacy In the War Against Terrorism](#). Their agenda, eight weeks after the 9/11 attacks, [included](#): **"counteract myth that Mossad was behind the attacks by showing Jews killed..."** (pg. 5)

Zion Incorporated

Ptech Software Systems

Most national security computerized systems that would have responded to the 9/11 hijackings by scrambling jets were running on Ptech software. [A list of Ptech clients](#) includes the FAA, N.A.T.O, United States Armed Forces, Congress, Dept. Of Energy, Dept. of Justice, FBI, Customs, the IRS, the Secret Service, and even the White House. Zionist Jew Michael S. Goff was marketing manager at Ptech and also worked for Israeli database company Guardium (Director Amit Yoran); Guardium has been funded by Cedar Fund, Veritas Venture Partners, and StageOne, all Mossad funding outfits. Now why would a young American lawyer working with a good law firm, (Sedar & Chandler), in his home town suddenly leave the practice of law and work with a dodgy start-up software company owned and financed by a Lebanese

and a Saudi? Under Goff, Ptech software loaded with trapdoors and Trojan Horses was sold and loaded onto the most sensitive computer systems in the US Defense establishment.

International Consultants on Targeted Security

[ICTS International](#), and their US subsidiary Huntleigh USA, are owned by Ezra Harel and [Menachem Atzmon](#), both Israeli Jews. Most of the company's employees are Israeli, and have close ties to the Mossad.

Both flights that struck the twin towers originated at Boston's Logan Airport, while the plane that allegedly crashed in Pennsylvania departed from Newark. ICTS was responsible for security at both airports, yet the company will not release surveillance tapes that would prove the hijackers actually boarded their flights.

On December 22nd, 2001, Richard Reid attempted to create an explosion on a flight from Paris to Miami by mixing, then igniting explosives hidden in his shoes. The "shoe bomber" only managed to light a few matches before being subdued by passengers and arrested. ICTS controlled security at Charles de Gaulle Airport in Paris, where Reid was allowed to board his flight.

On Christmas Day, 2009, Umar Farouk Abdulmutallab boarded a flight from Amsterdam to Detroit with explosives hidden in his underwear. Umar's makeshift bomb contained the same combination of explosives as Reid's, and as he attempted to detonate them he too was subdued. ICTS International controlled security at Amsterdam's Schiphol Airport, and once again they allowed a "terrorist" to board an aircraft.

Menachem Atzmon, former Likud treasurer in the 80's, was involved in an [Israeli political scandal](#) involving Ehud Olmert and other Likudniks in Israel. He was convicted of fraud, falsifying documents, as well as breaching Party Funding Law.

In 2003 both Era Harel and Menachem Atzmon became suspects in a criminal investigation. Harel was accused of bribing the Director of the Israel Electric Company, (IEC). Shortly thereafter, Ezra Harel died of a sudden heart attack on his yacht, even though he was in his early 50s'.

Just hours before the Patriot Act went before Congress, "technical corrections" were written into the legislation granting foreign security companies, like ICTS International, immunity from lawsuits related to 9/11.

ZIM Integrated Shipping Services

ZIM is another front company owned and controlled by the Israeli government. The company [vacated its 10,000 square feet office](#) in the North WTC tower just one week before 9/11. Zim's offices in the Trade center had been leased until the end of 2001 and the company lost \$50,000 when it suddenly pulled out at the beginning of September.

FBI agent Michael Dick was investigating Israeli spying before and after 9/11. After he began looking at Zim's suspicious move he was removed from his duties by the head of the Justice Department's criminal division, Michael Chertoff. According to a non-official cover, (or N.O.C.), CIA source who worked closely with Dick, the Israeli movers *moved in explosives* when ZIM moved out. With ZIM Israel bailing out just in time, this left one Israeli company, [Clearforest](#), with 19 employees, in the WTC on 9/11. Of the five employees in the building all managed to escape.

Odigo

Odigo was an Israeli owned company that operated an instant text messaging service. Odigo had a unique feature that allowed messages to pass through a search filter based on nationality, such as Israeli. Odigo admitted that two of its employees [received instant messages](#) warning of the impending attack two hours prior to the first plane hitting the North Tower. Had this warning been passed on to authorities, thousands of lives could have been saved.

Knowing these two particular Israelis were forewarned, it is very likely they passed the message on to other Israelis considering that out of the 4000 Israelis believed to be in and around the WTC and the Pentagon only **five** died. Yes, only five Israeli citizens lost their lives on 9/11, and two of them were allegedly on the aircraft that were allegedly hijacked. **Odigo has offices in New York, and Herzliya, Israel. Herzliya happens to be the Headquarters of the Mossad.** Odigo was later bought up by another Israeli company called Comverse. The CEO of Comverse was Kobi Alexander, a "dual" Israeli-US citizen with connections to Mossad. He has been charged with several counts of [fraud](#).

Sims metals Management

Alan D. Ratner's Metals Management and the SIMS group [were responsible](#) for quickly scooping up the rubble from the towers and shipping it off to Asian smelters. Ratner made a handsome profit selling over 50,000 tons of crime scene evidence steel to a Chinese company at \$120 per ton; Ratner had obtained them for \$70 per ton. More research on this illegal destruction of crime scene evidence [can be found here](#).

"This Story no Longer Exists"

In late 2000 and throughout 2001, over 200 Israelis were arrested for suspected espionage. This was the largest spying ever uncovered in the United States. These suspected spies targeted or penetrated Military bases, DEA, FBI, Secret Service, ATF, U.S. Customs, IRS, INS, EPA, Interior Dept., U.S. Marshal's Service, various U.S. Attorneys Offices, Secret government offices, and unlisted private homes of law enforcement/intelligence officers. Most of the suspects served in military intelligence, electronic surveillance intercept and/or **explosive ordinance units**.

Dozens of Israelis were arrested in American mall kiosks selling toys, acting as a front for a spying operation. Some were posing as Art students. 60 detained suspects worked for the Israeli company AMDOCS which provides most directory assistance calls and almost all call records and billings services for the U.S.

At least ninety Israelis were arrested for spying after 9/11 and we know that some of them were detained in connection to the September 11th attacks.

Following 9/11, over 60 Israelis were detained either under the Patriot Anti-Terrorism Act or for immigration violations. Some were active Israeli military personnel. A number of them failed polygraph examinations when questioned about their surveillance activities.

This was the biggest spy scandal in our country's history, and right on the heels of 9/11. Yet most of us did not hear this news because the mainstream press refused to publicize this story. The exception was Carl Cameron of Fox News channel, his excellent four-part investigative series covered most aspects of the allegations against Israel.

Fox News soon came under immense pressure from the zionists who own the network, and retracted the story. They even removed the written transcript from the Fox News Channel web page, replacing the news report with the following orwellian message: **This story no longer exists.**

Fortunately, someone saved a digital copy of the series before the story disappeared, and the video is still available on the internet. Here is Cameron's four part series on the Israeli spy ring scandal. Notice however that the reporters will not go so far as to actually accuse Israel of complicity in the September 11th attacks.

“Five Dancing Israelis”

Of the 90 or so detained Israelis there were five, now widely known as the “[dancing Israelis](#)”, who were spotted in multiple locations filming, and celebrating the attacks. The men were detained by NYPD. The police and FBI field agents became very suspicious when they found maps of the city with certain places highlighted, box cutters (the same items that the hijackers supposedly used), \$4700 cash stuffed in a sock, and foreign passports. Police also told the Bergen Record that when bomb sniffing dogs were brought to the van they reacted as if they had smelled explosives. ([source 1](#))([source 2](#))([source 3](#))

Witnesses reported they were set up to film the attacks **prior** to the first plane strike, and were seen congratulating one another afterward. The five jubilant Israelis were also seen photographing one another. The FBI seized and developed their photos, one of which shows Sivan Kurzberg flicking a cigarette lighter in front of the smoldering ruins in an apparently celebratory gesture.

Three of the five dancing Israelis on an Israeli talk show.

According to [ABC News 20/20](#), after the group of Israelis were detained, the driver of the van — Sivan Kurzberg — told the officers: **“We are Israeli. We are not your problem. Your problems are our problems. The Palestinians are the problem.”** After their deportation back to Israel, three of them appeared on an Israeli talk show. Where one of them stated: **“The fact of the matter is, we are coming from a country that experiences terror daily. Our purpose was to document the event.”**

When the first plane struck the north tower most people assumed that it was a terrible accidental plane crash. It wasn't until the second tower was hit with another plane that people realized it was a terrorist attack.

An [FBI dossier](#) on the dancing Israelis obtained via an FOIA request confirms that a [witness reported seeing](#) the five Israelis videotaping and taking pictures of themselves laughing, high-fiving and cheering with the smoking Twin Towers in the backdrop *within five minutes* of the **first** plane strike. The [report confirms](#) that the pictures taken by the Israelis only show one burning tower and therefore must have been taken at a very early stage of the WTC event, before the second tower was hit.

This fact alone proves that the Israelis had foreknowledge of the attacks because they were *immediately* cognizant that this was a terrorist attack before anyone could have known that for sure (unless you think they would be cheering an accidental plane crash). Their apparent jovial demeanor in light of this horrible tragedy is also indicative that they also had foreknowledge of who was to be blamed (i.e. Arabs) which, in their view, called for celebration because it would be very good for Israel's image and strategic interests to have the enemies of Israel blamed for a major atrocity on U.S. soil. Sivan Kurzberg proclamation to the arresting officers that "the Palestinians are the problem" strongly lends credence to this narrative.

The Mural Van

One of the more bizarre events of the day came in the form of a mysterious delivery truck parked somewhat near the twin towers in between 6th and 7th on King Street, with a [mural painted on the side](#) that literally depicted a jetliner crashing into the twin towers and exploding.

This police audio transmission below indicates that the two suspects in the van started to run away when the truck was stopped and were apprehended shortly thereafter in some sort of struggle. The police recording also indicates that the truck subsequently exploded following the detainment of the two suspects.

Further corroboration of this incident came in the form of a reference in the February 2006 Norman Y. Mineta International Institute for Surface Transportation Policy Studies (MTI) report entitled: ["Saving City Lifelines: Lessons Learned in the 9-11 Terrorist Attacks"](#).

Artist's sketch based on NYPD description

A van was stopped on 9/11 that had a painting of a plane crashing into the WTC and exploding. The incident was confirmed by a US gov't report.

9/11 Mural Van
Stopped at King St. NYC

The truck belonged to a group of "ethnic middle eastern people". Israelis perhaps?

Why no TV media reports of this truly remarkable incident?

If they were Arabs it would have been all over the news.

RESTORING OEM'S FUNCTIONS

There were continuing moments of alarm. A panel truck with a painting of a plane flying into the World Trade Center was stopped near the temporary command post. It proved to be rented to a group of ethnic Middle Eastern people who did not speak English. Fearing that it might be a truck bomb, the NYPD immediately evacuated the area, called out the bomb squad, and detained the occupants until a thorough search was made. The vehicle was found to be an innocent delivery truck.

Although the existence of the mural van is confirmed by this report, it basically amounts to a whitewash of the actual incident. The last sentence of the relevant quote concludes that this truck that had a painting of the 9/11 attacks on it, on 9/11, was just an "innocent delivery truck". They also scrubbed out the part about the subsequent explosion of the truck, which the NYPD recording above confirms.

It is said that the truck was rented to a group of "ethnic middle eastern people" who didn't speak english.

Israelis just happen to be ethnic middle eastern people. If the apprehended suspects were Arabs this incident

would have been plastered all over the media as proof of an "Arab Al Qaeda conspiracy". The fact that this incident was never mentioned in the official 9/11 commission report, and completely ignored by the mass media, is a strong indication that these "ethnic middle easterners", who had painted up a truck with the future 9/11 attack scenario on it, were Israelis.

Truck Bombs and Bombs in the WTC

It was reported by multiple sources that a van was stopped approaching the George Washington Bridge that was packed with explosives. The occupants were not Muslims or Arabs, they were **Israelis**.

[video src="http://prothink.info/zcf/israel%20did%20911%20vids/Mossad%20Truck%20Bombs.mp4" width="600" height="400"]

Shortly before the arrest of the two Israeli terrorists on the George Washington Bridge, two mysterious phone calls were put in to the NYPD's 9-1-1 emergency response which are very indicative of what the intended outcome of the truck bombing of the George Washington Bridge was to be.

One anonymous phone call to the authorities actually led them to close down all of New York's bridges and tunnels. The mystery caller told the 9-1-1 dispatcher that a group of **Palestinians** were mixing a bomb inside of a white van headed for the Holland Tunnel. Here's the [transcript](#) from NBC News:

Dispatcher: Jersey City police. **Caller:** Yes, we have a white van, 2 or 3 guys in there, **they look like Palestinians** and going around a building. **Caller:** There's a minivan heading toward the Holland tunnel, I see the guy by Newark Airport mixing some junk and he has those sheikh uniform. **Dispatcher:** He has what? **Caller:** He's dressed like an Arab.

How could the caller have known these people were "Palestinians"? Furthermore, Palestinians dress in Western style clothes not "Sheik uniform." It is all too obvious that these calls were placed by Israeli Mossad agents in an attempt to pre-frame Palestinians for their very own truck bomb that was supposed to be detonated on the George Washington Bridge. These inept Mossad agents inadvertently caused themselves to get arrested by placing these painfully fake calls.

The actual recording of the calls can be heard at 8:00 of the video below:

[video src="http://prothink.info/zcf/israel%20did%20911%20vids/Mossad%20attempt%20to%20frame%20palestinians%20for%20truck%20bomb.mp4" width="600" height="400"]

There were dozens if not hundreds of reports of secondary explosions going off in the Twin Towers on 9/11. Dozens of clips from the mainstream media featuring the testimony of first-hand witnesses confirm that explosives were in the towers and could be heard and felt going off before and long after the planes hit the buildings. Video footage shot by the French documentary film makers, the Naudet Brothers, in the lobby of one of the WTC towers shortly after the plane hit, shows all of the windows completely blown out and a thin white dust covering the walls. The plane hit somewhere above the 78th floor and could not have caused the damage to the lobby. One New York firefighter remarked, "**the lobby looked like the plane hit the lobby.**" Other witnesses, like WTC janitor William Rodriguez, reported an explosion going off in the basement just **prior** to the plane hitting. Perhaps the 9/11 plotters precision timed the bomb to coincide with the incoming plane strike so as to disguise the sound of the basement blast.

Urban Moving Systems

All of the white vans were working for the ostensible moving company [Urban Moving Systems](#) under the direction of Dominic Suter, an Israeli Spy who immediately **fled to Israel days after the attacks**. It [was confirmed](#) by two former CIA officers that this Israeli moving company was a front operation for the Mossad. The two CIA sources noted that movers vans are a common intelligence cover.

Snippets from a [recently obtained FBI dossier](#) on the dancing Israelis and Urban Moving Systems reports that a non-Israeli employee of the company said that Dominic Suter was a crook who constantly scammed and cheated his hapless clients out of money. The employee [also divulged](#) that Suter, the Israeli Jew owner of the company, ***spoke badly of the United States.***

Another former Urban Moving Systems employee, or maybe the same one cited above, contacted the FBI to tell them that he had left the company because of a high amount of anti-American sentiment among Urban's employees. The former employee [stated that an Israeli employee once remarked](#): **"Give us twenty (20) years and we'll take over your media and destroy your country."**

The disgruntled former employee [also cited](#) that the Israeli employees would always speak Hebrew in the presence of the non-Jewish workers and that they would constantly convene meetings at the Urban Moving Systems office that the non-Jewish employees were never invited to attend.

After FBI raids on Urban Moving Systems' headquarters in New Jersey, and the confiscation of computer harddrives and other materials, Suter was placed on the FBI's 911 suspects list. However, the case against Suter, Urban Moving Systems, the dancing Israelis, the Israelis caught with an explosive-laden van at the George Washington Bridge, the Israelis caught with a mural van depicting the 911 attacks on it, the Israeli art-student spies, and the over 60 other active-duty Israeli military officers arrested after 9/11 was **not** pursued. Israeli Military Orders Demolition of Palestinian Homes Within Ten Minutes of Attack

According to the testimony of two former Israeli Occupation Force soldiers, the IDF ordered demolition units

into Palestinian villages to blow up homes *ten minutes* after the **first** plane hit the first tower on 9/11. What is a reasonable amount of time for the news of the WTC being hit to reach Israel? Certainly longer than ten minutes. This proves that the Israeli government knew about the events well in advance of the Israeli media broadcasting or reporting what had happened. They used the fog of 9/11 as cover to carry out ethnic cleansing operations in Jenin and other places. One of the former IDF soldier whistle-blowers stressed that **“the public opinion in the US is the most powerful weapon the IDF [Israel] has.”**

Al Qaeda is Zionist Fiction

The well known translation of ‘Al-Qaeda’ is ‘The Base’. However, al-Qaeda also translates to ‘The Toilet’. ‘Ana raicha Al Qaeda’ is a colloquial expression for ‘I’m going to the toilet.’ Hardly a title a genuine Islamic terrorist fighting force would adopt. Al Qaeda is [not a real organization](#) but had once been the “database” of international mujahideen, arms smugglers and terrorists *used* by the CIA and Saudis to funnel guerillas, arms and money into Soviet-occupied Afghanistan.

The Al Qaeda presented to us via the Zionist Mass Media is altogether mythical, a mere invention of the CIA and the Mossad — an instrument of covert intelligence operations. In 1979 the CIA (with Saudi/Pakistani assistance) [created, funded and armed](#) the Afghan Mujahideen and sent them into Afghanistan to overthrow the Pro-Soviet Communist Regime in Kabul — a trick to induce a Soviet invasion to protect their puppet government. Osama Bin Laden was the CIA’s point man in Afghanistan in the proxy war against the Soviets; he even had a [CIA stage name](#) “Tim Osman.” When the Soviets invaded Afghanistan the CIA poured billions of US taxpayers dollars into the Afghan Jihad hoping to bog down the Russians in a Vietnam War-type quagmire situation which would exhaust the Red Army, destabilize the Soviet economy and collapse the Soviet union. Everything went as planned. ([Source](#))

Since the fall of the Soviet Union and thus Communism globally, the Zionist Jews who run the US needed a new “external enemy” in order to justify to the American people huge military budgets. America’s military might would be used to launch aggressive, endless wars against Israel’s regional enemies. In steps “Al Qaeda,” the Zionist media bogeyman blamed for everything from 9/11 to Global Warming. Nearly every scary Arab whom the media labels an “Al Qaeda terrorist” turns out to have connections to the Mossad, CIA or MI6, or just turns out to be a pathetic dupe. Al Qaeda is a scapegoat for what is, in reality, Zionist terrorism.

[Irving Kristol](#), the Jewish “godfather” of the neoconservative movement—which is nothing more than a Zionist

scam to harness American military might as a proxy force to defend Israel—made the neocons' Israel-centric agenda plain as day when, in 1973, [he stated](#): ***“Senator McGovern is very sincere when he says that he will try to cut the military budget by 30%. And this is to drive a knife in the heart of Israel... Jews don't like big military budgets. But it is now in the interests of the Jews to have a large and powerful military establishment in the United States... American Jews who care about the survival of the state of Israel have to say, no, we don't want to cut the military budget, it is important to keep that military budget big, so that we can defend Israel.”***

Neoconservatism is Jewish

A fellow Jew and early progenitor of the neoconservative movement, [Norman Podhoretz](#), made [similar statements](#). [Leo Strauss](#), also a [Jewish Zionist](#), and early neocon “intellectual,” advocated the perpetual deception of the public by those in power for a “greater good.” This “greater good” that he spoke of was what was *good for the Jews*, not the Gentiles among whom they live. Noam Chomsky has argued that Strauss's theory is a form of Leninism, in which society should be led by a group of elite vanguards, whose job is to protect liberal society against the dangers of excessive individualism, and creating inspiring myths to make the masses believe that they are fighting against anti-democratic and anti-liberal forces. Journalists, such as Seymour Hersh, have opined that Strauss endorsed noble lies, “myths used by political leaders seeking to maintain a cohesive society.”

Necons are traitorous Israel-firsters

“Al Qaeda” and the “threat of Islamic terrorism” is undoubtedly one of these Zionist-touted “noble lies” advocated by Strauss's evil political dogma. However, these lies are anything but noble, they are driven by a satanic Jewish hatred of Gentiles and a wish to do us tremendous harm. Two of Strauss's [more notable protégés](#) were none other than Jewish Iraq-war architect, Paul Wolfowitz, and [Abram Shulsky](#), another Jew. Shulsky was the Straussian who was appointed head of the [Office of Special Plans](#) by fellow Jewish neocon Douglas Feith. This office supplied the major portion of the fraudulent intelligence that was used by the Bush administration to justify the War in Iraq. It is believed that the OSP worked closely with Mossad to cook up the “Iraq WMD threat” hoax.

Mossad fake Al Qaeda cell in Gaza

In December of 2002 Ariel Sharon claimed that al-Qaeda operatives were targeting Israelis, and used this as a provocation to launch attacks into Gaza: ***“We know that they are there. We know that they are in Lebanon, working closely with Hezbollah. We know that they are in the region.”***

Officials from the Palestinian Authority accused the Israeli spy agency Mossad of setting up a fake al-Qaeda terrorist cell in Gaza. The ruse ended when the Palestinian Authority captured three

Mossad agents posing as al-Qaeda terrorists, (right), and paraded them before the international press.

The Palestinians also produced documents that proved “the involvement of the Israeli intelligence in recruiting citizens from Gaza Strip in a fake organization carrying the name of Qaeda.” ([Source 1](#))([Source 2](#))

U.S. Army Assessment of the Mossad

Just months before 9/11, the U.S. Army School of Advanced Military Studies was ordered to [devise a plan](#) for enforcing a major Israeli-Palestinian peace accord, should the United Nations ever authorize it. The Army attempted to predict events in the first year of a peace-enforcement operation, and assess possible dangers for U.S. troops from both sides.

According to the study, a successful peacekeeping operation would require about 20,000 well-armed troops stationed throughout Israel and a newly created Palestinian state.

The paper referred to Israel's armed forces as “Well armed and trained. Operates in both Gaza and the West Bank. Known to disregard international law to accomplish mission”. The Army intelligence officers wrote the following in their report in reference to the Mossad:

“Wild-card. Ruthless and cunning. Has capability to target U.S. forces and make it look like a Palestinian/Arab act.”

Although Army spokesman Maj. Garver said the study was “just an academic exercise”, this story was reported in the Washington Post just one day prior to 9/11.

Intelcenter & S.I.T.E. Intelligence – Zionist Fronts

Intelcenter is the source for most of the videos released by “al-qaeda”. Since 9/11 the company has conveniently produced frightening images of Osama bin Laden and other “terrorists”, just when public opinion is flagging.

IntelCenter is owned and run by Ben Venzke, a Jew. The company is an offshoot of of IDEFENSE, which was staffed by senior PSYOP officer Jim Melnick, another Jew, who had previously answered directly to Donald Rumsfeld.

IntelCenter was [caught adding its logo](#) and that of As-Sahab to the same layer of a purported al-Qaeda video in August of 2007. The company's attempts to replicate Osama bin Laden's likeness using computer morphing software and actors with different beard colors have been a running joke on the internet for years.

Most commentators now believe Osama bin Laden is dead, yet Intelcenter recently released a new audiotape where he finally takes full responsibility for 9/11. For anyone who questions why there is no video, the company assures us that ***“audio messages are the rule, not the exception, and thus speculation as to health or anything else merely because the message is in audio form and not video does not hold up to analytical scrutiny”***.

The other key group which magically ‘obtains’ and releases all of these scary Al Qaeda videos, and works day and night to villify Muslims as plotting, psychotic terrorists, is the shady organization calling itself [SITE Intelligence](#), owned and operated by an Iraqi-born Zionist Jewess, [Rita Katz](#), whose father was accused of [spying for Israel](#)

during the 1967 Arab-Israeli war. He was subsequently executed by Saddam Hussein. After the death of her father, Rita and her mother fled to Israel, where she served in the terrorist Israel Defense Force (IDF), and most likely murdered many innocent Palestinians for sport.

Katz' suspicious organization is the primary source for information (read: *disinformation*) about "Islamic terrorism" used by news outlets, the FBI, the CIA and the US government. If Al Qaeda is blamed for a bombing it is because the Zionist Katz said so. Her wild claims are not questioned, but reported as fact by the Zionist-owned media. Essentially her organization "finds" all of its info on the internet by "monitoring Jihadist forums". Yeah, that sounds real credible. This Jewish-run organization is in all likelihood a front for the Mossad. ([More info](#))

Phony and Ridiculous Evidence Indicates Frame Up Job

The still image pictured right is that of **Ziad Jarrah** and **Mohammed Atta**, two alleged 9/11 hijacker ringleaders. This scene where the pair are together laughing hysterically as if they just took a few hits from a bong, is supposedly from their "martyrdom" video shot a year or so before the big event. Do these men appear to you like hardened, ice cold terrorists about to depart on a "suicide mission" for Allah? Hardly.

9/11 Oswald's

An astonishing revelation came in the form of a New York Times article which revealed that Ziad Jarrah's cousin, Ali Al Jarrah, was discovered by Lebanese authorities to [have been a Mossad Spy](#) for 25 years!

Evidence uncovered by the investigative journalist Daniel Hopsicker proves that the Mohammed Atta who was living and attending a flight school in Florida had a personality and lifestyle vastly opposite to the real "Muslim" Mohammed Atta who has been described by people who knew him as "shy" and a "pious Muslim". According to Hopsicker's investigations the Atta living in Florida was a, "**wealthy, chain smoking, drug dealing psychopath who spoke fluent Hebrew.**" ([Source 1](#))([Source 2](#))

It appears Atta was framed by a Hebrew-speaking Jew (Mossad agent) impersonating him. The FBI admitted that several or all of the alleged 911 hijackers [used fake IDs](#). Soon after the 911 attacks it was reported that several of the alleged Muslim 911 attackers [were alive and well in the middle-east](#) who had their passports stolen years previous — apparent victims of identity theft. Who is [most known](#) for stealing/forging passports to use on covert operations? You guessed it, the Israeli Mossad.

Prior to the 911 attacks it was reported that several of the alleged future Muslim hijackers [were engaged](#) in some

very un-Islamic fundamentalist behaviors — including acquiring hookers, getting drunk and doing drugs. According to the FBI several Muslim men had used credit cards to pay for drinks and lap dances at a strip club the night before 911. [According to witnesses](#) several of these “Muslims” were making loud anti-American statements such as, “wait til’ tomorrow America is going to see bloodshed”, and then left a Koran behind at the bar! Six nights before 911 Atta and several of his henchmen [had a binge-drinking session in a Florida bar called Shukums](#), where one of the owners recalled hearing Atta get angry and shout obscenities including a peculiarly blasphemous one: “Fuck God.”

Whoever these people were they clearly wanted to be seen/heard and identified as Muslims who were angry with America. The behavior of these men proves they were not Islamic fundamentalists as they have been portrayed by the Zionist media — they were not even religious at all. They were Mossad agents impersonating Muslim radicals tasked with deliberately leaving behind a false trail of evidence for reporters and the FBI to follow. This is standard intelligence work and a hall mark of past Israeli ‘false flags’.

It is the opinion of this author that personalities such as Atta, Jarrah, and the 17 other alleged Arab 9/11 hijackers, were only used as misdirection. Such media villains as Osama Bin Laden are mere inventions of the Jewish crime network, and are thus hardly worth mention, save for their direction connection to the Zionist Jews who planned, orchestrated and benefitted from 9/11.

There are a number of suspicious circumstances that quickly arose from the ashes of 9/11 which casts serious doubt on the veracity of the government’s official fairy tale, and strongly indicates that 9/11 was indeed an anti-Arab frame up.

For instance it was claimed by the FBI that a paper passport of alleged co-hijacker of flight 11, Satam Al Suqami, SURVIVED the plane crash into the WTC, as well as the subsequent fireball inferno, only to be found a couple of blocks from the towers, unburned, intact and readable for the FBI to identify this individual as a hijacker! This tall tale is proof that the Mossad went around planting evidence to put the blame for the attacks on Arabs. Amazingly, the lying [US government claimed](#) three of the alleged nineteen hijackers passport’s survived the crashes intact, and that another was found in the luggage of Mohammed Atta (more on that later). Why would terrorists even bring passports on domestic flights?

A second occurrence, nearly as bizarre as the aforementioned indestructible passport tale, was the story about Mohammed Atta’s luggage. Apparently, the alleged terrorist mastermind was brilliant & methodical enough to successfully organize the most sophisticated attack in US history without a hitch (according to the official fiction), but, at the same time, was clumsy enough to 1) pack luggage on a suicide mission even though it would

just get blown up anyway, and 2) fill that luggage with a plethora of incriminating evidence including: a Boeing 757 training video, a flight data recorder, a Koran, a switch blade, pepper spray, and a letter containing Atta's last will and instructions to the other 'Muslim hijackers' including their names. How this suitcase made it past the security gate at the airport is beyond anyone's wildest imagination, but that's not even the craziest part of the story. Apparently, this magical luggage, did not make the fatal flight and fell right into the hands of the FBI! This mysterious luggage was said to have confirmed that Atta and his fellow Muslims hijacked the plane that flew into the North Tower. How convenient.

According to US authorities, this luggage literally made the U.S. government's case against "Al Qaeda".

*"A former FBI agent and a former federal prosecutor who helped direct the New England investigation of the Sept. 11 attacks told Newsday that **one bag found in Boston contained far more than what the commission report cited, including the names of the hijackers, their assignments and their al-Qaida connections.***

"It had all these Arab-language papers that amounted to the Rosetta stone of the investigation," former FBI agent Warren Flagg said. The former federal prosecutor, who declined to be identified publicly, supported Flagg's account.

Hijacker IDs

"How do you think the government was able to identify all 19 hijackers almost immediately after the attacks?" Flagg asked. "They were identified through those papers in the luggage. And that's how it was known so soon that al-Qaida was behind the hijackings." ([Source](#))

Besides the obvious unlikelyhood and absurdity of this story, the whole thing basically appears to be a concoction. Early media reports were very contradictory to the point of lying and complicit journalists routinely engaged in covering up their easily debunkable previously written lies, with new ones. You can see how the news was being "shaped" to fit an official narrative. In the weeks that followed the attacks, the mainstream media eventually gained a level of synchronicity and you can see an official government-sanctioned story begin to emerge. See [this page](#) for the contradictions in the Atta, luggage, rental cars narrative.

Either the Mossad planted this luggage or the whole thing is basically a concoction of the FBI, who has a close working relationship with the Zionist Anti Defamation League, a criminal organization which was caught spying on American citizens for Israel in 1993. There is simply no other explanation for why Atta would pack such absurd items on a suicide mission, risking blowing the entire operation at the security check in. Anyone who claims this story is true is a liar.

The laughable official story also [posits that an identical handwritten hijacker letter](#) was recovered in three places: a rental car parked at Dulles International airport, in Mohammed Atta's magical luggage, and one copy supposedly was found in the wreckage of flight 93, **intact**. A red bandana in pristine condition was said to have survived the flight 93 crash, as well as Ziad Jarrah's passport.

Pictured are items allegedly recovered from flight 93 wreckage. Top left: Ziad Jarrah's alleged passport. Top right: red bandana, allegedly worn by the hijackers. Bottom left: hijacker letter. Bottom right: flight 93 crash site, no plane debris is visible, yet these flimsy items all survive the fiery crash and are conveniently used as the basis for the US gov't "Muslim suicide hijackers" story.

This is the same flight 93 crash site that was completely absent of any identifiable plane debris or human remains. This discrepancy was said to be because: ***"United Airlines Flight 93 slammed into the earth Sept. 11 near Shanksville, Somerset County, at more than 500 mph, with a ferocity that disintegrated metal, bone and flesh. It took more than three months to identify the remains of the 40 passengers and crew, and, by process of elimination, the four hijackers."*** (Pittsburgh Post-Gazette, 12/30/01) So an aluminum plane with two titanium steel jet engines is completely destroyed, leaving not a shred of evidence it even existed, but two pieces of paper and a piece of cloth inexplicably survive an impact that metal and steel could not, and are thus conveniently able to be used to affirm the US government's 'Muslim suicide pilots' conspiracy theory. According to the testimony before the House Intelligence Subcommittee on Terrorism and Homeland Defense on October 3, 2001 given by J. T. Caruso—the Deputy Assistant Director of the FBI's Counterterrorism Division, ***"translations of the letter indicate an alarming willingness to die on the part of the hijackers."***

The official 9/11 script truly is written like a Tom Clancy's spy novel mixed with the magic of Harry Potter and the Chronicles of Narnia.

Israel's Mossad "Ran" Al Qaeda Patsy Cells

According to investigative reporter Wayne Madsen, British intelligence reported in 2002 that the Al Qaeda cells blamed for the 9/11 attacks were infiltrated and being run by Israeli Mossad agents. Madsen [writes](#):

"British intelligence reported in February 2002 that the Israeli Mossad ran the Arab hijacker cells that were later blamed by the U.S. government's 9/11 Commission for carrying out the aerial attacks on the World Trade Center and Pentagon. WMR has received details of the British intelligence report which was suppressed by the government of then-Prime Minister Tony Blair.

A Mossad unit consisting of six Egyptian- and Yemeni-born Jews infiltrated "Al Qaeda" cells in Hamburg (the Atta-Mamoun Darkanzali cell), south Florida, and Sharjah in the United Arab Emirates in the months before 9/11. The Mossad not only infiltrated cells but began to run them and give them specific orders that would eventually culminate in their being on board four regularly-scheduled flights originating in Boston, Washington Dulles, and Newark, New Jersey

on 9/11.

The Mossad infiltration team comprised six Israelis, comprising two cells of three agents, who all received special training at a Mossad base in the Negev Desert in their future control and handling of the "Al Qaeda" cells. One Mossad cell traveled to Amsterdam where they submitted to the operational control of the Mossad's Europe Station, which operates from the El Al complex at Schiphol International Airport. The three-man Mossad unit then traveled to Hamburg where it made contact with Mohammed Atta, who believed they were sent by Osama Bin Laden. In fact, they were sent by Ephraim Halevy, the chief of Mossad.

The two Mossad teams sent regular coded reports on the progress of the 9/11 operation to Tel Aviv via the Israeli embassy in Washington, DC. WMR has learned from a Pentagon source that leading Americans tied to the media effort to pin 9/11 on Arab hijackers, Osama Bin Laden, and the Taliban were present in the Israeli embassy on September 10, 2001, to coordinate their media blitz for the subsequent days and weeks following the attacks. It is more than likely that FBI counter-intelligence agents who conduct surveillance of the Israeli embassy have proof on the presence of the Americans present at the embassy on September 10. Some of the Americans are well-known to U.S. cable news television audiences.

In mid-August, the Mossad team running the Hamburg cell in Boston reported to Tel Aviv that the final plans for 9/11 were set. The Florida-based Mossad cell reported that the documented "presence" of the Arab cell members at Florida flight schools had been established.

[...]

WMR previously reported that the Mossad cell operating in the Jersey City-Weehawken area of New Jersey through Urban Moving Systems was suspected by some in the FBI and CIA of being involved in moving explosives into the World Trade Center as well as staging "false flag" demonstrations at least two locations in north Jersey: Liberty State Park and an apartment complex in Jersey City as the first plane hit the World Trade Center's North Tower. One team of Urban Moving Systems Mossad agents was arrested later on September 11 and jailed for five months at the Metropolitan Detention Center in Brooklyn. Some of their names turned up in a joint CIA-FBI database as known Mossad agents, along with the owner of Urban Moving Systems, Dominik Suter, [whose name also appeared on a "Law Enforcement Sensitive" FBI 9/11 suspects list](#), along with the names of key "hijackers," including Mohammed Atta and Hani Hanjour, as well as the so-called "20th hijacker," Zacarias Moussaoui."

Instead of being charged with insurance fraud for the obvious demolition of all three World Trade Center Towers, Silverstein was awarded \$4.6 billion.

Mukasey also oversaw the detained material witnesses of 9/11. He prevented a full inquiry into the Israelis arrested in connection with the September 11th attacks, including the “five dancing Israelis”.

Mukasey served as an Assistant U.S. Attorney with Rudy Guiliani for four years. As a federal Judge he swore in the infamous New York mayor, twice. Later Mukasey advised Guiliani during his presidential campaign.

Sheila Birnbaum

Another key Jew involved in the cover-up of 9/11 is Sheila Birnbaum of [Skaddan, Arps](#) law firm. She was appointed ‘[special mediator](#)’ of legal suits filed by the 3% of families who refused to be bought off by the Zionists. As of this writing, not one of these pending cases has made it to trial, thanks to her.

Jewess Birnbaum

Kenneth Feinberg

Jew Feinberg

He personally administered the \$7 billion victim’s compensation fund. Feinberg persuaded 97% of the victims’ families to [take the money](#) in exchange for renouncing their right to sue the 9/11 criminals.

Today he is President Obama’s “pay czar”, in charge of TARP Executive Compensation – a program that pays bonuses to the Wall Street criminals responsible for the financial meltdown.

Michael Chertoff

This arch-Zionist criminal was the Assistant Attorney General on 9/11, and in charge of the Justice Department’s Criminal Division. Chertoff allowed over one hundred Israeli spies who were arrested prior to and on 9/11 to return to Israel on immigration violations. Chertoff was the presiding judge over the first World Trade Center bombing trial in 1993, which was [yet another Mossad operation](#).

Chertoff helped write the Patriot Act, then became the first Secretary of the newly created Department of

Homeland Security. This despite the fact that he is a [“dual citizen” of the US and Israel](#).

[According to U.S. News and World Report](#), Michael Chertoff was born in Elizabeth, New Jersey to Rabbi Gershon Baruch Chertoff, the former leader of the Congregation B'nai Israel in Elizabeth and Talmud Scholar, and Livia Chertoff (née Eisen), an El Al flight attendant. His paternal grandfather, Rabbi Paul Chertoff (who emigrated from Czarist Russia) was a noted Talmud scholar as well. Clearly Michael Chertoff's satanic actions are derived from his Talmudic upbringing.

Jew Chertoff

The Chertoff's are [one of the founding families of the state of Israel](#). Michael's mother [was one of the first female agents in the Mossad](#) who was involved with Mossad's [“Operation Magic Carpet”](#) where some 49,000 Yemenite Jews were smuggled into the new state of Israel. Chertoff's wife, Meryl Chertoff, is a dedicated Zionist [who served on the board](#) of the New Jersey branch of the criminal Zionist spy agency, the Anti-Defamation League.

Dov Zakheim

Jew Zakheim

Zakheim was the CEO of System Planning Corporation from 1987-2001. [SPC Corporation](#) provided [flight termination systems](#) and [command transmitter systems](#), technology that allows up to eight planes to be remotely controlled at the same time, from one operations center.

Zakheim was the Undersecretary of Defense and Comptroller of the Pentagon from 2001 to 2004. He is the man responsible for the [disappearance of \\$2.6 TRILLION](#) that went missing from Pentagon accounts. This scandal was first mentioned by Donald Rumsfeld on September 10th, 2001, only to be buried the very next day beneath 9/11's rubble.

Coincidentally, the specific section of the Pentagon that was struck, (blown up), contained the years [budgetary information](#), as well as [accountants, bookkeepers and budget analysts](#); many of whom died on 9/11.

In May 2001, an SPS subsidiary oversaw the investigation of the first “terrorist” attack on the World Trade Center in 1993. According to the SPC website, a recent customer at that time was Eglin Air Force Base, located in Florida. Eglin is very near MacDill AFB, where Dov Zakheim contracted to send at least 32 Boeing 767 aircraft, as part of the Boeing/Pentagon tanker lease agreement.

Considering his access to Boeing 767 tankers, remote control flight systems, and his published views in the PNAC document, it seems very likely that Zakheim is a key figure in the events of September 11, 2001. Dov Zakheim is a Zionist Jew, and a Rabbi. ([More on Zakheim](#))

Richard Perle

Nicknamed “The Prince of Darkness”, Perle was Chairman of the Pentagon's Defense Policy Board, and a member of PNAC, the Project for a New American Century. This group of “neo-conservatives” was actually a Zionist organization.

He wrote *A Clean Break: A New Strategy for Securing the Realm*, which advocates the ethnic cleansing of Palestinians in the occupied territories, and the overthrow of the government's of Iraq, Iran and Syria.

He was expelled from Sen. Henry Jackson's office in the 1970s after the NSA caught him passing highly classified documents to Israel. Perle is a "dual citizen" of US and Israel.

Jew Perle

Paul Wolfowitz

Jew Wolfowitz

Wolfowitz was the Deputy Defense Secretary on 9/11, and a leading member of PNAC. He is widely regarded as the chief architect of the Iraq war.

In 2004, Wolfowitz became a suspect in the FBI investigation when one of his staff members, Larry Franklin, pleaded guilty to passing sensitive information on Iran to Israel.

He later resigned as President of the World bank amid a scandal involving ethics violations and an illicit affair with a staffer. Paul Wolfowitz is a "dual citizen" of United States and Israel.

Douglas Feith

As Undersecretary of Defense for Policy, Feith spearheaded two secretive groups at the Pentagon — the Counter Terrorism Evaluation Group and the Office of Special Plans. The mission of both groups was to create propaganda claiming Saddam Hussein was developing WMDs, and that he was connected to Al Qaeda.

In 1997, he published a lengthy article in [Commentary](#), titled "A Strategy for Israel". In 1998, Feith was one of a number of U.S. officials who signed an [open letter](#) to President [Bill Clinton](#) calling for the United States to oust [Saddam Hussein](#).

Jew Feith

Feith was one of 18 founding members of the organization [One Jerusalem](#) to oppose the Oslo peace agreement. Its purpose is "saving a united [Jerusalem](#) as the undivided capital of Israel." He is also Director of [Foundation for Jewish Studies](#). In 1976 he was removed from the National Security Council due to suspicion of passing classified documents to Israel. Douglas Feith is a "dual citizen" of the US and Israel.

Philip Zelikow

Jew Zelikow

This Zionist Jew was appointed the Executive Director of the 9/11 Commission. He is responsible for concocting the contrived fiction that was presented to us as the 9/11 Commission Report (i.e. official story).

Zelikow was a Bush Administration insider, serving on the President's transition team in early 2000. From 1989-91 Zelikow served with Condaleeza Rice on the National Security Council, and in 1995 they wrote a book together. From 1996-98 Zelikow was Director of the Aspen Strategy Group which also included Condaleeza Rice, Dick Cheney and Paul Wolfowitz as members.

According to [wikipedia](#), Zelikow [literally describes himself](#) as an expert in the creation of 'public myths' or 'public

presumptions.'

"Prof. Zelikow's area of academic expertise is the creation and maintenance of, in his words, 'public myths' or 'public presumptions' which he defines as 'beliefs (1) thought to be true (although not necessarily known with certainty) and (2) shared in common within the relevant political community.' In his academic work and elsewhere he has taken a special interest in what he has called 'searing' or 'molding' events (that) take on 'transcendent' importance and therefore retain their power even as the experiencing generation passes from the scene. . . . He has noted that 'a history's narrative power is typically linked to how readers relate to the actions of individuals in the history; if readers cannot make the connection to their own lives, then a history may fail to engage them at all.'" ("Thinking about Political History", Miller Center Report, Winter 1999, pp. 5-7)

In 1998 Zelikow co-authored a paper with former CIA director [John M. Deutch](#) (a Jew) called "[Catastrophic Terrorism](#)," within which they prophetically envision a "transforming event" rather like "Pearl Harbor" that would ***"divide our past and future into a before and after"*** and would result in police state measures being enacted in the US. Zelikow wrote:

"...the resulting horror and chaos would have exceeded our ability to describe it. Such an act of catastrophic terrorism would be a watershed event in American history. It could involve loss of life and property unprecedented in peacetime and undermine America's fundamental sense of security, as did the Soviet atomic bomb test in 1949. Like Pearl Harbor, the event would divide our past and future into a before and after. The United States might respond with draconian measures scaling back civil liberties, allowing wider surveillance of citizens, detention of suspects and use of deadly force."

Now, coincidentally, everything has evolved almost exactly as Zelikow predicted in 1998! And he had a huge hand in forging that path, being the lead progenitor of the official 9/11 myth as head of the 9/11 Commission. As Zelikow has implied, the post-9/11 world depends entirely on "public myths"; fairy tales invented by society's supervisors (the Jews) which perpetuate the illusion of freedom, democracy and the rule of law.

Zelikow would later [candidly admit](#) that the Iraq War was launched to protect and bolster the terrorist state of Israel.

Ari Fleischer

He served as White House Press Secretary for President Bush from January 2001, to July, 2003. In that capacity he helped sell the official story of 9/11 and the invasion of Iraq to the American People.

In July 2003, Lewis "Scooter" Libby, another Zionist Jew, illegally publicized Valery Plame as a known CIA operative. Fleischer was named in the indictment of Libby, and forced to resign. Fleischer is a "dual citizen" of the US and Israel. But he is not just a Jew, he is connected to an extremist group called the Chabad Lubavitch Hasidics. Members of this sect study the Kabbalah, and hold very extremist, insulting views toward all non-Jews.

Jew Fleischer

David Frum

Jew Frum

This Jewish criminal personality was Bush's speechwriter at the time of 9/11 and is the one responsible for Bush's error in inflating the number of Israeli casualties in the 9/11 attacks twenty-six times the actual amount. Why did he do this? Because he's a Zionist of course and was attempting to garner sympathy for Israel and project them as the 'great ally' of the United States who are now 'partners' in this global fight against "terrorism." Frum was the man behind the "Axis Of Evil" label as well.

He also co-authored a book with fellow Zionist warmonger Richard Perle entitled, [An End To Evil: How To Win The War On Terror](#). His fallacious book was standard Zionist b.s. trumpeting all of the lies, myths and official fiction's about 9/11, the "War On Terror," and the war in Iraq and Afghanistan. Not only does the book defend the illegal and genocidal invasion of Iraq but went a step further advocating regime change in Iran, Syria and any country that is a threat to Israeli hegemony in the middle-east.

According to Jewish journalist Robert Novak, Frum was a raving Zionist, Jewish supremacist, who made constant reference to his Jewishness. Novak [writes](#): ***"While Frum calls himself "a not especially observant Jew," he repeatedly refers to his Jewishness. It is hard to recall any previous presidential aide so engrossed with his own ethnic roots. Frum is more uncompromising in support of Israel than any other issue, raising the inescapable question of whether this was the real reason he entered the White House."***

Those are just a few of the [forty Zionist Jews](#) who were embedded in and/or strongly associated with the Bush Administration. Jews mobilized their warmongering efforts through a number of Neocon "think tanks" like the American Enterprise Institute, Jewish Institute for National Security Affairs, Washington Institute for Near East Policy, Project For a New American Century, among other traitorous, backstabbing Jewish-run Israel-firster criminal think-tanks.

Who was on board flight 11?

Jew Lewin

[Daniel Lewin](#)

Lewin, an Israeli Jew, was confirmed to be a former member of the elite Israeli commando unit, the **Sayeret Matkal**. [Sayerat Matkal](#) is a deep penetration unit that has been involved in assassinations, "counter-terrorism" and "hostage rescues". It is best known for the 1976 rescue of 106 passengers at Entebbe airport in Uganda, [which turned out to be an Israeli hoax](#) designed to torpedo the PLO's standing in France and demonize the Palestinians in the eyes of Western populations.

The official story alleges that Lewin got involved in a struggle with one of the "Muslim hijackers" and ended up getting shot and killed with a gun, which was later changed to being "stabbed" to death (as a gun on board would not jive with the pre-packaged 9/11 script). How typical of the Zionist media to make a "hero" out of a Zionist Jew on board the plane who supposedly "took on" the terrorists and paid with his life. The more likely scenario is that Lewin was the one who pulled the hijacking as he was specifically trained to do as an elite Israeli commando in the terrorist group, the Sayerat Matkal! Israeli commandos are one of the few highly trained groups on earth capable of pulling off a simultaneous four plane hijacking such as the one that occurred on 9/11. An impossible feat for 19 inexperienced Arab amateurs with box cutters facing down four

LOCKED cockpits and a plane full of hundreds of passengers who could have, and would have, easily beat them down with their luggage. And these 19 run-of-the-mill Arab amateurs supposedly managed to pull this off successfully, without a hitch, on their very first attempt, AND hit 75% of their targets? What a laugh!

It cannot be written off as mere coincidence that a Zionist commando was on one of the planes. I am not suggesting Lewin was on a suicide mission and flew into the towers; although Jews are known to be every bit, if not more, fanatical than the most extreme of Muslims (for instance look up Baruch Goldstein/Cave of the Patriarchs Massacre and Irv Rubin/Jewish Defense League terrorist plot). What I speculate probably happened is that he landed the plane at Stewart Airport and it was swapped for a remote control drone which was precision guided into the towers. Stewart Airport was the "privatized" airport wherein the flightpaths of the planes that hit the twin towers, oddly converged.

9/11 Good For the Jews

In the days following 9/11, Israelis were not mourning the tragic events that unfolded on that fateful day, like the rest of the world, but instead were **reveling** in its beneficial outcome for their beloved terrorist state in the middle-east. One who was especially jubilant at the outcome of this disaster was none other than current Israeli prime minister and war criminal, **Benjamin Netanyahu**. The *New York Times* published an article on September 12th, 2001, the day after 9/11, entitled, *A DAY OF TERROR: THE ISRAELIS; Spilled Blood Seen as Bond That Draws Two Nations Closer*. The article stated: **"Israelis took cold comfort in concluding that Americans now share more of their fears."** The article went on: **"Israeli leaders, who chafed at American criticism of their measures against Palestinians, said the day's attacks would awaken the United States to the threat of global terrorism."** When asked what the attack meant for US-Israeli relations, Benjamin Netanyahu plainly stated, **"It's very good."** He then edited himself saying, **"Well it's not good, but it will generate immediate sympathy [for Israel]."** He predicted that the attack would **"strengthen the bond between our two peoples, because we've experienced terror over so many decades, but the United States has now experienced a massive hemorrhaging of terror."** ([source](#)) ([archived](#))

Jew Sprinzak

In reference to the 9/11 attacks, Ehud Sprinzak, an Israeli academic, said: **"From the perspective of the Jews, it is the most important public relations act ever committed in our favour."** ([source](#)) ([backup](#))

An [illuminating article](#) from December, 2001, by Israeli journalist and current editor-in-chief of Israel's oldest daily newspaper *Haaretz*, [Aluf Benn](#), described 9/11 as Israel's **"Hannakah Miracle."** The article made light of the fact that Israel's leaders and military establishment were euphoric at the beneficial result the 9/11 attacks were to have for Israel's global image, which had reached a low point in 2001. It states: **"The Israeli political-security establishment is coming to the conclusion that the terror attacks on September 11 were a kind of "Hanukkah miracle" for Israel, coming just as Israel was under increasing international pressure because of the ongoing conflict with the Palestinians."** It continues: **"Osama bin Laden's September 11 attacks placed Israel firmly on the right side of the strategic map with the U.S., and put the Arab world at a disadvantage as it now faces its own**

difficult decisions about its future. That's the impression left by the speeches given by Mossad chief Ephraim Halevy and National Security Council chairman Maj. Gen. Uzi Dayan, at this week's Herzliya conference on national security." The article goes on to describe how Israeli leaders and Mossad chiefs met with top US Bush Administration officials a few short weeks after the 9/11 attacks to coordinate Israel's new "War On Terror" agenda of middle-east destruction with Zionist objectives in mind. Clearly a case of 9/11's Zionist masterminds gloating in the success of their false-flag attack.

Evidently, 9/11 was a joyous occasion for many Israelis and Jews around the world. Because of 9/11 America's military forces were fully inducted into the service of evil Israeli leaders and, like a marionette, were sent by its Zionist puppet-masters on a seemingly endless path of murderous destruction in the middle-east. Since September 11, 2001, Arab and Islamic nations, one after the other, have been felled and vanquished by the perilous Zionist Golem known as the United States military.

Benjamin Netanyahu: the Architect of 9/11

It is impossible to believe that Benjamin Netanyahu is not a central player in the September 11th attacks. He had intimate connections to Israeli intelligence, a close friendship with Larry Silverstein, and a shared ideology with the Jews in the Bush administration. Richard Perle wrote *A Clean break: A New Strategy for Securing the Realm* for Netanyahu, and presented the document to him while he was Prime Minister of Israel. Shortly after 9/11 Netanyahu [made this statement](#):

"We are benefiting from one thing, and that is the attack on the Twin Towers and Pentagon, and the American struggle in Iraq."

9/11 was a joyous occasion for Netanyahu.

This war criminal and career terrorist has a [long history of involvement in Israeli terrorism and politics](#). He took control of the Likud party in 1993 and became Prime Minister of Israel in 1996. The Likud Party is the literal successor of the Jewish terrorist organization known as the Irgun. He was the prime minister to whom the ACB Doc was presented. Egyptian Intellectual, Hassan Al Bana, has stated publicly that he thinks Netanyahu planned 9/11 with the Jews at the Jonathan Institute. Al Bana cites a book written by Netanyahu called, *Fighting Terrorism: How Democracies can Defeat Domestic and International Terrorists*, which speaks of plans to attack the U.N. [and the World Trade Center with small nuclear bombs](#). In 2001 Netanyahu [was secretly recorded](#) speaking with a family in Israel in which he said that **"America is a thing you can move very easily."**

[According to journalist Wayne Madsen](#), U.S. intelligence sources report that Netanyahu is considered an extreme threat to U.S. national security. Not only has Netanyahu visited convicted Israeli spy [Jonathan Pollard](#) in his North Carolina prison cell and advocated strenuously for his release, but he was once overheard by an ex-CIA agent as saying to a group of his supporters, **"Once we squeeze all we can out of the United States, it can dry up and blow away."** Netanyahu also [claimed that his father predicted 9/11 in the 90's](#).

The Jonathan Institute

[The Jonathan Institute](#) was founded in the late 1970's as Benjamin Netanyahu's anti-Arab propaganda outfit.

[Powerbase.info](#) says that: **"The institute was founded in 1979 by Benjamin Netanyahu, a prominent rightist and Israeli ambassador to the United States, who named the organization after his brother Jonathan, who died in the Entebbe airport raid in 1976. Its propaganda function and its design to influence U.S. and other Western opinion makers were suggested by its opening offices in Washington, D.C., and New York, as well as in Jerusalem. Its main activity from its birth was the organization of conferences, carefully designed to bring in sympathetic leaders, experts, and journalists to get across the message: the PLO is a terrorist organization. and the Soviet Union is its parent and supporter."**

[Powerbase.info](#) also says that, **"The two conferences organized by the Jonathan Institute, in Jerusalem in July 1979 and in Washington, D.C., in June 1984, were major events and highly effective for Israeli and Western propaganda. Both drew in many high officials and big-name journalists and successfully attracted extensive press coverage on the threat of terrorism as portrayed in the Western model"** and that **"the opening session of the 1979 conference was addressed by Israeli Prime Minister Begin, who successfully urged the assembled guests to get out and sell the message."** In the 1940's Menachem Begin was the inhuman Jewish terrorist leader of the Irgun whose agents blew up the hotel King David in 1946 disguised as Arabs and perpetrated the Deir Yassin massacre, among many other slaughters of Palestinians and attacks on British Mandate forces and diplomats. As Prime Minister of Israel Begin launched two aggressive invasions of Lebanon [in 1978](#) and [1982](#) killing tens of thousands of Palestinian and Lebanese civilians. During the latter invasion Begin, with Ariel Sharon, orchestrated the slaughter of thousands of Palestinian refugees in the [death camps of Sabra and Shatilla](#).

The Jonathan Institute endeavored to recruit Western Zionist Jews and Shabbas Goy in media and government to promote a clash of civilizations between the West and Israel's Islamic enemies. The 1984 conference produced a widely reviewed book edited by Netanyahu, *Terrorism: How the West Can Win*, and established Netanyahu as a leading international voice in the "war against terrorism" which is more accurately described as a "war of terrorism against Israel's enemies." The institute also effectively publicized its espoused doctrine of "preemptive retaliation," the Israeli policy of killing those designated as terrorists before they can act. Abramoff's Casino Boats

Jew Abramoff

Less than one week before 9/11 several of the Arab hijacker 'patsies', including Atta, [boarded a Sun Cruz Casino Boat in Florida](#). Nobody knows why, and it has never been investigated. The boats were owned by sleazy Jewish mobster [Jack Abramoff](#). This Jewish criminal asset was the one who entertained the Arab patsies aboard his yacht. Abramoff is a Bush Admin insider having been on the Transition Advisory Team assigned to the Department of the Interior in 2001.

Abramoff is a convicted criminal lobbyist who is a central figure in a plethora of political scandals, fraud, and other scams. He is currently serving a five year prison term for fraud, conspiracy, and tax evasion. In 2002 Abramoff [founded the Eshkol](#)

[Academy in Maryland](#), a school for Orthodox Jewish children.

He also [had foreknowledge](#) of the [Zionist engineered](#) War In Iraq.

Sears Tower Incident

On October 16, 2001 a group of [Israelis were arrested](#) in rural Pennsylvania for suspicious behavior behind a Pizzeria Uno. The manager of the store informed authorities of two middle eastern looking men dumping furniture out of a tractor-trailer with "Moving Systems Incorporated" sign on the side, behind his restaurant.

Police found the van and confronted its occupant who identified himself as Ron Katar, an Israeli. Katar pointed across the street to his compatriot named Mosche Almakias who was approaching the detained van with a female named Ayelet Reisler. Reisler suspiciously began to walk in a different direction once she spotted the police officer. She was found to have a German passport in one name and medication in another.

Elmakias admitted being behind the Pizzeria and said his destination was New York, but he had to make a pickup in Plymouth. However, the clever cover story began to fall apart as he could not provide a name or number of this client.

The police searched the van and discovered a Sony video camera containing a video taken of Chicago with several suspicious zoom-in shots of the Sears tower. Clearly these Mossad assets were planning some sort of false flag attack. These Israelis were eventually taken in by the INS and it was never heard about again.

As a side-note: the Sears tower was [bought by three Jews](#) — Lloyd Goldman, Joseph Cayre and Jeffrey Feil — in 2004. These men belong to the same group that backed Larry Silverstein's lease of the WTC complex giving Larry \$125 million to do the deal. It seems that these criminal Jews are all in on the same false flag terror/real-estate insurance scams together.

Mossad Targets Mexico

As reported by [La Vox De Atzlan](#), two Israelis posing as press photographers were arrested inside the Mexican congress on October 10, 2001 armed with 9mm pistols, 9 grenades, explosives, three detonators, and 58 bullets, but were RELEASED from custody because of pressure from the Israeli embassy.

Attempted Jew False-Flag

"We believe that the two Zionists terrorist were going to blow up the Mexican Congress. The second phase was to mobilize both the Mexican and US press to blame Osama bin Laden. Most likely then Mexico would declare war on Afghanistan as well, commit troops and all the oil it

could spare to combat Islamic terrorism."

The names of the Jewish terrorists were Salvador Guersson Smecke, age 34, and Saur Ben Zvi, age 27. These Jew terrorists were released because of a very high level emergency meetings took place between Mexican Secretary of Foreign Relations Jorge Gutman, General Macedo de la Concha and a top Ariel Sharon envoy who flew to Mexico City specially for that purpose. Jorge Gutman is of the Jewish descent. Unsurprisingly, the Jew-owned media failed to report on this failed Israeli false-flag terror attack.

More Israeli Truck Bombs

Failed Jew Terror

On Monday May 13, 2002, [Fox News reported](#) that two Israeli nationals in a white van were pulled over in Oak Harbour, Washington, near the Whidbey Island Naval Air Station with explosives in their truck.

Federal Authorities brought in bomb sniffing dogs which reacted first on one of the Israelis and later on the van. High tech equipment was later used and confirmed the presence of TNT and RDX plastic explosive. The Israelis claimed to be delivering furniture to California but investigators doubted the story.

Authorities say records for the Budget truck do not indicate any recent rental for the purposes of transporting explosives, which would require special permits; thus proving these explosives were illegal and obviously intended to be used for malicious purposes.

The Fox News article makes no mention to what became of these two Israeli terrorists which pretty much means they were quietly released.

Ex Intel Chiefs Affirm Mossad Behind 9/11

Cossiga

Former Italian President Francesco Cossiga, who revealed the existence of Operation Gladio, has told Italy's oldest and most widely read newspaper that [the 9-11 terrorist attacks were run by the Mossad](#), and that this was common knowledge among global intelligence agencies. In what translates awkwardly into English, Cossiga told the newspaper Corriere della Sera:

"All the [intelligence services] of America and Europe know well that the disastrous attack has been planned and realized from the Mossad, with the aid of the Zionist world in order to put under accusation the

Arabic countries and in order to induce the western powers to take part in Iraq [and] Afghanistan."

In an interview only a mere weeks after 9/11, **Hamid Gul**, former head of Pakistani intelligence (ISI) from 1987-1989, tells Arnaud de Borchgrave, United Press International of who he thinks was behind the attacks. Here are a few excerpts from the transcript which can be read in full [here](#):

De Borchgrave: So who did Black Sept. 11?

Gul: ***Mossad and its accomplices.*** The U.S. spends \$40 billion a year on its 11

intelligence agencies. That's \$400 billion in 10 years. Yet the Bush Administration says it was taken by surprise. I don't believe it. Within 10 minutes of the second twin tower being hit in the World Trade Center CNN said Osama bin Laden had done it. That was a planned piece of disinformation by the real perpetrators. It created an instant mindset and put public opinion into a trance, which prevented even intelligent people from thinking for themselves.

Gul

Von Buelow

Andreas von Bulow served on the parliamentary commission which oversees the three branches of the German secret service while a member of the Bundestag (German parliament) from 1969 to 1994, and wrote a book titled *Im Namen des Staates* (In the Name of the State) on the criminal activities of secret services, including the CIA.

[Von Bulow told AFP](#) that he believes that the Israeli intelligence service, Mossad, is behind the September 11 terror attacks. These attacks, he said, were carried out to turn public opinion against the Arabs, and boost military and security

spending.

"You don't get the higher echelons," von Bulow said, referring to the "architectural structure" which masterminds such terror attacks. At this level, he said, the organization doing the planning, such as Mossad, is primarily interested in affecting public opinion.

"It is 100 Percent Certain 9/11 Was a Mossad Operation"

Dr. Alan Sabrosky: "9/11 was a Mossad operation. Period."

Dr. Alan Sabrosky (Ph.D., University of Michigan) is a writer and consultant specializing in national and international security affairs. In December 1988, he received the Superior Civilian Service Award after more than five years of service at the U.S. Army War College as Director of Studies, Strategic Studies Institute, and holder of the General of the Army Douglas MacArthur Chair of Research. On a [March 14, 2010 internet podcast](#) Sabrosky made it clear who he thinks was behind the 9/11 attack:

"What we need to stand up and say is not only did they attack the [USS Liberty](#), they did 9/11. They did it. I have had long conversations over the past two weeks with contacts at the Army War College, at it's headquarters, Marine Corps and I made it absolutely clear in both cases that it is 100 percent certain that 9/11 was a Mossad operation. Period."
