FOREWORD BY JAKE TAPPER

To whom it may concern:

The December 1976 issue of MAD magazine, with the Fonz on the cover, sprung out from the newsstand and enthralled a seven-year-old Jacob Tapper. A seduction of the innocent, as it were.

From that date through my adulthood, MAD magazine has been poisoning my mind with its rudeness, disrespect and unadulterated nonsense.

Throughout my childhood, I collected back issues (purchased at Fat Jack's Comics in Philly) and a library's worth of paperbacks — anachronistic material cynically re-packaged and inserted on supermarket shelves for gullible young children to sneak into the grocery cart. Not entirely unlike the volume you hold in your hands right now.

It is a sickness.

How am I supposed to explain to my classy and brilliant wife that one of my prized possessions is Mort Drucker's original art from issue #276, of President Reagan and Senator Gary Hart? What am I supposed to tell her about why I had it framed? Where on earth would you propose I hang it in my otherwise adult-themed house?

How do I explain the thrill when my friend Stephen Colbert emailed to tell me that Ward Sutton had caricatured me in issue #540, except to say that I mention it here so you now know that Stephen Colbert is my friend?

Since 1952, MAD has been corrupting the minds of impressionable youth with outrageous and often mean-spirited, puerile and occasionally libelous "satire."

I agreed to write this essay honoring this book not because I think it remotely appropriate that the commie offspring of MAD's forefathers are devoting an entire book to disrespecting the commander-in-chief — exploiting the fascination the public has with him while also trying to make a cheap buck from it (which honestly should only be allowed by cable news).

I write this not to celebrate that somehow you have all escaped committal to a hospital of the criminally unfunny.

No, I do it because I revere the First Amendment, and I recognize that it cloaks not only the important and worthwhile journalism I share with the world on a daily basis, but the likes of you as well. And the more you are permitted to be deranged, the more Stephen Bannon will focus on you and not me.

Hoping for the best and expecting the worst,

Jake

Forrest Trump

Whether you love or hate Donald Trump, you have to admit one thing about him: he is the President! Seriously, you have to admit it — it's not healthy to keep living in denial! Once you've made peace with that (we'll wait), you can see how he compares to everyone else who's done the job!

EDGE: ADAMS

THOMAS JEFFERSON

Martin Van Buren was blamed for the depression of 1837. Trump was blamed for the depression of half the country, plus another three million voters

EDGE: VAN BUREN

WILLIAM HENRY HARRISON

William Henry Harrison was President for just one month before he bit the dust. Trump was president-elect for just one week before many of his campaign promises bit the dust.

MELANIA TRUMP DENIES PLAGIARIZING MICHELLE OBAMA

Four score and seven years ago, I reluctantly agreed to give a speech saying nice things about my husband.

You want the truth? You can't handle the truth! I did not plagiarize from that woman.

You go to the Convention with the speech you have, not the speech you wish you had.

I tell ya, I get no respect! The tribe has spoken! Bye, Felicia!

TRUMP SAYS OBAMA NOT AMERICAN THE BORN IDENTITY

Some would say that Donald Trump is a narcissistic clown, an empty suit, a shameless self-promoter, a moronic braggart, a miserable bastard with bad hair, a pompous media-whore of a man. And they'd be right! But one term no one would ever use to describe him is "credible Presidential candidate." Yet for a few fleeting weeks in 2011, The Donald talked about running for President and the gullible media played along. His campaign strategy was simple: hitch his political bandwagon onto the right-wing wacko movement that was convinced Barack Obama was born in Kenya. Trump got plenty of media coverage as he boasted it was "unbelievable" what his investigators had turned up about the President. But when the White House released President Obama's birth certificate, The Donald's run for the Presidency came to an abrupt halt. Just like this intro.

ARTIST: ROBERTO PARADA

WRITER: DESMOND DEVLIN

For a while now, Donald Trump has been traveling around the country pledging to "Make America Great Again!" It's a fine campaign Latinos, Gold Star families, women and the disabled is time-consuming, so maybe he just hasn't had time to figure it all out. Well, we here

THE MAD "I WILL MAKE AMERICA GREAT AGAIN"

I WILL MAKE AMERICA GREAT AGAIN...
by refusing to click on any web story promising "12 Incredible Wardrobe Malfunctions," even IF number 7 will make my "jaw drop!"

I WILL MAKE AMERICA GREAT AGAIN...
by finding some little-known clause in the Child Labor laws and exploiting it to permanently ban those godawful "Kars 4 Kids" commercials!

I WILL MAKE AMERICA GREAT AGAIN...
by only saying "Whoever smelt it, dealt it" when I'm *positive* that's the case!

I WILL MAKE AMERICA GREAT AGAIN...
by swiping left on all vapers!

I WILL MAKE AMERICA GREAT AGAIN...
by not braking if some idiot playing Pokémon Go walks in front of my car!

I WILL MAKE AMERICA GREAT AGAIN...
by taking the extra ten seconds to fix idiotically autocorrected text messages!

I WILL MAKE AMERICA GREAT AGAIN...
by refusing to dress my terrier in a sweater that matches my own!

I WILL MAKE AMERICA GREAT AGAIN...
by not even trying to pretend that my tramp stamp is meaningful!

slogan, but Mr. Trump has been woefully short of details on how exactly he'll do this. To be fair, alienating Muslims, veterans, at MAD know EXACTLY what's wrong with the U.S. AND how to fix it! And you will, too, once you rise, raise your right hand and recite...

GREAT AGAIN" CITIZEN'S PLEDGE

ARTIST: WARD SUTTON

I WILL MAKE AMERICA GREAT AGAIN...
by never Googling "When will the McRib return?"

I WILL MAKE AMERICA GREAT AGAIN...
by removing any campaign bumper stickers from my car if it is no longer the decade in which the election occurred!

I WILL MAKE AMERICA GREAT AGAIN...
by refusing to ever give the cashiers at Home Depot, Bed Bath & Beyond or any other nosy store my zip code, area code, phone number or any other personal information!

I WILL MAKE AMERICA GREAT AGAIN...
by never uttering the phrase "so much for global warming" during a snow storm

I WILL MAKE AMERICA GREAT AGAIN...
by never again talking on the phone while sitting on a toilet!

I WILL MAKE AMERICA GREAT AGAIN...
by using no more than three emojis when sending a condolence text!

I WILL MAKE AMERICA GREAT AGAIN...
by lying through my teeth to every political pollster who calls me between now and election day!

I WILL MAKE AMERICA GREAT AGAIN...
by never uttering the jingoistic, meaningless phrase "Make America Great Again!"

TRUMP CHRISTMAS CAROLS

Oy to the World

(Sung to the tune of "Joy to the World")

Oy to the world — for Trump has won
And all — the polls — were wrong!

Let everyone

Be pissed and glum

And women and black folks shriek!

And Mormons and Muslims freak!

The en-ti-re-coun-try is up sh*t's creek!

White Country

(Sung to the tune of "White Christmas")

I'm dreaming of a white country

Just like supporters in my base

Where Latinos garden

And black folks pardon

All my insults to their race

I'm dreaming of a white country

Led by my friends on the alt-right

En-dure the riots I in-cite

And may all our citizens be white!

Build the Wall

(Sung to the tune of "Deck the Halls")

Build the wall along the border

(Trump-a-la la la, Trump la-la-la)

Wide and high and that's an order

(Trump-a-la la la, Trump la-la-la)

Immigrants will not be staying

(Trump-a-la, Trump-a-la, la-la-la)

Mexico will be stuck paying!

(Trump-a-la la la, Trump la-la-la)

They're all rapists and bad hombres

(Trump-a-la la la, Trump la-la-la)

They hate Trump just like Mitt Romney

(Trump-a-la la la, Trump la-la-la)

Don't be scared, please do not panic

(Trump-a-la, Trump-a-la, la-la-la)

'Long as you are not Hispanic!

(Trump-a-la la la, Trump la-la-la)

and Sessions and Mike Pence
Bannon and Priebus,
all men who make no sense...

But do you recall
The most unhinged spokesman of all?

Rudy the Trump supporter
Had a snarling ugly smirk
Invoking 9/11
You could say he was berserk

Screaming at the convention
Sounding like a man insane
Rudy was just as scary
As snakes crawling on a plane

Then Trump won election night
And soon came to say
"Rudy with your tone of hate
You might be my Sec. of State"

But Rudy was passed over
Which filled many hearts with glee
Rudy the Trump supporter
You'll go down in in-fa-my!

Oh Little Town of Washington

*(Sung to the tune of
"Oh Little Town of Bethlehem")*

Oh little town of Washington
The swamp it's time to drain
And God help us it's Reince Priebus
The guy with the weird name
And yet he rose to power
Though smart as Forrest Gump
He's such a jerk and still has work
All thanks to Donald Trump

O No Here Comes Mike Pence

*(Sung to the tune of
"O Come All Ye Faithful")*

Oh no, here comes Mike Pence
Scornful and self-righteous
He's gutting, he's cutting
Planned Par-ar-enthood
Mandating funerals
For aborted zygotes
Oh come let us abhor him
It's dangerous to ignore him
Just who the hell is for him?
Mike Pence, good Lord!

HOW MELANIA TRUMP PLANS TO FIGHT ONLINE BULLYING

Dressing in a bikini, pouting, begging for civility

Being a figurehead and letting Mike Pence's wife handle the whole thing

Teaming up with Amazon for a sting operation promoting "Free Shipping for Cyberbullies" — then nabbing anyone who tries to order

BRINGING WORLD'S END

Every week *The Apprentice* ends with a contestant getting pink-slipped and told why he or she doesn't measure up business-wise — but never the one person who, week after week, consistently shows bad business judgement, makes embarrassing corporate decisions and, frankly, has one of the worst résumés in corporate history! This is an easy one. We're sorry, but...

...DONALD TRUMP, YOU'RE

For starting every season with 16 or 18 varied, multicultural contestants of both genders, only to pick as the winner another boring, corporate, brown-nosing white guy... **...Donald Trump, YOU'RE FIRED!**

For pretending on network TV that any real businessman in his right mind would hand over the reins of a major building project to some guy who won the job by selling four cups of lemonade in the middle of a city street... **...Donald Trump, YOU'RE FIRED!**

For being a dude with a zillion divorces, bankruptcies and/or mistresses who lectures contestants on "ethical behavior"... **...Donald Trump, YOU'RE FIRED!**

For continually claiming your show is the highest-rated show on TV, except for the seven other shows that consistently and inconveniently out-viewer you... **...Donald Trump, YOU'RE FIRED!**

For wasting sixteen weeks to impart such rare gems of Trump business wisdom as "Think big"... "Work well with others" and "Love what you do"... **...Donald Trump, YOU'RE FIRED!**

For subjecting America week after week to that moronic, gravity-defying, architecturally-unsound, can't-be-mocked-enough hairdo from no known period in coiffing history... **...Donald Trump, YOU'RE FIRED!**

FIRED!!!

For encouraging every other annoying, charisma-deprived *Benefactor* and *Rebel Billionaire* to clog the airways with their own lame-o business reality shows...

...Donald Trump,

YOU'RE FIRED!

For being the only human in the history of planet Earth to own a casino that *LOST MONEY*...

...Donald Trump,

YOU'RE FIRED!

For picking female contestants with pouty lips, do-me hair and big boobs and then chastising them for using sex to get ahead...

...Donald Trump,

YOU'RE FIRED!

For somehow convincing the world your nickname should be "The Donald" instead of more appropriate monikers like "The Dickwad," "The Deadbeat," or "The Debt-Ridden-Diddler-of-Beauty-Pageant-Rejects..."

...Donald Trump,

YOU'RE FIRED!

For criticizing others about "not thinking outside the box" when your sum-total marketing strategy involves pathologically slapping the word "Trump" on everything in sight...

...Donald Trump,

YOU'RE FIRED!

For mentally ruining that hip-cool "Money, Money, Money" song by forever linking it to slow-motion images of a certain white, middle-aged, bloated, funk-free, lard-ass pucker-squinting his way out of a gold-plated helicopter...

...Donald Trump,

YOU'RE FIRED!

For somehow making *Joey* the **SECOND** most embarrassing show on NBC Thursday...

...Donald Trump,

YOU'RE FIRED!

For unironically coming to the conclusion that it's perfectly reasonable for a bankruptcy-skirting, junk-bond-peddling, deal-renegeing, contract-welching business-weasel to be the spokesman for Visa credit cards...

...Donald Trump,

YOU'RE FIRED!

REVELATIONS FROM TRUMP'S VOTER FRAUD INVESTIGATION

- Despite the fact that Illinois is Hillary Clinton's birthplace, clearly-biased Illinois voters did not recuse themselves during the election
- Apparently, the country is still using the ridiculously antiquated "Electoral College" system, under which a candidate who loses by millions of votes can still win the election
- There's also something really screwed up with the voting for the NBA All-Star Game when Russell Westbrook isn't even starting
- Millions of California residents cast ballots despite being born in other states
- In several Oregon precincts, gag write-in votes for Stewie Griffin were illegally changed to gag write-in votes for Spongebob

WRITER: JEFF KRUSE ARTIST: JOSE GARIBALDI

TRUMP'S DEBATE DEMANDS

- At the debate's conclusion, he may "fire" a rival of his choosing
- The other nine candidates must share one microphone
- Access to a different bathroom than the one used by Chris "The Brown Fog" Christie
- Permission to walk over and give Jeb Bush a noogie every five minutes or so
- A waiver of CNBC's unreasonable "pants-wearing" policy
- Have a laugh track cued up for each time he makes one of his hilarious comments about Mexican rapists
- Every other candidate's responses must be followed by the "sad trombone" sound effect
- A solid-gold letter "T" must emblazon each candidate's podium
- Absolutely NO fact-checking by CNBC's moderators
- Free WiFi

YOU'RE EXPIRED! DEPT.

When *The Apprentice* turned into *Celebrity Apprentice*, they only forgot one itty-bitty thing. Celebrities! Last season's washed-up wannabes and barely-weres packed all the star wattage of a sputtering bug zapper. Mr. Donald Trump is a man accustomed to the best in life. Therefore, any celebrity project bearing the Trump name should reflect the unforgettable, shared moments of human culture. The Roman Empire! The Renaissance! Shaving Vince McMahon's head on pay-per-view! So don't ask how it's happened, just root for the history-making superstars as they fight to become...

THE DEAD

I'm Donald Trump, welcoming you to the Trump Boardroom of the Trump Organization, atop magnificent Trump Tower! This is my oily son, Donald Trump Jr., and my waxy daughter, Ivanka Trump! Trump Trump Trump, Trumpy Trump *Trumprumprump!* Let the fruit of my groinal Trumpatozoa fill you in with the details!

Don't let my slack, inert face fool you! On the inside, I'm a seething cauldron of emotion! And last season's cast of mediocrities made me sick! That's why we spared no expense to pervert genetic science in a deeply obscene way! Presenting the members of Team Zombie!

Bow to Cleopatra! As Queen of Egypt, I held unimaginable power! And my millions of subjects treated my every utterance as the received wisdom of a living god. Think Oprah, but without the Book Club!

They called me the Babe! The Bambino! The Sultan of Swat! I'm fat enough for three nicknames! I led my teams to ten World Series! I only wish they had steroids back then. I could have won twenty championships! Including the Kentucky Derby! And not as a jockey, either!

How right you are, Jesus! Each of us must face personal damnation or salvation at that moment of supreme judgment! And that'll all be handled by Dad, in the *Dead Celebrity Apprentice* boardroom! Introduce yourselves, Team Sarcophagus!

I may be a hunka hunka rotting flesh, but I'm 1,000% confident that I'll win this competition! Of course, I ALSO thought I'd live to be 45 on a daily diet of pig's feet, peanut butter and prescription drugs!

To be on *Dead Celebrity Apprentice*, or to be on *Celebrity Rehab*, that is the question! Because between thou and me, I hath got a pretty strong addiction to mead! As a keen observ'r of the human condition, I will have much to speak upon my experiences here. And you can check it all out on <http://www.bardofavon.blogspot.com/>!

CELEBRITY APPRENTICE

To restore Germany's glory, I plunged her into a ruinous war! As a **shrimpy, black-haired nebbish**, I promoted the ideal of the **blonde Aryan superman!** Now, as a virulent **racist and anti-semite**, I've decided to chill out with a **media job** in the racially pure world of **show business!** Hmm...maybe it just ain't my **millennium!**

Why, it's me, **Groucho Marx!** The pleasure is mine, being on a series with **The Donald!** I think I'd rather be with **The Mickey and The Goofy!** What a show! You mean I got up from a **dead sleep** for **THIS**, when I could be home, **decomposing my memoirs?** I'd call my agent to complain, but he died in **1929!**

I am **Emperor Nero!** I was a hated leader with **daddy issues** who **seized power vnder mysterious circvmstances**, **bankrvpted my country**, and **dawdled** while one of ovr **major cities** was **destroyed!** Nevertheless, **55% of Roman citizens** said I'm the **tyrant** they'd rather have a **beer** with!

I tell you, on the **day of judgment** you will have to give an **account** for every **careless word** you utter; for by your **words** you will be **justified**, and by your **words** you will be **condemned!**

As your **37th President**, my many **enemies** called me the most **paranoid, ruthless, sneaky** and **contemptible** man ever to hold the **office!** For this **backstabbing** show, I'm **slightly underqualified!**

Dooby dooby doo! **Old Blue Eyes** is back, this time from the **grave!** The name "**Frank Sinatra**" guarantees results! In my career, I was responsible for **203 hits!** Or **208 hits**, if you believe the **FBI files!**

Representing the **gallant patriots** of the **American Revolution**, I am **Betsy Ross!** Almost nothing is known about my life. I'm pretty much **famous** for **sewing a flag**, and that's it! Hey, it's more of a **résumé** than **Omarosa's!**

I'm **pro wrestling legend Andre the Giant**, and I'm a major "**get**" for any **reality TV series!** At **500 pounds**, I could be on **The Biggest Loser!** I could reunite with **Hulk Hogan** on **Hogan Knows Best!** And with so many **choreographed matches**, I'm a **natural** for **Dancing with the Stars!** Heck, I could even be on **Survivor** — as the **island!**

This is a cutthroat, anything-goes competition that only one of you will survive! But first, Jesus Christ will give us one of His famous pep talks!

What shall it profit a man if he gains the whole world but loses his soul? It is easier for a camel to pass through the eye of a needle than for a rich man to enter the Kingdom of Heaven! You cannot serve both God and Money! Love others as well as you love yourself!

I'm just not following You, J-Dawg! Does not compute! No wonder You only had one best-selling book, while I've had a dozen! Your holy message of honesty, love, peace and forgiveness won't last ten minutes in today's TV programming! I hate to do it, but Jesus...YOU'RE FIRED!

Father, forgive him, for he knows not what he does!

Before we begin, I know there are some of you who've never even heard of New York City! Raise your hands. I'm seeing Shakespeare, Nero, Cleopatra...and BABE RUTH? Didn't you play for the Yankees?

I don't know, possibly! *Burp!* I was pretty wasted!

I thought long and hard about what would be a good task to kick the proceedings off. I wanted it to be totally fair to both sides! The first challenge will be a flag-sewing competition!

Awwwwww, BOOOO-yeah! In your FACE, Hitler!

I sure do remember Flag Day back in 1927! I belted three home runs, two taxi drivers, and a cop!

Big boy, I can almost see you now, slugging those home runs in Yankee Stadium. But I can't see Yankee Stadium! An old joke, I admit. But I haven't gotten a dime from NBC in fifty years, and they get what they pay for! If you've got a dime, that joke can be yours. Pay me a quarter, and I'll never tell it again! Now that's a deal you can't beat with a stick! But don't take my word for it. For 50 cents, I'll sell you a stick!

This hackneyed design is yesterday's news! Team Zombie's composition has much more appeal! Betsy, YOU'RE FIRED!

You know what, I'm still feeling cranky! **Babe Ruth, YOU'RE FIRED!**

Fired? Well, I'll be a **monkey's uncle!** What did I do?

Nothing, really. But something about you keeps reminding me of **Rosie O'Donnell!**

New challenge! I'm giving each of you a **Jamba Juice** franchise! Whichever team can sell the most **liquid product** in one day will be the **winner!** And talk about **delicious?** Mm-MMM! It's **Jamba-riffic!**

Wow. What blatant **product placement!** And I thought the **World Wrestling Federation** was **phony** and **shameless!**

You better believe it! For a **lucrative sponsorship deal,** I'd have you all kiss **Mr. Jamba's pimply ass** in **Macy's window!** Hmm...suddenly, I smell **spinoff!**

DAS IST VERBOTEN!

Shakespeare, you're a **writer!** We need an **ad slogan.** Something **snappy,** like "**Nixon's the one**" or "**Zoom zoom zoom!**"

I hath got it! "*When your **inner appetite** need be **slak'd** / And **e'en water** shall **moist** your **lip** in **vain** / Be **ably placated** by our **boutique** / As **ho-sannas** echo within **yon bowels.**"*

Shakey, your **thee's** and **thou's** don't grab me! Your idea of a **modern audience** is anybody who goes to the **bathroom indoors!** Get with the **program!**

I'm taking charge of this session. Let's take it from the **top!** When the **day** is **hot,** but your **liver's shot,** drink **Jamba Juice.** At a **swank resort,** why not take a **snort** of **Jamba Juice?** Grab a **verse,** **Fabian!**

The **juice** we're **ah-squeezin'** is **oh so pleasin',** It makes me **uh-wanna shake!** I drink a **mango smoothie,** and film a **lousy movie,** But the **juice** takes **longer to make!**

Hold it. **Tricky Dick** here **erased** the **tape!**

Sorry. It's an **old habit!**

What is this **yummy** flavor? **Wheatgrass?** **Carrot passion?** **Green why?**

Bacon grease, ma'am! Try another one. It's just **38,000** calories per serving!

Nothing's working! We need **customers!** O, mighty **Horus,** ruler of the sky, I anoint your **statue** with **scented oils!** Gaze upon your **servant,** and imbue our **juice hut** venture with a **brisk lunchtime turnover!**

I knew **Horus** when he was just a **baby!** He was a **good egg!** In fact, he almost became a **rare amulet,** but that's another story! One of **Ptolemy's,** most likely. Whenever I heard a **good story** about **Horus,** I'd say a **little bird Ptolemy!** Thick as **Thebes,** we were. Every summer, we used to sail up the **Nile** and over to **Italy!** That's where we met **Isis!** And on a **hot day,** there's nothing like **Italian Isis!**

LIGHT ANANA MANGO PASSION TREATS

WHOLE SOME HEALTHY TREATS

OUT TO LUNCH

These totals are shocking! Team Sarcophagus did very well, selling 182 gallons! But Team Zombie unloaded 750,000 gallons of Jamba Juice! How is that even possible?

German efficiency! I secretly connected our juice supply to the New York Fire Department's hoses!

And I pvt the flaming torch to several local strvctvres — Trvmp Towers, Trvmp Plaza, the Trvmpapoltan Mvsevm of Art, Trvmp Grain Silo, Trvmp Lanes Bowling Emporivm and the Trvmp Interspecies Brothel! Then I fiddled while they bvrned, and ovr team's jvice flowed!

Nero, you toga-wearing twit! There's no profit margin in smoke inhalation! I'm angry about YOUR FIRES! Therefore, YOU'RE FIRED!

It's also come to my attention that a certain crooked contestant has diverted some of the Jamba Juice into his own secret "slushie fund"! Let me make one thing perfectly clear: Nixon, YOU'RE FIRED!

Aw, #*\$%! Not again!

I've decided to shake the game down to its very foundations! I'm taking ALL the members of Team Zombie, and I'm switching them for all the members of the other team! And vice versa!

Way to go, Dad!

That's the kind of meaningless dramatic twist that reinvigorates an otherwise stale and tiresome formula!

And we're not just saying that to suck up to you because we know that somewhere out there, there's a hot, unknown 14-year-old with a Slovakian accent that you will some day end up marrying and will try to talk you into cutting us out of your will!

Dead celebrities, your next task is to create a new promotion for Central Park!

Ah, look at all this open space! "When I have seen the emerald sprawl unfurl / T'would ebb and bloom yet ne'er cause breach / Any man may think himself an earl / As Nature claims its glory and its reach."

Sickening, isn't it? If the City Council had half a brain between them, they'd let me bulldoze the whole meadow area, and put up a modest, unobtrusive 68-story skyscraper!

The Central Park Children's Zoo is for kids! Kids don't pay for rent, or gasoline, or groceries. Kids equal disposable cash! I propose we transform the zoo into Manhattan's first casino!

If we're going to build a casino, let's make the floors nice and soft! It was always tough on my back, passing out on stage!

Toil harder, slaves!
Work without cease!
Or your Queen swears
you will never live to
see Ra's sunset!

It's a little under-
stated, but I like it.

They gave me this job because
I'm a well-known chiseler! I only
wish I knew how to spell **W**! Say,
it's getting dark. Could you send
someone in here with a flash-
light? Preferably a young blonde!
Make it **two** blondes, and you can
forget about the flashlight!

Daddy,
why are
you
glowering
9%
more
than
normal?

Because the dead celebrities wrecked the park with
their illegal construction, New York has yanked my
real estate license! Atlantic City's pulled my gaming
license! I.M. Pei, Pink Floyd and Dick Clark Productions
are all suing us for plagiarizing their pyramid!
But the capper was landscaping Central Park's water
reservoir into the shape of a swastika! That was too
tasteless...even for me! Hitler, YOU'RE KAPUT!

Ach!

Why can't two of America's most "beloved" celebrities just get along? Are they that diametrically opposite that they can't help but despise the other? Or is it their similarity that fuels their hatred? We report, you decide with this invaluable reference chart...

TRUMP TWEETS THANKSGIVING

Saw [@PresidentObama](#) pardon the turkey. Unimpressed. I like turkeys that DON'T get captured!

Love the kids' table — it's the perfect place to scout out my fourth wife!

So excited for [@MelaniaTrump](#)'s Thanksgiving specialty: frozen corn & Crispix with ketchup. Now that's eating!

Not going to [@DonaldJTrumpJr](#)'s for Thanksgiving. Last year he served the endangered elephant he shot. Gamey!

A great day to remember how the Indians welcomed the Pilgrims to America, but NOT Muslims or Syrian refugees. Smart!

If you're committing hate crimes in my name, please stop. It's Thanksgiving, for God's sake! You can always pick it back up tomorrow!

DONALD TRUMP

You've somehow made the transition from social, pro-choice liberal to bible-quoting, xenophobic conservative, so now transition your summer outfit into one that's perfect for fall. Layer up by tossing our cashmere sweater jacket over your favorite tee (available in white only). What better way to show supporters that you can dress down and have a little fun while *still* being fascist forward? (Sorry...we meant *fashion!*) And talk about irony: distressed Indigo denim jeans are actually made in Mexico!

You're not especially bright, charismatic or experienced, yet your party's puppet masters have anointed you as the "establishment candidate," so you don't want to let them down. No worries! In our hand-stitched jacket and colorful gingham shirt, you'll stand out like a black dude at a Tea Party rally, while tailored trousers offer pockets deep enough to hold wads of Koch Brothers cash! Finally, our classic cowboy boots with Cuban heels not only make you look taller in the saddle, but are great for kicking your fellow Latinos out of the country you're so fortunate to call home.

TED CRUZ

Do clothes make the maniac? Our Canadian-made leather bomber jacket and camo pants are the perfect combination, whether you're fear-mongering to scare up votes or threatening to carpet-bomb Islamic nations back to the Stone Age. Sure, you can push to deny healthcare to millions of Americans, but there's *no* denying that this outfit will set you apart from the other fanatical demagogues in the crowd. And best of all: just like bigotry, intolerance and mindless nationalism, this classic look never goes out of style!

Leather bomber jacket \$519

PAUL RYAN

“Dressy casual” may sound like a contradiction — like preaching Christian values while cutting social programs for the poor and sickly — but our straight-leg Chinos with sport jacket and plaid poplin shirt are the perfect fit, whether you’re kicking back on a mega-donor’s yacht or negotiating backroom deals with your party’s lunatic fringe. Best of all, this ensemble is budget-friendly, so even moochers, “takers” and welfare dads can look like a million bucks. Now make your boldest statement yet with this funky and flirty heritage silk ruffle dress. Dodging investigations, insulting reporters, bullying teachers...your busy lifestyle demands an active wardrobe made of light, breathable fabric — especially when breathing *itself* is such a challenge. Our taut patterned shorts and retro *On the Waterfront* cropped tanktop allow you to wave your veto pen at sensible gun legislation without hardly breaking a sweat. Finish it off with our sporty suede slip-ons. You may not be able to see your feet, but take our word for it — you're stylin'!

Just because you've blown through millions of dollars in a disastrous election bid doesn't mean you have to spend a fortune on clothing. With our affordable cashmere vee pullover and vintage straight chinos, you can at least dress the part, just like the "smarter" Bush brother! Even better, the sweater is reversible, just like your stance on immigration reform. Finally, our low-cut nubuck sneaker offers cushioned arch support, whether you're running from your brother's war record or simply running your own campaign into the ground.

7 WAYS THAT DONALD TRUMP CELEBRATED HIS 70TH BIRTHDAY

- Spending the day recklessly fomenting racial hatred, then hitting up Dave & Buster's for a few rounds of Skee-Ball
- Angrily beating on a piñata because, well, it was made in Mexico
- Tweeting out 70 new bulls#!t lies about Obama
- Trying to choke down the cake that Melania attempted to bake
- Opening the birthday card from his "African-American"
- Having his pal, Dr. Ben Carson, check his prostate
- Honestly, we have no idea, but there is "something going on"

It's time to make the funny pages great again! So let's turn back the clock (and social progress) as we grimly smile at the antics of America's First Dad and Mom, and their adorable scamps...

THE TRUMP

"Dad's punishing me for sayin' the seven dirty words. 'Live, from New York, it's Saturday Night!'"

"Daddy, where'd Chris Christie go?"

Because the artist shares President Trump's work ethic, today's cartoon was drawn by little Donny (age 39 1/2).

My father is the #1 best at international relations!

"No, sweetie, not EVERYTHING is radical Islamic terrorism."

TOP FAMILY CIRCUS

"2+2 is 4, which is what my daddy said you are after he saw you at the last parent-teacher conference."

"Who thinks your father can bring this divided nation together?"

The Startling Similarities and Differences Between TRUMP'S PRESS CONFERENCE and A BUS STATION BATHROOM

Is full of ugly sounds that you'll never be able to unhear

Makes you question the existence of a just and loving God

Features a high degree of decorum and respect for those who have gone before

There's someone on staff capable of cleaning up the resulting messes

Is a good setting for learning facts about geopolitical complexities

S#!t, s#!t and more s#!t!

DONALD TRUMP'S ADVISORS INNER CIRCLE JERKS

Some people say "winning is everything." Those people are dumb. But when you get in league with an unqualified, borderline-psychotic political candidate just so you can win, when you sell out your core principles and use all your political skills to help that candidate capture the Presidency of the United States, you're not just dumb, you're immoral. And so it is with the men and women who chose to overlook Donald Trump's racist, misogynistic, xenophobic words and deeds and set about electing him President. "Born-again Christian" Mike Pence had no problem ignoring Trump's vulgarity and mockery of the handicapped. Kellyanne Conway gave him a pass when he said he likes to grab women's pu**ies, and Senator Ted Cruz evidently had no trouble with Trump bizarrely implicating his father in killing JFK. There were others, and they all checked their values at the door.

WHY WON'T TRUMP RELEASE HIS TAXES?

- His longtime accountant, Muhammad Sanchez, is an illegal Mexican-Muslim
- In 2005, he tried to write Melania off as a business expense
- There's the matter of his 2013 payment of \$10,000,000 to a "Pladimir Vutin"
- Since 1976, he's listed his occupation as "Money-Grubbing Con Man"
- Hillary Clinton released hers — proving that only crooked losers release their taxes
- If he does, he'll be exposed as a devious, hypocritical, tax-dodging scumsack

SILVER LININGS OF TRUMP'S PRESIDENCY

- Anyone who's tired of our national anthem will enjoy the new one, "Государственный гимн Российской Федерации"
- America will never have another election that's so divisive and vitriolic, because America will never have another election
- History won't repeat itself, because the second host of *The Celebrity Apprentice* can't become President
- You'll soon breeze through customs lines when returning to the U.S. — because foreigners will have stopped coming here altogether
- America will be great again — duh!

THE REPUBLICAN PRESIDENTIAL CANDIDATES

GOP'S A CROWD

Jesus only needed 12 apostles, yet in 2016 the Republicans needed at least 16 candidates for President. We're not sure what our point is, but we thought it interesting to note. Indeed, there were so many crackpots, losers and hacks in the race, we couldn't even fit them all in this painting! One more point: the selection of Mr. Trump to be at the center of this painting was not accidental. Every time he opened his mouth, at least one person in America exclaimed, "That guy's running for President!?! Jesus Christ!"

“When I watch a George Will or a Charles Krauthammer, you know, I’ve watched them for years, they’re losers. They’re just losers.”

“Jeb Bush has to like the Mexican illegals because of his wife.”

“Look at [Carly Fiorina’s] face. Would anyone vote for that? Can you imagine that, the face of our next president?”

“Arianna Huffington is unattractive both inside and out. I fully understand why her former husband left her for a man—he made a good decision.”

And lo, it came to pass that the carrot-hued man with hair of finely woven grain did say, "Nothing beats the Bible, not even *The Art of the Deal*." And there was much rejoicing, and even more chortling. And the man spoke again, and he did say, "What's my favorite book?"

— Proverbs 20:19

[Lincoln] was a man who was of great intelligence, which most presidents would be. But he was a man of great intelligence, but he was also a man who did something that was a very vital thing to do at that time. Ten years before or 20 years before, what he was doing would never have even been thought possible. So he did something that was a very important thing to do, and especially at that time.

— Donald 3/31/2016

THE TRUMP FOUNDATION SCAM I AM

When most people think of a charity, they think of something like the Bill and Melinda Gates Foundation – an organization set up to help others in need. But Donald Trump's "charity" seems to have been set up only for his own "need" – specifically, garish oil portraits of himself, a possible bribe to Florida's attorney general and paying legal settlements from other wings of his shady empire. Maybe Trump isn't as generous as he claims he is because he isn't as rich as he claims. Whatever. When the truth about the Trump Foundation emerged in 2016, leading to its shutdown in New York State, nobody seemed surprised – it was clear to all that Donald Trump believes charity begins in the tacky Manhattan tower he calls home.

Every year Donald Trump's "charity" operated like his own personal piggy bank. In 2016, he got found out.

—New York Attorney General's Office

WHY WE LIKE THE IDEA OF MELANIA TRUMP AS FIRST LADY

Well, there's the whole "former swimsuit model" thing

It would mean that none of the Religious-Right nut job Republicans became President

She's a great example to girls that a super-hot woman can accomplish anything her gazillionaire husband puts his mind to

Anyone who has a skin care product line called "Caviar Complexe C6" *has* to be a woman of the people

The press will inevitably run puff pieces on what Marla Maples has been up to, which is always valuable information to have

She's still young enough to have more children, which will produce the kind of delightful media frenzy so beloved by the British Royal Family

Her April 26 birthday is shared by both William Shakespeare and Jet Li. Try telling us *that's* a coincidence!

Public distrust of wealthy CEOs is nothing compared to CEOs' distrust of their workforce! UNDERCOVER BOOB

THIS WEEK'S GUEST BOOB: DONALD TRUMP

I'll ask a couple of questions that we'll use for the opening. Roll Tape... Mr. Trump, your father was very wealthy. Did he just give you money when you wanted it?

Before I started college my father said he could just hand me several million dollars to do anything I wanted! But he warned me that if he did that, I wouldn't learn anything!

So you refused the money?

What, are you nuts? I said: "Give me the money!"

But tell us, what did you learn?

That my old man was a schmuck! I took his millions, along with his name, his major influence, his friends in high places, his powerful business partners and his vast financial connections to make my own way!

It's great that you're going to be on *Undercover Boob*, Dad! It's an opportunity for us to find the unsung heroes who make our company great!

CEOs and bosses look at this TV program as a learning tool!

I look at it as a one-hour Trump commercial! Well, one-hour *minus* the time spent for the stupid sponsors! They pay big bucks to run ads and they get far less airtime than the companies that appear on the show!

DIRECTOR

Mr. Trump, you're supposed to go undercover so your employees don't recognize you. Where's your disguise?

I'm in my disguise! I normally wear \$5,000 suits — this off-the-rack rag costs a measly \$1,000! Honestly, who wears this garbage?

You have to make yourself look totally different! You need a look that none of your employees have ever seen before!

Do you have any ideas?

How about you smile?

That's better! No one will recognize you with that wig!

There's **no** chauffeur! You're supposed to be a **guy** trying out different careers. You'll arrive at work by **bus**!

Then have the **bus** pick me up at **6:30**! And make sure it's a **stretch "party bus,"** with a **bar** and a **TV**!

It looks awful! It's not **natural-looking**, like my **own hair**! Now, have the **chauffeur** pick me up at **6:30**!

JOB #1: CADDY AT THE TRUMP NATIONAL TRUMP GOLF COURSE AT TRUMP LAKES, TRUMPTVILLE, VIRGINIA

I'm Tom Merritt, the guy in charge of this property. You must be the **apprentice caddy**!

Nice to meet you, kid, but let's get one thing straight — **don't use the word "apprentice,"** I **own** it!

You'll notice every **single item** of clothing you and the **entire staff** are wearing has **Mr. Trump's name** on it, except the **underwear**!

That's **ridiculous**! I know. I hear the guy's sort of a **megalomaniac**!

No, I mean it's **ridiculous** the **underwear** doesn't have the **Trump name** on it! Fortunately, I carry a **Magic Marker**. I'll do yours first!

You said you **drove** a golf cart before!

No, I said I **rode** a golf cart before. But this is **great**! I didn't know our golf carts can drive through lakes!

Well, then I guess I learned something today! I learned you're a **lousy instructor**!

Actually, they can't!

How long have you been working here, Tom?

About 5 years! I work **double shifts, 6 days a week**, because **nothing's** more important to me than having enough money to send my kid to college!

That's **admirable**! Is your kid **deaf, disabled, or an alcoholic**?

No! He's just a **good, happy, smart kid**!

What the ***&^%!**?? Who did the **pre-interview**? Our **CEOs** are only supposed to talk to **employees with heart-wrenching problem kids**!

JOB #2: COCKTAIL WAITRESS, TRUMP ATLANTIC CITY CASINO AND TRUMP RESORT

Here's your change, sir.

Please, **Keep it!**

I feel bad for what that **traffic accident** did to your face! Put it toward **surgery**!

A **five hundred dollar tip**! You only had **two twenty-dollar glasses of beer**! Why so generous?

Tell me, how am I doing so far, Lisa?

You have to move **ten times faster!** You only waited on **two people** since your shift started **three hours ago!**

Yeah, but they were both members of **Alcoholics Anonymous**, so it took a lot of **talking** to get them to start **drinking again!**

Also, when a **customer** hits it big at the **Blackjack table** you say: **"Congratulations,"** not **"Security! I think this guy's cheating!"** You act like they were giving away **your money!**

I'm **beat!** Can we take our **lunch break** now?

Sure, but we just get **20 minutes!** I don't know how a person can eat lunch in **20 minutes!**

Actually, if you **skip the appetizer**, order the **wine yourself** instead of waiting for the **sommelier** and don't order **flambé** for dessert, I bet you can do it!

This is where **Trump** pretends to be **interested** in her **job** and her **life!** I hope we get **something on tape** we can use this time!

So tell me about **yourself** and your **job** here!

My **elderly mother** is quite **ill!** I can't afford to **hire** someone to **watch over** her, even working **double shifts!**

Bring her here to the **casino!** Prop her up on a **chair** in front of the **slots** and tell **security** you think she **cheats**. They'll watch her **24/7!**

JOB #3: CONSTRUCTION SITE AT THE NEW TRUMP TOWER WITH UNDERGROUND TRUMP GARAGE, NEW ORLEANS

Have you had any **construction experience** at all?

I know **everything** about **building hotels!**

Really? You know about **foundations, building codes, site safety?**

Who cares about that **stuff!** All I know is if you make the **walls** of this hotel a little **thinner** and the **ceilings** a little **lower**, you can build a **ton more rooms** for a lot less money!

My **15-year-old son** is a **thief, a con man** and a **thug!**

What does he do?

Usually he **harasses** someone until they **sell him valuable property** for a **few bucks**, then he **boasts** he got it **fair and square!**

Really? I'd love to **hire** him... I mean, that's **awful!**

I'm back from my **undercover experiences!** Some of the things I **saw** were **not good!** One **worker** told me that in order to **mow all the greens** at the **golf course**, workers have **no time** for a **break**. So they actually have to **pee in a can!**

Are you **serious?**

That's **un-sanitary!**

Who cares about **unsanitary?** It's **wasteful!** That's why I want **every one** of those folks to have a **jar** to **pee in**. A **jar** can be **washed** and **reused** by the **night watchmen!** Just make sure the **jar** has the **Trump logo** on it!

I also learned that our employees have no way to let us know about things that are wrong on our properties!

Let's install suggestion boxes!

Employees will have a place to complain about things they don't like!

Great idea! And it's a perfect way for us to find out who the trouble-makers are and fire their asses! Appearing on *Undercover Boob* is working out better than I ever thought!

This is the part of the show where the people Mr. Trump worked for come to corporate headquarters! You'll film their reactions. They're going to be shocked!

When they find out it was Trump himself?

No, at how little he changes things after hearing first hand about all the problems in the workplace!

When I was undercover you told me you worked double shifts in order to afford to send your son to college!

I have good news for you! I'm not in a position to give you a raise, but — I'm going to let you work off the books! That means no taxes!

Really? Isn't that wrong?

Wrong?!? You're getting more money at the expense of the government! That's American business at its best!

And there's more! I'm sending you and your son on a 3-day vacation to New York City! You'll be staying at the 13-year-old Trump International, our oldest property! So while you're there, feel free to paint, wallpaper, and install carpeting!

But I'd also like to see a bit of New York City while I'm there!

No problem! I'll make sure you get a room to fix up with a great view of the city!

You said you could check all my properties much faster if you had a helicopter! As you know, I have my own helicopter, and I'm going to let you use it!

Of course, fuel and crew costs will have to come out of your salary, but you'll be able to do a lot more work in less time!

I can't believe it!

Okay, now I believe it!

What's going on here?

This is where we show video clips from the various jobs and how hard Trump employees have to work to try to make ends meet!

But the crowd is yelling and cheering! You mean they like the way Mr. Trump cuts corners and screws the workers?

These aren't his employees, stupid! They're the rest of Trump's family and his investors! They're cheering Trump for wringing more work out of every penny he pays in wages!

SAD! TRY TRUMS!

TRUMS is the only antacid specifically designed to fight heartburn brought on by the Presidency of Donald Trump. Whether it's his racial and religious intolerance or his persistent gloating that's giving you gas, indigestion and bloating, orange-flavored **TRUMS** will make sure that the President's next unconstitutional action won't set off your chronic gastritis.

Vendor's Note: While it did not win the popular vote of the best antacids on the market, TRUMS were voted "most bitter" and "most unpredictable" of all major antacids — and still, for some reason, many, many people continue to put their trust in TRUMS.

PROS AND CONS OF TRUMP BEING ALLOWED IN THE U.K.

PROS

If he's in the U.K.,
he's not in the U.S.

When visiting Northern
Ireland, he'd surely
ease its tensions with
his soothing oratory

Finally, America gets
its payback for the
Stamp Act of 1756

Since he passed away,
Britain's been longing for a
replacement for Benny Hill

CONS

Upon meeting the Queen,
he'd call her "a no-talent loser
with zero business sense who
deserves to get schlonged."

We'd witness the unsettling
side-by-side comparison between
his hair and a palace guard's hat

In Scotland, he'd insist on
wearing kilts to air out his
saggy, wizened Trump-nuts

He'd probably be wildly
popular there, too

The Startling Similarities and Differences Between DONALD TRUMP and THE BEAST FROM “BEAUTY AND THE BEAST”

His short temper and erratic behavior tend to alienate others

Though physically hideous, he possesses a kind heart and a good soul

His massive head is matted with an unruly tangle of fur

His only friends are members of his staff, who live in perpetual fear of him

He is on a quest for one true love to last a lifetime

His very existence inspires angry mobs to take to the streets

THE FIRST SIGN OF SPRING

8 THINGS REVEALED BY TRUMP'S PHYSICAL

- Technically, he's a 267-pound, man-shaped malignant tumor
- His colon is packed solid with undigested Trump Steaks
- His forked tail has a terrible case of eczema
- He suffers from Terminal Thin Skin
- He desperately needs to "Make His Cholesterol Levels Great Again"
- Everything he's said about the size of his penis is true. Unfortunately, it's not attached to his body
- There's a large area of inflammation on his ass from all the times Sean Hannity has kissed it
- Technically, they're way too big to still be medically considered "man boobs"

TRUMP TWEETS CYBER MONDAY

Retailers need to be vigilant — millions of people are illegally shopping today!

I'm president-elect of the freakin' United States, and even I can't get my hands on one of those little Nintendos! Sad!

Who has time for online shopping when there are pot-stirring, dangerously uninformed tweets to write while you're taking a dump?

If you're trying to cheat on your wife, today's a great day to take a woman "furniture shopping"!

Many people have told me that Trump Steaks are HUGE on [#CyberMonday](#). True!

Don't tell [@MelaniaTrump](#) — but I'm getting her that "four years of freedom in New York" she keeps asking for!

FUN FACTS ABOUT THE U.S./MEXICO BORDER WALL

While Mexico won't pay for any of it, China has agreed to loan us the money to build it

They're shooting to complete it on Cinco de Mayo for that extra symbolic touch

The DEA estimates that a wall will prevent nearly all illegal drugs from coming across the border – except for the 99% which will now be flown across

A section of the wall will be rerouted in order to knock down a Nordstrom in Phoenix

Because of a budget shortfall, it will only be two feet tall

ALT-WRITE DEPT.

No, David!, the classic children's book by David Shannon, recounts the author's childhood schemes, gross behavior and bad manners, all responded to by the adults in the room with an exasperated cry of "No, David!" Since it's clear we now have a spoiled, juvenile, bad-mannered little schemer in the White House, perhaps the only way to reach him and get him to behave is with a children's book similar to Shannon's. MAD ABOUT TRUMP!

There is no president in American history more deserving of being mercilessly mocked, relentlessly ridiculed and savagely satirized than **DONALD TRUMP**. Luckily, **MAD** is here to do the job!

MAD ABOUT TRUMP is a full-out assail to the chief, spoofing every aspect of Trump's rise, from bungling businessman to repugnant reality show host to crass candidate to pathetic president.

His ignorance, his obnoxiousness, his idiocy, his misogyny, his lying, his bombast, his narcissism, his incompetence and, of course, that horrifically twisted mass of glazed animal pelt on his head are lampooned from every possible perspective.

Written by the completely fair and balanced "**USUAL GANG OF IDIOTS**" and illustrated with scathing caricatures of Trump and his cronies, **MAD ABOUT TRUMP** is a "MUST-HAVE" (as in we "MUST HAVE" your money if you want this book)!

Featuring an erudite foreword by CNN newsman **JAKE TAPPER**, because we were desperate to give this book just a hint of class and legitimacy!

NOTE: Unfortunately, MAD cannot offer refunds on this book in the likely event of President Trump's impeachment. Sad!
