She has been told every line on her face tells a story. Eva Olsson shared her incredible tale of survival in Nazi "**killing factories**" with an enraptured audience of senior students at Banting secondary school yesterday afternoon.

The 79-year-old Holocaust survivor spoke of the horrors she encountered in Nazi death camps -- **the stench of burning flesh** [...]

Webmaster note: Crematories are designed in such a way that they do not emit either smoke or stench.
