

## The Lesser Ritual of the Hexagram

After learning to banish the elements, which is the purpose of the LBRP, one should learn to banish the planetary influences. The Banishing Ritual of the Hexagram (BRH) serves this purpose. Like the LBRP, though, it is a minor banishing for lesser workings. Before attempting to consecrate any magical weapons both the Supreme Ritual of the Pentagram and Hexagram should be learned. However, with this ritual and the LBRP, rituals such as Israel Regardie's Middle Pillar Exercise can be performed.
