The Illuminati Jewish Plan for European Genocide

June 26, 2015

(left, Spanish beach)

Never have a people embraced their political and cultural demise with such complacency as the dimwitted denizens of Europe, North America and Australia.

Do not direct your resentment at

immigrants who are just trying to better themselves, as our own ancestors did.

Direct your anger at our political and cultural leaders who, as agents of the central bankers, are colonizers and traitors.

The causes of mass migration are still cleverly concealed by the system, and portrayed as inevitable by multicultural propaganda. ... What they want to present as an inevitable and spontaneous phenomenon is actually a deliberate longterm plan to destroy the face of the continent.

PAN EUROPE

One of the main initiators of the process of European integration was the man who designed the genocide plan of the Peoples of Europe. The elite consider him the founder of the European Union. His name is Richard Coudenhove Kalergi. His father was an Austrian diplomat named Heinrich von Coudenhove-Kalergi (with connections to the Byzantine family of the Kallergis) and his mother the Japanese Mitsu Aoyama...

Count Richard von Coudenhove-Kalergi, founder and President of the Pan-European Union, the original EU, said this in his 1925 book, 'Praktischer Idealismus:'

"The man of the future will be mixed-race... The Eurasian-Negroid race of the future... will replace the diversity of peoples... Russian Bolshevism constitutes a decisive step towards this purpose where a small group of Communist spiritual aristocrats govern the country... The general staff of both... are recruited from Europe's spiritual leader race, the Jews.

From the European quantity people... the mass, two quality races rise up: blood aristocracy and Jewry... both believe in their higher mission, of their better blood... The superiority of their spirit predestines them to become a main factor of the future nobility."

In 1950, Coudenhove-Kalergi was awarded the very first Charlemagne Prize. Subsequent winners have included Winston Churchill; Edward Heath; Bill Clinton; Henry Kissinger and Tony Blair. Of mixed-race himself, he was married three times. Two of his wives were Jewish.

In 1922, he founded the

"Pan-European" movement in Vienna, which aimed to create a New World Order based on a federation of nations led by the United States. European integration would be the first step in creating a world government. Among the first supporters, including Czech politicians Tomáš Masaryk and Edvard Beneš and the banker Max Warburg, who invested the first 60,000 marks. The Austrian Chancellor Ignaz Seipel and the next president of Austria, Karl Renner, took the responsibility

for leading the "Pan-European" movement. Later, French politicians, such as Léon Blum, Aristide Briand, Alcide De Gasperi, etc joined.

With the rise of Fascism in Europe, the project was put on hold, but after the Second World War, thanks to the support of Winston Churchill, the Jewish Masonic Lodge B'nai B'rith and major newspapers like the *New York Times*, the plan was accepted by the United States Government. The CIA later undertook the completion of the project.

THE ESSENCE OF THE KALERGI PLAN

In his book «*Praktischer Idealismus*», Kalergi indicates that the residents of the future "United States of Europe" will not be the People of the Old Continent, but products of miscegenation. He clearly states that the peoples of Europe should interbreed with Asians and colored races, thus creating a multinational flock with no quality and easily controlled by the ruling elite.

Kalergi eliminates nationhood and self determination using ethnic separatist movements and mass migration. In order for Europe to be controlled by an elite, he wants to turn people into one homogeneous mixed breed of Blacks, Whites and Asians. Who is is this elite however? Kalergi is particularly illuminating on this:

The man of the future will be of mixed race. The races and classes of today will gradually disappear due to the elimination of space, time, and prejudice. The Eurasian-negroid race of the future, similar in appearance to the Ancient Egyptians, will replace the diversity of peoples and the diversity of

individuals. Instead of destroying European Judaism, Europe, against her will, refined and educated this people, driving them to their future status as a leading nation through this artificial evolutionary process. It's not surprising that the people that escaped from the Ghetto-Prison, became the spiritual nobility of Europe. Thus, the compassionate care given by Europe created a new breed of aristocrats. This happened when the European feudal aristocracy crashed because of the emancipation of the Jews [due to the actions taken by the French

Revolution]

Although no textbook mentions Kalergi, his ideas are the guiding principles of the European Union. The belief that the peoples of Europe should be mixed with Africans and Asians, to destroy our identity and create a single mestizo race, is the basis of all community policies that aim to protect minorities. Not for humanitarian reasons, but because of the directives issued by the ruthless Regime that machinates the greatest genocide in history.

The Coudenhove-Kalergi European Prize is awarded every two years to Europeans who have excelled in promoting this criminal plan. Among those awarded with such a prize are Angela Merkel and Herman Van Rompuy.

The incitement to genocide, is also the basis of the constant appeals of the United Nations, that demands we accept millions of immigrants to address the low birth rates of the EU. According to a report published on January 2000 in «Population division» Review of the United Nations in New York, under the title "Immigration replacement: A solution to declining

and aging population," Europe will need 159,000,000 migrants by 2015.

One wonders how there can estimate immigration with such accuracy if it were not a premeditated plan. It is certain that the low birth rate (http://ec.europa.eu/eurostat/statistics-explained/index.php/Fertility_statistics) could easily be reversed with appropriate measures to support families. It is just as clear that it is the contribution of foreign genes do not protect our genetic heritage, but that it enables their disappearance. The sole purpose of these measures is to completely distort our people, to turn them into a group of people without national, historical and cultural cohesion.

In short, the policies of the Kalergi plan was and still is, the basis of official government policies aimed at genocide of the Peoples of Europe, through mass immigration. G. Brock Chisholm, former director

of the World Health Organization (OMS), said: "What people in all places have to do is to limit of birthrates and promote mixed marriages (between different races), this aims to create a single race in a world which will be directed by a central authority. "

CONCLUSION

If we look around us, the Kalergi plan seems to be fully realized. We face Europe's fusion with the Third World. The plague of interracial marriage produces each year thousands of young people of mixed race: "The children of Kalergi».

Under the dual pressures of misinformation and humanitarian stupefaction, promoted by the MSM, the Europeans are being taught to renounce their origin, to renounce their national, racial and cultural identity.

The servants of globalization are trying to convince us that to deny our identity is a progressive and humanitarian act, that "racism" is wrong. It is necessary, now more than ever, to counter the lies of the System, to awaken the revolutionary spirit in Europeans. Every one must see this truth, that European Integration amounts to genocide. We have no other option, the alternative is national suicide.

Thanks for the tip Mark!

First Comment by CR:

The biggest obstacle that the white race faces in preventing its extinction is the fact that, generally speaking, white people have lost the will to reproduce.

Here in Ottawa, most of the white women having babies are either with an old rich white man or a black man. In fact, when my first son was born there were no white women in the maternity ward of the hospital - all black except for one Arab lady. It seems that a lot of white people are convinced that the world is overpopulated and they are doing humanity a favor by not having kids, or they are too caught up in their materialistic carefree lifestyle and see children as more of a burden than anything.

People who want to blame the immigrants themselves are wrong as well. Most immigrants would prefer to stay in their country if it was possible to live comfortably, and remember that it was Europeans who colonized the world and not the other way around. That's not to say that the general population should pay for the sins of the monarchy and aristocracy - as we are with their debt - but perhaps those who are upset with immigration should direct their anger towards those who are exploiting the countries that people are leaving. You really can't blame people for wanting to leave the difficult situations they are living in, and whatever shunning or hostility you want to give them is nothing compared to the violence and poverty they left back home. "Middle class" in most countries is well below the poverty line in the western world.
