PREFACE

After the huge success of Volume 1, due to popular demand, we're back again with *America's Most Wanted Recipes Volume 2*.

With the help of the 45,000 members of our Secret Recipe Forum, we've tested, replicated, and compiled the recipes for 101 of the most beloved restaurant dishes in America. These are the "secret recipes" which are generating billions of dollars for the restaurant industry every year. Now you can have them to prepare in your own kitchen!

I can go on and on about how accurate these clone recipes are but I think one of our customers explains it best:

"I have made MANY of the recipes, and have been thrilled EVERY time, so have all the friends and family that I have cooked for. Everybody who gets to taste my cooking says how amazing it is that these recipes taste just like the restaurants.

I was in the restaurant field for close to 4 years, and I know that everything is premade, boxed, bagged, and full of blubber ready to be assembled. I love that I get the same great flavor, with out the excess fat and preservatives. It's healthy, full of flavor, and I already have all of the ingredients in my kitchen.

I shock myself every time I cook! I keep on wanting to compliment the cook, and then I remember that I am the cook.

Thanks for helping me to realize that I love cooking!"

--Martina M.

We encourage you to put the book to good use and make these famous dishes yourself. Once you've tried the recipes, you'll see what makes them so special and why we have so many satisfied customers.

You can also get thousands of additional recipes and interact with our online community through our Secret Recipe Forum. To sign up for free go to: www.RecipeSecrets.net/forum

I hope this cookbook brings enjoyment for you, your family and friends for years to come.

1/2 cup white chocolate chips

Maple Butter Sauce:

RecipeSecrets.net tip:

For the best flavor,
use REAL maple syrup

1. Preheat the oven to 350 degrees F.
2. Add baking powder, baking soda and salt to the already sifted flour. Next, sift dry ingredients again. Add chopped nuts and mix well. Set aside.
3. Add brown sugar to melted butter and mix well. Then mix in egg and vanilla extract.
4. Add flour mixture, a little at a time, until mixed well. Stir in white chocolate chips.
5. Spread out dough in a 9-inch pan. Bake for 20 to 25 minutes. It is cooked when a toothpick comes out clean when inserted. Serve warm with ice cream and Maple Butter Sauce.
6. *Maple Butter Sauce:* In a pan, add real maple syrup and butter; cook over low heat until butter is melted. Stir in brown sugar until completely dissolved. If you desire, add walnuts.

 3 tablespoons Garlic, chopped
 1 tablespoon Thyme, fresh chopped
 1 teaspoon Allspice, ground
 1 cup Water

 1/4 cup orange juice
 1/4 cup rice wine vinegar
 1 tablespoon dark Jamaican rum

*Wendy's Spicy Chicken Fillet Sandwich

In 1969, at age 37, Dave Thomas quit his job at Arthur Treacher's to start the first Wendy's in Columbus, Ohio. While other hamburger chains at the time were using frozen beef and mass producing food, Dave Thomas developed an innovative way to make fresh, made to order fast food.

Ingredients

7 cups vegetable oil	1/2 teaspoon paprika
1/3 cup Red Hot Pepper Sauce	1/8 teaspoon garlic powder
2/3 cup water	4 chicken breast fillets
1 cup all-purpose flour	4 plain hamburger buns
2 1/2 teaspoons salt	8 teaspoons mayonnaise
4 teaspoons cayenne pepper	4 lettuce leaves
1 teaspoon coarse ground black pepper	4 tomato slices
1 teaspoon onion powder	

1. Preheat 7 cups of oil in a deep fryer to 350 degrees F. You could also use a heavy skillet and fry in small batches. For a healthier version, broil the chicken in the oven
2. Mix the pepper sauce and water in a bowl.
3. Combine the flour, salt, cayenne pepper, black pepper, onion powder, paprika and garlic powder in a different bowl.
4. Pound each of the chicken pieces until about 3/8-inch thick. Trim if necessary to help it fit on the bun. For easy cleanup, place the chicken in a zip bag before pounding.
5. Coat each piece with the flour, then roll it in the watered down pepper sauce. Coat the chicken again in the flour mixture and set it aside. Repeat for other fillets.
6. Fry the chicken for 10 minutes or until they are brown and crispy. Remove the chicken to paper towels to drain.
7. Prepare each sandwich by grilling the face of the hamburger buns on a hot fry pan. Spread 2 teaspoons of mayonnaise on each bun.
8. Place a tomato slice on the mayonnaise, then stack lettuce on top of the tomato.
9. On the bottom bun, place one piece of chicken.
10. Assemble and serve warm.
