Jupiter in his own house along with Saturn and Mercury will bestow long life. Such native often will beget wealth.

Should Venus be in Pisces along with Jupiter and the Moon, the native will acquire kingly fortunes and will have many sons and family.

Should the Ascendant be in a malefic Rasi, while the Lord thereof occupies the 7<sup>th</sup> house and Jupiter is posited in the 8<sup>th</sup> along with the Sun, the child will die at the age of eight.

If Mercury and Mars be together in the Ascendant, or 6<sup>th</sup>, or 8<sup>th</sup>, the native will either be a thief, or will indulge in awful acts. Such a person will have defect in his hands and legs.

Mercury in the Ascendant, or 6<sup>th</sup>, or 8<sup>th</sup> can cause death at the age of 4. Even if the native is dipped in nectar, it will be of no avail.

Mars and Jupiter in exchange in Rasi will inflict death at the age of 12. Even though Lord Siva may desire to save the person, it is rare to escape death in such a case.

Should Jupiter occupy a house of Mars identical with 2<sup>nd</sup>, 6<sup>th</sup>, or 8<sup>th</sup> from Lagna, this child doubtlessly will face death in its sixth year.

If Rahu occupies the Ascendant at birth, while the Moon is in the 6<sup>th</sup>/9<sup>th</sup>, the child will die within 20 days of birth. Similar effects will prevail, if Rahu is in the 4<sup>th</sup> from Lagna, while the Moon occupies one of the angles.

Death will be inflicted by Rahu in the 7<sup>th</sup> from Lagna, while the Moon is in the Ascendant. Even nectar will not be useful to him and the death will come to pass in the 10<sup>th</sup> year of the child.

If the Moon is in the 12<sup>th</sup> from Lagna, while malefics are in the 6<sup>th</sup> house, the native will be shortlived. He will suffer from stomachial disorders.

If Rahu occupies the 9<sup>th</sup>, or the 10<sup>th</sup>, the native will die at 16, though Indra, Lord of Lords, may try to protect him.

Death will come to pass at the age of 20, if Saturn and the Sun are in exchange Rasi.

If Rahu is in the Ascendant, while the Moon is in the 6<sup>th</sup> (or both of them being together in the 6<sup>th</sup>) will promote diseases in the rectum, indigestion and deficiency of a limb.

Death will be caused due to leprosy, or tuberculosis, if the Sun is in 8<sup>th</sup>, while Saturn is in 6<sup>th</sup>.

If the Sun is in the Ascendant at birth, the native will be subjected to mental worries and will have no place of his own.

The child will die instantly, if Rahu is in the Ascendant, or in 8<sup>th</sup> and is in aspect to the Moon. Even Indra cannot save such child.

The native will have a life-span of 100 years, if two Angles are occupied by Jupiter and Venus, while the Sun is in 12<sup>th</sup> and Mercury is in Lagna.

There will be no Arishtas (evils), if Jupiter is in an Angle, or in a Trine, or in own House/exaltation House, as the Lagna. This will be so throughout the life.

There will be no evils whatsoever, if one of Jupiter, Venus and Mercury is in an Angle and with positional strength.

There is no evil whatsoever, if Saturn happens to be in the Ascendant, 3<sup>rd</sup>, or the 6<sup>th</sup> and be at the same time in Libra, Aquarius, or Capricorn.

If the 2<sup>nd</sup> from the Ascendant is tenanted by Rahu, Mercury, Venus, Saturn and the Sun together, the mother will die soon. Alternatively it can be the father of the child.

If the Sun is in Leo, or in Aries identical with the 6<sup>th</sup>, or the 11<sup>th</sup> and is aspected by a friendly planet, the evils, if any are simply counteracted.

Should Rahu be in the Ascendant identical with Aries, Taurus, or Cancer and be in aspect to a benefic planet, no evil exists in the horoscope.

RajaYoga is caused, if Saturn and the Moon are in the Lagna, while its trines are occupied by the Sun and Jupiter. Mars should be simultaneously in the 10<sup>th</sup> house.

Should the Sun be in the 9<sup>th</sup> in Leo, the native will not have a surviving co-born. If however, one exists, he becomes a king.

If Rahu is in Karma Sthana i.e. the 10<sup>th</sup> house, identical with own house and in the company of Mars, Mercury and Venus, the native will sometimes prosper and yet sometimes will have downfall.

The subject is born in a mean descent, if malefics are in the 2<sup>nd</sup>, Rahu is in the 3<sup>rd</sup> and Jupiter is in the 5<sup>th</sup>.

If the Sun etc. (i.e. other malefics) are in the 4<sup>th</sup>, 5<sup>th</sup> and 9<sup>th</sup>, the native will lose his first issue, while the later ones may survive.

Should malefics be in the 2<sup>nd</sup> along with Mars and Saturn, while Rahu is in the 3<sup>rd</sup>, the co-born will not survive.

Chatra Yoga is formed, if all planets are in the Ascendant, 2<sup>nd</sup>, 7<sup>th</sup> and 12<sup>th</sup>, he will become a leader of his race.

If the Ascendant is occupied by Venus, 12<sup>th</sup> by Mercury and the 2<sup>nd</sup> by a malefic, a RajaYoga is formed and the native becomes a king.

If the Ascendant is occupied by Venus, 12<sup>th</sup> by Mercury and the 2<sup>nd</sup> by a malefic, a RajaYoga is formed and the native becomes a king. If the Sun is in the 12<sup>th</sup>, the subject will be subjected to penury.

The relatives of the native will perish, if the 12<sup>th</sup> and the 7<sup>th</sup> are occupied by malefics, while the 2<sup>nd</sup> by benefics.

There is a RajaYoga, if the Moon and Saturn are in the 2<sup>nd</sup>, while Jupiter occupies Aries and Rahu with Venus is in the 10<sup>th</sup>.

Should malefics be in the 2<sup>nd</sup>, 8<sup>th</sup> and 12<sup>th</sup>, the native will lose his eyes in his 8<sup>th</sup>, or 12<sup>th</sup> year of age.

The co-born will not survive, if Mars is in the 8<sup>th</sup> house. Similar effects prevails, if he joins Rahu and Saturn in the 7<sup>th</sup> house.

The results concerning Karma Sthana (i.e. 10<sup>th</sup> house) will be meagerly felt, if Mars aspects the 10<sup>th</sup> house occupying Aries, or Scorpio, while Mercury is associated with malefics.

The native will head many people, if Jupiter is in Leo, while Venus is in virgo, Saturn is in Gemini and Mars in in the 4<sup>th</sup> identical with own house.

Should Saturn be in Virgo along with the Moon, while Mars is in the sign Capricorn, Rahu in Aquarius and, Jupiter in Leo, the native will destroy the band of his enemies. One born with such planetary array will not be an ordinary man. He will advance his family to a good state and enjoys RajaYoga.

The native will indulge in notorious acts at the age of 20 (i.e. from his 20<sup>th</sup> year), if Venus is in Sagittarius, the Sun in Aquarius and Mars in Pisces simultaneously.

Should a malefic be in the 11<sup>th</sup> house, while the 5<sup>th</sup> is occupied by Venus and the Moon, the native's first issue will be a female and such female's mothers will be subjected to many troubles.

There will be destruction of relatives, if the 4<sup>th</sup> is occupied by Rahu, the 2<sup>nd</sup> by Jupiter and the 6<sup>th</sup>, or the 9<sup>th</sup> by Mercury.

Should the 9<sup>th</sup> be occupied by Jupiter, Mercury, Venus and the Moon, the subject acquires success in all his undertakings and will be honoured by a king.

If both malefics and benefics occupy severally the 6<sup>th</sup>, 8<sup>th</sup>, 5<sup>th</sup>, 9<sup>th</sup> and the 12<sup>th</sup>, the native will be honoured by the king. But he will face many hardships in life.

If the 5<sup>th</sup>, 6<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> are occupied by, respectively, Mars, Rahu, Venus and the Sun, the native will protect his own people.

If the Ascendant is occupied by Saturn and the Moon, while Venus is posited in the 8<sup>th</sup>, the subject will be highly libidinous. Though he will be honoured by a King, he can not enjoy any kind of happiness.

If the Moon is in Capricorn at birth along with debilitated Jupiter, or with an inimical planet and aspected by Saturn, the native will be a source of evil to his own co-born.

Leo and Jupiter in Scorpio, the native will be equal to a king.

If at birth Saturn occupies Aquarius, Mars Capricorn and the Moon Aries, while the 2<sup>nd</sup> house is occupied by the Sun, the subject will enjoy paternal wealth, or his own wealth.

If Mercury and the Sun occupy the 10<sup>th</sup>, while Rahu is in the 6<sup>th</sup>, the native will lord over many.

If the Sun is in the 10<sup>th</sup> in Leo, or Saturn in Libra identical with the 6<sup>th</sup>, or the Moon and Mercury in the 9<sup>th</sup> in Gemini, a RajaYoga is formed.

Jupiter in Lagna, while Venus is in the 12<sup>th</sup> holding the other planets in between indicates RajaYoga, this is to the advantage of the native's family to become strong (in all respects).

The native doubtlessly becomes a king, if Jupiter is in the 8<sup>th</sup> and Venus is in the 3<sup>rd</sup>. All others should be between them.

One born in Libra Lagna with exalted Saturn, while Jupiter is in Taurus, the Moon in Gemini, Mars in Capricorn, Venus in Leo and Mercury in Virgo along with the Sun, will have RajaYoga; he will maintain justice, good deeds and auspiciousness in his life. He will however cause Balarishta in the 8<sup>th</sup>, or the 12<sup>th</sup> year. The native will, however, later on prove inauspicious for the elder brother, or sister.

If Libra happens to be the 2<sup>nd</sup> house, or an angle and is occupied by a malefic, the native only faces sheer poverty. He will not prove a good augury for his own people.

Should the Moon be in the 10<sup>th</sup>, while Venus is in the 7<sup>th</sup> and malefics in the 4<sup>th</sup>, the native's dynasty ends with him and there will be no further descent in his race.

The mother of the native will not survive, if Saturn is in the 2<sup>nd</sup>, Rahu in the 3<sup>rd</sup> and Jupiter is in Pisces.

Should Mars be in the 7<sup>th</sup>, while Venus is in the 8<sup>th</sup> followed by the Sun in the 9<sup>th</sup>, the native will be shortlived.

If Jupiter is in the Ascendant, while Mars is not in the 7<sup>th</sup> and Venus is not in the 8<sup>th</sup> and the Sun is not in the 9<sup>th</sup> an auspicious Yoga is caused. Such a native will live a long lease of life, will have many co-borns, will head many people (i.e. employ many and feed them), will be happy, will lead himself and his co-born to a prosperous level, be free from proud conduct and be pleased in all aspects of life.

If Saturn is in Cancer, while Rahu is in Taurus, the native will be very liberal, will enjoy numerous Yogas, i.e. will reach a very high state in life, will be famous, will be chief in his race and will marry many women. If, however, the said Saturn is lonely and aspects the 5<sup>th</sup>, there is only one marriage.

The native will meet with his end, if Jupiter and Rahu are together in the Ascendant, or the 4<sup>th</sup>. The end will be in the 13<sup>th</sup> year even, if Lord Siva may try to save him. (That is, death in 13<sup>th</sup> year is certain).

If Mars occupies the 8<sup>th</sup>, while the Sun is in fall in the 5<sup>th</sup>, or the 9<sup>th</sup> and Jupiter must be in accelerated motion. The native is blessed by Lakshmi, the Goddess of Wealth.

Should Venus be in Pisces along with Mercury, while the Ascendant, 2<sup>nd</sup> and 3<sup>rd</sup> are, respectively, tenanted by the Sun, Moon and Mars, a Raja Yoga is constituted. One born under this kind of planetary array will respect Gods and preceptors. He will achieve such fame in his own native country and abroad as well, that cannot be achieved by others.

If the 12<sup>th</sup> is occupied by Jupiter, while the 2<sup>nd</sup> house has Saturn, Sun, Mars and Mercury, the father of the native will pass away at the time of marriage of the native.

If Jupiter is in the 3<sup>rd</sup>, while the planet Venus is in the 11<sup>th</sup> the native will be famous among his relatives and will shine, like a lamp among the men of his race.

If Venus in the Ascendant is unaspected by anyone, while the Moon is in the 2<sup>nd</sup> and Jupiter is in the 3<sup>rd</sup>, the native cannot enjoy any paternal earnings.

Should Mars and Saturn be in Leo, while Venus is in Virgo and Rahu is in Gemini, the child will lose its mother (early).

Should Mars and Saturn be in Leo, while Venus is in Virgo and Rahu is in Gemini, this will cause poverty in childhood and happiness in the later part, if the Moon join Mars.

If Lagna happens to be a malefic sign and is occupied by the said malefic Lagna Lord himself, while one among the 4<sup>th</sup>, 7<sup>th</sup> and the 10<sup>th</sup> being a malefic sign is occupied by its own malefic lord, the child will live only upto six. He will prove inauspicious to its mother. Additionally, there will be destruction of maternal relatives, if the 6<sup>th</sup> house is unaspected by Jupiter.

The child, who has the Sun in Leo, a malefic in Virgo and Rahu in a malefic's house will only live for six years.

The longevity is only for 19 years, if the Moon is in the 8<sup>th</sup>, malefics in angles and Rahu in the 10<sup>th</sup> at birth.

If a benefic planet is exalted in an angle, the native will acquire a large kingdom and will protect his family.

Death of the father is imminent, if a child is born with Rahu in the Ascendant and the Sun in the 7<sup>th</sup>, while Mars is between Lagna and the 7<sup>th</sup>.

A child, who has malefics posited in the 7<sup>th</sup>, 12<sup>th</sup>, 3<sup>rd</sup> and 8<sup>th</sup>, will always have an ailing physique.

Should malefics be in the Lagna, 12<sup>th</sup> and 8<sup>th</sup> simultaneously, the child will be deprived of its mother instantly, while its father will leave this world in its 4<sup>th</sup>, or 10<sup>th</sup> year of age.
