Introduction

Why Do Salads Make Such A Great Meal?

Lunch can be a tricky meal. You know you should be eating something to keep your blood sugar levels even and your metabolism running high. At the same time, you can't be eating anything too heavy or you will be dozing off shortly after lunch.

Salads are the perfect solution! They make nutrient dense and filling meals without weighing you down. Best of all they are healthy and mostly low in calories.

You can prepare many of the salads in this ebooks ahead of time and take them with you. Not only will you be losing weight, you'll also save money by brining your own lunch to work. We encourage you to give these recipes a try. Just pick a few that sound appealing and get cooking.

What About Dinner?

Evenings are a hectic time for many of us. We have the best intentions to feed our families nutritious meals, but then reality sets in. We spend all day driving the kids around, or are running late because of a long meeting at work and before we know it is 6 pm and there isn't a green vegetable or lean piece of meat in the fridge.

Choose from 3 different types of menus with plenty of recipes each month to please everyone in the family. Our menus and categorized shopping lists make it easy. But that's not all...

As a member of [Menu Planning Central](#), you will also have access to a group of experts that are available to share great tips on anything from cooking with the kids to table manners. And Christine, "The Menu Mom", is there to answer questions as well.

Each month you will also get additional resources including ideas to plan breakfast and lunch, throwing a great dinner party and you get to explore a different cooking style or cuisine.

Bacon Spinach Salad

Makes 4 servings

For a touch of sweetness and color, use raspberry vinegar in place of the white vinegar and sprinkle the salad with fresh raspberries.

INGREDIENTS

- 4 slices bacon, diced
- 1/4 cup white vinegar
- 4 teaspoons sugar
- 1/4 teaspoon salt
- 1/8 teaspoon pepper
- 1 bag (10 ounce) washed fresh spinach
- 5 medium green onions, chopped (1/3 cup)

DIRECTIONS

1. Cook bacon in 12-inch skillet over medium heat, stirring occasionally, until crisp. Stir in vinegar, sugar, salt and pepper. Heat through, stirring constantly, until sugar is dissolved; remove from heat.
2. Add Spinach and onions to bacon mixture. Toss 1 to 2 minutes or until spinach is wilted.

Fajita Salad

Makes 4 servings

INGREDIENTS

- 3/4 pound lean top beef round steaks, cut into thin strips
- 2 tablespoons each ketchup and lime juice
- 1 clove garlic, minced
- 1/2 teaspoon ground cumin
- 4 cups shredded lettuce
- 1/2 cup each: diced seeded cucumbers, green bell pepper, red bell pepper, and seeded tomato
- 1/4 cup each: chopped fresh cilantro and thinly sliced scallion
- 1/4 cup fat-free French salad dressing
- 4 6-inch corn tortilla

DIRECTIONS

1. Place beef in a shallow dish. Combine next 4 ingredients; pour over beef and toss to coat. Refrigerate at least 30 minutes, or overnight, if desired.
2. Meanwhile, prepare salad: Arrange lettuce on a large serving platter or shallow salad bowl. In another bowl, combine remaining ingredients, except tortillas, and toss to coat. Spoon over lettuce, leaving a 1-inch border. Salad may be refrigerated if not serving right away.
3. Remove beef from refrigerator. Heat large nonstick skillet over high heat. Add beef and cook, stirring 3 to 5 minutes or just until cooked through; remove from heat. Warm tortillas according to package directions; cut each into thirds. Wrap 2 to 3 pieces of beef in each tortilla strip. Arrange decoratively on top of salad. Serve additional French dressing on side, if desired.
