#clampdown (/tags/clampdown) is underway

Dear Friends,

The actions against " #fake (/tags/fake) #news (/tags/news) " authors seem to have started over here in #Germany (/tags/Germany), and I received a letter that I am sued for "sedition" for something I said back in #summer (/tags/summer) #2015 (/tags/2015). I still do not know what exactly I said in public they think was illegal

to state, however there is a theoretical possibility I might be going to jail for maximum 5 years. They act quick, unusual for state activity.

There is quite a bit of #research (/tags/research) I planned to publish in near future. It still is work in progress, but it feels better to get it out straight away.

Could you please secure the files, forward them to whom it might concern, and if possible help to fund the copyright fees for the pictures included in the article on #Morgellons (/tags/Morgellons) as soon as possible. I tried to get this into a #public (/tags/public) domain status for ages but never could afford to pay for the legal rights of the pictures necessary for visual proof.

The material is online as public links at dropbox. Please download:

In the context of the #discovery (/tags/discovery) that also the #rope-worms (/tags/rope-worms) found in the #intestines (/tags/intestines) #of (/tags/of) #autistic (/tags/autistic) #children (/tags/children) are just like Morgellons advanced #biotechnology (/tags/biotechnology) that creates #demons (/tags/demons), and thus is closely related to the transhumanistic/black magic #agenda (/tags/agenda), there is some practical experience to report that still is not covered in these papers.

We could relate the snake-demons created by these slime fungi found in autistic children to the #kundalini (/tags/kundalini) and tummo snakes known from the asian culture. After we realized that these entities that with normal people are in place already in the uterus are part of the dark agenda, we started to look for ways to get rid of them. With some success. Doing this we discovered that it is the snakes that create what we perceive as the MATRIX. The kundalini snake occupies the third eye, filters out things we are not supposed to see or realize (cognitive dissonance) and adds illusion (magic). This is how they create the fake reality we know as the MATRIX. Once the snake is out, the mental focus of our consciousness drops back into the brain stem and the third eye connects directly with the heart. It is such a beautiful feeling, finally to see the truth with the heart instead of the mind – simply devine Also, the blockage of the tailbone is completely released and the vertebra are mobilized down to the first spinal disk. Painful for the first couple of weeks but relieving.

It might be a possibility to get them off our back simply by re-conquering that space. First step is to de-identify from kundalini and tummo (the mail partner of kundalini) via affirmations, and later, as soon as they become perceptible as distinct entities it is possible to pull them out. This is still a dangerous procedure, and can cause madness and physical damage. During the procedure I was taken over by tummo for like 30 seconds before the shaman assisting cold grab and pull him out. If you experiment on your self, do it with a shaman that can see what happens and do it in a secured environment, sitting on the ground with no hard or edged things around.

Good luck, I will keep you informed how things proceed...

Love
Harald

#Harald (/tags/Harald) #Kautz-Vella (/tags/Kautz-Vella), a scientist/journalist/whistleblower did some excellent #research (/tags/research) along these lines about #how (/tags/how) all the #toxins (/tags/toxins) and #toxic (/tags/toxic) #technology (/tags/technology) #work (/tags/work) #together (/tags/together) to dumb us down, until he either went too far and had to go quiet, or something else happened—it was hard to say exactly what was going on, but the info he came out with while he was being vocal was excellent, though somewhat controversial too.

and this is a later, better edited version of one of his interviews:

ELECTROMAGNETIC WAVES, GROUND-BASED, ELECTROMAGNETIC FIELD OSCILLATORS CALLED GYROTRONS, AND IONOSPHERIC HEATERS.

PARTICULATES MAKE DIRECTED ENERGY WEAPONS WORK BETTER. IT HAS TO DO WITH "STEADY STATE" AND PARTICLE DENSITY FOR PLASMA BEAM PROPAGATION. THEY SPRAY BARIUM POWDERS AND LET IT PHOTO-IONIZE FROM THE ULTRAVIOLET LIGHT OF THE SUN. THEN, THEY MAKE AN ALUMINUM-PLASMA GENERATED BY "ZAPPING" THE METAL CATIONS THAT ARE IN THE SPRAY WITH EITHER ELECTROMAGNETICS FROM HAARP, THE GYROTRON SYSTEM ON THE GROUND [GROUND WAVE EMERGENCY NETWORK], OR SPACE-BASED LASERS. THE #BARIUM (/tags/BARIUM) MAKES THE #ALUMINUM-PLASMA (/tags/ALUMINUM-PLASMA) MORE PARTICULATE DENSE. THIS MEANS THEY CAN MAKE A DENSER PLASMA THAN THEY NORMALLY COULD FROM JUST IONIZING THE ATMOSPHERE OR THE AIR.

MORE DENSITY [MORE PARTICLES] MEANS THAT THESE PARTICLES WHICH ARE COLLIDING INTO EACH OTHER WILL BECOME MORE CHARGED BECAUSE THERE ARE MORE OF THEM PRESENT TO COLLIDE. WHAT ARE THEY ULTIMATELY TRYING TO DO UP THERE – IS CREATE CHARGED-PARTICLE, PLASMA BEAM WEAPONS

Sage of Quay Radio - #Harald (/tags/Harald) #Kautz-Vella (/tags/Kautz-Vella) & Cara St. Louis: #DNA (/tags/DNA) #Technology (/tags/Technology), Alien AI and #Black (/tags/Black) #Goo (/tags/Goo)

<https://www.youtube.com/watch?v=TfTflw80t6g> (<https://www.youtube.com/watch?v=TfTflw80t6g>)

Returning to the show tonight are my very special guests Harald Kautz-Vella and Cara St. Louis. Cara and Harald have co-authored and released a new book called Dangerous Imagination, Silent Assimilation.

The book is a partnership between Cara and Harald who is an #Esoteric (/tags/Esoteric) Investigator with expertise in #geology (/tags/geology), #physics (/tags/physics) and the #media (/tags/media). Together they plumb the depths of the #social (/tags/social) #engineering (/tags/engineering) which is aimed at the #cultural (/tags/cultural) #destruction (/tags/destruction) of western civilization and how #chemtrailing (/tags/chemtrailing), #Morgellon (/tags/Morgellon)'s Disease and the phenomenon of "Black Goo" or Sentient Oil – are the building blocks behind the elite's agenda to commandeer the #world (/tags/world).

This will be a two part #show (/tags/show). For this show, which is Part 1, Harald will talk to us about technology that has been in play since #2003 (/tags/2003) which directly alters the DNA / RNA structures within humans. This technology, which surpasses the black program which manifests #Morgellons (/tags/Morgellons), is dispersed via the covert #aerosol (/tags/aerosol) #spraying (/tags/spraying) #program (/tags/program) which many refer to as #Chemtrails (/tags/Chemtrails). Harald will then discuss how the #matrix (/tags/matrix) is possibly managed by an #alien (/tags/alien) #artificial (/tags/artificial) #intelligence (/tags/intelligence) with a self preservation objective. We then return to talk more about the elites obsession with controlling and reprogramming a substance called "Black Goo" which mirrors the consciousness of humans and that of alien entities such as the #Archons (/tags/Archons).
