Revised:

Amount	Measure	Ingredient
2.200	kg	bacon

**Preparation Method**

**Product No.**  
20-100001624

### Method of Preparation:

- Cut the bacon into thin strips, crosswise.
- Place in a shallow pan on the stove top and cook slowly on a moderate heat.
- Drain off the fat as it cooks (reserve and use for other applications)
- Allow the bacon to cook and become crisp.
