

**THERE
GO THE
DINOSAURS**

J.T.C.

No! It's all a story told by people who don't trust God.

And God should know.
After all, He was there.

So what did God say happened?

God created man, animals and plants — **in the same week!**
They were **created**, not evolved.

See Gen. 1:1-2:3

That **includes** the dinosaurs.

God said that only the fruit of **one tree** was off limits.

But Eve wanted to try it, and Satan saw her weakness. He **pushed** her, and Adam and Eve disobeyed God. Mankind was lost.*

*See Gen. 3

God turned away from them.
They were thrown out of the garden.

Their firstborn kid killed his godly little brother.* From there everything went down hill.

Look what happened next →

*See Gen. 4:1-16

They rejected God and created their own gods. Before long the whole world was filled with wickedness.

“Every imagination of the thoughts of his heart was only evil continually.” Gen. 6:5

God is righteous. He **must** punish sin. Yet He gave them 120 years to repent. Everyone ignored Him except Noah.

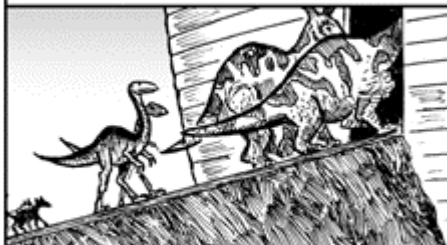

Turn from your wickedness!

Shut up!

Why should we?

God had him build a ship that could hold every kind of animal in the world.

God put **dragons*** and other animals in the ark... because the mother of storms was about to hit.

When they got inside, **God** shut the door.**

*In 1841 they were renamed "dinosaurs"!

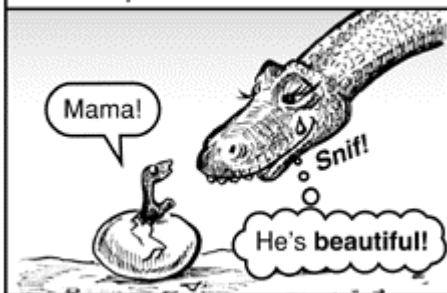

**See Gen. 7:16

The storm hit, the earth went into convulsions, the underground water shattered the earth's surface, the canopy of water above the earth collapsed.

Plants, animals and people were drowned and sandwiched with the dinosaurs into layers of mud and rock, except...

Those dinosaurs that were in the ark were "fruitful and multiplied" like other animals.

But now the dinosaurs had a **big** problem...
THE AIR HAD CHANGED!

Remember those trillions of destroyed plants? They made the air rich with oxygen. And big animals need **lots** of it to survive.

In the thinner air it was harder to breathe—they got slower and easier to catch.

Grandpa, I wish I could have seen the earth, and that beautiful garden **before** the flood!

Now you know how the dinosaurs **really** died. Because of sin, the Lord destroyed the earth by water.*

But the next time...

*2 Peter 3:5-6

IT WILL BE BY FIRE!

"But the day of the Lord will come... the heavens shall pass away with a great noise, and the elements shall melt with fervent heat, the earth also... shall be burnt up"
2 Peter 3:10

AND THAT'S NOT ALL...

You must know...

Every person born on this planet from Adam until the end...

...will bow down before the Lord Jesus Christ. (Phil. 2:10-11)

Do you know who **Jesus** really is?

If you ignore Him... you are doomed

He is God Almighty

He is God the Son

He **will** rule the world at His second coming

He will judge the nations

When you die He will judge **you!**

The whole world will see Jesus coming in power and great glory.

There are *two lessons* you must learn from the flood:

#1 God punishes sin*

*Rom. 3:23; Ez. 18:4

All that talk about dinosaurs and comets is just a smokescreen to hide what **really** happened.

#2 God provides a way out*

*Rom. 6:23; 2 Pet. 3:9

But your enemy has put up another smokescreen to hide the amazing *escape plan* God has for **you!**

See for yourself →

At the perfect time in history, God sent his Son from heaven...

...to a world that **didn't** want Him.*

*John 1:10

He was obedient, even though He knew *saving the world would cost Him His life!*

God's prophets knew He was coming. Even the **angels** announced His birth.*

*Luke 2:8-18

No one but a few **dirty shepherds** paid any attention.

His arrival **changed** the world.
The Creator stepped into His
own creation as one of us.*

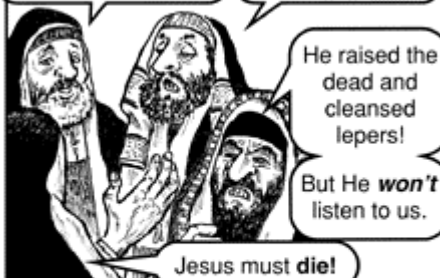

Neither do I condemn thee.
Go and **sin no more.****

The religious world went ballistic!

*Phil. 2:7 **See John 7:53 – 8:11

He healed the sick.

...cast out devils!

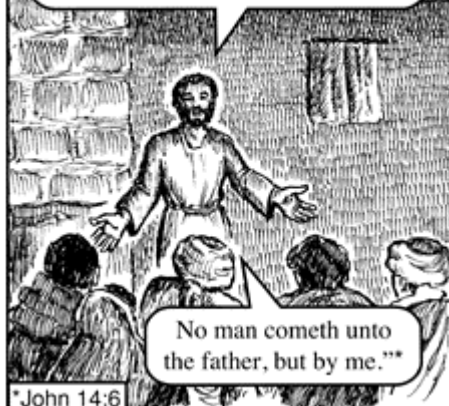

He raised the
dead and
cleansed
lepers!

But He **won't**
listen to us.

Jesus must die!

Jesus said something so astounding that
the shock waves hit into the 21st century.
It was the turning point in history
when Jesus said...

"I am the way, the truth and the life:

No man cometh
unto the
father, but by me."

*John 14:6

The word was out: Jesus was
really the Jewish Messiah,
the son of God in the flesh.

Arrest Him!

I know
where He is.

Follow
Judas!

Art thou the Christ, the Son
of the living God?

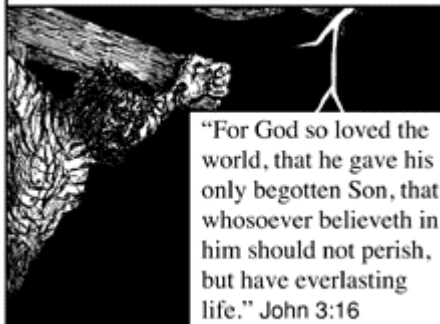

I am!

Blasphemy!

He is worthy
of death!

*Mark 14:61-64

This is why Jesus came. As the Lamb of
God, He died to pay the price for *our* sins.

"For God so loved the
world, that he gave his
only begotten Son, that
whosoever believeth in
him should not perish,
but have everlasting
life." John 3:16

But that's not all – Jesus
did even **more** for us...

3 days later Jesus rose from the dead making the way for sinners to be forgiven—and also to have fellowship with **God himself**.

To enter heaven we must receive Jesus Christ* as our personal Saviour and Lord.

*John 1:12

When our sins are washed away by the blood of Jesus (God's blood),* this is what takes place.

I believe
You are God's Son
who died for me.

Thank You,
Lord!

Save me
Lord!

*Acts 20:28

This simple act of faith lets you miss the coming wrath of God.

Noah's family were the only ones in the **whole world** that believed God.

And they were the **only** ones who escaped God's wrath.

Dear reader, if you were the only one in the world who would believe in Christ, He *still* would have died for you.

That's how important you are to Him.

The **real** issue isn't where the dinosaurs went...

It's where **YOU** will go when you die.

Will Jesus be your Saviour?

Or your judge?

Heaven or hell? – The choice is yours.

"Believe on the Lord Jesus Christ, and thou shalt be saved." Acts 16:31

THE BIBLE SAYS THERE'S ONLY ONE WAY TO HEAVEN!

Jesus said, "I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:6
