Amount	Measure	Ingredient	Preparation Method	Product No.
10.000	kg	Beef chuck, ground	70/30	20-100002097
0.070	kg	Garlic salt		20-100001286
0.400	lt	Tomato juice		20-100001392
0.060	kg	Salt		20-100001305
0.060	kg	Onion powder		20-100011150

Method of Preparation:

- Mix ingredients well
- Shape into 225g patties approximately 5.5-6 inches in diameter and 1/2-3/4 inch thick
- See picture above. It is important that the burger be bigger than the bun after it is cooked.
- Use a burger bun for reference
- Store properly, single layered with parchment paper
