PART I. THE SECRET GRIMOIRE OF TURIEL.

INTRODUCTION.

THE S.S. Umvoti, on which I was travelling from Beira, Portugese East Africa, to London, reached Las Palmas in November, 1927, after a very stormy passage. Like the rest of the passengers, I was thankful to get ashore.

The usual vendors, beggars, and guides were soon in evidence. One old man in the garb of a peasant offered me his services as a guide, which I gladly accepted. The man was bearded, swarthy of complexion, and very thin. He spoke in broken English and suggested that we visit the Cathedral. This we did, and as we walked the stranger informed me that the Cathedral was founded in the 16th century but only completed in the 19th. He conducted me to a lift inside the Cathedral, and smiled at two most corpulent priests who were seated at confessional boxes. The priests turned their heads away from the guide, who entered the lift with me. Soon we were speeding upward to enjoy the most enchanting scene imaginable. In the sunlight, on each bank of the river, lay the houses of the capital. Down below the people walked, Lilliputians in size.

We stood for a considerable time, and indeed I could have remained much longer drinking in the view, but the guide suggested that we leave. We did so and visited the bazaars and other places of interest including taverns where we enjoyed native cigars and wine.

As we made our way back to the ship my guide produced a little metal crucifix and some papers which he begged me to buy. He informed me that the papers were the manuscripts of a system of ceremonial magic, "The Secret Grimoire of Turiel". These

THE SECRET GRIMOIRE OF TURIEL

were the original dated 1518, written in Latin, and a copy written in English, a translation from the original. The original copy was in fragments, almost worn away, but the copy was intact.

I told the guide the original was not worth taking, but I would buy the cross and the copy. He agreed to this, and thus I became the possessor of the Grimoire. Since 1927 I have rewritten the manuscript owing to the fact that I was on the move so often, and for the sake of convenience the new writing was entered into a note book of convenient size, and the copy purchased in Las Palmas I destroyed. I have reason to believe that the present manuscript is the only one in existence. In publishing same I feel sure that it will appeal to all students of occultism as an additional item of interest.

It has much to commend it. Though small in volume it is a complete system of Ceremonial Magic.

The former owner admitted that he had made use of the formula contained therein. For his experiments in the Art he, a former priest, had been defrocked. This he said was the reason why the two priests in the Cathedral had not acknowledged his smile.

THE SECRET GRIMOIRE OF TURIEL

OBSERVATIONS and method of Invoking related with great pains and diligent research.

Retire thyself Seven Days free from all company and fast and pray from sunset to sunrise. Rise every morning at Seven of the clock, and the three days previous to the Work fast upon bread and water and humble thyself before Almighty God. Watch and pray all night before the Work.

And on the day before draw the lines of the Circle in a fair place, and let the diameter of the Circle be 9 feet. Wash thyself the same day quite clean.

Make the pentacles forthwith and provide the other things necessary, with Incensing. Then being clothed in pure Vestments and having covered the Altar and lighted the candles begin about half an hour before sunrise on the Day assigned for the Work and say with great Devotion as follows:—

First Morning Prayer :—

Almighty and Most Merciful Father I beseech Thee that Thou wilt vouchsafe favourably to hear me at this time whilst I make my humble prayer and Supplication unto Thee. I confess unto Thee O Lord Thou hast justly punished me for my manifold sins and offences but Thou hast promised at what time soever a sinner doth repent of his sins and wickedness Thou wilt pardon and forgive him and turn away the remembrance of them from before Thy face.

Purge me therefore O Lord and wash me from all my offences in the Blood of Jesus Christ that, being pure and clothed in the Vestments of Sanctity, I may bring this Work to perfection, through Jesus our Lord who liveth and reigneth with Thee in the Unity of the Holy Ghost. Amen.

Sprinkle thyself with Holy Water and say:—

Asperges me Domine hysope, et mundabor. Lavabis me et super nivem dealbabor.

THE SECRET GRIMOIRE OF TURIEL

Hail O Mighty God, for in Thy power alone abideth the Key to all exorcising of Principalities, Powers, Thrones, Angels and Spirits. Amen.

Then bless your Girdle, saying:—

O God Who by the breath of Thy nostrils framed Heaven and Earth and wonderfully disposed all things therein in six days, grant that this now brought to perfection by Thine unworthy servant may be by Thee blessed and receive Divine virtue, power and Influence from Thee that every thing therein contained may fully operate according to the hope and confidence of me Thine unworthy servant through Jesus Christ our Lord and Saviour. Amen.

The Blessing of the Light:—

I bless thee in the Name of the Father. O Holy, Holy Lord, God, Heaven and Earth are full of Thy Glory before Whose face there is a bright shining light forever; bless now, O Lord, I beseech Thee, these creatures of light which Thou hast given for the Kindly use of man that they, by Thee being sanctified, may not be put out or extinguished by the power, malice, or filthy darkness of the devil, but may shine forth brightly and lend their assistance to this my Work, through Jesus Christ our Lord. Amen.

Then say, "Asperges me, etc."

Consecration of the Sword:—

O Great God Who art the God of strength and fortitude and greatly to be feared, bless O Lord, this Instrument that it may be a terror unto the Enemy, and therewith I may fight with and overcome all phantasms and oppositions of the Enemy, through the influence and help of Thy most Holy Mighty Name, On, St. Agla, and in the Cross of Jesus Christ our only Lord. Amen.

Be thou blessed and consecrated in the Name of the Father, Son, and Holy Ghost.

Asperges me, etc.

Benediction of the Lamens (Symbols, Circles):—

O God Thou God of my Salvation I call upon Thee by the mysteries of Thy most holy Name, On, St. Agla, I worship and beseech Thee by Thy Names El, Elohim, Elohe, Zebaoth, and by

THE SECRET GRIMOIRE OF TURIEL

Thy Mighty Name Tetragrammaton, Saday, that Thou wilt be seen in the power and force of these Thy most holy names so written filling them with divine virtue and Influence through Jesus Christ our Lord.

Benediction of the Pentacles:—

Eternal God which, by Thy Holy Wisdom, hast caused (?) great power and virtue to lie hidden in the characters and Holy Writings of Thy Spirits and angels, and hast given unto man that with them, faithfully used, power thereby to work many things; bless these, O Lord, framed and written by the hand of me Thine unworthy servant that being filled with divine virtue and Influence by Thy Commands, O Most Holy God, they may shew forth their virtue and power to Thy praise and Glory through Jesus Christ our Lord. Amen.

I bless and consecrate you in the Name of the Father, the Son, and the Holy Ghost, the God of Abraham, Isaac, and Jacob.

Asperges me, etc. Amen.

Benediction of the Garment :—

O Holy, blessed and Eternal Lord God Who art the God of purity and delightest that our souls should appear before Thee in clean and pure and undefiled Vestments being cleansed, blessed, and consecrated by Thee, I may put them on, being therewith clothed I may be whiter than snow both in soul and body in Thy presence this day, in and through the merit, death, and passion of our only Lord and Saviour Jesus Christ, Who liveth and reigneth with Thee in the Unity of the Holy Spirit, ever one God, world without end. The God of Abraham, Isaac and Jacob bless thee, purge thee, and make thee pure, and be thou clean in the Name of the Father, Son and Holy Ghost. Amen.

In this Thy Holy Sign O God, I fear no evil. By Thy Holy Power, and by this Thy Holy Sign all evil doth flee.

THE SECRET GRIMOIRE OF TURIEL

By Thy Holy Name and Thy Power which Secret was revealed to Moses, through the Holy Names written in this Book, depart far from me all ye workers of iniquity.

Bless, O Lord, I beseech Thee, this place and drive away all evil and wickedness far from it. Sanctify and make it become meet and convenient for Thy Servant to finish and bring to pass therein his desires, through Jesus Christ our Lord, Amen.

Be thou blessed and purified in the Name of the Father, Son, and Holy Ghost. Amen.

Benediction of the Perfumes :—

The God of Abraham, the God of Isaac, the God of Jacob, bless here the creatures of these kinds that they may give forth the power of their odours so that neither the Enemy nor any false Imaginations may be able to enter into them, through our Lord Jesus Christ, to whom be honour and Glory now, henceforth, and for ever. Amen.

Sprinkle them with Holy Water, saying. "Asperges me, Domine, etc."

Exorcism of Fire :—

I exorcise thee, O thou creature of Fire, by Him by Whom all things are made, that forthwith thou wilt cast away every phantasm from thee that it shall not be able to do any hurt in any thing. Bless, O Lord, this creature of Fire and sanctify it, that it may be blessed to set forth the praise of Thy Holy Name that no hurt may be able to come unto me, through the virtue and defence of our Lord Jesus Christ. Amen.

Footnote :—

On this and subsequent occasions when the use of blood or parts of animals is specified we have retained the wording of the original MS. for the sake of authenticity. We would, however, remark that in the opinion of experienced occultists the use of blood is neither desirable nor essential, being apt to have a bad effect upon the operator. It is suggested that the white of a new-laid egg would prove an effective substitute, having a similar life potential, and being equally suitable as a cohesive medium.

Interrogations:—

“Comest thou in peace, in the Name of the Father, and of the Son, and of the Holy Ghost?”

“Yes”.

“Thou art welcome, noble Spirit. What is thy name?”

“Turiel”.

“I have called thee here, Turiel, in the Name of Jesus of Nazareth, at Whose Name every knee doth bow, both of things in Heaven, Earth, and Hell, and every tongue shall confess there is no Name like unto the Name of Jesus, Who hath given power unto man to bind and to loose all things in His Name, yea, even unto them that trust in His salvation. Art thou the messenger of Setchiel?”

“Yes”.

“Wilt thou confirm thyself unto me at this time, and from henceforward reveal all things unto me that I shall desire to know and teach me how to increase my wisdom and knowledge, and show unto me the secrets of the Magick Art, and of the liberal sciences, that I may set forth the praise and glory of Almighty God?”

“Yes”.

“Then, I pray thee, give and confirm thy Character unto me, whereby I may call thee at all times, and also swear unto me this Oath, and I will religiously keep my vow and covenant unto Almighty God, and will courteously receive thee at all times when thou dost appear to me”.

“Forasmuch as thou camest in peace and quietness and hast answered me and unto my petitions, I give humble and hearty thanks unto Almighty God, in whose Name I called thee and thou camest. And now thou mayest depart in peace unto thy Orders, and return unto me again at what time soever I shall call thee by

THE SECRET GRIMOIRE OF TURIEL

until thy life's end, whensoever thou shalt call me by my name, or by my Office, and will come unto thee in what form thou shalt desire, whether it be visibly or invisibly; I will answer all thy desires. And in testimony whereof, and before all the Powers of Heaven, I have hereunto set, subscribed, and confirmed my Character unto thee.

So help me God. Fiat. Amen.

The Character of Turiel.

F I N I S

THE SECRET GRIMOIRE OF TURIEL

NOW FOLLOW THE RITES OF MAGICK FROM THE VARIOUS ANCIENT GRIMOIRES.

The Powers and Offices of the Seven Olympic Spirits are as follows:—

ARATRON governs those things which are ascribed astrologically to Saturn. He can convert any living organism, plant or animal into stone, and that in a moment of time; he can also change coals into treasure and treasure into coals; he gives familiars and reconciles subterranean spirits to men; he teaches alchemy, magick, and medicine, imparts the secret of invisibility, makes the barren fruitful, and lastly, confers long life. He should be invoked on a Saturday, in the first hour of the day, making use of his Character, given and confirmed by himself.

The affairs of Jupiter are administered by **BETHOR**, who responds quickly when called. The person dignified by his Character will be exalted to illustrious positions, and may obtain large treasures. He reconciles the spirits of the air to man, so that they will give true answers, transport precious stones, and compose medicines having miraculous effects. Bethor also grants familiars of the firmament, and can prolong life to the True Magician, subject always to the fervour and purity of the latter.

PHALEG governs the things that are attributed to Mars. The person who possesses his Character is raised by him to great honour in military affairs and business concerns.

Solar interests are administered by **OCH**, who prolongs life to the True Magician, with perfect health therein. He imparts great wisdom, gives excellent familiar spirits, composes perfect medicines, converts any substance into the purest of metals, or into precious stones; he also bestows gold, and a purse springing with gold. He causes the possessor of his Character to be worshipped as a god by the kings of the whole world.

The government of Venereal concerns (i.e. those of Venus) is entrusted to **HAGITH**, and the person possessing his Character is adorned with all beauty. He converts copper into gold in a moment, and gold instantaneously into copper; he also gives faithful serving spirits.

THE SECRET GRIMOIRE OF TURIEL

OPHIEL is the ruler of those things which are attributed to Mercury ; he gives familiar spirits, teaches all arts, and enables the possessor of his Character to change quicksilver immediately into the Philosophers' Stone.

Lunary concerns (i.e. those of the Moon) are under the government of PHUL, who truly transmutes all metals into silver, heals dropsy, and provides spirits of the water who serve men in a corporal and visible body, and prolongs the life of the True Magician.

Legions of inferior spirits are commanded by each of the Governors, who also have Kings, Princes, Presidents, Dukes, and Ministers ruling under them. Ceremonial Magick usually administers the hierarchies upon a colossal scale. The invocation of the Governors is simple. It is performed in the day and hour of the planet which is in correspondence with the Olympic Intelligence by means of the following Prayer:—

“O Eternal and Omnipotent God, Who hast ordained the whole creation for Thy praise and Thy glory, as also for the salvation of man, I beseech Thee, send Thy spirit (Name) of the Solar Race (1),* that he may instruct me concerning those things about which I design to ask him (or, that he may bring me medicine against the dropsy, etc.). Nevertheless, not my will but Thine be done, through our Lord Jesus Christ, Thine Only Begotten Son. Amen.”

*(1). This is merely a typical form, subject, of course, to variations according to the spirit who is evoked.
