## IN THE NAME OF ALLAH, THE MOST MERCIFUL AND COMPASSIONATE

I will reveal to you in this book the knowledges that no science can proof, All of the knowledges has been acquired from various teachers. At the beginning I will start with the servants of the Surat (Verse) and after that I will talk about the servants of the Zodiac and others.

### WHAT IS THE SERVANT

The Khadam is an Arabic word means knowledge or translated as servant In *Ilmu Al Hikmah (Knowledge Of The Wisdom)*, Khadam is one of the occult word in Arabic/Islamic they usually refer to servant. They are similar to Qarin but not the same because Qarin is a spirit servant that was born with a person and a Khadam is a servant that has to be acquired/invoked by occult practice. The Khadam is similar to the Familiar spirits in western occult but the they didn't usually appear as animals unlike the Familiar spirits in shamanism. Khadam is said to be an Angelic/Djinn/Demon spirits that each has their own ability. They can levitate their owner, make them invisible and also let them walk on water each has their own power even invulnerability is possible. The Khadam is also known as a Guardian they are known to guard the verse from the Quran and even each Arabic and Hebrew Alphabet has their own guardians, I will talk about the guardian of the Arabic Alphabet later, Insyaallah.

### ✧ THE GUARDIAN OF THE FIDELITY VERSE ✧

This is the 112<sup>th</sup> surat from the Quran known as *Surat al-Ikblas* in Arabic language, The name of the guardian of this verse is *Syeikh Abdul Wabid* he has great control over wealth and usually invoked to acquire money magically from him, He is not a djinn nor he is a demon, He is an angelic spirits that guard over the *Fidelity Verse*. This occult knowledge is acquired from my teacher and I believe this is the most taught and most known occult knowledge by the Sufis and Islamic occultism. You will success with this ritual if you done it with sincerity, faith and need and of course by God most high willing you will success with it. Instead of money you can ask him for whatever you desire it is depend on what he is capable of as long as it does not violate the laws of God and the spiritual laws.

## The Way

You should prepare a quiet, clean and empty room from any hustle and bustle away from people. It should not be used for any other purpose. You should place inside the room a Sejadah (Muslim Prayer Carpet) a Quran and a Tasbih (Rosary). Wear some Non-Alcohol perfume whenever you practice rituals especially like this one. When the actual ritual is being conducted, the room should be incomplete darkness without any light.

Before starting the rite, you should ought to clear your subconscious mind of feelings of guilt and fear. You should ought to ask forgiveness from all those that you had wronged, and in turn, forgive those that have harmed or hurt yourself in any way. The practitioner ought to constantly engage in prayers, meditations, and recitations of sacred verses in remembrance of the God Almighty.

Several weeks before doing this ritual, after every 5 Muslim obligatory prayers, bow down and recite : “*Astaghfirullabal Azhim.*” [أَسْتَغْفِرُ اللَّهَ الْعَظِيمِ] as many times as possible while recalling one's past mistakes and with the desire not to repeat them, and to compensate whenever possible. Spiritualize your world yearnings by tithing and donating often to the poor and needy - this must be done with sincerity and with no strings attached.

## The Conjunction Ritual

You must fast for three days from dawn to dusk beginning on a Tuesday. Nothing is to be consumed after dusk but white rice and plain water. Nothing is to be accompanied with the rice - no side dishes.

During the night enter the prayer room and make a special prayer of request (solat hajad 2 raka'at) to the Almighty Allah. Then recite “*Astaghfirullabal Azhim.*” [أَسْتَغْفِرُ اللَّهَ الْعَظِيمِ] and this Shalawat prayer as many times as possible “*Alabumma sholli ala sayadina mubammad.*” [اللَّهُمَّ صَلِّ عَلَى مُحَمَّدٍ وَعَلَى آلِ مُحَمَّدٍ]. At midnight on Tuesday, Wednesday and Thursday, take a shower with the intention of cleansing yourself of all physical and psychic dirt. Then get into the prayer room and burn some Arabic incense. You should be in a state of cleanliness (free from hadats). The room has to be in

complete darkness by this time, without any disturbing sound. The occult practitioner should wear clean clothings or preferably a ceremonial robe of some sort. First repeat the special prayer of request that you made earlier in the night, then recite the verses below for the amount of times indicated :

### The Bait

*“Wayaa robbibilikblasi kbollis quluubana, Minasyirki wal 'idyani baqqon takbollashod.”*

وَيَا رَبِّ بِالْإِخْلَاصِ خَلَّصْ قُلُوبَنَا  
مِنَ الشَّرِكِ وَالْعِصْيَانِ حَقًّا تَخَلَّصَتْ

### The Fidelity Verse

Recite this for 1,002x (One thousand and two times) and after each of the recitation recite the Bait above, Which means you recite the Fidelity verse once and the Bait once for 1,002x. This is what you recite : *“Bismillabirrohmanirrohim, Qul huwallabu abad, allabush shomad, lam yalid walam yuulad, walam yakullabu kufuan abad.”*

You recite the Invocation Prayer for 41x (Forty-one Times) after finishing the Bait and The Fidelity verse. If this ritual is done correctly for 3 nights in a row, on Thursday night, after the ritual, you will be approached by an entity. This entity is no demon or

leprechaun, but he is the presiding khadam/guardian of the al-Iklas verse named “Syeikh Abdul Wahid.” This khadam will greet you (He usually greet by giving salam, “*Assalamualaikum.*” and you should in turn return the greeting by saying “*Wa’alaikummusalam.*” if he speak Hebrew such as “*Salom Alaichem.*” then return the greeting with “*Alaikom Sshalom.*”). Although enshrouded in darkness, you will see this entity clearly. Do not fear, no harm will come to you. When Abdul Wahid inquires as to your request, answer that you will like money in abundance or anything that you desire. If you ask for money the khadam/guardian would then leave for a few moments and return with what you have requested. Receive this graciously and gratefully, thanking God and the guardian for the blessings.

### ❖ THE GUARDIAN OF THE THRONE VERSE ❖

The *Ayat Al-Kursi* is known as the most powerful verse of the Quran, By reciting it you can burn djinn and shitan (Devil). It is known as the mighty protection prayer that can invoke Allah for protection against evil. The name of the Guardian of this verse is the *Angel Kandyas*.

It is said by Imam Sheikh Ahmad Ali Al-Buuni, “If you want the service of *Angel Kandyas (Khadam Ayat Kursy)*, do the following rite:

1. Repent to Allah (surrendering oneself with all affairs).
2. Purify your heart, place, clothes.
3. Clear your mind.
4. Enter into a place of kholwat (solitude) on Tuesday, until the prayer ended in the dawn of 4th day, in Saturday morning.
5. Burn incense of an unspecified type, The most common incense for invocation of angels and khadam is Aloeswood and Arabic Incense, something that could lead to perfumed with the fragrance of incense will do.

## The Book Of The Servant

6. Recite *Azimab Ayat Kursi* after each of the Muslim obligatory prayers 72x (Seventy-two times) accompanied by the burning incense.

“Sheikh Ahmad Ali Al-Buni Ibni says : Know, O my brother, Allah has given me Taufik also unto you, Behold thou shalt be heard on the first night (Wednesday night) in the midst of your solitude, one whinny sound like the voice of himar (donkey), so do not be afraid and surprised because they (Satan) will not be able to harm you.

On the second night (Thursday night), then indeed you will hear a voice at midnight on where you are in solitude sound of horse galloping, so do not be scared and shocked.

On the third night (Friday night), in the middle of the night; three cats with colour red, white and black will appear in your room. They enter from the door where you are solitude then went out from your front, do not be scared and shocked because they (Satan) cannot harm you because the power from *Azimab Ayat Kursi* will protect you.

On the fourth night, at midnight, smudge your place of solitude with perfume/incense while you face the Qiblat (Mecca) read the *Azimab Ayat Kursy* 1x (Once), the wall of the room where you are in solitude will split and a Guardian will enter; the room is filled with light so do not be afraid and do not stop burning incense/perfume. The khadam will greet you, “*Assalamu alaika O Servant of Allah*”; return his greeting with “*Wa alaikas warohmatullohi wabarakatub*”. He said : “*What do you want from us, O Servant of Allah*”, Then say to him : “*I do not want anything from you except to help me for the rest of my life*”, The khadam Angel Kandiyas will say : “*Take this gold ring which is engraved on the ring Asma “Allah is the greatest [الله أكبر]”. This ring as a binder between you and me, if you want my service then wear this ring on your right hand and then read Azimat Ayat Kursi 3x then Say ye: “Ya Malaku Kandiyas Ajibni Bibudurika” (O Angel Kandiyas answer me with your presence), then I’ll be there before you and will help with anything you want with different customary jobs.*

It has been said Sheikh Abu Hamid Al-Ghozali about the secret of this Ayat Kursi verse, Imam Ghozali said : “*There is no prayer in*

*this world that are much faster to vacate all affairs at the time of emergency from praying this way, namely:*

2. Recite Azimah Ayat Kursy after reading Ayat Kursi 7x.
3. Time to read at midnight in a place sacred from the profane, and who deserted from the human.

Said Al-Sheikh al-imam Ahmad Ali Al-buuny Ibni : *“Reading Azimah Ayat Kursy after each obligatory prayers 20x Twenty times can control kbadam Ayat kursy named Sayyid Kandiyas”*

And experts have said the cleric Khowas (who have to khususan) *“He who is familiar/ get used to read Azimah Kursy 1x once every day after reading Ayat Kursy 50x Fifty times or 170x One hundred seventy times, then Allah will subdue him all mankind, and Allah will open for him all hidden things and Allah will make difficult matters easier”.*
