

The New World Order

John Todd's Testimony

(From tape recorded Lectures by John Todd, Ex-Grand Druid Witch, at Bible Baptist Church, Elkton, Md., USA, Fall 1978)

There is no reason to have fear in your heart. There is nothing to be afraid of when it comes to the devil; He was defeated 2,000 years ago!

I learned what most witches don't know and that the gods they worship are demons. They like to call them spirit guides—and that there is only one god and his name is Lucifer. I was explained to that Lucifer was a good god and not an evil god, and that Jesus was the imitator.

We were the religion of a political organization called the Illuminati. The seal of the Illuminati says: "This New Order that began 1776"—not the 4th of July, but May 1st, 1776, the creation day of the Illuminati.

On the top of each pyramid you will see a capstone with an eye in it. The capstone is the Rothschild Family or Tribunal that rules the Illuminati, they were the creators of it. The eye is Lucifer, their god and their voice. The top block is the Council of 13 called the Grand Druid Council. They only take orders from the Rothschilds. They're their private priesthood. The Council of 33 is directly under them, that is the 33 highest Masons in the world. Then the Council of 500, some of the richest people in the World.

The Golden Dawn is the Rothschilds private coven. The Aquarian Art Festival is the organization that ties all the Occult Brotherhood together.

The national Council of churches, the Satanic Brotherhood of America, scientology, unity, is the

main platform for witches to be speakers at towards what they consider to be Christian people. The Church of Wicca is another denomination.

The process church of Final Judgement is a church which Charles Manson belonged to. They believe in human sacrifice and they believe that the only answer to Christianity is to bomb the churches and execute the Christians.

The Garnarian Brotherhood is the traditional witchcraft in England. The Order of Rosicrucians is a sacrifice order. And the Holy Order of Garter is another traditional English Witchcraft group.

The Trilateral Council is the Inner Council of the Council of Foreign Relations, which is the American name for the Illuminati. They are not there without full knowledge and they are hand-picked by David Rockefeller, the leader of the Illuminati in the United States. Without the Sphinx the mystery of the Illuminati would have no power. This is where all the power comes from. The head of it is the Rothschild family and the Council of 500. Under that, the Rockefellers, Duponts, Kennedys, Onassis, and other families. Queen Juliana is also on the Council of 500. In the center is its heart, the Bank of England, the Bank of France the Federal Reserve Act, a stockholder company owned by individuals. Much of the stock is owned by non-Americans.

Many Banks and famous corporations are owned or controlled by the Illuminati. Housewives cannot shop without buying from a company that the Illuminati owns, it is impossible.

(In 1966) Phillip Rothschild ordered one of his mistresses to write an 1100-page book that would describe to all witches how they would take control of the World through the Illuminati: It's called "Atlas Shrugs". She spent a third of the book describing how they would raise the oil prices and then later destroy the oil fields and then they would completely shut down the coal.

Their sole purpose is to bankrupt their own companies and destroy their own companies until they destroyed the currency of the whole World, and still be so financially strong they would withstand it! The Grand Druids meet eight times a year on the Witches' Sabbath at various locations in the world. The Grand Druid Council is nothing but glorified bankers, they write million of dollars worth of cheques to people in political and religious fields every month. Even though I was part of setting up a World Government, I never took it seriously until we opened two letters:

In the first one was a chart that listed a plan for a World take-over. The other letter said: " We have found a man whom we believe to be the son of Lucifer. We believe that through his works and our backings he can become ruler of this World, stop all wars, and bring peace, finally, to this war-

stricken World.” We had found a person so fantastically-powered that he could convince people he was their only salvation, in Christian terms, demon-possessed like nobody had ever seen!

(Jn.2:18,Rev.13.)

The cornerstone of the whole floor of witchcraft is that you cannot mix a potion, you cannot do a rite without a firm knowledge of astrology. It is the base for all practices in Witchcraft, and one of its teachings is that you are born a set personality and there is nothing you can do to change from that set personality. You don't leave witchcraft. Once you're in, you're in!

The greatest Wizard that that ever lived was King Solomon. As great as his writings were in our Bible, they were as great in the Witchcraft bibles: initiation rites, how to conjure demons up, everything, even how to commit human sacrifices are writings that he created.

The Star of David has just recently been called the star of David. For thousands of years it was called the Hexagram or the Crest of Solomon.

Now when a witch wants to practice witchcraft, she'll get in a pentagram, that's the five-pointed star in the circle, their strongest form of protection. Then they will lay this six-pointed star, or hexagram — which means “to hex” or to cast black magic or to put a spell on somebody – they'll put it in a circle on the floor and this will cause the demons to appear at their instructions. It is the most evil sign of witchcraft. It's dangerous to have it. The pentagram, the pinnacle with the one point up, means Witchcraft; two points up means demon-worship or Satanism. A two points up, five-pointed star symbolises the goat head, which is representative of the devil.

The Ankh means that you despise virginity, believe in fertility rites, practice fertility rites and worship the sun god Ra, the Egyptian name for Lucifer.

The peace symbol is the broken cross. If a Christian wants to join Witchcraft, they would have to take a ceramic cross and turn it upside-down and break the cross bars down, symbolising their rejection of Calvary. This is said to bring you peace of mind while you practice Witchcraft, that's where it got the word “Peace Symbol” comes from. They are in the process of a Trial-and-Error right now, and they test things. They tested what it would be like to be without fuel to heat homes. They are going to see if they can't starve you, absolutely shut all electricity off.

The timetable in the book “Atlas Shrug” ended with this: “When the Lights of New York City go out for the last time, we will have the World.”

Towards the end they are going to cut the cities off completely, nothing will move for months.

They are in the process of destroying all stored food and farmland, so that we will be without any food in the cities or in the country or anywhere except what is in the Federal storehouses. Nothing is going to move at all. If you live in a big city, how are you going to get your food if they don't bring it to you? Everything will be paralysed, nothing will move. At the same time there will be riot and revolution in the whole World. Charles Manson went to prison for a reason.

There is a mass army within every prison from coast to coast, he has them united. He has been gathering an army and the one thing that will hold their plan up is if they don't get the gun law passed. They have been promised that all the guns will be confiscated before they make their move. They have been set up just so they will kill one million people and I will leave it to you imagination who is scheduled to be killed. This is just so that they can get the national guard called out.

The whole thing is, if you can be independent of Federal help, their plan won't work. You must be dependent on the Federal Government for every bite of food, every warmth that you feel coming through your homes. You must be dependent on them.

The Communist Party is run by Illuminati, not communists. In 1776, Albert Pike – The head of the Illuminati, also head of the Masons at the time – Said that they needed to create a political party that would frighten the World and keep it fighting with each other until they could bring peace to the World — and then Karl Marx showed up. Now if you go to the British Museum, you can find two cheques for several thousand pounds made out to Karl Marx, signed by Nathan Rothschild. I can go into how Lenin and Trotsky stayed at the Krupp mansion in New York, financed by Rockefeller and Krupp and Schiffs: How they put four million dollars worth of Jacob Schiff's gold to finance the revolution, sailed from New York Harbor where their ship was confiscated by the British Government as it tried to run a blockade during WWI and Woodrow Wilson called and ordered their release so America wouldn't go into the War and they were sent on their way. Involved Organizations: B'nai B'rith; American Civil Liberties Union; the Scottish Rites; the New York Rites; the Jaycess; the Junior Chamber of Commerce; the Masonic Lodges; the Knights of Columbus; the Knights of Philistivis and the Oddfellows.

It's leaders use these Organisations for their purposes, that does not mean that the members of those organisations know what's going on.

The 33rd Level Masons consider Jesus to be the impersonator and the true god is Lucifer. Tarot Cards: Every drawing means something and the demons control how they fall, nothing in Witchcraft is ever

100% accurate.

The Illuminati will use Israel to gain control of the World. The only thing the Illuminati fear is an independent person who can live, eat, sleep, stay warm and defend themselves separate from Federal help. They have never been this organised.

Is Rock music an outgrowth of Witchcraft? You can't practice Witchcraft without it!!!! Most of the rock groups are members of a Witchcraft Church, that's their religion, and when they do a song they'll ask the Witch coven or the temple to cast a spell over that song so that it will become a hit and sell. When a witch casts a spell they order demons to do things.

When you buy an album it's you who gets a free surprise !..it's called a demon! It goes along with the record.

Much of the music is written in Witch language by witches. Elton John has made the statement that he has never written or sung a song that was not in Witch language. "Beyond the Yellow Brick Road" is 100% Witch language. That's why many songs, you don't understand. That's why many people who listen to them don't understand until they get high on drugs and then all of a sudden the meanings start coming to them. Many songs have been written in Witch language such as the whole album by Carol King called "Tapestry".

The book of prophecy to witches is the double white album that the Beatles produced containing the song "Helter Skelter". Every song in it is prophesy. Oh let's see!"Horse With No Name", "One Tin Soldier", I could list thousands of songs that were written this way. They definitely have demonic influence behind them.

Have you noticed the increase of rebellion in teenagers in your home? It's your fault , you let them listen to it. It stirs up rebellion. It's not the words in the song, it's the music. Witches know it, they hit certain chords on purpose.

The music is hypnotic. It stirs up a war-like nature in the young people. It's the truth: the supernatural is tied in with the music.

The most perfect description of Lucifer that ever existed is in the 28th chapter of Ezekiel in the King of Tyrus. It describes Lucifer as being created with musical instruments imbedded in his body. He thinks he's god and therefore he must have music because gods must have music.

(See also Isa.14:4-21)

I look into a person's eyes when I talk to them. I want to know who I'm talking to and who I'm not

talking to. When you lived in a supernatural world and you have dealt with demons it's no different when you spot them in a person who's professing to be a Christian who isn't living the life.

A Christian can't be possessed, but when you can no longer crucify the flesh, and it goes beyond just crucifying the flesh, then it's time to cast out the demon, through prayer and the blood and the name of Jesus, just tell the devil to get out! We just have to say a prayer of rejection and we just take authority over them.

You are not a Christian because you say you're born again, you're a Christian if you have the fruit of the Spirit. If it's not there you're going to grow up thorns and not apples. I try to stay away from politics. I was very politically minded when I was a witch. I try to stay very Christian-minded and you can't do both.

Books written by Charles Finney who was saved out of the Masons and of the first man executed by the Illuminati for betraying them, Captain Morgan, expose. I don't believe that Christians can have books written by witches in their libraries and get away with it.

Many conservative political organisations find the Illuminati in their journeys. It's hard to fool around with politics and history and not to see the conspiracy. But they look at this little thing over here, and they see a war is happening, or they look over here at this little political movement and they miss the whole picture because they look at it from the outside. It's impossible to look at the Illuminati from the outside unless you understand its structure.

Physical minds and computers can not come up with the Conspiracy as powerful and as direct, as workable, that has hundreds of different little conspiracies off of it, that do not know that it's all one big Conspiracy.

It's impossible to do something like this without a supernatural direction. The Prince and Power of the Air, They have Lucifer leading them.

Ezekiel the 28th verse II. When Lucifer was created, he was the complete sum of all beauty and wisdom. God wasn't created, but never had a created creature ever been created with such beauty and such wisdom and that was Lucifer.

"The workmanship of thy tabrets and of thy pipes was prepared in thee in the day that thou wast created."—He was created with musical instruments imbedded in his body. He knows that to be a god he is going to have to have music. You can't be a god without music, so he has created his own music. Witches don't say "Witchcraft" and they don't say "Witches", they say Practicers or something like

this, and they say “the force”, they describe him as “the force”. “Star Wars” is the biggest thing that Witchcraft has ever done to spread its doctrine. There’s nothing that happens by accidents.

The Devil’s our accuser, he stands before the Throne of God constantly accusing us. The covering angel before God’s Throne, covered with jewels. And when God’s light shone through him it was like a prism, it changed the colors to where they come out, and colors are extremely important to the Devil. Everything he does is in colors, without them nothing happens.

Fight him really hard and I guarantee you that he’ll show up in your life. He’ll pay you a visit and say hi! If you start fighting the Devil and if he doesn’t show up, he’ll send somebody to pay you a visit. The Devil can only interfere in a Christian’s life through several things.

If you fear him he can come in because you worshipped him, if you own something that belongs to him, jewelry, books on the occult, astrology and things that were actually created by the Devil, such as Rock music. Without it witches don’t function. When witches do a book, they do a spell over the manuscript and they command demons which are under their authority to enter every manuscript that comes off the press, every copy of that book. So when you buy that book you get a little free gift, like when you open a little Cracker Jacks box and there’s a little trinket in there. Well, you get a free demon, free of charge.

Most of the Rock groups do the same thing, this is why records zoom to the charts, you get free of charge your own private demon. You are responsible for the articles in your home, ‘cause you are the head of the house. Maybe that’s why your finances are messed up! Maybe that’s why you and your kids are sick once in a while and you shouldn’t be. How much credit do I give the Devil for sickness? “All of it, lock, stock and barrel!” There are seven principalities in the Devil’s Kingdom.

There’s Satan and there’s Baalzebub, his prince. Under that are the seven principalities, and under the principalities are the powers, and under the powers, billions of demons. The seven principalities are as follows:

Rege which is the principality of the occult. (Deuteronomy 18) When a woman is pregnant somebody will get a medallion and swing it over their hand and say, “Let’s see if you’re going to have a girl or a boy”. – That’s called divination, you might gain troubles from it by allowing it to happen

The difference between Witchcraft and Sorcery is: Sorcery is the use of certain occult drugs.

Timothy Leary said in his book on LSD, “You’re not hallucinating when you take acid. Acid is blocking the physical senses out so that you can see the supernatural World!”

The next one is Lazars, sexual lust..

After Lazars, is Bacchus, The Roman god of wine, he's the principalities of addiction and he doesn't care what you feed him, just as long as you are addicted to it. Food and caffeine, alcohol, cigarettes and drugs as when you've got to have it and you use it as a solution to your problems. "I gotta have my cup of coffee!"

Next Pan. Pan says, "What fools the mortals be". Pan is the principality of the mind, this is the Devil's favorite playground, the soul the mind. We run into Pan more than in any other demon, because of the demon of rejection that he is over. This is the base for sexual problems, drug problems, and occult problems. They pick this demon up when they're a child, sometimes even before they're even born, and they carry this thing that opens them up to other demons, trying to feed and fulfill the demon that's driving them from within. He's also over neuralgia, depression, suicide, schizophrenia, paranoia, all the mental illnesses. This is why people with rejection problems have deep depression, they try and kill themselves, they're nervous all the time.

The next one is Set. The principality of death. He was the Egyptian god of the underworld. Set is over all sicknesses, (there are 39 major illnesses) and the occult credits him with 39 powers. And it's interesting that it's believed that Christ took 39 stripes for our healing.

The seventh one does not have a name because witches don't use it. They call it a Christian principality, it's called the principality of contentment, you can feel the power, the principality in the air of contentment.

Describing Lucifer; I've seen him sit down at tables at meals. I've seen him even have sexual relationships with women at higher Witchcraft meetings.

He appeared about seven feet tall, usually clothed in deep purple, sometimes in red, sometimes in gold, — purple and gold.

After I got saved, he showed up as Satan, clothed in black and not just handsome, but beautiful. Jet black hair, snow white skin, and the colour of his eyes, instead of blue, brown or whatever, were a deep violet, almost of deep purple. And when you looked in them, it was like looking down into the Grand Canyon. It's just like a pit that's just bottomless, this power! And believe me, if he appears to you, you'd know you were in his presence!

On to the physical Kingdom, the Illuminati means "The Bearers of Light". Call it the Great Conspiracy, call it "Moriah", which means "The Conquering Wind"; call it the CFR, it is still the

Illuminati.

It's official birthday is may 1st 1776. May 1st is the holiest day because it is Beltane, (Witches') New Years Day, and all things begin on Beltane. It's the day Lucifer comes back from the underworld and dwells in the skies above, according to the witches. Witches call themselves pagans because they believe in "pre-Christian religion". The structure are three pyramids, each one bigger than the next, on all of them the Capstone.

The first pyramid is "Organization", you'll find the Masons here, the Grand Lodges of the Orient, which is where the Illuminati started. The Scottish Rites, the York Rites, the Oddfellows, the Jayees, any organisation that is secret, that has an inner group besides the outer group, as long as it is not directly occultism. B'nai B'rith (Jewish laymen's org.), a very powerful Illuminati organization. They couldn't be doing what they are doing today without B'nai B'rith.

The Civil Liberties Union, also a new one, created by the man that is actually the brain of the Illuminati today, Isaac Bonovitz, the Aquarian Anti-defamation League, it's the anti-defamation league to the Occult, (which also attacks anyone who criticizes the Jews or Israel, accusing them of "anti-semitism").

At the top of every pyramid you will find the World Banking System, it's a counsel of the 500 richest people in the World, in existence for hundreds of years. David Rockefeller, Nelson Rockefeller, Phillip and Edward Rothschild, in fact all the Rothschilds.

Next is the Council of 33, the 33 highest Masons in the World. After that is the Council of 13, the Grand Druid Council, this is what I sat on. After that there's a Capstone, the Rothschild's Tribunal – Edward, Phillip and Richard are the ones that sitting up in the Rothschilds Tribunal now. In it is the leader of the Illuminati: the all-seeing eye, Lucifer!

The T.V. uses Witchcraft symbols, they put the symbols on their store names. You probably shop with Satan. There isn't one oil company that you can buy your gasoline at today that's not owned 100% by Illuminati stockholders.

A plan of World Rule will never take effect if you're independent of that World Rule, you must function within them for every bit of food and every drop of gasoline. The Illuminati is scared of every private-owned gun, it's the only threat to them.

The Beatles are classified in the occult world as the four major prophets, their White Double Album is considered the Book of Revelation to Witches. That and "Atlas Shrugs". In it is a song called "Helter

Skelter". It meant a time when the pit would be open and the demons would be set free and the World would get insane in a less than 24-hour period and they'd be killing everybody – their next door neighbors, their kids, their wife, everything! The World would just go completely mass insane overnight.

Charles Manson went to jail because in the seven years that he's been in he has organized from his jail cell every prison across the U.S.. They're waiting for a time when the World will go completely insane and they'll flood out of the prisons and they firmly believe that they will take over this country. When Manson gets out and "Helter Skelter" starts, in the first year, one million U.S. citizens are marked for death.

Nothing is going to move. If this happens, how soon would you die on your feet? Most cities would tell you within two weeks everybody would be starving. That's all the food there is in their storehouses. "Atlas Shrugs", was supposedly a novel, written by one of Phillip Rothschild's girlfriends at his instructions. It is a coded book for witches that tells how they are to gain control of the World. In this book there is sort of a parable about New York City, New York City is more or less the World. When everything was shut down, then the lights went out for good.

The Dollar sign is a Witchcraft symbol that means "to control and to scourge", it's 6,000 years old. Isaac Bonovitz says that "through this symbol we will now rule and control the World", and the book ends. In the book, all the way through, businessmen that belong to these organizations purposely bankrupt or destroy their businesses so there aren't any businesses, and they drive the others out of business. And all the way through they use the battle plan called "the presence from below and the presence from above". Anybody that's studied Communism knows the same plan. That means the Devil must destroy all the regulations, and the banker do it this way, and guess who's in the middle? — Us!

Curtis B. Dall / (Board Chairman of "Liberty Lobby", Publisher of "The Spotlight") (Excerpts from letters, April and May 1979):

"Being reasonable well informed on the powers which are at work to influence our domestic and foreign policies, for their objectives, – having been with Liberty Lobby for over 19 years, on Capitol Hill – I am greatly shocked by the ineptitude and downright ignorance of many alleged Christian leaders in this country, in observing how they "pick on" John Todd, instead to steer him constructively in the religious field. Most of these preachers haven't the faintest idea of the

contribution John Todd has made to his fellow Americans by revealing the secret power structure of the Rothschild Complex, who look to Lucifer for guidance, the Illuminati.

Most any High School student can grasp the fact that the power of the Occult, or the Witchcraft, plus the power of Evil (The Illuminati) exert a most powerful influence upon our economic and political policies. Obviously, his powerful enemies are leaving no stone unturned to silence him, which regrettably might well be expected! The majority of his Ministers, Pastors, Priests, have been heavily indoctrinated and are woefully uninformed, misinformed, or bribed! Todd created powerful, unrelenting enemies when he defected from “ The Royal Family”, – “The Grand Druid Council of 13”! The enemies of John Todd have marshaled all the powerful “tools”, at their disposal to attack, neutralize or destroy him in order to protect themselves and their image, – certainly not to advance Christianity! – The usual technique employed by the Enemy in retaliation in respect to somebody who has exposed some of their secret operations! The Religious Area is the one in which they prefer to operate, along with plenty of money, artfully supplied to grease-the-wheels. Apparently they feel that Todd must be thoroughly discredited, silenced, or even assassinated!”
