## Hidden Hand Dialogue reveals extraterrestrial factor in Illuminati control of Earth

2011. Michael E. Salla, Ph.D.

The Hidden Hand Dialogue is a set of questions and answers given by a self-described Illuminati insider and members of the Above Top Secret Forum that was recorded in October 2008. The insider responds to questions in a sincere and consistent way, and reveals valuable information about the secret control mechanisms used by an elite group of insiders he calls "The Family". Among the many insights s/he gives is that the leadership of the family is very much aligned with a group of extraterrestrial visitors. If genuine, the Hidden Hand dialogues provide many answers to how our world is secretly run, how the extraterrestrial question applies to it, and what may happen at the end of the Mayan Calendar in 2012.

The Hidden Hand dialogue is based on the premise that secret elite groups control our planet and have been doing so for millennia. These elite groups have been described as the Illuminati, the Incunabula, Nephilim, etc., in books such as Rule By Secrecy, Gods of Eden, and The Biggest Secret. The basic idea is that a select group of families with distinct bloodlines have accumulated power and pass this on from one generation to another. In fact, this is precisely how the insider (the "Hidden Hand") introduces him- or herself, and describes the group to which he belongs:

**I am a generational member of a Ruling Bloodline Family! Our Lineage can be traced back beyond antiquity. From the earliest times of your recorded "history", and beyond, our Family has been 'directing' the 'play' from behind the scenes, in one way or another. [Note: all Hidden Hand quotes are cited from here]**

**The Hidden Hand reveals the number of core bloodlines making up "The Family":**

**There are 13 'base' or 'core' original bloodlines. Yet there are many many other lines that spring from these, as do rivers from the oceans. If you imagine the 13 Original lines as Primary colour, that can be mixed to create a vast array of other colours, then you will have some comprehension. Again, no competition, just Family.**

**Hidden Hand describes the structure of the ruling bloodlines as follows:**

**In the grand scheme of things, the Line is not as important as the House, the House, is not as important as the Family. The Family is all. No matter the House or Line, we are One (truly international) Family. Imagine if you will, a body. A House would represent a vital organ or body part within the Body itself. Each part has an important role to play in the functioning of the whole, and to each of us, the 'whole' has our undivided loyalty. As I say, many lines, (far more than you are aware of), One Family.**

**So for example, a particular bloodline, the Rothschilds, is part of a House that controls international finances in this global Family. Of the thirteen base bloodlines, the Hidden Hand says that only three are indigenous to Earth. The rest have off-world origins, the so called Fallen Angels or Nephilim as described in the Book of Enoch. S/he clearly identifies where the most power is found among the thirteen bloodlines: "I want to be clear on this Bloodline issue. The ones you know, they are of earthly lineage. Yes, they have their place in the Family, but the Real Power lines, do not originate from this planet."**

**Further clarifying the identity of the most powerful bloodlines, the Hidden Hand says they derive from the "group soul" or entity known as Lucifer:**

**Our Creator, is the one you refer to as 'Lucifer', "The Light Bearer" and "Bright and Morning Star". Our Creator is not "The Devil" as he has been spuriously portrayed in your bible. Lucifer is what you would call a "Group Soul" or "Social Memory Complex", which has evolved to the level of the Sixth Density.... In appearance, were you to gaze upon Lucifer's fullest expression of our Being, the appearance would be that of a Sun or a "Bright Star". Or, when stepping down into a 3rd Density vibration, we would appear as what you may term an 'Angel' or 'Light Being'.**

**So while the Family is led by ten extraterrestrial bloodlines, all thirteen bloodlines see themselves as physical manifestations of Lucifer - a highly evolved spiritual being who has taken on the assignment of creating a negative polarity which gives humanity the opportunity to evolve by making better moral choices. While this admission would lead to fundamentalist Christians describing the Family as devil**

worshippers, and extraterrestrials as demons, the Hidden Hand is suggesting that Lucifer is performing a form of spiritual service. Importantly, as I discuss later, the Family and its Luciferian power structure, is also a problem for extraterrestrial civilizations.

**This is how the Hidden Hand justifies why The Family engages in behaviors that many describe as evil:**

**[W]e need a very high percentage of Negative Polarity, if we are to achieve a Negative Harvest. In other words, we have to be Self-Service-Centred to an extreme degree, in order to become Negatively Harvested. This is why we work so hard to be as Negatively Polarized as we possibly can be,**

**Put simply, this means that the more highly negative or "evil" the Family is in maintaining its control over the rest of humanity, the more likely that the Family can achieve its ultimate goal. While this appears paradoxical, the Hidden Hand elaborates a complex philosophy as to why this is so.**

**Understand, that we HAVE to be Negative. That's what we were sent here to be. It is our contract, and it has always been to help you, by providing the "Catalyst" I spoke of earlier.**

**By "catalyst," the Hidden Hand means performing actions that force the rest of humanity to make important moral choices. He explains further:**

**[W]e must be as Negatively Polarized as possible. Service to Self in the extreme. Violence, War, Hatred, Greed, Control, Enslavement, Genocide, Torture, Moral Degradation, Prostitution, Drugs, all these things and more, they serve our purpose.**

**This is how the Family sanctions such highly negative behaviors as ritual human sacrifice, and child abuse as documented by researchers such as John DeCamp. The ultimate goal is to awaken humanity to take actions to stop these negative things from happening. Stanley Kubrick's final movie, Eyes Wide Shut, revealed the power and rituals of the Illuminati/The Family. Kubrick was found dead shortly after its completion**

**Basically, the Hidden hand claims that the Family is teaching humanity to be more empathic. For most, empathy is a defining characteristic of our humanity. Not caring for others suffering from deprivation, acts of violence, would make us less than human. For those belonging to the Family, empathy is something that would hold one back on the path to "negative polarity" which, paradoxically, will help humanity**

**become more empathic. The paradox here is described by the Hidden Hand:**

**The ultimate paradox in all this, is that in this storyline we are all co-creating together, in order for us to be of the most Service to you, we must be utterly self serving. I do so love our Creator's sense of irony.**

**In answer to a question about a race of extraterrestrials called "Reptilians" being the real power group on the planet, the Hidden Hand claimed: "We are most certainly NOT Reptilian, and there is nothing remotely reptilian about the True Power Bloodlines."**

**This is an important admission by the Hidden Hand. While the most powerful elements of the Family are extraterrestrials, the Reptilian species has nothing to do with the real power behind the Family. This is contrary to what authors such as David Icke have been claiming that our world is secretly controlled by Reptilian entities. What the Hidden Hand is suggesting instead is that there is a Luciferian group soul that is working in our Galaxy that has established power not only on our planet, but on other worlds. Reptilian worlds under the influence of the Family, or Luciferian entity, would be as highly manipulated as our own by off-world bloodlines. In other words, just as the Family has historically manipulated nations of our world into countless wars that increase the power of the Family, so too the Family has played a similar role in fomenting galactic wars. In short, the Hidden Hand has not only revealed the secret power structure that manipulates life on our planet, but also the power structure that dominates many planets in our galaxy and beyond.**

**This appears uncannily similar to the Star Wars saga where a group of dark spiritual entities called the Sith secretly infiltrate and take over political and spiritual organizations in the Galaxy. If the Hidden Hand and his Luciferian peers belong to something similar to the Sith, is there a positive counterpart similar to the Jedi Knights? This is how the Hidden Hand describes the modern equivalent of the Jedi Knights - a positive polarity "Family":**

**There is such a family (or group more accurately), but you cannot see them, and neither are you aware of their existence. They help the planet from a secret "Inner" location, by the Quality of the Energy work they engage in and project outward to you, from the Source.**

**How accurate and genuine is the Hidden Hand? In terms of some predictions, s/he was way off. E.g.,**

**San Francisco and Damascus, will be uninhabitable by the end of 2010, possibly even sooner!**

**There will be raging tsunamis and widespread devastation; and a solar emission in late 2009 early 2010 that will cause major melting of the ice caps, and subsequent drastic rise in sea levels, leaving many (international) metropolitan areas underwater.**

**These failed predictions suggest that, even if genuine, the Hidden Hand and the Family are not infallible when it comes to predicting and/or controlling world events.**

**In terms of philosophy, the Hidden Hand dialogue is very consistent with the RA material which is the most widely cited set of channeled materials on the planet. The RA material (1981-1984) was the first to introduce concepts such as negative and positive polarities, densities, a Harvest around 2012, and social memory complexes that are repeatedly cited by the Hidden Hand. The RA material also revealed that it was possible for a group of entities to spiritually evolve through densities by negative activities. This idea is unique to the RA material, and appears counter intuitive at first, but has a solid philosophical background to it.**

**In terms of agenda, the Hidden Hand says that s/he has been instructed to participate in revealing the truth of Earth's hidden rulers since this is a requirement for the upcoming "Harvest." In the Harvest, all individuals are tested for their core ethical orientation for whether they evolve or not out of our third density existence, into a more refined fourth density. The End of the Mayan Calendar (approximately December 2012) is claimed to be when the Harvest occurs. Individuals then get to decide what is most important in their lives - the polarities of "service to self" or "service to other". Those in the middle, who haven't yet chosen a polarity, are at real risk during the Harvest according to the Hidden Hand and also in the RA material. The agenda behind the Hidden Hand's revelation therefore appears to be very plausible given what has been described in the RA material. Most importantly, the agenda may not be exclusive to Earth, but also applies to extraterrestrial worlds where "The Family" has great influence.**

**So what can one conclude from the Hidden Hand dialogue? In my opinion, it is a genuine revelation by an insider belonging to an organization called "The Family" that has both Earthly human and extraterrestrial membership. The Family has been secretly involved in ruling both the Earth and other planets through highly placed elites in key social and political institutions. No one extraterrestrial race is the nexus of negative activities as mistakenly claimed by Icke and others. The nexus of evil (or negative polarity) comes from a Luciferian entity or group soul that has physically manifested itself in terms of an elite called "The Family." Humanity and extraterrestrial civilizations have similar problems in dealing with "The Family" which has succeeded in attaining power to varying degrees in their respective societies, especially so as we witness the end of the Mayan Calendar around 2012.**
