

THE YORK RITE STORY

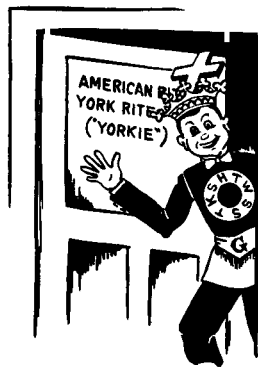

as narrated by

“YORKIE” RITE

(MM-RAM-RSM-KT)

Hello Brother!

... let's get acquainted. My friends call me by two names — each proper enough . . . "American Rite" & "York Rite" . . . well, I'm an informal fellow, so just call me "YORKIE" for short.

Pardon my bravado, but I'm about the biggest fellow in Masonry you'll ever meet . . . strongest too!

Matter of fact, about one out of every five of your Blue Lodge friends prizes a membership in my family.

Matter of fact, about one out of every five of your Blue Lodge friends prizes a membership in my family.

IN U.S. ALONE

Chapters 3416 — Members 712,000
Councils 1411 — Members 293,000
Commanderies 1611 — Members 390,000

And do I get around! . . . I'm recognized all over the world — from Hong Kong to Yellowknife. For instance, I have over 7,000 Royal Arch Chapters, alone, in towns, large and small.

My current dues card is your passport to friendship from Ballymacarrett to Pietermaritzburg! . . . No wonder they call me . . .

"MR. UNIVERSAL MASON"

But I'm not merely a world-traveler . . . I'm a hard worker right here in the old U.S.A. Did you know that I helped build, and now support, a good percentage of all the Masonic temples in our country? . . . Some I built by myself. Might well be that your own lodge meets in a building I made possible.

Know why I do that?
 . . . Early in my
 Masonic journey, I
 pledged my full sup-
 port to the Symbolic
 Lodges . . . also vow-
 ed to make better in-
 formed Masons of
 their members! For

that reason, I even print two national magazines
 and have set up an Educational Bureau!

What's more . . . my work isn't confined to my
 own family . . . no sir . . . I help all sorts of peo-
 ple regardless of their race, creed or color. For
 instance my
 Knights Temp-
 lar Educational
 Foundation has
 lent millions to
 deserving col-
 lege students . . .
 and my Eye
 Foundation has
 given sight, or
 corrected de-
 fects of vision in
 hundreds of children and adults who were un-
 able to afford treatment. I support orphanages,
 old folks' homes, children's camps, teen age
 clubs; contribute to disaster relief, humanics
 foundations, schools of religion and dozens of
 other projects. That's why I'm often called . . .

"MR. CHRISTIAN MASON"

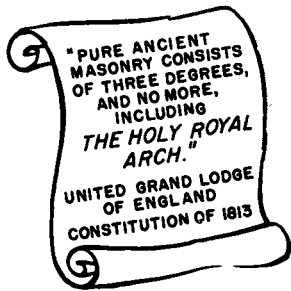

Sure, my head's in the
 clouds! . . . but my feet
 are on the ground! Kings
 and princes are honored
 to call me "Companion"
 and "Sir Knight" . . . as
 well as the man on Main
 Street in a Midwestern
 village. I speak for Free-
 masonry at the "grass
 roots". I am controlled
 by the vote of the indi-
 vidual members of my
 family. They elect their

local officers . . . who elect state officers . . .
 who, in turn, select national officers.
 See why I am called . . .

"MR. DEMOCRATIC MASON"?

I've got a secret too! . . . *the
 most important one in Free-
 masonry!* . . . Remember in
 your Blue Lodge journey
 when you were given a "sub-
 stitute" for something? . . .
 Did it ever occur to you that
 to have a "substitute" means
 the real thing must be avail-
 able someplace? . . . *it is,*
 and I would like to share it
 with you! Actually, my ex-
 planations of the first three
 degrees of Masonry will lift *many* curtains in
 your mind.

Did you know I am over 200 years old? That makes me the oldest of the "Rite Family". Getting stronger every day too! . . . I remember back in 1813 when the present Grand Lodge of England was formed . . . they invited me to sit in, and I've been a part of it ever since

. . . That's why they call me . . .

"MR. ANCIENT CRAFT MASON"

. . . Well, that's my story in a nutshell . . . of course there's lots more, and any member of my family will gladly give you the details . . . But right now, I'd like to get better acquainted with YOU! After all, it's men like yourself, who have already been proven good and true, that I represent. I have a place for you and your talents . . . Let me take you by the hand and lead you up the ladder to a new understanding . . . I will open many doors for you that have heretofore been closed . . .

WILL YOU JOIN ME?
