An Invitation to reconnect with The Rosicrucian Fellowship after life circumstances have caused you to interrupt your quest

Dear Friends,

There are those among us who have stepped on the path of light in the footsteps of our Lord Christ Jesus. We have started our studies with enthusiasm and have begun to share and apply what we have learnt. But suddenly life happens and we are faced with various tests and challenges whose heavy demands cause us to stop and walk off the path. We understand that facing our ripe destiny is very difficult to handle at times, even though we are never given a test that is above our capacity to overcome, as we are given unseen assistance from kind and compassionate Invisible Helpers on inner plane.

We understand that a test appears hard in the beginning yet over time things tend to ease up and we begin to comprehend why we received the privilege of such a test in order to open our eyes and ears. The test aims at bringing our heart and head ever closer together and allows the voice of intuition - teaching from within - to be heard loud and clear in further guiding our steps.

As we walk the path and perform certain exercises, prayers and selfless service with Love, we are actually building our inner vehicles and birthing our nascent spiritual faculties. Efforts made day by day to live a better life, to become better people and to strive to make it a better place for everyone on Earth, are most noble aspirations. We are guided to maintain *a sane mind, a soft heart, and a sound body* to open the door to the inner planes where much spiritual work awaits us in the vineyard of Christ.

So, Dear Friends, we take this opportunity to invite you to reconnect with The Rosicrucian Fellowship and reconnect as Friends. You can send a letter to ask to be reinstated as aspirants of this wonderful organization, where we learn to discover the mysteries that are hidden within us; where we learn to build our Soul Body and open the door to our Higher Self, the Spirit within. Join us in our quest to live a life such as that we can reach eternal life in the Kingdom that is not of this world as promised by Christ.

Send your letter of request for reinstatement to:
