I have thoroughly enjoyed my affiliation with both the Church of Satan and the Temple of Set. As most of you know, the growing excitement of *Xeper* continues to manifest itself in all walks of our lives. I can see this in the improvements in input to the *Scroll*, the weeding-out of undesirable influences within the membership, and the pride I feel when talking to or corresponding with other Setians. May you all walk in the Darkness which is Set, and ever enjoy the fruits of your Realms.
