

# WHO ARE THE DRACONIANS?

## Case Files of Branton

Many so-called UFO "abductees", especially in recent decades, have described encounters with remarkably similar types of entities, some of the three most prominent being the "Greys", the "Reptiloids", and the "Nordics". As in the case of abductee Ted Rice and additional incidents related by the late Karla Turner and others, at times all three of these types of entities are seen collaborating together. In other cases, the reptilian entities have been seen masquerading as "Nordics" by using some type of projected hypnotic or holographic field, apparently in an effort to deceive abductees and gain their compliance.

This is not to say that ALL Nordic or human type "extraterrestrials" are in fact reptilians involved in some type of fifth column "THEY LIVE" {the movie} agenda against humanity. I believe that there ARE benevolent human beings on other worlds, the clincher however being that many of these will NOT "interfere" in our affairs, so as a result most of the current-day encounters involve alien entities that DO interfere!

The Greys, perhaps the most common entity-type encountered, have been described as having a reptiloid, amphiboid or even saurian genetic base complete with scaly skin, webbed claw-like fingers, and even reptilian eyes with vertically-slit pupils that have been seen by some abductees deep within the cybernetic opaque "big black slanted eyes" that seem in many cases to be some type of biomechanical covering and are one of the major calling cards of this type of alien entity. These "Grey" aliens of grey-grey, grey-white, and grey-green appearance have not only integrated cybernetic components but also insectilian and even vegetable type DNA in an apparent effort to genetically engineer or "upgrade" their "race" along specific agenda lines... and this also includes the assimilation of human DNA as evidenced by the so-called "hybrid" programs.

So, then, where do these guys come from?

In my book "SECRETS OF THE MOJAVE", I describe one particular underground facility from whence many of the joint alien/military abductions, animal mutilations, and biogenetic projects are reportedly being carried out. This volume is soon to be published in hard copy form by <http://www.umind.com/> ...

Anyway, numerous people have described the activities taking place within this underground facility beneath the Archuleta mesa, many of their stories appear in the DULCE BOOK at <http://www.eagle-net.org/dulce/>

This mesa lies just north of the small town of Dulce, New Mexico within the Jicarilla Apache reservation in north-western New Mexico. One of these sources was a man by the name of Thomas Edwin Castello, who claimed that he worked in this joint NSA/Alien facility as a director of security. Others claim that the core of the NSA is no longer "human" but is actually controlled by a secret organization of human-alien hybrids known as the "Black Monks", who are the REAL motivators behind the New World Order movement.

Castello reported that the Dows [Greys], the Dracos [Reptiloids], and the Ciakars [akin to the "Mothmen" described in John A. Keel's book of the same name -- yet in this case possessing white or beige colored scaly "skin"] all collaborate together within the lower levels of this underground system which stretches between Dulce New Mexico and Los Alamos some 90 miles to the south-east. The chain of command seems to be the Ciakars -> the Reptiloids -> the Greys -> and whatever humans/hybrids/NWO Inc., puppets might be under their control.

What is more remarkable however is the statement made by one of the reptiloids TO Thomas Castello that the reptilians consider the surface of planet earth to be their ORIGINAL HOME, before they were expelled from it following an ancient conflict with our distant ancestors... many of their kind having escaped into underground systems, to other worlds, and even to other dimensions [the fifth dimension is most often identified] of this planet.

Aside from the ancient legends such as that of the cavern dwelling reptilian "Nagas" of Hindu tradition, the Mayan serpent-god Quetzalcoatl, the Babylonian tales of "Oannes" - the amphibious humanoid from the sea, AND the Edenic account of the "serpent" race described in Genesis chapter 3 [my personal favorite]... are there any OTHER hints that reptilian humanoids might have occupied the surface of the earth in prehistoric times?

I have heard vague "legends" of ancient wars between humans and "other" creatures "of a different blood" that are whispered among the native peoples of South America, Australia, and Africa to name just a few, but I wanted to track down something more specific, so I did some investigations and -- aside from reports and even photos of human footprints found fossilized INSIDE of dinosaurian prints, suggesting a common existence --- I discovered some interesting biological facts concerning "reptilians". It seems that biologists agree that snakes ultimately mutated from lizards, and lizards from the larger "thunder lizards" or dinosaurs of ancient times. And what was the earliest dinosaur discovered? Well the two contenders are the Eoraptor [which gave rise to the very cunning and dexterous Veloci-raptors as depicted in the JURASSIC PARK movies] and a similar saurian bi-ped which walked upright like a man, about the size of a human being, and with hands that were ideal for grabbing and ripping flesh, the herrerasaurus:

Both were meat-eaters, however there are enough differences and similarities between Eoraptor and Herrerasaurus to suggest that they had a common ancestor a "few branches down" the saurian tree. I recall one abductee, a woman, who had stated that during an abduction experience during which she found herself in an underground joint military-alien facility, she encountered a very menacing looking "alien" which reminded her of a somewhat humanoid version of a VELOCIRAPTOR! Also, several abductees have encountered reptilian-humanoid "aliens" which had very evident TAIL-LIKE appendages. "CLICK", the correlation counters started going off in my head!

Either someone somewhere had developed their own "Jurassic Park" humanoids, or these creatures never really became extinct, but just went in the most literal sense, "underground". I recall something I read in "VENOMOUS REPTILES" by Sherman A. Minton Jr., [in which he describes the Hindu legends of the reptilian-humanoid

cavern dwelling "Nagas"] who stated that MOST reptiles with well developed limbs live underground.

Let us just for a moment take the Edenic drama at face value: The leaders of the three sentient creations... angelic [Lucifer], human [Adam/Eve], and beast [the Serpent, which was described as the most SUBTIL or CUNNING by far of ALL of the "beasts of the field"], all taking part in a conspiracy centered around the "Big Lie" that they could exist independently from their Creator -- the SOURCE of the very spiritual essence of LIFE! Ironically, this drama unfolded at a "tree" [the tree of "knowledge" or literally in the original Hebrew language the tree of "da'ath", which means "cunning", which implies knowledge corrupted]. Now this tree, as all tree do, utterly depended on the SUN for its life, HOWEVER a tree could never hope to BECOME EQUAL TO or exist INDEPENDENT FROM the life-giving rays of the Sun, nor from the hydrodynamic cycle which the sun makes possible. True, a tree is illuminated by, and REFLECTS the light of, the Sun. In Lucifer's case however his mistake was in giving HIMSELF all the credit for the LIGHT of the Creator which REFLECTED THROUGH his being, whereby he received his name, "Lucifer" [I use the term "he" for convenience only when in reality Almighty God and the angels are NOT limited to material DNA "gene-der", but are rather androgynous beings of spirit].

So imagine this creature, refusing in his insatiable and egotistical self-conceit to humble himself before an Almighty Creator and seek forgiveness, but rather he/it instead tries to save face by enticing the rest of creation into joining in the rebellion. Of course, being a creature of darkness -- once dis-connecting himself/itself from the LIGHT/LIFE of the Creator -- Satan ["the adversary", formerly "Lucifer"] would use DECEPTION to try and down-play the importance of the Creator and thus deceive others into believing that he himself had almighty power and thus deserved to rule the universe. And in fact Lucifer DID acquire great power when other angels joined him, but only the type of power that a black hole might acquire by devouring everything around it, in this case Lucifer/Satan like a spiritual black hole began to assimilate, consume, absorb, and integrate the consciousness and energy of all those who gave their WILL over to him. We should realize that the more a black hole devours, the more insatiable its appetite becomes. Could Lucifer/Satan Himself be in one sense THE "bottomless pit", consuming all life and creation and goodness and light that he possible can in his twisted "revenge" towards a JUST yet MERCIFUL Creator?

There are those who say that darkness and light must live in BALANCE with each other, that there really is no good or evil but just "experience". I would say to such people that they should add some intelligence to such mindless platitudes of "unconditional love". If you are "unconditionally loving" a murderer as he rapes and mutilates your daughter without making any effort to protect your own child then you are HATING your child and all those children that will be destroyed by such a creature in the future. Should we balance health with terminal cancer? Or balance out peace with thermonuclear annihilation?

The universe was created, using one analogy, as a machine which was intended to work in perfect harmony... however in giving his creatures free agency the Creator knew that he was also giving us personality and soul, yet with the risk that we might CHOOSE to cause destruction to the "machine". A blood cell for instance was

designed to draw LIFE from the HEART and to SHARE that life with the rest of the body, intuitively knowing that in keeping the body alive it is keeping itself alive. The cancer cell on the other hand thinks only of feeding itself by stealing the life-essence from neighboring cells and thus dying more and more with each act of destruction, for life can only come from the Creator, but when one starts serving themselves rather than the WHOLE, they cut themselves off from the Source of all LIFE, which can only give the essence of life to those who are willing to become channels or vessels of that Life. If a spring becomes a sink hole, taking water instead of giving it, it merely becomes a dry, dead hole in the ground. So judge for yourself whether it is "EVIL" to embrace darkness and have your very soul/identity/will/personality consumed by, should we say, the insatiable "Luciferian Hive".

This is the nature of Satan [formerly Lucifer], who is the ultimate emotional/psychic/bioplasmic "vampire"... having "consumed" his angelic followers, turning them into energy vampires as well... stealing the essence of life or the life force secondhand from everyone they can rather than go right to the source, even in light of the "alter" of Calvary where the Creator's perfect Justice with perfect Mercy joined and thus opening the way back to the Creator's heart, for Calvary IS the very "heart" of the universe for those who are willing to received the "divine blood transfusion", but ONLY once they have acknowledged their NEED.

As for Satan however, his vampirial nature and that of the dark spirits which he had assimilated went to work in the realm of Eden to search for yet another "host" that the Luciferian hive could, parasite-like, attach itself to. The "serpent" was the ideal candidate. The serpent was, according to the book of Genesis, originally an upright-standing being with a semblance of free agency and sentience. IF this were not the case then the Creator would not have "judged" this "beast", much less cursed it to go about upon it's belly... this curse has been suffered by MANY of the reptilian sub-species, however there are apparently some of the more "alien" branches which have escaped this particular judgment "for a time"... but this does not discredit God since there are many "delayed prophecies" in the scriptures... including the prophecy of the Lion and the Lamb making peace with each other, which may not be realized until well into the Millennium. Human-reptilian genetic "hybrids" on the other hand, supposing they possess a soul-chakra matrix, MIGHT escape this particular judgment... could this be one of the main reasons behind the so-called "hybrid" projects!?

So then, how did Lucifer/Satan gain the serpents' compliance? Perhaps he/it began to use deception on this king of the animal realm as he/it had done with the fallen angels? For instance: "I know how you feel, in that Jehovah gave Adam a superior position of dominion than you. You deserve better than that. Allow me and my angels to indwell you and your seed and we will give you supernatural powers over man and nature, but first we must destroy Adam's connection with his God from which his dominion-power comes. We will use his mate in order to do so, and Adam who will not be deceived like his mate will be, shall nevertheless reject his God and do as we desire for fear of losing the love of his mate!" These may not be the exact words used to gain the serpent's cooperation, however it was probably something very similar. So then, once Adam lost his supernatural dominion and innocence, his connection with his Creator having been severed by the dark cloud of GUILT which ADAM had allowed himself to create -- the divine dominion-flow having been severed at the

human level -- nature began to turn WILD, harmony turned to chaos, love turned to selfishness, and the spirit of the world became a slave to the material... everything went out of balance, vegetation began to decay, animals began to turn hungry and to turn on each other in predatory self-preservation. A "virus" had entered the paradisaical "hologram" that the Creator had programmed. However rather than FORCE humanity to do His will and thus fill the universe with soulless robots, the Creator allowed his creatures to CHOOSE and DETERMINE their own destiny.

They would have the power to choose heaven or hell on earth, but the Creator knew the weakness and pull of the flesh and therefore would provide a way out of the endless cycle of mutual abuse for those who were WILLING. But the damage was done. Lucifer/Satan was ecstatic! He had tricked Adam into capitulating his dominion over the planet if not the creation. Lucifer was now the "god of this world", Adam essentially having squandered his birthright to the planet over to the deceiver, the prince of darkness. That is, until God extended His Creative "Word" or "Logos" into the material world, desiring not only to become a perfect human in order to know on an experiential level what it was like to be human, but also to make the sacrifice necessary to re-connect or engraft the dying human "branches" back into the VINE which alone could renew them spirit, soul, and body. In so doing the "Logos", the "Christ", bought-back the "title deed" to planet earth for all those who were willing to enforce this title by active faith over the enemy "without", BY FIRST conquering the enemy "within".

Since the humans were composed both of spirit AND earth-dust, humans would become the flood-gates who could either choose to open the endless heavenly reservoirs of "living water" out into the earth [straight from the side of Christ as they accessed the "timeless" grace of the final Passover Lamb] OR to quench the spirit of life and allow the world to continue to die like a spiritual desert-planet void of life-giving waters. The renewed spirit of humankind would take dominion over the material forces of chaos within themselves and in turn without, OR they would allow the forces of death, darkness, and destruction to continue as they had done since Edenic times. However, back to Eden, once the evil-one was in residence within the mind and body of the "serpent", the weak will of this beast was quickly overcome.

The serpent had offered itself and ALSO its "seed" to the Luciferians, and they were intent on taking full advantage of this and in not giving up ANY ground. It is not too hard to imagine that the serpent may have acquired supernatural powers over humanity and nature, yet at the horrible price of losing all semblance of individuality and free will and identity over to the "Luciferian Hive". The reptilian or serpent race was highly mutable and adaptable. This had nothing to do with the "theory" of ascending evolution but everything to do with the FACT of lateral mutation. Or rather, not the CREATION of the genetic codes but rather the RE-PROGRAMMING of already existent genetic codes. We know for a fact that viruses for instance can mutate and re-program themselves in order to adapt to different environments. Survival of the fittest, environmental adaptation, and mutation do not violate the 2nd Law of Thermodynamics as does the "theory" of ascending evolution, so they should NOT be confused with Darwinism any more than a computer "programmer" should be confused with a computer "program" [or should I say computer "virus"?]

Anyway, imagine for a moment that the Luciferians began to experiment with "their"

saurian bodies. If we accept the possibility that the Luciferians were fully intent on maintaining their hold upon these serpentine or saurian creatures, then could this in part explain the mass-extinction of MOST of the saurians as being the judgment of a just Creator? Also, since many "dating techniques" base the age of the stratum on the objects found within, and also the age of the artifacts on the type of stratum in which they lie, then we are dealing with a catch-22 type of dating system wherein ANY theoretical date could be applied. And usually the stratum are aged based on the assumption that they took millions or billions of years to accumulate, rather than on the possibility that a global deluge and cataclysm might have accounted for many of the layered deposits and their artifacts... which would open up the possibility of humans AND saurians having existed contemporaneously with each other before the deluge.

Scientists consider alligators, crocodiles, Iquanas and Kimodo dragons to be relative descendants of the earlier saurians. However these "saurians" survived, and if this is the case is it possible that the more humanoid amphibeo-reptiloids who walked upright might have survived underground or in the sea... as with the possible existence of the Loch Ness plesiosaur for example?

Interestingly enough, the British satanist Aleister Crowley claimed to be in psychic contact with the "beast" of Loch Ness, which he believed to be a "channel" for demonic energies which literally used the mind of "the beast" to communicate their will to this dark sorcerer whose mansion, the "Boleskin House", sat upon the shores of the loch overlooking its murky depths. Others have also spoken of the bizarre paranormal and UFO type activity which surrounds this mysterious Scottish lake.

So let us suppose then that the Luciferians -- not just possessing but actually INCARNATING these physical creatures having almost entirely taken over what little WILL they possessed -- began to experiment even more with "their" saurian/reptilian bodies, totally infiltrating the minds and very cells of these "thunder lizards", to such a great extent or degree that the two essentially became so integrated as to become indistinguishable [as suggested in Revelation chapter 12, regarding the war in heaven between Michael - the designated LEADER of the ultimate warriors of spirit, and "the Dragon" or "the Serpent" - the self-proclaimed DICTATOR of the ultimate warriors of flesh], conducting experiments by re-arranging the reptilian molecular structure and DNA over time and cross-breeding the most agile, intelligent, and most "humanoid" reptilian sub-species with each other [some of which actually possessed "semi opposable" thumbs], until finally they were able to "mold" a reptilian form that could develop crude tools which became ever more sophisticated and refined... a mutation through which the Luciferians could exercise their vast, although corrupted, knowledge of the cosmic forces. Or rather, a sub-race through which the Luciferian "hive" could construct the occult-technology necessary to once again break out of the confines of planet earth and take their battle back to the stars, to the "heavens" themselves, thanks also in part to all of the humans who were willing to offer their assistance and ENERGIES to these reptiloids in exchange for "promises" of temporal power, wealth, or carnal pleasures!

Certainly these repti-poltergiests could NOT have been able to break free once again from the confines of this planet without "our" help. Again, refer to Revelation chapter 12. So rather than MANKIND on earth traveling between the stars, sending our a

steady stream of colonists and thus relieving the pressures on population, pollution, energy, and the environment... we have allowed the "serpent" to steal our birthright and become our superiors when instead it should have been the other way around! True, there may have been pockets of humanity who had managed to break free and develop hyperspace technology in order to populate various colonial worlds, however so long as the military-industrial complexes of this planet keep selling our birthright to "the serpent" in exchange for the forbidden fruit of "occult-technology" such as genetic engineering, antigravity, and mind control "sciences" which are being used by this "cult of the serpent" to "play god" over us... the "serpent race" will merely continue to do what it has always done with the "human cattle" on this planet, which is to continue to FEED ON US like emotional, psychic and bioplasmic vampires and work to destroy our spiritual life and thus individuality until we are assimilated into their hive via psionic implants just as they have done with many other humans beyond this world, many within the underground military-industrial networks, and with many of the "abductees" of recent years. And not only psychic assimilation, but also supernatural possession [by repoltergiest parasites] and also genetic assimilation as well...

What if these "wer-dracs", "repti-poltergiests", "demon-aliens", or whatever one might wish to call these serpentine sorcerers, had become adept over time at superficial molecular shape shifting as the indwelling "poltergiest" or "astral parasite" literally absorbed, consumed, devoured, or assimilated the reptilian "host" from the inside out? What if in addition to this they were able to project some type of hypnotic or possibly laser-type holographic field around themselves so as to be able to intermingle with humans, undetected for what they really were?

Enter Maurice Doreal...

Doreal was a metaphysicist who ran an organization called the Brotherhood of the White Temple in Sedalia, Colorado. He sold small booklets and pamphlets, many of them about the "inner earth" based on what he had learned from his contacts. Doreal claimed that following a lecture of his in California he was approached by two blond-haired and blue-eyed men who offered to give him a tour of an underground city below Mt. Shasta in northern California. Of course Doreal jumped at this chance of a lifetime, although one might expect him to have been somewhat sceptical at first.

Others have referred to this city below Mt. Shasta as Telos [actually "Telos" is a Greek word meaning "uttermost - purpose"], which is said to be located approximately one mile below ground level, a multi-leveled city built within a vast cavern some 5 miles wide and 20 miles long, and combining both ancient and modern architectural styles which gives the place a "timeless" atmosphere. The main residents are said to be descended from the "Quetzals" and the "Naga-Mayas", apparently having descent from certain of the ancient Meso-American tribes. Or rather, Telos WAS reportedly inhabited by such until the early 1990's when a large percentage of its populace were "shuttled" to other more stable underground areas, for instance Telos' sister-city "Posiedos" in the Mato Grosso region of Brazil, in anticipation of the "earth changes" to come, during which the entire cascade range is expected to explode simultaneously, accompanied by massive earthquakes stretching from the California coast to the Rockies... an area which lies over the widest and most unstable section of the Pacific ring of fire.

Telos by the way is said to be the western branch of the "Agharti/Shambhala the Lesser" underground kingdom of central Asia. All is not well there however, since it has been said that the Washington D.C. and Telos governments have been involved in secret treaties since the administration of Grover Cleveland, and the Washington-Telos alliance in turn established treaties with the "grey" aliens who approached them with their sob-stories of being a dying race fleeing their nemesis the "Draconians", and petitioning access to human genetic materials in order to upgrade their decaying DNA. As they say, the road to hell is paved with good intentions. It so happened that it was learned during the "Dulce" and "Groom" wars of 1979-1985 that the Greys were actually subservient to the Draconians, and had used their trojan horse treaties with the Washington AND Telosian governments to take over the "joint interaction" military bases AND even Telosian sub-colonies once their Draco overlords had given the go-ahead.

Not only that, but they also learned from others extraterrestrial sources that this game of manipulation and conquest had been played-out by the Dracos and Greys in various other forms in their efforts to infiltrate-invade several other worlds in this sector of the galaxy. And just as in the case of those other worlds, the aliens were able to find willing human allies within both the surface and subsurface nations who were willing to sell out their own kind for "promises" of personal material gain. The irony was that most of these collaborators payed a horrible price once their usefulness had expired, many of them being "replaced" and their "originals" sent to "the vats". Poetic justice you might say. There is apparently no honor among thieves!

Anyway, ah yes, Maurice Doreal! Could he have found the "master key" to explain the singular part that our planet earth has played in galactic history!? I believe it is very possible. During one of his visits, Doreal was taken to an ancient records repository beneath the Himalayas, where he viewed crystal-holographic recordings which revealed the forgotten history of our planet...

According to Doreal, the true ANCESTORS of the ancient Scandinavians and apparently also the Aryans who invaded the India sub-continent thousands of years ago [bringing with them their hi-tech knowledge of the "vimina" flying craft, nuclear energy, etc.] lived in a sub tropical kingdom which now lies buried beneath the dunes and tons of sand of the Gobi desert. In alliance with other humans of great stature [10-12 feet tall], the "Nepheli", they developed quite a sophisticated and complex technological society. However their way of life was being constantly challenged and threatened by a race of reptilian shape-shifters based in Antarctica, which was also at the time a sub tropical region.

These "chameleons" would infiltrate human communities and commit horrendous acts of sabotage. It was a virtual species war for the control of the surface of the planet. Some of the infiltrators were exposed however using a certain "test". It was found that it was impossible for the reptilian tongue to pronounce the word "kin-in-i-gin", however in spite of all the infiltrators who had been tracked down and destroyed, the war was still going badly for the "Nordics" in this ancient Gobi kingdom.

As a last-ditch effort, the "Nordics" developed a super-weapon, possibly akin to a cobalt warhead, and launched or dropped it at/on Antarctica. The explosion was so

great that it literally shook the planet, causing the earth to begin to wobble on its axis, and when the poles had shifted and stabilized the Antarctic had nearly overnight become the new southern pole, a frozen wasteland, and in turn the Gobi kingdom began turning into a barren desert.

There were still many other reptilian colonies which had survived in other parts of the world, however these mostly escaped into vast underground cavern systems, the entrances to which were carefully concealed in order to keep their human nemesis from finding them, although we might imagine that those who may have actually stumbled across these entrances rarely returned to tell the tale.

One such underground system may have been the caverns of "Patalas" which according to Hindu tradition is a seven-leveled cavern realm stretching generally from Benares India to Lake Manosarowar Tibet, where some locals have allegedly encountered the cunning and cruel underground-dwelling reptilian "Nagas" and have seen their aerial ships entering and leaving the mountainous cliffs. The "Nordics" also moved much of their civilization underground, into the "Agharti" cavern networks, and from time to time AS both sides spread their influence through the cracks and crevices of the earth, deadly clashes between the humans and the reptiloids broke out... in other cases human sorcerers greedy for personal gain would sell out their own kind and begin collaborating with the serpent race.

Such a case was described by Robert E. Dickhoff in his book "AGHARTA", concerning one particular Tibetan monk who led 400 warrior-monks down into the caverns to do battle with a collaborating "serpent" cult composed of humans and reptilians, who they had learned were causing all manner of chaos and destruction in the surface realm by projecting dark energies towards the minds of those on the surface through the use of black witchcraft and sorcery.

This underground cult used the word "Agartha" rather than "Agharti" as a code-word to indicate just which human "channels" belonged to them. Anyway, this is about where Maurice Doreal's account leaves off, however we "might" conclude, by attempting to find the common denominators between other similar stories, more or less the following...

Both species developed aerial and space technologies, possibly utilizing antediluvian technologies found abandoned in the depths of the planet, that would eventually carry their species-war to the Moon and to Mars [explaining the reputed "signs" of ancient conflicts on both of those "planets" -- note: many consider the earth & moon to actually be a double-planet]. Ultimately once hyperspace travel was refined, they would take their war to the stars.

There are some who claim that it took the U.S.A. only approximately 40 years to go from Kitty Hawk to manipulating hyperspace [Philadelphia experiment], although the early experiments with hyperspace were of course very unstable, dangerous and even deadly. Anyway, once hyperspace travel was accomplished the ancients might have been able to colonize a good section of the galaxy within only a few centuries.

Could this explain the claims made by some contactees of interstellar wars that have raged between the Nordic "Lyran" and the Reptiloid "Dracos"? The Vega Lyran are

now reportedly allied with other human colonial worlds such as those in Zenatae Andromeda, Tau Ceti and Procyon whereas the Alpha Dracos have apparently extended their empire to Epsilon Bootes, Rigel Orion, and Zeta II Reticuli. A third "intermediary" group -- wherein both humanoid and reptiloid and other genetically-engineered species reportedly engage in conflicts and/or collaborations due to involvement with a common non-exclusive collective or group-mind matrix called the "Ashtar" or "Astarte" network -- is centered in Sirius-B and in turn in Arcturus, Aldebaran, and Altair.

But for some reason planet earth is considered by all sides to be the KEY to the whole conflict, which is why ALL SIDES are taking a direct interest in events here. What does our planet possess that the "aliens" desire? Well, a few possibilities may include: ancient underground repositories; the "root" genetic sources from which many of the galactic civilizations were born; rare minerals, chemicals, and water in abundance; a remarkably unique electromagnetic grid which is very conducive to the establishment or programming of dimensional-time-star gates; a rare meta-gene factor in humans which many alien groups desire to integrate/assimilate into their own sub-species; and an INCREDIBLE VARIETY of genetic, animal, and vegetable life forms. And the fact it, planet earth [the "divine tear"] is an extremely attractive-appearing "prize" to look at from both without and within.

This is what many of the entities interacting with planet earth desire. There are many contactees who also refer to "Galactica" type scenarios of stellar civilizations undergoing some type of crisis which moves them to engage in a quest for the legendary home world from which their most distant ancestors came, and their search has led to... "mother earth". Still other contactees state that the entire galactic federation worlds can be traced back to an ancient alliance between the Sol-Vega systems... some suggesting that life was planet on earth from Vega, whereas others believe it was the other way around... and apparently the Dracos are one of those. Aside from any territorial "paternal" instinct on the part of the "Draconians" to re-conquer their "home planet" [earth], some of the worst reptilian sub-species have an even more sinister motive. These are the vampirical types, who actually seek to feed off of human emotional energies and life force/essence in order to acquire the energy that they apparently need not only to infiltrate our world but also our dimension. Having genetically engineered themselves along more "warrior instinct" lines, what little connection they might have had to a "spiritual" side has been all but eliminated, and they are motivated only by the predatory instinct of their collective which apparently knows only one agenda: conquer, assimilate, consume! All this has been confirmed by many abductees, especially in more recent years.

There is one reptilian "world" that has however been identified as being more-or-less friendly towards humans... and that is a FEMALE-DOMINATED society in Capella which has recently broken free of the Greys and their male-dominated Draco masters. Big wonder, since female "reptilians" would probably be more in touch with their emotional/spiritual nature than would the male-dominated types.

"Praise the LORD from the earth, ye dragons, and all deeps." - PSALMS 148:7

As a result of the space-time-dimension travel however, or simply as a result of being fully integrated by the indwelling astral entity, many of the reptilian alien types are no

longer exactly "in phase" with our linear third dimensional reality, and for this reason these "repti-poltergiests" as I call them are using HUMANS in a parasite-host capacity, attempting to assimilate humans genetically [hybrids], psychically [implants], and even bioplasmically [not ALL of the "blood" that is drawn out of partial or permanent abductees is used for "experiments"... I'll just leave it at that], in order to regain access to our dimension. Some claim that the Crowleyan rituals and Montauk projects have been very useful to them in the area of tearing holes in the fabric of space-time that separates our dimension from theirs.

And since these types of entities feed off of the collective darkness of humanity, the only real way to defeat them is to first defeat the "enemy within". Try whatever method of resistance you will, but I will tell you what has worked for me. Like St. George the Dragonslayer of old, I have taken up the sword, the shield, and the altar of the "cross". This symbol of the marriage/union of the Creator's perfect JUSTICE with the Creator's perfect MERCY is, I have learned, a weapon that the forces of darkness can NEVER overcome, and the ONE weapon that WILL defeat them in the end...

# WHO ARE THE DRACONIANS?

## Case Files of Branton

"And there was war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, And prevailed not; neither was their place found any more in heaven. And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him."

-- REVELATION CHAPTER 12, vs. 7-9

From: "The Reptilians: Humanity's Historical Link to the Serpent Race"  
by Joe Lewels, Ph.D.:

"John Carpenter has kept close track of the abduction phenomenon. He is the director of abduction research for the Mutual UFO Network (MUFON), one of the largest and most credible organizations dedicated to the scientific study of UFOs and abductions. Carpenter holds a master's degree in social work and is a highly qualified hypnotherapist who works as a psychiatric social worker in Springfield, Missouri. Since the late 1980s, he has worked with more than 100 abductees and compiled information on hundreds of others. In addition, he is in contact with other researchers in the field. He has been involved in 10 cases where experiencers have described reptilian entities and he is aware of researchers in other parts of the country with similar cases. Abductees often have distinct clawlike cuts and bruises on their bodies after their apparent abductions. "Carpenter summarized what he knows of these beings in his regular column, 'Abduction Notes,' MUFON UFO Journal, April 1993: 'Typically, these reptilian creatures are reported to be about six to seven feet tall, upright, with lizardlike scales, greenish to brownish in color with clawlike, four-fingered webbed hands.... Their faces are said to be a cross between a human and a snake, with a central ridge coming down from the top of the head to the snout. Adding to their serpentlike appearance are their eyes which have vertical slits in their pupils and golden irises.'" Perhaps the most frightening and most controversial part of these stories are claims that the creatures occasionally are reported to have sex with abductees."

CASE FILE #2:

From: 'OUR HAUNTED PLANET',  
by John A. Keel  
(1968. Fawcett Publications., Greenwich, Conn.):

"...The parahuman Serpent People of the past are still among us. They were probably worshipped by the builders of Stonehenge and the forgotten ridge-making cultures of South America.

"...In some parts of the world the Serpent People successfully posed as gods and imitated the techniques of the superintelligence. This led to the formation of pagan religions centered around human sacrifices. The conflict, so far as man himself was concerned, became one of religions and races. Whole civilizations based upon the worship of these false gods rose and fell in Asia, Africa, and South America. The battleground had been chosen, and the mode of conflict had been decided upon.

"The human race would supply the pawns. The mode of control was complicated as usual. Human beings were largely free of direct control. Each individual HAD TO CONSCIOUSLY COMMIT HIMSELF TO ONE OF THE OPPOSING FORCES...

"The main battle was for what was to become known as the human soul.

"Once an individual had committed himself, he opened a door so that an indefinable something could actually enter his body and exercise some control over his subconscious mind.

"...the Serpent People or Omega Group, attacked man in various ways, trying to rid the planet of him. But the superintelligence was still able to look over man... God worked out new ways of communication and control, always in conflict with the Serpent People."

THIS PORTION OF THE ARTICLE WAS REMOVED AT REQUEST OF AUTHOR...

CASE FILE #4:

From: 'WORLD OF THE INCREDIBLE BUT TRUE'

by Charles Berlitz

(Fawcett Crest Books., N.Y.):

"There have been numerous Bigfoot sightings in the United States and around the world. The humanlike creatures are usually said to be large and hairy with glowing eyes. During the summer of 1988, however, residents of Bishopville, South Carolina, reported accounts of a rare breed of Bigfoot: A SEVEN-FOOT-TALL LIZARD MAN WITH GREEN SCALY SKIN. According to witnesses, unlike other Bigfoot creatures Lizard Man has only three toes on each foot, as well as long apelike arms that end in three fingers tipped with FOUR-INCH CLAWS. Only the second Bigfoot to have only three fingers on each hand, and the first (discovered by Berlitz - Branton) to also have three toes on each foot. Lizard Man is the most unusual Bigfoot ever reported.

"Seventeen-year-old Chris Davis first encountered Lizard Man around 2:00 A.S. on June 29. On his way home, the teen stopped near the brackish waters of Scape Ore Swamp outside Bishopville to change a flat tire. While replacing the jack in the car's trunk, he glimpsed something running across the field toward him. Jumping into his 1976 Toyota Celica, he was quickly engaged in a tug-of-war with the reptilian creature as he tried to pull the door closed. Then Lizard Man jumped onto the car's roof, where he left scratches in the paint as evidence of his attack.

"Hysterical, Davis returned home and told only his parents and a few close friends about the experience. Law enforcement officers, however, interrogated him after neighbors said the boy might know something about the strange bite marks and

scratches found on another car.

"Davis wasn't alone in his report. Soon other reports were flooding the sheriff's office. Teenagers Rodney Nolfé and Shane Stokes, for example, were driving near the swamp with their girlfriends when Lizard Man darted across the road in front of their car. Construction worker George Holloman also claimed Lizard Man jumped at him as he was collecting water from an artesian well.

"Investigating the area around the swamp, state trooper Mike Hodge and Lee County deputy sheriff Wayne Atkinson found three crumbled, forty-gallon cardboard drums. The tops of saplings were ripped off eight feet above the ground. And there were, according to Hodge, 'humongous footprints,' fourteen-by-seven-inch impressions in hard red clay. Following the tracks for four hundred yards, the officers backtracked and found new prints impressed in their car's tire tracks. According to state wildlife biologists, the footprints matched no known animal species." (This "Lizard Man" sighting was covered in one of the episodes of Tim White's "SIGHTINGS" documentary, "MONSTERS" segment, on the Fox Network - Branton).

CASE FILE #5:

From: the Omaha, Nebraska 'METRO UPDATE'  
for Oct. 29 - Nov. 4, 1990.

Article by reporter Patricia C. Ress

titled: 'LINCOLN MAN RECOUNTS ABDUCTIONS BY ALIENS':

"People have been talking about flying saucers for about 45 years now -- longer if you count the reports of the so-called 'foo fighters' seen by pilots on both sides during World War II. But within the past 20 years we've been hearing more about a more frightening side to these visitations - abduction by aliens.

"The most famous case was that of Barney and Betty Hill, two New Englanders returning home from vacation and unable to account for a large block of missing time. Under hypnosis, a very frightening and detailed account of alien abduction emerged. Later there was Betty Andreason, who told of aliens who took her through walls and closed doors.

"Then came Budd Hopkins, who made a study of such abductions and chronicled one case in 'INTRUDERS-THE INCREDIBLE VISITATIONS AT COPELY WOODS.' Next came the 'Gulf Breeze Sightings' in Florida, and most recently author Whitley Strieber's accounts of his own abductions in his books 'COMMUNION' and 'TRANSFORMATION.'

"While most of these abductions took place in the East, some say that visiting aliens have been just as busy in the Midwest -- even Nebraska. A Lincoln man recently recounted his experiences during a talk at the Oakcrest Institute in Elkhorn.

"John Foster has been an engineer in Lincoln for a number of years. Lincoln, in fact, is his home town and the place where his abduction experiences began back in 1950. A soft-spoken down-home type of man, Foster reminds people of a young Joel McCrea.

"'Alien abduction is a terrifying and traumatic experience,' Foster told the audience. 'Psychiatric counselors don't know how to deal with this -- even if you can get them to believe you.'

"Foster has gotten help and understanding from people like Dr. Leo Sprinkle of the University of Wyoming, who has dealt with numerous alien abduction cases. He also has been the subject of ridicule and rejection by both family and friends.

"'Often in a UFO abduction experience, things happen that are absolutely unbelievable. I have been told that IT IS NOT UNCOMMON FOR FAMILIES TO BREAK UP AFTER SUCH AN EXPERIENCE. I finally reached the point where I no longer care what people think of me.' Foster said.

"He said he wasn't fully aware of what had happened to him over the years until the 1980s. In 1981 he was sitting outside his home in Lincoln with a friend and on a lark, they both said a prayer (or incantation? - Branton) that they would see a flying saucer and soon after, one appeared, he said.

"On another occasion in March, 1966, he saw a light out behind the trees as he sat on his patio, he said, and the sight triggered a distant memory of something that had happened to him when he was in grade school in Lincoln in 1950.

"He said 40 or 50 people were outside watching a movie when swirling lights suddenly appeared, ALONG WITH A CRAFT THAT INITIALLY LOOKED LIKE A HELICOPTER.

"Foster recalled being INCAPACITATED AND FEELING STRANGE. He said he saw a craft appear WITH THREE LITTLE MEN who appeared to be fixing it. He felt an overwhelming desire to get inside the craft, but once he did, he discovered it was in a different form. 'We got a lesson about history, mankind and something about Indians and buffalo,' he said.

"When he looked around him, Foster said, he noticed that everyone else seemed to be FROZEN IN TIME. 'They all looked like statues,' he said, he saw a woman who told him she had FIXED HERSELF UP SO THAT HE WOULDN'T BE TRAUMATIZED. "He said he was taken to an examining room BY CREATURES THAT LOOKED 'LIKE FROGS OR LIZARDS.' The 'woman' told him they were the educators and would supervise his learning experience, he said.

Among other strange things, Foster recalled THAT THE LIZARD MEN ENCOURAGED HIM TO JOIN THE MASONIC LODGE.

"After he was examined, Foster said, he was sent back out of the craft to the crowd below. The woman (i.e. the being that had 'fixed' itself up to appear as a 'woman' - Branton) spoke to him in almost a scolding tone, saying that from then on he would be a good boy and mind his parents, he said. The woman seemed to know a lot about him, including the fact that he and some friends had stolen some pop and candy from a store across the street, he said.

"In October 1986 Foster went camping with his wife and children at Niobrara Park

and he had a short visitation which awakened more memories of previous abductions, he said.

"By mid-December he recalled 50 abduction experiences, he said, and by January that number had grown to 2,000 and by January 1987, he had recalled 3,000 abductions.

"Foster has recorded memories of 50 of the abductions in detail, another 450 in short notations and many others by locations only, he said.

"There are roughly two areas of the so-called close encounters,' Foster said.

'These may mesh together, but there are the abductees who seem to be taken aboard a craft to be examined and the contactees who appear to be contacted throughout life and seem to have an assignment.'

"In June of 1987 Foster and his daughter met with several other contactees and he had the feeling that he had known them all his life, he said.

"They helped him recall experiences from coast to coast and from Canada to Mexico, he said.

"I believe the UFO experiences are directed at you personally,' Foster said, 'but there are times when they can seem to address the population in general.

"THIS IS WHAT SEEMS TO BE THE CASE WITH THE MYSTERIOUS 'CORN CIRCLES' THAT FIRST APPEARED IN ENGLAND AND CAN NOW BE SEEN IN CANADA AND THE U.S. AND OTHER PLACES.'

"Foster said profound things happened to him during his abductions and the world should know about them. HE WAS SHOWN HOW THE 'VISITORS' CAN MANIPULATE ATOMIC STRUCTURE AND CHANGE THINGS DIRECTLY AT WILL, he said, and was told things about scientific matters over the years, only to see them discovered afterward.

"WHILE THE ENTITIES HE INITIALLY ENCOUNTERED LOOKED REPTILIAN, HE SAID, THE SPIRITUAL 'GUIDES' WERE MORE HUMAN IN APPEARANCE AND WERE ABLE TO 'PHASE IN AND OUT AT THE DEEPER LEVELS.'

"On the initial level of the abduction experience there is a kind of excitement, Foster said, while on the deeper level, life plans emerge and there is interaction with people who have had similar experiences. Foster said there are four witnesses who can recall parts of at least three of his encounters. "Foster said that to document his experiences, he has made several drawings and paintings. He believes he has encountered at least 13 different kinds of crafts.

"Foster said he remembers abductions that involved his friends when they were teenagers. A large floating phone booth would descend from a dark fog, he said, and a voice seemingly from a loud speaker would urge them to 'gather around for eternal wisdom and knowledge -- and something else about Indians and buffalo,' he said

(Note: was the promise of 'eternal wisdom' the bait used to entrap them into the Reptilian agenda? We realize this sounds rather simplistic but traditions do say that this exact same strategy was used by the original 'Serpent' to destroy man's connection with the Almighty and, subsequently, his divinely-given authority over creation, including his dominion over the 'beasts'!? - Branton).

"The voice over the loudspeaker would call them by name AND COULD AT TIMES SOUND SARCASTIC (as a manipulator might sound? - Branton). On one occasion, his friends SHOT AT THE BOOTH WITH RIFLES AND THREW BEER CANS AT IT.

"When he was at Mahoney Lake in 1987, Foster said, he again saw both the booth and the saucer. He asked the entities to quite bothering him because he was disturbed when he couldn't recall his abductions, he said, AND THEY TOLD HIM IF HE REMEMBERED THE EXPERIENCES, IT WOULD NEGATE THEIR PURPOSE.

"They also told him that if he didn't want to have any more abduction experiences, he would meet some people who would 'HELP HIM BECOME MORE METAPHYSICAL,' he said, and he later met such people.

"He said he recalls being pulled up into a kind of floating bus and being taken into the future. He declined to say what he saw.

"Foster said he was given experiments to do as an engineer. 'They worked, but they shouldn't have, according to what we know,' he said.

"He said the 'guides' told him they were preparing people for a time when the chosen would be taken away.

"...'I was told to awaken people to other dimensions and to participate in these realms,' he said..." (or is it rather to convince people to 'open' their minds up to 'invasion' by controlling forces from these other 'dimensions'? - Branton)

CASE FILE #6:

From [confidential source]:

The following information was sent to us via a researcher who is investigating a continuous abduction of a young (at the time, early 1990's) nine-year-old boy in southern Nevada, possibly to underground levels below that same area. Names, addresses and other details have been deleted on request to protect the sources. We quote from a series of notes exactly as they were sent to us, with our emphasis added:

"1: The 'greys', he says they don't use words but communicate THROUGH him. THEY SHOW THEIR DISPLEASURE BY WRINKLING THEIR NOSES AND PURSING THEIR LIPS WITH A SLIGHT HISSING SOUND AT HIM.

"2: HE SAYS HE FEELS LIKE HE'S BEING WATCHED WHEREVER HE GOES (Note: This is a common observation made by people who claim to have been abducted to aerial AND/OR subsurface realms - Branton).

"3: This is what they look like to him (a drawing was included depicting a traditional 'gray' of somewhat 'wiry' build - Branton).

"4: This is what the uniform they wear looks like to him. He says the box in the middle has different colored flashing buttons.

"5: This is the large 'boat', A SORT OF FLOATING ISLAND HE WAS BROUGHT TO (Note: Some aspects of the abduction suggest that this was located in large underground lake or sea within a series of deep subterranean caverns - Branton). THERE WERE MANY 'HYBRIDS' ON IT ALSO.

"6: These are the hybrids he sees. He says that they sit in a large circle holding hands. There is one small candle with a very large flame going. HE SAYS HE IS NOT AFRAID OF THE HYBRIDS who BLEND with him and he says it feels very peaceful and good. When asked if the greys were the only aliens he sees, HE DREW THE REPTILIAN, THESE ARE THE UNIFORMS ON THEM ALSO. HE SAYS THE GREYS COME TO GET HIM, BUT THEY FOLLOW THE LEADERSHIP OF THE REPTILIANS. HE CALLED IT A LIZARD. "HE SAID HE SEES HUMAN BEINGS - ALIVE - HANGING FROM A WALL WITH NO EYES, OR MOUTHS LEFT.

"Please share with us your input on how to help this boy. We know what is happening here and we are ready and willing to do anything we have to. Love & Light, sincerely (Names deleted by request)."

#### CASE FILE #7

FROM: Val Valerian's LEADING EDGE RESEARCH report, letter from an anonymous experiencer dated May 13, 1992:

"...The stranger who has been in the house with his unknown monitoring device apparently is not pleased with the fact that I placed a magnet in the vicinity of the monitoring device... I put the magnet next to the place... and within 24 hours there was a generalized feeling of freedom and relief in the air. My thinking processes seemed to flow easier and clear. I guess one could say that there was less tension in general wherever I happen to be. On May 7th, I was in the parking lot to pick up Sheila from work (about 9:30 a.m.) reading a book. A strong feeling came over me to doze off. As I did, I dreamed that I was in my car reading my book when my 'visitor' fellow opened the door, but rather brought the monitoring device and left it in the back seat of the car. He then jumped out and slammed the door with a pop that woke me up! Strange. The 'dream' and dozing period lasted less than 10 minutes and the 'dream' is one of those rare types that one does not forget. What I found was particularly curious was that I knew who the fellow was, what the device was, and I actually saw the device well enough to describe it. Two days later the right brake system failed. And, that indescribable weight seems to be back in the air, again. Now, I shall place another magnet in the back seat of the car..."

This person described the 'entity' as follows: "...Face is sort of wrinkled and yet SNAKELIKE EYES ARE DARK WITH VERTICAL PUPILS. Eyes are round. Nose is small with vertical slits. Ears are very small and flat against head. Symbol (can't

remember) on left side of chest garment. Garment looks like confederate grey uniform. Doesn't fit tight. Rather like sport coat. Skin color is light brown. Face is expressive and shows fear. Device was black on round pedestal and appeared to be solid metal."

# WHO ARE THE DRACONIANS?

## Case Files of Branton

From: 'THE MOTHMAN PROPHECIES'  
by John A. Keel, p. 109:

"I am an amateur herpetologist and once kept three-fanged cobras in my New York apartment... until my concerned neighbors squealed to the Board of Health. SOME OF THE DESCRIPTIONS OF THE ENTITIES IMPRESSED ME AS RESEMBLING SOME KIND OF REPTILE RATHER THAN HUMAN MAMMALS. I didn't mention the reptile notion to anyone. But on July 24, Lia (an alleged alien tied-in with the Men In Black) visited Jane (a contactee) and refused to talk about anything but eggs. She took some eggs from Jane's refrigerator and sucked out the contents like a reptile! Jane was perplexed by this exhibition and called me soon afterward." And on pp. 176-177 of Signet's 1975 paperback edition of 'MOTHMEN', in reference to this same 'contactee' Keel states:

"...Meanwhile, Jane's phantom friends were visiting her daily and helpfully giving her surprising information about my own 'secret' investigations. My interview with the Christiansens of Cape May, and the details of their pill-popping visitor, Tiny, was then known only to a few trusted people like Ivan Sanderson. But on June 12, Mr. Apol and his friends (the being that called itself 'Lia', referred to above, apparently being from this same group - Branton) visited Jane when she was alone in her house and asked for water so they could take some pills. Then they presented her with three of the same pills, told her to take one at that moment, and to take one other in two days. The third pill, they said, was for her to analyze to assure herself it was harmless. They undoubtedly knew she would turn it over to me. Two hours after she took the first pill she came down with a blinding headache, her eyes became bloodshot, and her vision in her right eye was affected. When her parents came home they expressed concern because her eyes were glassy and her right eye seemed to have a cast. The sample pill proved to be a SULFA DRUG normally prescribed for infections of the urinary tract..." The possible significance of the "Sulfa" drugs will become apparent later on in these 'Files'.

### CASE FILE #9:

From: Robin Collyns  
[article source/title uncertain]:

"...Old Sumerian, Babylonian, Egyptian, and Greek legends refer to the "serpent" deities who were believed to have once resided in the "underworld". The Garden of Eden in this context takes on additional interest and significance, possibly of paramount importance. Pristine legends from AUSTRALIA and the PACIFIC ISLANDS offer innumerable references to serpent deities/beings who were anciently associated with the creation enigma in the area.

"...The spiral serpent symbol is found throughout the Pacific and is associated universally with the creation enigma... From earliest days, the serpent symbol is to be seen in many parts of the world, but undoubtedly the most fascinating portrayal is a detail on an Egyptian "magical" papyrus in the British Museum depicting a serpent

encompassed by a ray-emitting disk. The most unusual form of the serpent symbol is a spiral representing a coiled snake; it has been discovered as petroglyphs and other pictorial representations in Britain, Greece, Malta, and Egypt, as pottery designs in New Mexico; as ground drawings on the Nazca Plateau, Peru, and throughout the Pacific Islands.

"...Aborigine legends... indicate that the serpent beings were not above waging war, and an identical parallel is also mentioned in the Hindu legends of the Nagas, serpent beings who came from one of seven worlds... Aborigine legends (state that) the serpent beings waged many wars around Ayers Rock, and the vertical gutters in Ayers Rock testify to these wars."

CASE FILE #10

From: "VENOMOUS REPTILES"

by Shirman A. Minton Jr.

(Charles Ceabrer Sons, N.Y. 1969):

The following observations are made in Minton's book:

- A) All reptiles have scales
- B) All are cold-blooded
- C) All lay eggs
- D) All reptiles with well-developed limbs have clawed toes
- E) THERE ARE 'LIZARDS' WITH ELONGATED SNAKE-LIKE BODIES - A TYPE OF 'MISSING LINK' BETWEEN THE LIZARDS AND THE SNAKES
- F) THE MODERN EVIDENCE (SCIENTIFIC) INDICATES THAT ALL MODERN SNAKES ONCE (IN THE DISTANT ANCESTRAL PAST) POSSESSED LIMBS WHICH BECAME "ATROPHIED" THROUGH NON-USE, perhaps due to the fact that they BECAME aquatic or semi-aquatic creatures
- G) REPTILES WITH "DEVELOPED LIMBS" USUALLY LIVE "UNDERGROUND"!

The book "VENOMOUS REPTILES" also states the following: "...Cobras (according to legends) are descended from the Nagas, Serpent gods of Bharat, or ancient India. Their worship has been traced to prehistoric Dravidian times before the Aryan invasion of the subcontinent in almost 1600 B.C.

The Naga's power to inflict disproportionate physical damage or almost instantaneous death is explained in the Hindu Vedas as paralleling the energy of creation or fire."

The book goes on to state that:

A) The Naga's are said to have appeared at the birth of Guatama Siddharta, who later became "Buddha".

B) The ancient "well" of Sheshna in Benares, India, is traditionally where the YOGA APHORISMS OF PATANJALI, a classical guide to students of Yoga, was written." This "well" is said to be an entrance to one of the Naga's underworld lairs.

Sherman Minton also states that "Sheshna's well", an alleged opening into the underground reptilian underworld of "Patalas" [consisting of seven worlds or cavern

levels], may be seen today in Benares, India, and "...It has forty steps leading down into a circular depression to a stone door covered with cobras. This is said to lead to PATALA, the reptile netherworld."

CASE FILE #11

From: "ON THE SHORES OF ENDLESS WORLDS"

by Andrew Tomas

(Souvenir Press), p. 160

"...Even in this jet-age every Hindu is familiar with and usually believes in the legend of the Nagas, the "serpents" which live in extensive underground palaces in the rocky Himalayas. It is believed that these creatures are able to fly in space and that they possess amazing magical powers and intelligence. They are not too fond of man if he is a curiosity seeker, explorer or mountaineer.

According to the sacred(?) tradition of the Hindus, the deep caverns of the Nagas contain fabulous treasures, illuminated by flashing precious stones. The subterranean abodes are known to be in certain parts of both the Himalayas and Tibet, particularly around the Lake of the Great Nagas - Lake Manosarowar."

Andrew Tomas describes his own personal encounters with those who claimed to have knowledge of these subterranean and space-traveling reptilian creatures. On pp. 166-168 he states:

"...I decided to go to the Kulu Valley in the Western part of the Himalayas to visit Naggar, where Nicholas Roerich had lived. Since I had known him personally, the trip had sentimental overtone. A narrow curving road, a precipice on one side with rocks and avalanches on the other, were not conducive to an enjoyable journey to this remote region near Ladakh and Tibet. The village of Naggar derives its name from NAGA, the serpent. High up in the mountains lies Roerich's estate. Having been an artist of note, his two-sided house contains a museum of his paintings.

"As I began my ascent on the mountain path, I saw a tall grey-haired sadhu (hermit), sitting by a mountain torrent. In his hand he held a cobra-shaped staff, which together with the markings on his forehead, signified that he was a devotee of Shiva. During the earlier, more peaceful times of the British Raj, these pilgrims would travel to the Lake of the Great Nagas, Lake Manosarowar, or to Mount Kailas, the abode of Shiva (a "god" apparently tied-in with the Nagas - Branton), in Tibetan territory. I climbed the mountain and reached the terrace on which Roerich's house is built. I spent an hour studying (his) paintings. On the way back I admired the narrow valley and the looming snow-capped mountain ridges on both sides.

"The sadhu was still there. I thought, 'A place called Naggar, a devotee of the Nagas with the cobra staff, if he does not know something about the Nagas, then who does?'" After Andrew Tomas asked this man, apparently a misguided member of a serpent cult, if he knew anything about the "Nagas" or the serpent beings, the pagan devotee responded:

"I am a poor sadhu, I know nothing, sahib. But about twenty years ago my yogi teacher went into the mountain kingdom of the Nagas. Bright lights everywhere, big

halls like Taj Mahal... The Nagas have many, many things and machines. They are clever, like Cambridge men, may be more clever, sahib,' the sadhu said with an apologetic smile...

"Your yogi must have been a Rishi. Don't the Nagas destroy men with their sting?' I asked.

"Yes, though the Nagas are gods and wish nothing but good to man, they do not like men who have no business near their palaces,' he replied."

One can see here the poor, miss-guided and indeed self-contradicting mentality of many of those souls who are caught up in the "serpents cults" throughout the world. In response to Thomas' accusations that THE NAGAS DESTROY MEN WITH THEIR STING, this "devotee" agrees with him and states "Yes" (they do destroy human lives). However, he then goes on to make the absolutely contradicting statement that THE NAGAS ARE GODS AND WISH NOTHING BUT GOOD TO MAN.

So... YOU make the call.

CASE FILE #12:

From: "THE 'CHUPAS' -- UFO HORROR STORIES FROM BRAZIL"

article by Antonio Huneus

in the Summer, 1994 issue of UFO UNIVERSE:

(Mr. Huneus describes the following incident that was investigated by APEX [Association of Extraterrestrial Investigations] in Sao Paulo, one of the best known UFO groups in Brazil, founded by Dr. Max Berezowsky): "...The affair began near Vitoria, the capitol of state of Espiritu Santo north of Rio state, where there are beaches rich in mineral contents. It happened either in late 1979 or early 1980, [Osni] Schwarz wasn't sure when he told the story in 1986.

"A youngster called Aeromar sold beverages at the beach, where one day he encountered three men dressed with suits and tie -- highly unusual clothing for the beach, especially in Brazil -- who approached him and said they wanted to talk to him. Aero-mar became scared, thinking they were perhaps policemen who wanted to implicate him in a drug case, so he avoided the beach for a few days. As he returned home after dropping off his girlfriend one night, he saw a car with the same three men inside. He ran to the house, but suddenly he couldn't hear well. His mother took him to the hospital where he was not cured, although about a month later he suddenly could hear well again.

"Aeromar moved to Rio, finding work at a bakery in a shift between 4 and 11 PM. One night, as he was crossing one of the many tunnels that link the Rio bays, he saw two of the MIBs walking in his direction. The youngster ran in the opposite direction, only to find the third MIB waiting at a bus stop. He escaped and went back to the bakery, where he told his boss that the Vitoria police were chasing him. The boss accompanied him to the nearest police station to make a complaint, which he did, but he was not believed. The boss then convinced him that he should perhaps move to Sao Paulo, a bigger city where it may be easier to go unnoticed.

"So Aeromar moved to Sao Paulo, finding work in an electrical company and sharing a room with another man. he also became friends with a vendor of beverages from Vitoria who had a stand near a movie theater. While hanging out there one night, a car stopped right in front of the stand and the door opened. "Even though he didn't want to go, Aeromar LOST HIS WILL and entered the car. The door closed and he found inside -- not surprisingly -- the three same men whom he had been dodging for months. They drove for a while, leaving the city and entering a wooded area.

"The car stopped and they all walked up to a big UFO surrounded by some sort of luminous ring and hovering above the ground. The men walked underneath the craft, which emitted a ray of light and they suddenly were inside. Still drained of any willpower, Aeromar walked to a chair and sat down. From the arms of the chair appeared handles that secured his wrists. An iron bar then pressed his forehead backwards while another gadget fast-ened his neck. Up to here the men were always dressed with suits, but at this point an incredible transformation took place: the MIB'S HEAD RIPPED OPENED INTO A HEART SHAPE AND THE SKIN BECAME GREEN AND SCALED LIKE A REPTILIAN. Take into account that while the popular image of the MIB was well known 14 years ago, the idea of reptilian abductors was then not in vogue as nowadays.

"Be that as it may, the UFO-nauts proceeded to (vocally? - Branton) interrogate and tell him things that were going to happen both to him and the earth. To make the story even more 'Hollywood- esque', a door in the room opened at one point and Aeromar was able to peek at HUMAN CORPSES HANGING BY THEIR FEET FROM HOOKS. The man naturally became traumatized, re-remembering only that his straps were loosened. Everything went blank after that...

"Aeromar's conscious recollection places him next back at the theater, but several hours later since there was no traffic in the streets. He returned to his room in panic and began to tell the story to his roommate. A strange force PUSHED HIS BODY, how- ever, throwing it AGAINST THE WALL in front of him, as he remembered the aliens had told him that he shouldn't speak about the experience or he would suffer. Aeromar cried for a while, not knowing what to do. A few days later, his friend contacted the Globo TV network, which was working on a UFO documentary. Globo, in turn, passed the tip to Dr. Max Berezowsky. Aeromar and his roommate went to APEX on a very busy day when the office was full of people. They told the whole story to Dr. Berezowsky and a few assistants, Osni Schwarz among them.

"Berezowsky attempted to do hypnotic regression with the witness, but there was too much interference in the office and Aeromar was in total panic. He was saying that 'they' were going to take him on the next Thursday and that a UFO was going to land in a Sao Paulo neighborhood on Tuesday night. A crowd of people, in fact, went that night to the supposed landing site but nothing happened. Although Dr. Berezowsky was in touch with Aeromar, HE VANISHED A FEW DAYS LATER AND NOBODY EVER SAW HIM AGAIN> I wrote down at the end of my notes on this affair, 'the whole case is like a UFO horror movie.'"

CASE FILE #13:

From: REPTOIDS.COM MESSAGE BOARD

{Note: Many of the Reptiloids have shown animosity towards humans, there have however been, on a few occasions, reptoids which have apparently expressed a benevolent disposition... in most cases it seems that these were either female reptilians or reptilian males that have spent much time in the presence of humans -- on starships or in underground bases -- humans whose "emotionalism" seems to have "rubbed off" on the reptilians - Branton}

Appearance of REPTOIDS, I have known.

From: "TAL"

Date: 07 Apr 1999

Comments

Having been within arm length of REPTOIDS, I did get to observe various details. They wore no clothes. But, they did have a "UTILITY BELT", with several unusual things on it. One "device" had a small orange light on it. When this is touched, they simply "disappear". I have quickly moved into the spots where the REPTOIDS were, instantly after they disappear. There was no temperature anomaly in the ZONE. I had expected it to be "cooler" in the area(if they were draining energy to manifest, like happens in various kinds of apparitions). They did change density at times. They made heavy footsteps, in the hallway, on the wood floor.

And could walk through the walls. They "glow" an electrical blue/greenish color, like some kind of AURA. The head is similar to the Reptilian Humanoids on the TV Program "BABYLON 5". The head was more cone shaped, like the "YETI" kind of have. In fact, the REPTOIDS are built like Big Foot. The one has SCALES, the other has HAIR. The Eyes are "slit" SERPERT-like. Very strange, "flame-like" and flickery. Three fingers and an opposing thumb. With claw-like Talons(on fingers and feet). A small tail. Large Scales, like a "Breast Plate" on the chest.

The scales were smaller where the body is flexible, like around the elbow. The Scales were like a SNAKE. I guess that is why some call them "The SERPENT Race". The Scales were mostly green to very dark green, on each scale(a variation of color). They are "Telepathic". Very quick thoughts. IDEAS driven by Images and geometric Impressions. NOT a "linear" form of communication, like words. More, of a Symbol or Image Language. They DO react to your "thoughts". They can "overwhelm" you with DATA(it seems like "thought compression". It can take you a long time to assimilate their "TRANSMISSION" and integrate it. After awhile I "saw" the language, as FRACTAL "Mandelic" Hyper-Spheres or "THOUGHT FORM" constructs, to pass DATA. These sucks are data freaks. Highly Intellectual. Limited Emotional response(Hate, Fear and a "short circuit" Confusion state(mild Panic). You can think or do "the UNEXPECTED" and they do "freak out". So...stay calm and centered. They RESPECT that. Then they "THINK" you are dangerous. But, if you Fear them, they will taunt your weakness and will DISrepect you.

Careful, don't DIS-"REP" them either. They are no better than you. I "glean" they want something WE have. Something in our SOUL Nature. We can "Shift" to Theta "BALANCE" and LINK to the SOURCE. They are TOO far into analyzing. Unbalanced. They like DRUGS like cocaine, opium, Magic Mushrooms and "milking" humans for endorphins. They can't get INTO your Mind without you having the opportunity to get into their REPTILIAN Brain, too. They KNOW alot

about the outward form of creation. They KNOW the "Force"...but, behind that is "The SOURCE".

They NEED us, we don't need them. They will appear in England to Tibet, in August 1999. Then will return, 13 years later, in 2012. There....This is the 20th year since I first saw them in 1979. They ARE here. I KNOW. I waited 10 years before, I originally went public. The REPTOIDS are O.K. But, even they FEAR the Returning DRACO(Horned & Winged). These are more Reddish. The Draco Prime are WHITE(albino). Welcome to my world. "TAL"

CASE FILE #14

From: ALIEN ABDUCTIONS IN THE GINGERBREAD HOUSE

by Dr. Karla Turner

A man in his late 40's came to us to explore several alien- related events in his life, and in the interview he told of a strange, although not apparently alien-oriented, episode that had haunted him since childhood. When he was ten years old, his grandmother came to visit in his home, and since the house was small, she shared his bed on the first night of her visit.

During the night, the boy was awakened by a loud male voice. He couldn't understand what the voice was saying, but it sounded angry and was addressing the grandmother lying beside him. The next morning, he asked his grandmother,

"What was that voice in the bedroom last night?"

His grandmother, with tears in her eyes, pulled him tightly to her and said, "That was the devil." She said nothing more about the episode, but she did insist that her son take her back to her own home immediately. It was an unreasonable request, and her son tried to talk her out of it. But the grandmother was adamant, and finally her son agreed to take her home the following day.

The entire family made the trip of over a hundred miles back to the grandmother's farm, and within an hour of their arrival, the grandmother suffered a massive stroke and died. Ever since that event, the man had felt a heavy burden of guilt associated with his grandmother's death. Yet there was no conscious reason for him to have felt that way. The entire event was poignant and mystifying, but in all the alien encounters he had subsequently undergone, he had felt that the aliens were his friends and were helping him by expanding his psychic abilities.

A regression session was arranged, and in the course of the hypnosis, he was asked to look at that childhood experience. What he recalled was an abduction in which he and his grandmother were taken to a spacecraft in the company of reptilian aliens. He remembered the aliens telling his grandmother that they were interested in learning about her knowledge of medicinal herbs.

And they offered to exchange medical information of their own. They gave the boy and the grandmother a liquid to drink, explaining that it was beneficial and would make the grandmother feel young and attractive again. So both of them drank the liquid, and the man remembered seeing his grandmother indeed looking much

younger. That was the extent of his recollection.

Both he and Ms. Bartholic, who was conducting the regression, were puzzled by this, because there was nothing in the episode to account for the guilt he had felt about the grandmother's death. So Ms. Bartholic deepened the man's trance level and asked him to look at it again, with much clearer vision. And what he then recalled was much more disturbing.

The abduction, at first, followed his initial recollection. But when the liquid was drunk, he now remembered a very strong feeling of change in his body. And he saw that the grandmother didn't actually look younger. Instead, she was placed on a table and approached by one of the reptilian aliens who wanted to have intercourse with her. The liquid had acted as an aphrodisiac, yet the grandmother resisted and said that since her husband's death she would not have sex with anyone. The reptilian laughed and disappeared from the room momentarily. When he returned, he was accompanied by a man who looked exactly like the dead husband.

At this point, the grandmother agreed to have sex, but as the act was in progress, she suddenly realized that the image of her dead husband was a cruel illusion. It was actually the reptilian on top of her, and she cried out in great resistance for him to leave her alone. Once he was finished with her, he lifted up the little boy and placed him on top of the grandmother, forcing another sex act upon the both of them. Then the grandmother was removed from the table and the little boy was victimized himself by the reptilian, forced to have anal and oral sex. The grandmother protested violently, pushing the reptilian away from her grandson and interposing her body between them. "By Jesus," she shouted, "you will not touch this boy!"

That must have been the wrong thing to say, because the reptilian became very angry and threatened her. "You will die for that!" he told her, and the two people were returned to the bedroom from which they'd been taken. The next morning, the grandmother told the little boy that the devil had been there the night before, and that was when she insisted upon being taken home.

And, as it turned out, she did die immediately thereafter.

This, then, was the cause of the man's lifelong sense of guilt about her death.

He had been forced to have sex with her, and her death had followed shortly after. But none of this story would have emerged if Ms. Bartholic had done as most investigators do and stopped the regression after uncovering the story about the exchange of medicinal knowledge.

There are other cases in our files that show a similar deception at work in the initial hypnotic recall. We cannot trust that first memory, it is clear, for like so much else in the abduction experience, there may well be further maskings of events.

CASE FILE #15:

From: "THE HARVEST CONTINUES: ANIMAL MUTILATION UPDATE"  
article by Linda Moulton Howe  
in "UFO" Magazine, Vol.5, No.4, 1990 (pp.16-17):

"...Throughout the history of the animal mutilations, since 1967, there have been numerous eyewitness accounts of large, glowing disks or 'silent helicopters' over pastures where dead animals were later found. One Waco, Texas rancher said he encountered two four-foot tall, light green-colored 'creatures' with large, black, slanted eyes, carrying a calf which was later found dead and mutilated. In 1983, a Missouri couple watched through binoculars as two small beings in tight-fitting silver suits worked on a cow in a nearby pasture.

The alien heads were large and white in color. Nearby, a tall, green-skinned 'lizard man' stood glaring with eyes slit by vertical pupils like a crocodiles..."

# WHO ARE THE DRACONIANS?

## Case Files of Branton

CASE FILE #16:

THE UFO CRASH/RETRIEVAL SYNDROME  
(STATUS REPORT II), by Leonard H. Stringfield.  
published by MUFON

{The report interviews several medical doctors who did autopsies on ET bodies from UFO crash sites... who indicate that the majority of the "grey" type alien entities actually possess a REPTIL/SAURIAN genetic base}

ET had large heads and were around 4 ft tall. They have small noses and mouths with no ears or hair. The ET photo that I have was taken by an ET, and has an eye diameter of an inch. He has his left hand raised in a salute. That hand has 4 fingers on it with one finger twice as long as either outside finger. The photo was taken at a range of 3ft from the waist up. Brain capacity is 1800 cc versus 1300 cc for the average human. The skin is grey or ashen and under the microscope appears meshlike. This meshlike appearance gives it the reptilian texture of granular skinned lizards like iguana or chameleon. There was a colorless liquid in the body without red cells, no lymphocytes, no hemoglobin. There was no digestive system, intestinal, alimentary canal, or rectal area in the ET autopsy.

CASE #17

From: "THE TRUTH ABOUT UFO'S"  
video by Brad Steiger

"In the late 1960's I presented my hypothesis that the reason why the most frequently reported UFOnuts resemble REPTILIAN or AMPHIBIAN humanoids may be because that is exactly what they are, highly evolved members of a serpentine or semi- aquatic species. A provocative theory is that the dinosaurs didn't really vanish, they 'evolved' into a humanoid creature that eventually ran it's course, or was destroyed in an Atlantis- type catastrophe (i.e. such as the Great Deluge - Although Steiger and others may hold to an 'evolutionary' hypothesis, this may not necessarily be the case, especially when the 2nd Law of Thermodynamics and the laws of entropy are brought to bear. Instead of 'evolving' from a far less complex form, it is in fact far more likely that the serpent race MUTATED via atrophication, natural selection, environmental adaptation, survival of the fittest and most intelligent, and possibly a bit of superficial molecular shape-shifting IF as some believe regressive supernatural entities have been involved in guiding the 'evolution' of the 'serpent race' down through history... into it's various known and unknown branches, from a complex bipedal single species which originally inhabited the earth in ancient times - Branton).

"...I had developed this hypothesis considerably," Steiger continues, "...so I was delighted when I received word that Dale Russell and Ron Seguen of Canada's 'National Museum of Natural Sciences' of Ottawa, had fashioned a model of a humanoid dinosaur using Stenonychosaurus and Equallus as their inspiration. Stenonychosaurus, according to Russell, had a rather large brain and eyes with overlapping visual fields. The 90 pound dinosaur also walked on two legs, and it appears

to have had a particularly OPPOSABLE THUMB on it's three-clawed hand. The result of such scientific speculation was an astonishingly human- like creature that Russell terms a 'Dinosauroid'. The creature stands four-and-a-half feet tall, has a large, domed head, green skin, and yellow reptilian eyes. It should probably have had ears, Russell conceded, but the effect would have made it appear too human. As it is, the dinosaur on display at Canada's "National Museum of Natural Sciences" almost exactly fits the descriptions of UFOonauts provided by THOUSANDS of men and women throughout the planet who have reported close encounters..."

CASE FILE #18:

From: "THE UFO ABDUCTORS"

by Brad Stieger

(1988., Berkley Books., N.Y.), pp 5-6:

"...In the greatest number of alien encounters, the UFOonauts were described as standing about five feet tall and dressed in one-piece, tight-fitting jumpsuits. Their skin was gray, or grayish-green, and hairless. Their faces were dominated by large eyes, VERY OFTEN WITH SNAKELIKE, SLIT PUPILS. They had no discernible lips, just straight lines for mouths. They seldom were described as having noses, just little snubs if at all; but usually the witnesses saw only nostrils nearly flush against the smooth face. Sometimes a percipient mentioned pointed ears but on many occasions commented on the absence of noticeable ears on the large, round head. And, REPEATEDLY, WITNESSES DESCRIBED AN INSIGNIA OF A FLYING SERPENT ON A SHOULDER PATCH, A BADGE, A MEDALLION, OR A HELMET." CASE FILE #19:

From: The "NEVADA AERIAL RESEARCH JOURNAL"

for Summer, 1989.

Re-print a UPI news item which appeared in a Berkley, California newspaper:

"Dale Russell, curator of fossil vertebrates at the National Museums of Canada in Ottawa, has developed a theory that intelligent life forms could have developed from the large reptiles that roamed the earth (in ancient times). "Russell calls his imaginary creature a 'Dinosauroid' which would look like a hairless, green-skinned reptile with a bulging skull, luminous cat-like eyes and three-fingered hands..."

"The amphibians evolved into a humanoid species that eventually developed a culture that ran its course or was destroyed in an Atlantis-like catastrophe--just after they had begun exploring extraterrestrial frontiers. Certain UFOonauts, then, may be the descendants of the survivors of that amphibian culture RETURNING from their space colony to monitor the present dominant species on the HOME planet." CASE FILE #20:

From: A review of the 4-part documentary 'DINOSAUR'

hosted by Walter Cronkite

by columnist David Norman:

"...The series finishes with an unusual flourish. In 1982 Dr.Dale Russel of the Royal Museum of Canada, Ottawa indulged in a half-serious thought experiment. He had described a small, HIGHLY PREDATORY, nimble troodont dinosaur from the Late Cretaceous, STENONYCHOSAURUS, which had AN UNUSUALLY LARGE BRAIN, large stereoscopic eyes, and grasping hands. He speculated about what might

have happened to such dinosaurs if they had not become extinct. His answer was the 'dinosauroid' - a three-clawed, three-toed, large-brained, UPRIGHT, and TAILLESS dinosaur."

Norman also described the almost human-like quality of the hand of one particular saurian branch, the Iguanodon: "...The flexible fifth finger moves a bit like a human thumb for grasping objects, while the middle three fingers are capable of little flexure. The large, stiletto-like thumb spike of Iguanodon would have been a devastating weapon. The sharp spike, coupled with the strength of the forelimb, could have punctured the toughest skin." CASE FILE #21:

From: Testimonial of police officer/patrolman Herb Shermer, in regards to his description of alien creatures which he swore he encountered during an abduction experience outside of Ashland, Nebraska, shortly after midnight on December 3rd, 1967:

"They were from 4 1/2 to 5 1/2 feet tall. Their uniforms were silver-gray, very shiny. Their suits came up around their heads like a pilot's cap. On the right side of their helmet's they had a small antenna, just above where the ear would be. Their chests were bigger than ours, they were built very wiry and muscular. Their eyes were the one thing I will never forget... THE PUPIL WENT UP AND DOWN LIKE A SLIT. When they looked at me they stared straight into my eyes. They didn't blink. It was REAL uncomfortable. Their noses were flat, their mouths looked more like a slit than a regular mouth..."

#### CASE FILE #22

From: QUEST INTERNATIONAL

(c/o 15, Pichard Court., Temple Newsam., Leeds, L515 9AY., ENGLAND U.K.)

-- a major British UFO research organization consisting mainly of retired Police, Security and Military personnel, and its investigation of what may well be the most documentable case of the crash-retrieval of an unidentified flying disk to date:

On the 7th of May, 1989, NORAD installations allegedly tracked an unidentified object as it entered African air-space. The South African Air Force is also said to have tracked the craft by radar, traveling at a calculated speed of 5746 nautical miles per hour. The incident was related by a South African Intelligence Worker, who along with documentation of his military position, also sent documents and transcripts to two QUEST INTERNATIONAL investigators, Tony Dodd and Henry Azadehdel, telling of the event. Also, several RECORDED telephone conversations with high-ranking military and government officials were obtained which strongly suggest that "something" did in fact happen over South African terrain. Some of these recorded conversations involved military officials in South Africa who strongly reprimanded the intelligence worker-turned-informer over the phone. This was due to the fact that the informer had left South Africa for Britain, where he stayed at the house of the researchers, and then later went into hiding.

QUEST INTERNATIONAL director Graham W. Birdsall has stated that the documentation and the individuals involved in the incident are of such a nature that the event must have taken place, or the International Intelligence Community is collectively perpetrating a hoax concerning a recovered flying disk. Birdsall strongly suspects that the incidents did take place, due to the weight of evidence. Following is

part of a word-for-word transcript given to the researchers by the informant, describing what he alleged to be the actual top secret report of the initial tracking of the object:

"...The object entered South African air space at 13.52 GMT. Radio contact was attempted with object, but all communications proved futile. As a result two armed Mirage fighters were scrambled. A short time later the object suddenly changed course at great speed which would have been impossible for conventional aircraft to duplicate.

"At 13.59 GMT, Squadron Leader ----- the pilot of the fighter reported that they had radar and visual confirmation of the object. The order was given to arm and fire the experimental aircraft-mounted Thor 2 laser cannon. This was done.

"Squadron leader ----- reported that several blinding flashes emitted from the object which had started wavering whilst heading in a northerly direction. At 14.02 is was reported that the object was decreasing altitude at a rate of 3000 feet per minute. Then at speed it dived at an angle of 25 degrees and impacted in desert terrain 80 miles north of the South African border with Botswana, identified as the central Kalahari desert. Squadron leader ----- was instructed to circle the area until a retrieval team arrived. A team of Air Force Intelligence Officers, together with medical and technical staff were promptly taken to the area of impact for Investigation and retrieval. The findings were as follows:

- 1) a crater 150 meters in diameter and 12 meters in depth.
- 2) A silver coloured disk shaped object 45 degrees embedded inside of crater.
- 3) Around the object sand and rocks were fused together by the intense heat.
- 4) An intense magnetic and radio-active environment around the object resulted in electronic failure of air force equipment (causing the crash of one Air Force helicopter).
- 5) The object was eventually moved to an Air Force Base for further investigation.
- 6) The terrain of impact was filled with sand and rubble to disguise all evidence of the event having taken place..."

The report indicated that a hydraulic type landing gear was fully deployed, suggesting that electronic malfunction had caused the object to crash, probably due to the Thor 2 laser cannon having been fired at the craft. While the team observed the object at the Air Force Base a loud sound was heard. It was then noted that a hatch on the lower side of the craft had opened slightly and appeared to be stuck. This opening was later forced with the use of hydraulic pressure equipment, at which point two humanoid entities in tight fitting grey suits emerged and were promptly apprehended. The report stated that the entities were of the following description (emphasis ours - Branton):

"HEIGHT: 4-5.5 ft.

COMPLEXION: Greyish blue - skin texture smooth, extremely resilient

HAIR: Totally devoid of any bodily hair  
HEAD: Oversize in relation to human proportions. Raised cranium with dark blue markings around head  
FACE: Prominent cheek bones  
EYES: Large and slanted upwards towards side of face. No pupils seen  
NOSE: Small consisting of two nostrils; MOUTH: Small slit devoid of lips  
JAW: Small in relation to human proportions  
BODY/ARMS: Long and thin reaching just above knees  
HANDS: CONSISTING OF 3 DIGITS, WEBBED, CLAW-LIKE NAILS  
TORSO: CHEST AND ABDOMEN COVERED WITH SCALY RIBBED SKIN  
HIPS: Small narrow  
LEGS: Short and thin  
GENITALS: NO EXTERIOR sexual organs  
FEET: CONSISTING OF THREE TOES, NO NAILS AND WEBBED.

NOTES: Due to AGGRESSIVE NATURE of humanoids, no samples of blood or tissue could be taken (One humanoid ATTACKED DOCTOR causing DEEP SCRATCHES ON FACE AND CHEST). When offered various food, refused to eat... One way passage has been requested for both humanoids to Wright Patterson Air Force Base USA for more advanced investigation and research..."

Many of the details regarding these "humanoids" are actually very similar to other branches of the reptilian race as it has been described by other witnesses. It appears as if the serpent race is composed of several different branches or types, much the same as dogs or other animals retain their distinction but are composed of several different "breeds". Commonly known reptiles are devoid of bodily hair, have prominent cheek bones, large slanted eyes, small openings in place of ears, 3-digit webbed hands and feet -- except in the case of snakes etc. which lost their limbs through atrophication over 1000's of years -- have claws, are covered with "scaly" ribbed skin, and have no external reproductive organs, being egg-layers, and are aggressive and predatory in nature.

The top-secret document indicated that the passage of the object and creatures would be implemented on the 23rd of June, 1989 to Wright Patterson AFB.

Actually, sources DO indicate that Wright Patterson DID IN FACT GO ON RED ALERT on that date. Subsequent documents supplied by the Intelligence source to Q.I. indicate that the creatures seemed to have a strong connection with the SAURIAN race which existed in ancient times. The exact wording of one particular document which is now in the hands of QUEST INTERNATIONAL is as follows:

"All informations found aboard alien spacecraft concerning the evolution of alien life forms indicates to an evolution similar to that which we find on Earth PRIOR TO THE EXTINCTION OF THE DINOSAURS... (the findings indicate) a high degree of adaptability. Further physiological and psychological studies performed in South Africa and in the United States points to a simple and complex structure of behavior. It would seem as if these lifeforms CAN NOT FUNCTION INDEPENDENTLY WITHOUT GROUP INTELLIGENCE AND IDENTITY TOGETHER WITH A CENTRAL COMMAND. According to additional informations found aboard retrieved craft a separate race is designated superior by them. CONCLUSION: An in-

depth study and analysis of the psychological make-up and behavior prediction is advised. Studies performed on two alien life forms captured has proven that they cannot act independently from own acquired intelligence without access to communication, orders and instructions from a hierarchy or central command..."

Three different aspects of the South African affair in fact coincide very closely with what other sources have revealed concerning these reptil-saurian "alien" creatures: 1) the "saurian grays" are the lower echelon of a hidden reptilian hierarchy... the other or "superior" race that is considered to be superior is a bipedal reptilian-saurian species as well, although they are a different and taller "branch" of the serpent race; 2)the serpent race - saurians - reptilians operate on a "collective consciousness" level as if the individual alien beings are -- to put it in one perspective -- individual "cells" in an immense hive-like mind, or "body" of a single immense creature.

Actually there seems to be a COMBINATION of both individuality AS WELL AS "collective" or "group" consciousness operating within these entities. 3) The description of the "aliens" as well as the electromagnetic nature of their craft corresponds exactly with descriptions given in HUNDREDS of separate reports of this nature.

The Intelligence Officer who contacted QUEST INTERNATIONAL and provided them with the information, claims he did so out of concern for the security of the human race as a whole, and although he was pressured into signing a 'National Secrecy Act' form he believes that he would be guilty of treason against the human race if he did not disclose what he knew, and what the governments were trying to hide.

#### CASE FILE #23

From: "IS INNER EARTH RESEARCH HAZARDOUS TO YOUR HEALTH?"  
article by Val Valerian  
in the LEADING EDGE RESEARCH Journal:

"...Lew Tery, who has recently relocated to Utah, was the foremost local proponent of geomagnetic vortex/UFO connection theory. Lew was instrumental in the discovery of underground tunnel networks in the Las Vegas area, one of them being between the base of Boulder Dam and Jumbo Peak, where there are two mines whose owners view 200' diameter disks on a frequent basis. At one point, Lew offered to set up an interview with these miners. Alas, Mr. Tery is not to be found.

"A local Henderson resident, who shall remain nameless, has been into inner earth research for years. This person has been hounded and chased due to intimate knowledge of inner earth tunnels in the local area. "There is obviously something here that some people wish to protect. Something to hide. Many seem to know what it is, and they speak cautiously about REPTILIAN HUMANOIDs and the SERPENT RACE, which are two subjects which seem to be surfacing again. Response to local television and radio programs featuring JOHN LEAR have been overwhelming. A recent lecture in Las Vegas drew over 700 people.

"According to some sources, the 'Greys' are the lower level of a bigger scenario that involves this reptilian race..."

CASE FILE #24

From: Actual letter from John Lear

{yes, John Lear the Ace Test Pilot, holder of every flying medal the F.A.A. has to offer, son of William P. Lear - inventor of the 8-Track stereo and founder of Lear Jet corp., etc.}

addressed to T.L.

[full name on file]

dated October 6, 1990:

"Dear [T.L.]... Many thanks for your recent, very interesting letter. I showed it to Bob (i.e. Lazar - Branton) and he thinks we are both crazy. He does not believe that Dulce exists. Bob went through extreme brainwashing at S-4 so I can understand his feelings. About the time that he was brainwashed, maybe a little before, he told me that Dulce was mentioned up there once or twice in conversations that he was not part of...but that he overheard. Since that time he has forgotten even that part. Since I know Dulce exists, what Bob thinks does not affect me in the least.

"A source of mine that is a security guard at the test site tells me that currently there are 5 types of aliens there: The Greys, the Orange, the reptilians, the ones that look like [the aliens] in the movie 'V' and the ones that look so ugly that they take your breath away until you get used to looking at them. "I now believe that a very large Saucer crashed near Sedona, possibly 2 years ago and is in the process of being retrieved in sections, as it is too big to remove in one piece.

"The recent stories in Aviation Week, I believe, are attempts to buy more time, to mislead the public and to confuse the issue (Note: Lear is here referring to the article in the Oct. 1, 1990 issue of AVIATION WEEK AND SPACE TECHNOLOGY, titled "Secret Advanced Vehicles Demonstrate Technologies For Future Military Use". The article referred only to the fairly well-known super- advanced jets being tested in Nevada, giving the impression that these may explain all of the 'UFO' sightings in the area - Branton).

"Again, I appreciate very much your fascinating letter and look forward to more information on Dulce... With much respect and admiration... JOHN LEAR."

CASE FILE #25

From: Lecture given by researcher Michael Lindemann  
on behalf of the "20/20 Group"  
(3463 State St., Suite 264., Santa Barbara, CA 93105)  
in Lancaster, California, on Oct. 20, 1991:

Indeed this whole 'end game' is very vulnerable and that's why they feel it requires such secrecy. The American people wouldn't stand for this stuff if they had the information, and that's the reason why we have to get the information out and take it seriously because it really is a matter of OUR money and OUR future that's being MORTGAGED here.

"But my friend who worked in the underground bases, who was doing sheetrock was down on, he thinks, approximately the 30th level underground... these bases are

perhaps 30-35 stories deep ('ground-scrappers' as opposed to a 'sky-scrappers' - Branton). As I say they are not just mine shafts, these are huge, giant facilities... many city blocks in circumference, able to house tens of thousands of people. One of them, the YANO Facility (we're told... by the county fire dept. director, the county fire dept. chief who had to go in there to look at a minor fire infraction) there's a 400-car parking lot on the 1st level of the YANO Facility, but cars never come in and out, those are the cars that they use INSIDE.

"O.K., so... a very interesting situation down there. Our guy was doing sheetrock on the 30th floor, maybe the 30th floor, underground. He and his crew are working on a wall and right over here is an elevator door. The elevator door opens and, a kind of reflex action you look, and he saw three 'guys'.

Two of them, human engineers that he'd seen before. And between them a 'guy' that stood about 8 to 8 1/2 feet tall. Green skin, reptilian features, extra-long arms, wearing a lab coat, holding a clip-board...

"I tend to believe that story because, first of all because we have other stories like it, but more importantly because he walked off that job that very day. And he was getting paid a GREAT deal of money... If your basically a sheetrock kind of guy, if you can do sheetrock in a place like that then you get paid way more than standard sheetrock wages, you can count on it.

"So, he walked off that job. His buddy on that same crew turned into an alcoholic shortly after. This is an extremely upsetting thing. You know, it wasn't like this alien jumped out and bit his head off or anything, it was just standing there for a few minutes, the doors closed. He has a feeling that that elevator was malfunctioning, otherwise he never would have seen that except by accident.

#### CASE FILE #26

From: Lecture given by researcher Michael Lindemann  
on behalf of the "20/20 Group"  
(3463 State St., Suite 264., Santa Barbara, CA 93105)  
in Lancaster, California, on Oct. 20, 1991:

"...Lot's of ordinary citizens in the Lancaster area...are having close-up alien encounters... the first one is a woman with a number of children who in 1972 was living with her then husband in Ridgecrest, California... This woman had never read any books about UFO's or aliens, and didn't have any interest in it. Indeed today she has not read any books.

The first thing she tried to do recently when she realized that she had had alien encounters, was she went out and rented Whitley Strieber's movie 'COMMUNION', the video tape, and she stuck it in the machine and barely a minute into the movie she got very anxious and nauseous and ran out of the house. That was her only attempt to inform herself on, let's say, literature or information about aliens, and yet this woman has had astonishing experiences." Following an entirely waking experience where she observed a seemingly half-physical or apparitional 'Grey' near her home, which faced the open Mojave desert (the nearest neighbor being about two blocks away), she began having more intense experiences which she knew took place - but could not

entirely understand or recall all of the details. She described the creature in the traditional 'gray' configuration as reported by so many other 'abductees' -- short and gray with a large head and large black slanted eyes -- which in light of her ignorance of the overall UFO phenomena, according to Lindemann, only tends to substantiate her story.

As a result of this initial experience, Lindemann explains, she contacted a hypnotherapist, a woman who incidentally had never read a UFO book herself. This psychologist concluded -- through various tests and observations -- that the woman from Ridgecrest was entirely sane and sincere. Michael Lindemann continues:

"...This woman has had lots and lots of experiences since then. Her next experience was also a waking experience which TURNED INTO an experience that she could not remember except through regression. But the 'waking' part of it was the 'clue' that she needed to start exploring her hidden memories. "Her husband went off on a training program, he worked for a telephone company, (and) went off on a training program for a number of weeks some time later, toward the end of 1972. "She was staying at home with her children. Of course because they were in an isolated spot, she slept in her bed with a loaded shotgun, and she was a very light sleeper, kind of nervous.

"One night she woke up because there was 'rustling' in her room. She looked and she saw what she thought was a sort of hooded, black figure over by her dresser. It looked as if somebody was sort of 'playing' with her jewelry box. And she of course felt as if someone had probably broken into the house.

"But as she was kind of thinking to herself, 'What can I do, what can I do,' kind of gripping her shot gun, she made a little involuntary gasp, and whoever it was turned around and walked over to her. "She described this being as about...4 1/2 feet tall, very, very dark, with very... she said it looked like a lizard! Very rough skin, big yellow eyes...not the huge black almond shaped eyes...large, yellow with a slit iris, a muzzle, teeth. She said it looked like an iguana. And she said that IMMEDIATELY she could tell that this being was very menacing and didn't like her at all. This being was dangerous and nasty, and not to be trusted.

"She didn't remember what happened next, all she knew was she was terrified, because this being was literally leaning right into her face as she lay there in bed.

"And in regression she found out the rest of that particular story. She was floated downstairs and she found that some GREYS were PHYSICALLY CARRYING her three children outside to a waiting craft. She was levitated outside to the same craft.

"She recognized immediately that this black lizard-like guy, which she later learned actually had a tail... was actually WORKING WITH THE GREYS, but, she said, they did not (always) get along. It was the 'Greys' craft... she was literally 'listening' to their 'telepathy'. They were conversing about her as she was lying on a table in the craft waiting for their decision on what to do. She became convinced that the black one wanted to KILL her, and the Greys were 'saying'... 'No... not on OUR ship.' She said she saw something horrifying at that point. She said the black one just 'swept' its hand across the chest of one of the greys and literally tore the greys chest open. It fell to the

ground and she thinks it died. She says, 'I know they have GREEN blood, I saw it bleed.'"

Before one feels too 'sorry' however for the 'greys', they should understand that many accounts indicate that the greys have participated in an unknown numbers of animal and human mutilations in order to use the animal AND HUMAN secretions as a 'liquid protein' food source, the 'substance' [human/animal flesh and vital fluids] is mixed in large tanks containing hydrogen peroxide to kill bacteria, and then the Greys soak in the substance into their skin, in that they do not have an operational digestive tract, and the 'waste' is excreted back out through the exterior like a snake/lizard shedding it's skin.

Also, if we are to believe some of the more fantastic claims of crash-retrievals, such mutilated animal and human organs have been discovered within or among the debris of crashed alien GREY craft. The 'reptilian' hierarchy seems to operate in an exactly opposite manner as the JudeoChristian ethic, and instead of operating on faith-love-service the reptilian or saurian hierarchy is said to operate on fear-hatred-competition. Since both the Greys and lizard-like Reptiloid 'aliens' operate on 'collective consciousness' and are neo-saurian in nature according to many sources, and since they have a similar agenda which seems to be imperialistic - conquest motivated, they inevitably work together in what Michael Lindemann refers to as a 'wedding of convenience'. From one perspective, one should NOT see these 'Iguanas' as being much worse than the Greys. For what the green-blooded 'greys' lack in the way of demoniacal 'hatred' or contempt for humankind as the Reptiloids are often seen to express, they seem to make up for it in their profound apathy and 'intellectual indifference' to the good of the human race. Over and over again abductees describe the greys as emotionless and methodical, and seemingly show no sympathy or pity whatsoever toward human suffering or death, but merely look upon it with scientific 'curiosity'. Although 'hatred' would seem to be the opposite of 'compassion', others would argue that 'indifference' is the antithesis of compassion, caring or love. From this perspective, 'indifference' to human life may be no less evil than raging 'contempt' for human life. BOTH may be the motivating factors behind all kinds of atrocities. In reference to the case referred to above, Lindemann continues:

"...Her hypnotherapist said to us at this point, 'You know, you really ought to understand that this woman is a very, very good hypnotic subject and she actually relives her experiences in real time in the first person. She goes through all of the emotions and she has incredible recall of detail.'

"...She says...as a therapist of long standing she has no reason to doubt that the detail that this woman brings forward is essentially accurate. It matches of course in many, many particulars the kind of information that other abductees have also told.

"...One of the other disturbing things that this woman has mentioned... is that in other sessions where she was abducted, she found herself in an underground facility which she feels quite certain was at George Air Force Base where she grew up. And in that facility underground she saw the greys were working side by side with human military personnel [or are they REALLY 'human' military personnel!? - Branton]. And we do have other reports, not only 'we' but many people who study the abduction phenomena, collective reports indicating that the abduction phenomenon is occurring

right UNDER the noses of our own officials, that there is apparently some agreement operating here..."

CASE FILE #27

From: THE DULCE BOOK - CHAPTER 27:

"...[Brazilian] Jefferson Souza claims that the following revelations are from the personal notes and scientific diaries of a scientist who was commissioned by the U.S. Government over a period of several years to visit all crash sites, interrogate captured Alien Life Forms and analyze all data gathered from that endeavor. Eventually this person was discovered to have kept and maintained personal notes on his discoveries and was therefore scheduled for termination [not just "job termination"!]... which he narrowly escaped. Following 33 years of investigations, he went in to hiding in 1990:

Here is some data which this anonymous informant reportedly gathered on the Reptilian type alien entities:

Average Height: Male - 2.0 Meters; Female - 1.4 Meters

Average Weight: M - 200 Kilos; F - 100 Kilos

Body Temperature: M - Ambient Temperature; F - Ambient Temperature

Pulse/Respiration: M - 40/10; F - 40/10

Blood Pressure: M - 80/50; F - 80/50

Life Expectancy: M - 60 Earth Years; F - 23 Earth Years

Cold-blooded like all reptiles, the Reptiloid is found to flourish in a warm, tropical climate [normally artificial... big caves]. With imperfect respiration providing just enough oxygen to supply tissues and maintain the processing of food and combustion, their temperature can be raised only a few degrees above the ambient [this suggests that 'heat' weapons, like flame-throwers and so on, may prove to be very effective and fatal to this species under battle conditions]. The reproductive system is ovouniparous, with eggs hatching in the oviduct prior to birth. The underdeveloped Reptiloid [for faster activities, physical activities] cerebellus results in a slowness and simpler gait of movement. The Reptiloid eye is composed of thousands of microscopic facets, each facet with its own independent protective lid. The eye is almost never closed entirely during waking hours; rather, sections of the organ are shut down in conjunction with the dominant light source. The reptiloids survived 'hidden' inside the Earth [within] Big Caves Underground.

# WHO ARE THE DRACONIANS?

## Case Files of Branton

CASE FILE #28

From: Jim T.

{a post as it appeared on an e-mailing discussion list which will remain confidential...}

Suggested Title: "THE HAMMER OF TIME"...

[Intro: The following is a very unusual post, as if the subject of "reptilians" is not unusual enough, THIS post deals with apparent temporal manipulation such as that being experimented with by the Montauk projects -- which the 'Draconian' forces based below the Gizeh plateau reportedly have a strong investment in.

Some have suggested that with all of the temporal causality violations taking place in our time or world-line, linear 'reality' as we know it will eventually begin to dissolve into a multi-linear reality somewhat in-between a reality-scape and a dream-scape, or rather the very foundations of the linear third dimension as we perceive it will begin to fluxuate. So genetic, psychological, fraternal, political, and economic manipulation is apparently not the only form of "intervention" that the Dracos have been involved with. It is said that earth's unique electromagnetic grid allows for the possibility of strange temporal manipulations, and even alternate "time branches". The clincher is that there is only so much energy to go around in that -- like a tree -- all "time branches" feed off of the same BASE or TRUNK... so the more "branches" that exist the less energy there is to go around.

Apparently the Montauk Project and its Draconian overseers have generated several alternate history lines, some having failed to acquire full material manifestation... in essence liquifying into fourth dimensional ectoplasmic realities, whereas others possess the necessary collective psionic/psychic energy focus to convert subatomic energy-waves into matter-particles.

There are claims that THIS area of the galaxy surrounding planet earth is MUCH OLDER than surrounding sectors, due to the various alternate time-line "replays", and that even THIS worldline is not the original... i.e. that much temporal manipulation has occurred... for instance Naval Philadelphia Montauk agents going back in time from an original[?] worldline in order to stop Germany from winning the 2nd World War, and renegade Pleiadeans, etc., -- who were actually descended from German/Nordic space colonists in the original worldline -- coming back to help Hitler in THIS worldline defeat the Normandy invasion... which they failed to do, however they DID succeed in helping the Germans infiltrate America and take over the Montauk Projects by taking over the NSA/CIA.

According to some "Montauk" researchers, John F. Kennedy lived to a good old age in an "earlier" timeline and once he discovered the Nazi infiltration of the Montauk Projects and the involvement of Draconian Reptiloids, Rigelian Greys and Sirian-B/Aldeberon Aryans, he came down HARD on the project, but not before several Thule-Society agents were able to escape back in time and assassinate Kennedy

[many unusual paranormal events were involved with the JFK murder].

There are also claims that other "aliens" came back from the future of the ORIGINAL worldline and wiped out most of the earth's population via biological warfare... thank God we are not living in THAT dimension. However these "aliens" [genetic hybrids from the original worldline's FUTURE] ARE reportedly very involved in THIS worldline... some have our best interests at stake, whereas others DO NOT. Anyway, in order to keep from going insane with confusion, it might be easier to view time as a TREE rather than a LINE.

Even though other time or world-lines may exist, they are still nevertheless part of the same METAVERSAL REALITY [tree]. Montauk agents admit that in order to change the history of one "timebranch" they would have to change all branches simultaneously, which is apparently impossible. It is said that the energy grid of planet earth [which is UNIQUE in the universe] can only energize half a dozen or so THIRD DENSITY [or third density FACET] worldlines... as it takes energy to maintain a linear/material reality... above and beyond this, reality becomes a bit "slippery", as the ENERGY/matter ratio drifts more to the ENERGY side. It is said that there is at least ONE worldline that is even more dense/linear than THIS one, one in which one does not encounter a multiplicity of Fortean-type paranormal manifestations, phenomena which is apparently the resulting factor of a reality that has experienced major temporal causality violation and manipulation... and as a result many believe that THIS worldline will begin to drift into a more energized multilinear reality in or around the year 2012...

The following is apparently ONE of the MAJOR efforts on the part of the Alien/Human Montauk agenda to generate a worldline through temporal manipulation... one involving a Nuclear attack on American soil in the fall [Nov.] of 1997. There were several prophecies of this occurrence, however most now say that it did NOT. But there have been OTHERS besides Jim [see following post] who claim to have encountered this alternate reality... one in which the DRACO interventionists are apparently implicated to the core. Some may have the feeling that they are existing in one or more "dimensions" simultaneously. Could THIS explain such feelings? The human soul can only produce so much energy, and like the energy grid of planet earth itself the human soul can only exist in so many dimensions at once before it is "spread too thin"... however more subtle levels of our soul can apparently interact with "weaker" event-lines.

As I said there are reportedly only half a dozen or so ACTUALITY LINES... then there are the more energized PROBABILITY LINES [quasi-3d realities], the POSSIBILITY LINES [ectoplasmic realities], and GHOST LINES [dream pools or used up possibility - probability - actuality lines... may become activated on an ectoplasmic level as collective human conscious energy focus breathes "life" into them].

Because of a lack of linear solidity the more energized lines may seem like dreamscapes without any major linear consistency. They may seem so simply because that is exactly what they ARE, astral dream pools where dreamers interact on a more collective unconscious level via psionic "long waves" as they descend into the deeper levels of consciousness during sleep.

But enough of this postulating. As I stated, several claim to have had interactions with the following parallel reality. The question would be, did time-agents go back into the past to CREATE or to PREVENT this nuclear attack in the fall of 1997? If you are one who desires to be part of a universe that you can put in a box and fully comprehend, then such discussions of a multi-faceted holographic reality may not be for you. I do not believe in infinite ACTUALITY lines as depicted in the SLIDERS series [SCI-FI channel] however I do suspect that if there are any multi-dimensional imperialistic parasites that could be equivocated to the "Cromags" in that series, it would be the DRACOS... Here is the post as it was sent to me:

I am forwarding two posts (this is the first one) that Jim and I have written so others who did not have a chance to see this can know what Jim and I are going through. regards, [\*\*\*]

[SNIP]

Hi Everyone,  
I have been waiting to see if anybody else on the list may have experienced something similar. I don't want to put thoughts in others heads though.

This was not a dream, it was not a obe, it was real, it did happen.

And Dracos are real and they bleed red blood.

I can't explain it, I don't know how it happened or why. All I know is it did happen. It was three weeks ago, and I still have mixed feeling about posting it here. But here goes. I climbed to the roof of the building I was working on. (Rebuilding and expanding the capacity of a silo that stores plastic pellets at [\*\*\* \*\*\* \*\*\*] Inc. in Evansville IN.)

When I got to the top I felt dizzy, and disoriented, for a few seconds. (I thought I was having another numbness attack that I told [\*\*\*] I've been having) I grabbed hold of a pipe to get my balance. When I felt stable again, I looked around, everything had changed. The sky was grey and smoky looking, buildings all around me were either demolished or still smoldering from fire. There were cars on the hiway out front, wrecked or just abandoned, there were bodys, some still smoldering laying everywhere. It was sickening.

I just stood there, looking in amazement. I was trying to figure out if I had missed something, or if I was dreaming. But I WAS there, my truck was gone, and so was Lee. All my tools, welding leads, torches, and material were gone. And then I realized that the bins that I was working on were finished. I opened the lid of the one I was working on at the time and it was half full of material. It was then that I realized that I must be in the future.

I began to look for something with a date on it so I could find out where exactly I was. (If I was in the future) I then realized that it was colder than it was a few seconds ago. Then I hear a roar that sound like trucks and tracks clanking, (Like a bulldozer). It was an armored column of military vehicles coming down the hiway towards where I

was. I then heard shooting, machine guns and small arms fire. The armored column was surrounding the building where I was. It was then that I realized that the factory where I was working was not damaged. As a matter of fact it was still in operation. (I could here the hammer mill still running) What ever the soldiers were shooting at was inside the building I was on. And somebody was shooting back.

There were two tanks in this column, one of them pulled up right in front of this building, and began firing into it. The whole building shook. Then the black craft came, triangular. I saw it but I didn't believe it, It made a high pitched noise and the tank in front of the building that was firing, exploded. But these soldiers knew what they were doing. One of the wheeled armored vehicles took off across the open field, and this craft began to follow it.

As it went past the rest of the soldiers, five of them jumped up from the ditch with, what I think were stinger missiles, (Shoulder mounts) and fired simultaneously at the craft. The explosion hurt my ears, but they did knock it down, and it crashed into the field. (They all began to cheer) but not for long. The other tank then appeared from nowhere and began firing its big gun at it rapidly until there was nothing left of it.

I was very confused watching all of this from the roof. Then I heard more vehicles coming. They were soldiers too. I first thought it was reinforcements, but they began to fight each other. Now I was totally confused. And there was still someone shooting from inside the building I was on. I felt that I was in the middle of this, and didn't really know what side I was on. I felt it better to stay hidden until I could sort things out. I was looking for a safer place when I remember that they had kept a delivery log for the rail cars coming in with materials, in the control room right below me. So I decided to go down and see if I could find a date.

I climbed down the ladder on the side of the bin, and stepped through the door to the control room. There was no one in there and I found the log. The last shipment that was recorded was dated monday, Oct. 6, 97. But the calendar on the wall was turned to Nov. 97, so I had no Idea what day it actually was. From where I was, I could see the whole production floor, but I could see no-one moving anywhere. I decided I was safer on the roof where I was, so I climbed back up the bin ladder and hid behind a wall where I could see better.

The roof was covered with a layer of ash, I first thought it was a covering of light snow. (It was cold enough) I assumed the ash was from burning buildings. As I was looking at the ash I could see my foot prints where I had walked. And then I felt the hair on the back of my neck stand up, as I realized there were other foot prints also, (over mine) I realized I was not alone on the roof.

But these footprints were different, they were long and narrow. I followed them with my eyes, to see where they went. I didn't have to look far. There he was, (I think it was a he) standing about ten feet from me, but he did not see me. It was a draco, like the ones I saw at epcot [Note: 'Jim' saw such a creature in an astral-type experience, although THIS experience he claims was NOT an astral trip - ed.]. I could feel the adrenaline running through my body. My first thought was to hide, but there was nowhere to hide. And nowhere to run.

I looked to see if he had a weapon, but I couldn't see any. Then from deep within me I felt a rage, a rage like I never had felt before. I wanted to kill him. [Apparently responding to the reports that he had heard about on 'the list' in the past concerning what the Draco do to people that they have abducted to their underground 'concentration camps' on earth. - ed.] Before I could even think, I found myself standing up and walking toward him. He turned and saw me, (I didn't think they showed emotion, but when he saw me, I saw fear in his reptile looking face.) But then I saw his eyes, they were snake eyes, and they looked mean.

When I looked at his eyes, I felt as if he was looking right through me. Now I have been in a number of bar room brawls, and I could always tell when someone was going to sucker punch me, by there eyes. (It don't work with dracos!)

That sucker nailed me and I didn't even see it coming. I'm not even sure if he even hit me physically, it felt more like a shock wave. Now I've been knocked down enough in fights, that I know if you don't get back up fast your done. So I sprung up and lunged at him. I caught him off balance, I don't think he expected that. I went for his throat. I have found that if you cut off a persons air supply they come around to your way of thinking pretty fast. But when I gabbed his skinny, but hard as rock throat, I felt as if I had grabbed a pineapple. And as he moved I could feel it cutting my hands. I figured I could handle the pain a lot longer than he could go without air. But as I was squeezing with all of my strength on his throat, he put his hands on my chest, and threw me back. I couldn't hold on.

I could tell from this that I was no match for him without a weapon. And I had none. And I knew I had to stay in control, and show no fear. I didn't want to lunge at him again, cause the last time hurt. But I lunged again, this time I double my fist, and went for his eyes. But I found out that dracos have sharp eyelids too.

I was beginning to doubt that I could hurt him. And then he spoke, "What's wrong warrior, have you under estimated your enemy?"

I knew he was right, but I answered, "I wasn't sure you were the enemy, but thanks for straightening that fact out for me."

Then I felt the rage building inside again, so I lunged again, this time I hit him as hard as I could, in the side of the head. I think it stunned him, but not for long. Again he threw me back, this time I slid backward against the exhaust fan from the building. As I tried to get up, he dove on top of me and said, "Now you die for your bad judgment."

He felt a lot heavier than he looked, I could not throw him off. I thought I was about to die. But then I saw my eastwing hammer, it was hanging on the inside of the vent cover. I reached up and grabbed it. And swung it as hard as I could at his head. When I hit him he squealed like a hog. His body went limp, and I rolled him off of me. Then I kept hitting him just to be sure. They are reptiles, they do have yellow pupils in their snake eyes, and yes they do die. When I looked up to see what was going on out in the road, the second bunch of soldiers, were still fighting the first ones I saw. (These were two groups of US soldiers.) I decided it was about time for me to get the hell out of Dodge, so I climbed down my ladder and was going to try to get away, and find out

what was going on. When I got to the bottom I felt this dizziness again. I turned and my truck, and Lee were there. And everything was as it was before. I asked him if he had seen anything, and he said no. And asked me what was going on, and what had happened. I said how long was I gone. and he told me I had just went up the ladder, and then came right back down. Then he asked what happen to my hands. (They were bleeding bad from the cuts.) I told him I did not know, I must have cut them on the ladder. He looked at me kind of disbelieving and asked what the white stuff was, that I had all over me. I said I did not know. (but it was the ash from the roof.)

When I finished the job, three days later, I took my eastwing hammer, and hung it on the exhaust fan cover on the roof. And that's where it will stay, I don't know how it got there when I needed it, but I was taking no chances. (If it weren't for safety factors, I would go exchange my hammer for a 44 Mag. Might save me from cutting my hands.)

Now, if someone could possibly explain this to me, I would be in their debt. I have mixed feelings about this, at first I felt it was a mind control trick to confuse me, and the list. But since, I have had dreams, and obe's, that make me feel this is real. (And also some cuts on my hands.) [\*\*\*] and I believe others on this list were in these dreams. I have been waiting to see if anyone else would post something about this.

One question for [\*\*\*], was I in danger, could this Draco have killed me? What would have happened, would I have just disappeared, or fallen off of that ladder dead? Just one of many questions.

The only thing that I know for sure is, don't hit a dracos without gloves on, because it hurts.

Jim {Note: Steven Gibb and a woman named 'Tianca' also claim to have encountered this reality, Gibb astrally and Tianca physically, via mental transposition. The astral realm seems to be the major NEXUS between all parallel realities, both natural & artificial...}

CASE FILE #29

From: Rev. Billy Dee & Alan deWalton

Date sent: Wed, 12 May 1999 18:06:43 -0700 (PDT)

From: Alan DeWalton

Subject: Re: More Reptoid-NWO research & confirmation

To: UFOSSI@ufossi.org

Billy, could you re-send me your description of the reptilian "interrogation" that your confidential friend in the intelligence agency was involved in?...

Peace in Christ;

Alan

[Billy Dee's response to the above post...]

Hi Alan!

Back in 1994 or 95 a man I met on the internet was in the military black projects or

operation's. He was an officer in the military and served a number of years. I was able to have several personal phone call discussions with him, as well as my contacts knew of the person and told me he was very credible and his claims were acceptable.

This officer had worked in area 51. I think he had worked in other military bases, but I don't recall the names of them at this time. But in area 51 he had worked with several types of alien beings. Some of which were the alien "Greys", the tall and humanoid appearing being's and some other types which again I don't recall.

I would like to add that he knew Bob Lazar and that he was there when Bob was working at "Dreamland". This officer tried to help Bob out with the trouble he was in. But to make a long story short most of us realize the Lazar was fired from his position at area 51. Anyway, this officer had explained to me in detail that he had had the opportunity to interrogate a few "reptilian" alien beings. The interrogation was not just words and mere questioning. Although that did go on, there was physical force used on the alien to attempt to get answers to questions.

After the interrogation was completed, the officer quickly shot the alien in the head and thus killed him almost immediately. I had stated that that was very violent and asked if it was necessary to execute the alien in the first place. The officer laughed while explaining to me of his delight in executing the alien "reptoid". He then further explained that the "reptilians" hate human kind with a passion. They only want to see humankind dead. The hatred these beings have towards humans is incredible and they will do anything to destroy the human. The "Reptilian" did state under questioning that the "Greys" are their slaves. The "Greys" are the ones that carry out the abduction's, implants and other task the "Reptilian" masters order them to do. I was told that the "Reptilians" rarely come out and are seen. They make their "Grey" slaves do all the work and all the visitation's. But once in awhile a Reptilian will do some work that needs to be done with humans.

The "Reptilians" are human shaped and formed. But beyond that, they have a leathery type skin which appears as either snake like or scale like. Getting back to the interrogation and execution of the "Reptilian" by this officer (I forgot to mention there were other military personal present at the interrogation), the Reptilians are dangerous. Held in captivity they will take every possible advantage to kill a human. This is the reason the being was not kept and confined.

It kind of seemed sadistic when this officer explained to me of the executing of the alien with a chuckle. I could not understand why it was so funny! But as I said, the "Reptilian" is considered an extremely hateful and murderous being of humankind and will stop at nothing to kill humans. I guess that is the reason the officer laughed at his description of how he executed the alien being. He was glad to have killed him and thus put away another "Reptilian" that would if given the chance kill another human. From what this officer told me I am convinced without a doubt that the "Reptilian" beings may be the most dangerous and homicidal alien beings that are here on this world at the present time... God Bless  
Billy Dee

From: Alan DeWalton

Subject: Re: Alan DeWalton asks Billy Dee about Reptoids!

To: UFOSSI@ufossi.org

Hi Billy;

THANK YOU very much for sharing the info. I seem to recall that you may have mentioned that the interrogator[s] learned that the reptilians are resident underneath the surface of the earth and that they intend to invade our surface world sometime in the future [and that one of the reasons your contact killed the reptilian{s} was because it bragged about what they would do to us and our children when the "invasion" came]. Did I misread your earlier version of the interrogation story? If so I must have heard the surface invasion thing from somewhere else.

[response...] Dear Bro. Alan! Yes, I did mention in my other recall of the Reptoids about them living underground and their deep desire to kill humankind. Go ahead and use the information I gave you. Thats fine with me...

God Bless You

Bro. Billy Dee

# WHO ARE THE DRACONIANS?

## Case Files of Branton

### CASE FILE #30

From: THE DULCE BOOK, CHAPTER 30:

"Revelations from the Leading Edge"

-- which include the research and writings of John Grace [aka Val Valerian] in regards to reptilian life forms...

\* Researchers will recall that the disk that crashed in 1947 at Roswell, New Mexico had several reptilian species on board, as well as the body parts and clothing of several Army-Air Force officers...

### PRIMARY PHYSICAL CHARACTERISTICS OF THE GRAYS:

The larger Grays apparently have some vestigial reproductive capability, and some of the hybrid species that have been cross-bred with the [taller] reptilian species have full reproductive capability. The brain capacity is estimated to be between 2500 and 3500 cc, compared to 1300 cc for the average human. Due to the cloning process, the neural matter is artificially grown brain matter, and the Grays have known technology that enables them to insert memory patterns and consciousness into clones in any manner or pattern that they wish.

The Greys consume nourishment through a process of absorption through their skin. The process, according to abductees who have witnessed it, involved spreading a biological slurry mixture that has been mixed with hydrogen peroxide [which oxygenates the slurry and eliminates bacteria] onto their skin. Waste products are then excreted back through the skin. Many abductees have noted that the Greys have a distinct series of odors...

The larger Greys have a more pronounced nose... According to some government sources, these extraterrestrial biological entities called themselves the EBAN.

It is with the larger Grays that elements of the government made a series of diplomatic agreements in the 1950's, 60's and 70's...

### MORE ON THE GREYS:

The Greys are involved in the stockpiling of humans [including children] for use as a food source for the Reptilian species [and as a lesser food source for themselves?]....

### PHYSIOLOGICAL CHARACTERISTICS OF SOME GREY-REPTILIAN SPECIES

--

### AUTOPSIED BY UNITED STATES GOVERNMENT:

[Alien Life Form]: Term used by the government to describe the Greys in terms of being a malevolent life form. The deal with the Greys is that their field around their body is different to ours to the point where merging of the fields ends up creating physical symptoms [the "body terror" mentioned by people like Whitley Strieber]. The field around them is in direct opposition to ours. It is an ANTI-LIFE field, as these specific species are on a devolutionary spiral.

They are akin to soldiers of fortune, and 'offer' their advanced technology in trade for things they require. They are experts at manipulation of both the human body [through manipulation of the fields] and the human mind. They require blood and other biological fluids to survive. They abduct humans and animals in order to acquire these fluids. They implant small devices near the brain which potentially gives them total control and monitoring capability. These devices are very difficult to detect. The analysis of the devices by technical staff has produced a description that involves use of crystalline technology combined with molecular circuitry and these ride on the resonant emissions of the brain and the various fields of the human. Information is entrained on the brain waves. It appears that all attempts to remove the implants [1972] have resulted in the death of the human...

(This is usually due in part to the fact that the implants are attached to major nerve centers, and once attached the nerve tissues grow in and around the implant essentially making the implant a PART of the nervous system. When relatively unsophisticated medical procedures are used in an attempt to remove the implants, major nerve centers are damaged as a result, causing severe injury or even death. - Branton)

Various descriptions of the ALF's relate the following characteristics:

Between 3 to 3 1/2 feet in height, erect standing biped, small thin build, head larger than humans, absence of auditory lobes [external], absence of body hair, large tear-shaped eyes [slanted approximately 35 degrees] which are opaque black with vertical slit pupils, arms resembling praying mantis [normal attitude] which reach to the knees, long hands with small palm, claw-like fingers [various number of digits -- often two short digits and two long, but some species have three or four fingers], tough gray skin which is reptilian in texture, small feet with four small claw-like toes, organs that are similar to human organs but have obviously developed according to a different [mutational] process; a non-functioning digestive system; two separate brains; movement is deliberate, slow and precise; alien subsistence requires that they must have human blood and other biological substances to survive.

(Other indications suggest that originally they did not 'require' human blood, but once having used human blood for this purpose they have since acquired a racial 'addiction' to this 'vital' substance. This goes far beyond just mere physical hunger, since the Grays/Reptiloids tend to feed off the human life-energies resident within human blood plasma, in what may be considered a vampirial type of hunger for human vital fluids. - Branton). In extreme circumstances they can subsist on other [cattle] animal fluids. Food is converted to energy by chlorophyll by a photosynthetic process [this supports results gained from autopsies at 29 Palms underground base where it was seen that their 'blood' was greenish and the tissue was black]. Waste products are secreted through the skin. The two separate brains are separated by mid-cranial lateral bone [anterior and posterior brain]. There is no apparent connection between the two. Some autopsies have revealed a crystalline network which is thought to have a function in telepathic [and other] functions which help to maintain the group-consciousness between members of the same species. Functions of group consciousness in this species does have a disadvantage in that decisions in this species come rather slowly as the matter at hand filters through the group awareness to those who must make a

decision...

## THE GREYS AND THE REPTILIANS [FROM AN ANONYMOUS ABDUCTEE]:

This initial report is concerned with two groups of aliens: Greys and Reptilians. There are several different kinds of both Greys and Reptilians, but for now I will simply refer to them as single groups. Both groups live on this planet or beneath its surface and in space. They have been here for a long time.

The Greys are also 'working' for Reptilians, relative to the abductee as an individual and to the human race as a whole. They have been used by the Reptilians as the middlemen, doing the work and exposing themselves to us on behalf of and instead of the Reptilians (although reptilian-based, the 'saurian' Greys are less visibly so, which is why they have been chosen to interface with abductees. - Branton). The Greys are consistently referred to as a mercenary force.

Some Reptilians -- eat [humans] like we eat chicken. In the United States, there are rumors of great, underground food-storage rooms full of preserved human bodies. Sometimes the rumor has it that the bodies are those of children. I asked the Greys why, if this was true, would it be children? I was told that it is not only children but also adults that Reptilians eat. Children are preferred because they are generally unpoisoned by substances like caffeine, nicotine, alcohol and other things adults are saturated with, as a group.

The Reptilians seem to have little regard for us as living beings. [They think that we are as ugly and repulsive to them as we ever portrayed them to be, and that we, the human race, are "as valuable as weeds."] However, they do seem to consider some of us valuable property. One gets the feeling they will continue to USE us as they see fit, or, if we ever become a real problem as a group, they would sooner wipe us out than deal with it. They do not fear us, considering themselves far superior to us by all comparisons. They supposedly consider the surface of this planet to be a poisonous, inhospitable environment and 'allow' us to live here (as livestock? - Branton), since they live below the surface and in space. [We and our surface environment function as a physical buffer or living shield around their home underground.].

(Note: Some sources claim that many of the Greys and Reptiloids are moving en-mass to massive underground centers below major human cities for the sole purpose of having a "human shield" in order to protect themselves from earth-penetrating weapons which their 'enemies' might decide to use against them. These 'enemies' are various human worlds with common genetic ancestry that were colonized from the original Lyran/Solar Federation that has been at war with the Alpha Draconians for ages... i.e. humans from Zenatae Andromeda, Tau Ceti, Procyon, Taygeta Pleiades, Alpha Centauri, Wolf 424, Bernards Star, and other colonial worlds, many of whom -- as do the reptilians themselves -- make the 'galactica' type claim that planet earth was once the ancestral planet of genesis for their 'ancient astronauts' - Branton)

Socially and culturally, Greys and humans are VERY different. [They] fear us because they know we are potentially powerful beings. However, they insist that they 'own' us: They say they created us (LIE! - Branton) and therefore have the right to do what they will with us. Beyond this original 'right' to interfere with us, they say they

have additionally earned the right through their control. Because they can control us on an individual and cultural basis both physically and mentally, they say they "own us".

These attitudes are PROPAGANDA. Their control over us in any capacity is ultimately very frail due to its very nature (depends on us NOT KNOWING that we are being controlled. - Branton). Their control is based on intimidation and advanced technology. As we become more aware, we are harder to control, harder to lie to, harder to confuse. Our technology would definitely be competitive to their theirs if we had access to it. Much of the technology we would need to effectively overcome this situation exists now (within the alien-manipulated military-industrial establishment which is part of the 'secret' or 'corporate' government technocracy - Branton). It just isn't made available to the PUBLIC, for economic reasons, as well as "national security."

The preceding statements about the Greys are based on conversations with them and long observation of them. Impressions about the Reptilians are more general. I have not engaged in conversations with the [taller] Reptilians, though they have sometimes spoken to me. Most of my experience with them does not include direct communication between me and them. Almost all of my consciously recalled memories of Reptilians also include Greys, who usually do the communicating between us. Often the Reptilians seem to be present during abductions as observers only, standing off to the side of the action, just watching... FROM: THE PASTURING AND USE OF SURFACE EARTH HUMANS [BY JASON BISHOP III]:

Most "UFO buffs" think that their efforts will lead to some sensible attention by the 'Authorities' to the broad problem that UFOs present. The problem of 'are they Invaders?', 'what do they want here on earth?', and all those other nagging questions. They come to Earth for things surface people don't even know about. Earth is on the ancient space trade routes. They come to bases [Cavern City Complexes] and they mine, manufacture, and do some genetic manipulations to form various subservient cross breeds.

THE REPTILIANS: For the most part, we are dealing with another species that is humanoid in shape, but Reptilian in heritage. Their leader elite are the 'Draco'. They even have special 'wings', which are flaps of skin, supported by long ribs. These can be folded back against the body. They are also known as the "Dragon Race" and their symbology usually includes the Winged Serpent. There are elements of their species which do not have wings -- the "soldier class" of the species and 'scientists'.

They are all "cold blooded" and have to have a balanced environment to maintain body temperature. The "soldier class" of the species can bury themselves in the ground and wait long periods of time in order to ambush their enemy. If need be they can survive on one very large meal ever few weeks or even once a year [when hibernating or in suspended animation].

As a species, they are well suited for space travel due to their ability to hibernate.

These reptoids have scales which protect them from moisture loss. They have no

sweat glands.

The scales [scutes] are much larger on their backs, making the skin waterproof.

The scales elsewhere on the body are more flexible. They have three fingers with an opposing thumb.

The eyes are catlike and large.

They have twin nostrils at the end of a short stubby muzzle.

They are mostly meateaters.

The mouth is more like a slit [lipless], but they have teeth which are differentiated into incisors, canines, and molars.

They average from 6 to 7 feet in height.

The Reptilian [amphibian] humanoids have been interacting with Earth for ages.

Many contactees and abductees repeatedly describe an insignia of a Flying Serpent on a shoulder patch, a badge, a medallion or a helmet. The Serpent Race lives under the ground.

THE GREYS: The Reptilian species directs the efforts of the worker class, which are about 4 feet tall. These are currently referred to as Greys or EBE's, and are the largest category likely to be encountered by surface humans.

These beings [the Greys] operate very efficiently in the dark. Their eyes are more sensitive to ultraviolet light. They have the ability to control their heart rate. The normal heart rate for a Grey is above that of a human. The skin seems to have a metallic content and an unusual cobalt pigmentation.

Many have no external sex organs. Some have been bred to have them. (Note: Most reptiloids that have been encountered have been described as having no exterior sex organs, however on a few occasions reptiloids HAVE been described as having external sex organs. In nearly EVERY case that I have heard of where 'these' reptiloids were encountered, the abductee was a female human who was forcibly 'raped' by the reptilian within an underground base or even within their own homes during the abduction-encounter - Branton)

One variety of Reptilian crossbreed is particularly negative and dangerous. This variety, who work with the Draco, do not 'eat' in the same way humans do. These hive-like beings use synthetically produced substances, mixed with blood. Thus slurry is sometimes mixed with Hydrogen Peroxide, which kills the foreign bacteria and viruses. They may also be feeding off the "life essence energy" of the substances. They also seem to 'feed' off nuclear energy, and have manipulated humans into developing sources of nuclear power that emit radiation. Nuclear methods involved use of neutrons to create radiation. Methods that use positrons emit no radiation.

The 'Greys' [the short, "Big Heads"] are mercenaries. They interface with humans in "Secret Societies" and within the Military/Governmental Complex. An interconnected 'WEB' manipulates the surface Earth cultures. COMMAND PROGRESSION: DRACO [Winged Reptilian] -->DRACO [Non-Winged -- white, brown, green skinned, etc.] --> Greys --> Humans [collaborators]... ADDITIONAL INFORMATION ABOUT THE GREYS AND REPTILIAN SPECIES AND THEIR GENERAL ACTIVITIES WITH HUMAN BEINGS ON EARTH:

In general, there are three kinds of Greys: The Reticulans, who are about 4.5 feet tall; those from Bellatrix [in the Orion system] that are about 3.5 feet tall; and another species of Orion (Rigelian? - Branton) Greys that range in height from 6 to 9 feet tall...

The planetoid that is entering our solar system at this time [it will be here in the coming years] has been written up in several major newspapers, and it has been determined that it is being intelligently guided and that it emanates a large variety of frequencies within the electromagnetic spectrum [which indicates that it is occupied and has a technical culture].

Through analysis of many cases, it would appear that the tall Greys have one base near the Aleutian Islands. The taller Greys seem to have overall influence over the Reticulans and also over the Bellatrix (in Orion, where reptilian-insectoid genetic hybrid 'mercenaries' reside according to some sources - Branton) species. The influence over humans seems to center around implantation of human political figures and those in control of planetary power groups.

You will recall that 'mutilations' generally result in all of the blood being withdrawn from the body. This has been the case whether the subject is an 'animal' or a human. The blood and other fluids are then generally transferred to holding containers, or vats, [along with] other body parts. There are many many reports of humans in various situations and scenarios having come in contact with aliens, or have been in caves or caverns with aliens, and having seen canisters or vats in which animal [or human] parts were floating, and in which a purple-red fluid was present as a substance in which to suspend all the [organic] materials.

There was one case where a woman and her two children were abducted by the entities from BELLATRIX -- the entities referred to as 'SM's' ("Snake Men"? - Branton) in THE CASE FOR THE UFO, by M. K. Jessup and annotated by Carlos Allende and 'friends' -- and she would not cooperate with them when they had her on board their ship. Their reply to this lack of cooperation was very direct -- they killed both of her children. She managed to run down a hallway and went into a room where she saw a vat full of red liquid and body parts of humans and animals. She saw another vat of the same type in which the liquid was being agitated, and as she looked into the vat she could see Greys bobbing up and down, almost swimming, absorbing the nutrients through their skin.

There is also the use of H<sub>2</sub>O<sub>2</sub> [water molecules with an extra oxygen atom added] in the vats in order to aid in preserving the fluid from rapid degeneration. These entities have been abducting humans for many centuries -- these entities view Earth as a big farm, and have been essentially raising and harvesting humans and apparently abduct

humans to take them back to their home planet to raise there in a kind of human husbandry [or livestock] scenario.

There are indications that the ritual of the Eucharist is a reflection of earlier rituals where aliens were eating off the bodies of humans or feeding off their energies. The phrase "food of the gods" takes on new meaning when these factors are understood. The true "nectar of the gods" which the aliens involved seem to prize most is a substance that is taken from freshly killed humans. This substance is generated at the moment of death by the strong surge of adrenaline. This surge of adrenaline through the body accumulates at the base of the brain [the brain stem] and some aliens thrive on this substance as though it were some kind of ultimate drug for their particular species. This substance is most potent in HUMAN CHILDREN.

In the Draco system there are other types of entities which have visited the Earth in the past. These entities were described by John Keel in his book THE MOTHMAN PROPHECIES, released in the 1970's. The Draco are about 8 feet tall and have winged appendages coming out of their shoulders, dark scaly skin, and have glowing red eyes. They have the ability to fly and usually operate at night.

These entities, as well as the elite of the other Reptilian species [that also have winged appendages] were the source for some of the legends of the past relating to gargoyles and Valkyries. It is also apparent that some of the qualities ascribed to vampires have also been taken from these creatures. Interjection: These 'elite' reptilians have gone by many names: Gargoyles, Mothmen, Birdmen, Winged Draco, Winged Serpents, Ciakars, etc.

One such creature that had literally tortured one female abductee -- who was taken to a multi-leveled underground system below camp Hero at Montauk Point, Long Island -- was described as follows. I will provide only the description of the creature itself, an alien that she encountered inside the base which is said to be maintained by European and American 'Nazis' working under the Bavarian Thule Society. However I will not release any personal details about this woman in honor of her wishes to keep the overall details of the abduction confidential:

"... What I see is a creature about 6-7 ft tall...his ears are large and pointed at the top. His eyes are bright yellow-gold and seem to glow. He has pointy teeth and a large wrinkle on his forehead and he has a TAIL! He's coming towards me...I have never been so scared in my life. He comes to the foot of the table.

He pulls off my shorts and bathing suit bottom...he pushes my legs open and pulls me down towards him. His face is so close to mine...I want to scream, but it's only in my head. I hear a raspy sound coming from him. He puts something inside me and I feel like I'm being ripped apart. He likes to see how terrified I am... it gives him a lot of pleasure. It hurts so much...I have to get away in my head to someplace safe... I go..."

More details on the 'Montauk' reptilian:

"Frame: very tall...closer to 7' than 6'... well-proportioned...except shoulders were very broad in comparison to waist...well-muscled torso and legs...I see some kind of appendage that reminds me of 'wings' protruding from behind the shoulders...there is

what seems to be a 'tail' extending from the back...the diameter of the tail would approximate 3"-5"...I do not see his feet...and cannot recall a penis...I have a feeling that my mind is not allowing me to see this because of the trauma associated with it.

"Skin/Textures: the color of the skin is a gray-green...dark...somewhat 'oily' but with the feeling of 'scales'...the odor he emits is putrid...he is not wearing any clothing, but there is something on his chest that reminds me of 'armor' but it seems to be a natural protection and not a material addition.

"Face and Head: the size of the head is in proportion to the body...there is no hair...there is a large ridge or flap of skin on the forehead just above the eyes, extending across the brow...the eyes are yellow-gold and 'glow'...slightly almond-shaped with the pupils vertical slits...the nose and mouth protrude slightly giving the appearance of "snout-like"...the teeth are pointy...the ears are over-sized in proportion to the head and the tips extend above the head and come to a point."

### CASE FILE #31

From: Todd Jumper, co-founder of Eaglenet

~ It was the Thanksgiving of 1992, my grandmother and uncle had come up for Thanksgiving dinner and to spend the day with us. During the day my grandmother started talking to me about aliens for some reason and I started telling her of the things I had seen when I was little.

~ Then that night I remember being awoken by a noise, I first noticed that my computer monitor was reflecting a bright green light and then my whole room was filled with a bright green light. My first thought was, 'Oh no, they're back!' Then I again was paralyzed as it had happened to me when I was twelve. I was looking out my bedroom window and I stared face to face with a gray alien. There were two more behind him. I tried to yell but again my jaw was tight and my tongue was stiff. It just looked at me with those scary big black eyes liked it looked into my soul, I felt evil and fear, I am surprised I did not release my bowels! Then the light consumed me and I was drawn out of my bed into the light. While this was happening I was praying in my head and all of a sudden I was walking down the street in front of my house with an angel.

~ This angel was a magnificent looking man. He was about seven feet tall and the bright white light around him was as pure as freshly fallen snow and it radiated about the entire front yard like a morning sunrise. His face was gentle and happy and his eyes looked at me lovingly. His whole countenance was just amazing beyond description.

~ He placed his hand upon my shoulder and pointed toward the house. I looked over to my bedroom window and saw the three beings still at my window hovering above the ground in a bright green beam of light which seemed to be coming from nowhere. The angel stayed by my side and protected me. I tried to cast the small gray aliens away with my priesthood but they were still there. I was so angry, the things that had made my life miserable since I was a child now there within my view, and I saw how weak they were, how small. And I thought 'These beings so small, yet their power is enough to stop me in my tracks.' ~ But this time I was free, this time I could harm

them and I did. I ran to one and grabbed it by the neck and started to strangle it. I could feel its spine coming through the back of its neck as it let out a horrible screeching noise.

~ They were not very tall, only about four feet high- but they hovered in this light up to my height until they were next to my face. Their skin was like a reptile's- cold and leathery. Their damn eyes got to me the most- big black liquid eyes- just two holes for a nose and barely a mouth- just a slit. Their bodies were not very proportional as ours are. Their arms hung down a little past their knees, and their heads seemed too large for their neck to support it.

~ The angel just stood by as I went into a rampage and killed all three of them. They were so fragile. The angel smiled as if I had done the right thing. And we then proceeded to lay the dead bodies on the lawn. I watched the green light fade away and saw no light except the brilliant radiance of the angel's. The angel knelt down at the bodies which seemed to be changing from gray into a sick yellowish color. I watched as the angel opened his robes and unsheathed a golden sword and began to cut away the tops of the beings heads and their brains came out in an upper and lower section.

~ The angel arose and spoke 'Behold, they are nothing to us. They are nothing but creatures of evil.' Then a blue light or conduit from the sky actually transported them into small balls of light and took them away. So I have no evidence that I actually killed them. We, the angel and I then entered the house, and in the kitchen were three more aliens. One came up to me with a long shiny metal rod that seemed to have a laser beam coming out of it. The alien stuck it in the left side of my neck and it stung really bad and then I could not move, so the angel touched me and I could move again. I then immediately punched the alien square in the face breaking its neck and killing it instantly.

The other two stood by looking at their fallen comrade -- their moves were very quick and their heads rotated almost as fast as a lizard. The angel held up his arms and spoke 'In the name of Jesus Christ I command you to depart.' Then both the creatures immediately fell to the floor and these gray aliens were again taken up into a beam of light in the same manner as before.

~ Then the angel covered my eyes and then uncovered my eyes. I was all of a sudden on top of a large mountain looking down over a large valley filled with aliens and strange looking humans and their spacecraft. Then I saw hundreds of people dressed in white walking on the mountain with us as if they had come to watch. And then a voice from heaven said 'Behold, these evil ones have perverted the ways of the Lord and deceived many and fornicated with my children. They shall have no place in my kingdom nor in this world to come.' Then a fire came down from the sky and consumed all the beings and all the strange humans and all the UFOs and nothing was left. The angel then spoke saying I had seen enough and he again placed his hand over my eyes. I awoke from my bed and it was morning.

[Note: Some have suggested that the "mind control" and "paralysis" induced by the Greys is equivalent to psychic attack, voodoo, black witchcraft, or sorcery, and that these reptilians have a symbiotic relationship with astral parasites who empower the reptilian sorcerers with dark supernatural powers, thus explaining why many

"abductions" seem to possess both material and parapsychical aspects. However, through Divine Intervention this symbiotic connection between reptilian HOST and astral PARASITE can be broken, thus rendering the "alien" essentially powerless and/or disoriented and vulnerable due to its UTTER dependence on the motivating astral entity and the astral "collective". So, as Paul Bennewitz, when referring to "the alien" -- Bennewitz simply called it "the alien" due to its group-mind or hive-like nature... a massive entity with countless interconnected "alien cells" -- stated that psychic warfare resulting from the interaction of physical host and parapsychical parasite is not only the greatest WEAPON, BUT ALSO the greatest WEAKNESS, of "the alien". - Branton]

Subject: [TheEagle-L] Re: Denver Airport occult murals, etc.

Date: Wed, 5 May 1999 00:40:15 +0800

This particular mural (of bigger size than the ones in alan's url) <http://anomalous-images.com/christo.html> which one can see at the Denver Airport was the first one I saw and it was very horrible. A huge character, described as a 'green Darth Vader' by Alex Christopher, stands over a destroyed city with a sword in his hand and women are walking along a road holding dead babies (incidentally, this description is left out in the site AlandeWalton given). If you will zoom in his face. The character appears to be wearing gas mask which implies biological weapons are used, perhaps one that can make the victims sterile (as its side effect). Many people who went to the airport are perplexed what those images have got to do with the airport. Icke has comments on this experience of his.

"One of Alex Christopher's specialities is the new Denver Airport which is reputed to be a cover for a deep underground reptilian-human base. It is certainly a strange place.

The first time I spoke on these conspiracy subjects in the United States was in Denver in August 1996, and I'd landed at Denver Airport with no idea of its background. Even so, as soon as the plane landed I'd felt a very strange energy, very weird and unpleasant. The airport was built at enormous cost on open land a long way from Denver and it is full of Masonic symbols. There are also gargoyles, the winged reptile figures that you find on the stately homes of the reptilian aristocracy in Britain and on the churches amid great cathedrals of Europe which were built by the Brotherhood network.

There are also gargoyles on a building in Dealey Plaza where President Kennedy was assassinated and now they turn up again, in a modern airport built on an alleged underground, reptilian base. Gargoyles are symbols of the reptilians and that is why you will find them at Denver Airport. The capstone or dedication stone at the airport is marked with the classic compass symbol of the Freemasons and it stands in part of the terminal called The Great Hall, another Freemasonic term. On a wall is a grotesque mural full of malevolent symbolism, including three caskets with dead females in them: a Jewish girl, a Native American and a black woman; Another girl is holding a Mayan tablet that tells of the destruction of civilisation. A huge character, described as a 'green Darth Vader' by Alex Christopher, stands over a destroyed city with a sword in his hand and women are walking along a road holding dead babies. All the children of the world are depicted taking weapons from each country and handing them to a figure of a German boy with an iron fist and an anvil in his hand. Denver is apparently scheduled to be the headquarters of the Western sector of the United States under the fascist global state called the New World Order which is planned beyond the year 2000. Atlanta is said to be the centre for the Eastern sector and I remember thinking some years ago how the design of Denver and Atlanta airports were so similar - now I know why.

Colorado is a major centre for the New World Order and the Queen of England, under another name, has been buying upland there. As you will see later, the British Royal Family are massively involved in this story and so is the murder of Diana, Princess of Wales.

end Icke quote

[Note: I recall reading a post some time ago from a person who had a vision of Mammoth Lakes in California exploding suddenly, sending volcanic ash over a HUGE area of the country and turning the sky black. Millions were trying to escape from California before they were buried in Vesuvian fashion, and the skies were full of planes flying refugees out of the area with only the clothes on their back. The vision/dream switched to a large airport near the base of some large mountains, only to show tens of thousands of dispossessed people milling around not knowing what to do. A man with an evil grin looked on and said something like "They don't even know what is in store for them". These people were then herded into underground shuttles to be taken from the airport, but in the vision THEY NEVER WERE RETURNED TO THE SURFACE... the person who had the vision sensed that they were actually shuttled to distant underground bases, possibly under the control of the "New World Order", to be used as a slave labor/work force [they would be expendable, assumed lost in the devastation and chaos] or WORSE! - Branton]

From: Bruce Fleming  
To: theeagle-l@egroups.com  
Subject: [TheEagle-L] Littleton Massacre & Reptilian/Satanism  
Connection Date: Tue, 4 May 1999 06:41:38 +0800

Icke said that Denver (16 km from Littleton), Colorado is a major satanic centre. If it is true. It may explain a lot about the action of these 2 teenagers who killed 15 students (due to extra malevolent influence). Icke published the book in February, two months before it happened. There may be something to it. Below is the mechanism or rather the connection between reptilian, satanism and blooddrinking/sacrifices, etc. Very interesting. Show this to your kids or potential satanists who think it is only a fad or game.

Icke wrote:

"The black magic rituals we know as Satanism are the modern expression of the rituals and human sacrifice in ancient Babylon and the Brotherhood infiltrated societies of the Sumerian, Phoenician, Hittite, Egyptian, Canaanite and Akkadian, peoples, among many others across the world. It has been a seamless procession through history of the same rituals to the same deities and this remains of fundamental importance to the initiates of the Brotherhood today.

My use of the term Satanism has nothing to do with the Christian version of Satan. I use it only to describe a system of ritual sacrifice and torture which, staggering as it may seem; to most people, is commonplace all over the world today. Satanism is just another name for the worship of a highly destructive, negative force which has been given endless names over the centuries. Nimrod, Baal, Moloch or Molech, Set, the Devil, Lucifer, there is no end to them. Satanism perverts everything positive in the same way that the Nazis took a positive symbol, the swastika, and turned it around to symbolise the negative.

This is why the Satanists invert the pentagram and why they use black to symbolise the darkness, hence their Black Mass. But they also reverse the symbolism of white and that is a powerfully negative colour to them.

The Satanic networks, under the names of their various deities, were created by the Babylonian Brotherhood to serve their needs. We have seen that the accounts of the Watchers and their off spring, the Nefilim, include references to their blood drinking activities. The Brotherhood know that blood contains the life-force energy. Drinking menstrual blood has always been a feature of the reptilian bloodlines because they need blood to live in this dimension.

It was known as the Star Fire, the female lunar essence. The female menstrual cycle is governed by the cycles of the Moon and the blood contains that energy. Its ingredients are supposed to ensure a long life. In India it was called soma and in Greece it was ambrosia. This was said to be the nectar of the gods and it was the reptilian gods who are genetic blood drinkers. The 'holy grail' chalice or cup is also symbolic of the womb and ~ drinking menstrual blood, as well as being a symbol of the reptilian 'royal' bloodline itself. Menstrual blood was provided for the Elite of the reptilian 'royal' line by virgin priestesses and this is the origin of the term 'Scarlet Woman' or,

to the Greeks, 'Sacred Woman'. The Greek word for this, Hierodulai, was eventually translated into English as harlot and into German as 'hores', the origin of whore. The word ritual derives from this practice (ritu = redness) and so do the words rite and red. Menstrual blood is one reason why the colour red is so important to Satanists and it is another reason for the constant use of the colour gold by the 'royal' bloodlines. Gold is called the metal of the gods, but to the Anunnaki of the Sumerian Tablets, menstrual blood was the 'gold of the gods'.

The reptilians and their crossbreeds drink blood because they are drinking the person's life-force and because they need it to exist in this dimension. They will often shape-shift into reptilians when drinking human blood and eating human flesh, I am told by those who have seen this happen. Blood drinking is in their genes and an Elite high priestess or 'Mother Goddess' in the hierarchy, who performed rituals for the Brotherhood at the highest level, told, me that without human blood the reptilians cannot survive in this dimension.

Her name is Arizona Wilder, formerly Jennifer Ann Green. Interestingly, she said that the reptilians had been pursuing the Aryan peoples around the universe, because the blood of the white race was particularly important to them for some reason and the blondhaired, blue-eyed genetic stream was the one they wanted more than any other. They had followed the white race to Mars, she said, and then came to Earth with them. It is far from impossible that the reptilian arrival on this planet in numbers was far more recent than even many researchers imagine. An interbreeding programme only a few thousand years ago between the reptilian Anunnaki and white Martian bloodlines already interbred with the reptilians on Mars, would have produced a very high reptilian genetic content. This is vital for the reasons I have explained earlier. They appear to need a particular ratio of reptilian genes before they can shape-shift in the way that they do. But when the interbreeding happened is far less important than the fact that it did happen.

Satanism is based on the manipulation of energy and consciousness. These deeply sick rituals create an energy field, a vibrational frequency, which connects the consciousness of the participants to the reptilians and other consciousness of, the lower fourth dimension. This is the dimensional field, also known as the lower astral to many people, which resonates to the frequency of low vibrational emotions like fear, guilt, hate and so on. When a ritual focuses these emotions, as Satanism does, a powerful connection is made with the lower fourth dimension, the reptilians; These are some of the 'demons' which these rituals have been designed to summon since this whole sad story began thousands of years ago. This is when so much possession takes place and the reptilians take over the initiate's physical body. The leading Satanists are full-blood reptilians cloaked in human form. These rituals invariably take place on vortex points and so the terror, horror, and hatred, created by them enters the global energy grid, and affects the Earth's magnetic field. Thought forms of that scale of malevolence hold down the vibrational frequency and affect human thought and emotion. Go to a place where Satanic rituals take place and feel the malevolence and fear in the atmosphere. What we call 'atmosphere' is the vibrational field and how it has been affected by human thought forms. Thus we talk about a happy, light or loving atmosphere, or a dark or foreboding one. The closer the Earth's field is vibrationally to the lower fourth dimension, the more power the reptilians have over this world, and its inhabitants. Satanism is not just a sickness and a perversion,

although, it is that also, its main reason for existence, from the Brotherhood's point of view, is to control the Earth's magnetic field; to worship and connect with their reptile masters; to drink the life force of their sacrificed victims; and to provide energy for the reptilians who appear to feed off human emotion, especially fear. These sacrifices are, literally, sacrifices to the 'gods', the reptilians, and they have been happening for thousands of years. The mass sacrifice of people by the Aztecs in Central America, and so many others, were to provide food for, the physical reptilians and crossbreeds who eat the bodies and drink the blood, and energy nourishment, for the non-physical reptilians of the lower fourth dimension. Phil Schneider, a builder of US underground bases, told the writer and researcher, Alex Christopher, that when children reached the point where they could not work anymore in the slave conditions underground, they were consumed by the reptilians. They prefer young children because they are not contaminated like adults. Hard to accept isn't it? I'm sure your mind is screaming 'nonsense' at you because who wants to face a truth like this? But unless we do, how is it ever going to be stopped?

Satanic rituals generally take place at night because that is when the magnetic field is most stable. During the day the electrically charged particles of the solar wind cause turbulence in the field and make interdimensional connection more difficult. It is most stable during total eclipses and this is when native peoples held their most important ceremonies to contact and manifest other-dimensional entities. The tribal shamans know this. Satanic rituals and human sacrifice, especially of children, are performed on a vast scale and involve some of the most famous politicians, business people, media owners and entertainers on the planet. Of course they do. It would be amazing if they did not, given the background. These rituals and human sacrifice have always been the foundation of the Brotherhood 'religion' since ancient times. And the Brotherhood manipulates its Satanic initiates and 'gofers' into the positions of political, economic, business, military, medical and media power, and into influential positions in the world of entertainment. Therefore the ratio of Satanists and child sacrifices at the top of these professions and institutions is staggeringly high compared with the general population. Apparently, according to former Satanists I have met and read about, some world politicians are addicted to blood taken from a victim at the moment of sacrifice because of the adrenaline which is produced at that time. I am told this addiction is quite common among Satanists, and researchers into the reptilian question suggest that this is the substance the reptiles also want. It all fits."

(Note: Below is the reference to Denver, Colorado being a major satanic centre. I checked with Encarta World Atlas and Littleton is only 16 km from Denver) "Low income parents, and those addicted to drugs, are at the mercy of the Freemasons and Satanists operating among the social services hierarchy and judges. Their children are often taken away from them for Satanic ritual or mind control projects. So called 'crack' babies are apparently sought after for mind control operations, as are twins. I know of twins who were crack babies in Denver, Colorado, a major Satanic centre. They were first taken from their parents and given to foster parents. Later they were taken from the foster parents by Denver SOCIAL SERVICES after the husband was murdered in very strange circumstances and they were given to a single woman who had turned up out of nowhere after the murder and offered to be a nanny to the children. The Satanic ring centred in Denver connects into Boulder, Colorado and this was where the child beauty queen, JonBenet Ramsey, was found murdered in her

parents home in very mysterious and unexplained circumstances in December 1996 .  
The American coroner and investigator, Dr Cyril Wecht, says that the evidence  
Proves that her death happened during sexual abuse by her parent, John and Patsy  
Ramsey.

JonBenet was murdered on Christmas Eve and Josef Mengele created a sacrificial  
ritual for this date called "The Last Bulb of the Christmas Tree". Mengele's  
pseudonym, Greenbaum, means green tree and relates to the Cabalistic Tree of Life.  
A Brotherhood term for the devil is JonBet and the coincidence is so amazing that,  
given the other circumstances, I cannot believe this was not the true inspiration for her  
name.
