

Warning! - All Californian's . . .

California law now requires all water agencies to fluoridate your water supply if that water agency serves 10,000 or more customers. Fluoride is a poison!

Fluoride is a poisonous hazardous industrial pollutant primarily from phosphate fertilizer plants. Fluoride is a pollutant from these plants.

- SAY "NO" TO FLUORIDE!
- Say No to Poisonous Hazardous Industrial Waste in your Water -Drinking, Bathing, Pets, Plants/Home Vegetable Gardens
- SAY "NO" to Fluoride in our Foods and Beverages
- Say No to Cancer Death Accelerated by Fluoride
- Say No to Bone Loss, Arthritis, Brittle Teeth - Documented Fluoride Effects
- Say No to Teeth Mottling and Splotchiness (Discoloration) and Permanent Teeth Discoloration
- Say No to Sperm Damage and Infertility
- Say No to Thyroid Damage
- Say No to Damage of the Soft Vulnerable Brain Tissue
- Say No to a Toxic Poison More Harmful than Lead and Arsenic
- Say No to a Non-FDA Approved Drug in your Water
- Say No to the Destruction of 83 Essential Enzymes in Your Body
- Say No to Mass Medication in Our Water Supply
- Say Yes to Individual CHOICE!!
- Say Yes to Improved Nutrition and Oral Hygiene . . . To Prevent Dental Decay

Take Action Now! Your Silence Is Your Permission.

Attend and call your city council members, county supervisors, state senators, assembly persons. Attend to your local water agency meetings. Copy and distribute the flyers to all your neighbors and friends.

Your immediate action to spread the word is necessary!
