

## **AFFIDAVIT**

**I, .....insert your name.....,  
do solemnly and sincerely affirm and declare that:**

- **I am competent to state to the matters set forth herein**
- **All claims made herein are complete, true and correct to the best of my knowledge**
- "Jurisdiction" means "Oath Spoken". I care not to whom or to what anyone swears allegiance - except for one thing: It is my understanding that officials of a court of law and members of the judiciary, have sworn an oath to uphold the law and to do right by all people. To ensure that truth and justice is served it is my right to ascertain the true allegiance of anyone who purports to have jurisdiction and authority over this Affiant.
- It is my understanding that secret oaths such as the Kol Nidre or Masonic oaths are a danger to any society which bases itself on the rule of law. I hold that no society can survive, much less flourish, if men cannot trust their fellowman. Secret oaths undermine that trust! This is all the more dangerous if those who have participated in the Kol Nidre or have sworn any kind of secret oath are in a position of power over their fellowman.
- I hold it as a self-evident truth that anyone who has knowingly and voluntarily participated in the Kol Nidre and/or has knowingly and voluntarily sworn any kind of secret oath is of questionable character and morally unfit to sit in judgment over this Affiant.
- Anyone who has participated in the Kol Nidre and/or sworn any kind of secret oath has disqualified himself from being involved in any legal action against this Affiant. Anybody who attempts to impose upon me his jurisdiction and authority unlawfully is deemed by me to be guilty of one or both of the below-mentioned criminal offences:
  - A) an attempt to pervert the course of justice as per .....insert relevant legislation.....
  - B) enticement to slavery as per .....insert relevant legislation.....
- As a sane and self-respecting man I have the indisputable right to protect myself from harm when dealing with anyone who is not personally known to me. As I have no record or evidence that any party to this legal action who may have participated in the Kol Nidre or may have sworn a secret oath at any time is unbiased and impartial I assert my right to exercise caution in order to protect myself.

**I claim the right to be presented with evidence of the following!!!**

- A) - Proof of the Oath of Office of the judge/magistrate appointed to preside**
- B) - Proof of the existence of a valid bond to indemnify**

- There **MUST** be a current Oath of Office which is on file. There **MUST** be a valid bond. Failure to submit the requested evidence is deemed to be tacit admission that the judge or magistrate is impersonating a judicial officer.

I furthermore claim the right to demand answers to the following questions!!!

- 1. Is the judge/magistrate appointed to preside a Freemason?**
- 2. Is the judge/magistrate appointed to preside a member of any secret society?**
- 3. Is the judge/magistrate appointed to preside a Jew?**

- A **NO** answer to **every** question is paramount and mandatory. I reserve the right to bring criminal charges against anyone and/or to sue for damages anyone found not to have given truthful answers!
- Response to Affiant's questions must be under oath or attestation, upon full commercial liability and penalty of perjury and notarised. Respondent has 14 (FOURTEEN) working days - not counting the day of receiving this document - to reply.
- Answers must be a) **clear and unambiguous**, b) **to the point** and c) **in plain English** as I do not understand legalese.
- Response and all relevant documents must be served using registered and traceable mail service and addressed to Affiant thus:

.....insert name and address....

- Above terms and conditions are non-negotiable. Failure to respond in the manner requested and within the time frame stipulated will constitute, as an operation of law, tacit admission of participation in the Kol Nidre rite and/or tacit admission of membership in a secret society. Such tacit admission will be deemed by this Affiant to be respondent's recusal.
- I reserve the right to make everything that transpires regarding this legal action a matter of public record.
