Amount	Measure	Ingredient	Preparation Method	Product No.
5.000	kg	Red skin potatoes		20-100000844
2.000	kg	Sour cream		20-100000583
0.200	kg	Chives	chopped fine	20-100000882
		Salt & pepper		

Method of Preparation:

- Wash the potatoes, Cut the potatoes into quarters and place in to cold salted water.
- Bring to the boil and gently simmer until cooked. Remove the water and strain the potatoes allowing them to steam dry.
- Mash with a whisk and add in the sour cream with seasoning and the chives. Do not over mash the potatoes.
