## The Deeper Meaning Of The Movie THE MATRIX

**If one is to understand the deeper meaning of the movie “The Matrix” a person must also understand the basic belief of Luciferianism. The matrix is written from the perspective of the occult. In their view Lucifer is the savior of mankind and Jesus / Yahweh are the forces of darkness. It stems from the Garden of Eden where the serpent beguiled man into eating of the fruit of the tree of knowledge,**

**so they could become like God. Lucifer is seen by the occult as having brought the light of knowledge to mankind while Yahweh wishes to keep man in ignorance. Luciferian's attempt to achieve 'illumination' or gain forbidden knowledge and become more like God. "The Masonic religion should be, by all of us initiates of the high degrees, maintained in the purity of the Luciferian doctrine. Yes, Lucifer is God!" 33rd Degree Freemason Albert Pike [1809 - 1891], one of their most revered masters of the craft.**

**Manly P Hall, from his book 'the Lost keys of freemasonry'. "Out of the Hidden House, guarded by the silent god, must someday issue the glorious and illumined Horus, the very incarnation of his own father, the personification of the lord of Abydos, the avenger of all evil and the just god in whom there is no death. .. The great battle in which the sons of the Hawk (Luciferian followers of Horus [aka Abaddon / Antichrist Rev 9:11]) rout the hosts of darkness (Christians) is the mysterious Armageddon of Revelation (pg 153-5)" The tenants of Luciferianism: the two messiahs, symbolized by the Masonic two headed eagle (or the 'Eagle of Eagles' as it is known to them). This two headed eagle symbolizes the rejection of one Messiah in favor of another; the rejection of Jesus (Yahweh in the flesh) in favor of the Antichrist (Lucifer in the flesh). Defiance is the hallmark of luciferianism; defiance of the most-high God, defiance of Yahweh's orders; defiance of God's plan.**

**RETURNING TO THE MATRIX: Ballard: "You're asking for one of us to disobey a direct order."  
Morpheus: "That's right, I am. But we well know that the reason most of us are here is because of our affinity for disobedience." Neo's end of movie phone call to the head machine of the machine world (the movie's version of Yahweh): Neo; "I know you're out there. I can feel you now. I know that you're afraid you're afraid of us. You're afraid of change. I don't know the future. I didn't come here to tell you how this is going to end. I came here to tell you how it's going to begin. I'm going to hang up this phone, and then I'm going to show these people what you don't want them to see. I'm going to show them a world without you. A world without rules and controls, without borders or boundaries. A world where anything is possible. Where we go from there is a choice I leave to you." Defiance!**

**Morpheus's speech in the cave; "I remember that for one hundred years we have fought these machines! I remember that for one-hundred years they have sent their armies to destroy us and after**

**a century of war I remember that which matters most! We are still here! Tonight let us send a message to that army! Let us shake this cave! Tonight let us tremble these walls of earth, steel and stone! Let us be heard from red core to black sky! Tonight let us make them remember this is Zion and we are not afraid!” Defiance!**

**The movie exists on two planes; the physical and the cyber. The ‘physical’ world in the movie is the spiritual plane and the cyber world of the matrix is our earthly existence. The battle that has been going on for millennia goes on mostly unseen by those asleep in the matrix (Earth). The warriors from Zion, the beings dwelling in the ‘real world’ are fighting for the ‘illumination’ of people to be awakened. Warriors from Zion (Hell) seek to liberate mankind from ignorance and tyranny under their machine overlords or as the Luciferian’s wish to portray it from under Jesus and Yahweh.**

**Zion itself is similar to Hell, well below ground (Tank, “near the earth’s core, where it is still warm!”). Zion’s spiritual center is the cave where the residents of Zion carryout rituals and carnal pleasures, the place of defiance against the ‘machine world’. To get there initially, Neo must make a CHOICE, the Red pill or the Blue pill; Illumination or ignorance as shown in the movie. It seems to be more an “Eve’s apple” moment where Neo chooses the mark of the beast chip or as Morpheus put it, “The pill you took is part of a trace program. It’s designed to disrupt your input/output carrier signal so we can pinpoint your location.” A TRACE program? A tracking system! Designed to interrupt your input-output carrier signals? Could it be that it interferes with your ability to connect with Yahweh through prayer. Once this connection is severed between you and Yahweh/Jesus, you are damned! It is the unforgivable act, REV 14:9-11. The problem is CHOICE; 1Kings 18:20-22 “Elijah went before the people and said, “How long will you waver between two opinions? If the Lord is God, follow him; but if Baal is God, follow him.” Upon taking the Red pill (mark of the beast) Neo, wakes-up and goes thru a tunnel, into the bowels of the earth. Neo symbolically dies to the Earth plane (the Matrix) and moves into the spiritual plane (the ‘real world’) and proceeds down the tunnel to receive illumination or hidden knowledge. Upon taking the ‘Mark of the beast’ he descends into the bowels of the Earth.**

**Neo, a normal man, who rises to a position of power helped by illuminated individuals (Morpheus, Trinity and the other warriors of Zion). Morpheus and Neo exist outside of the physical world**

**(represented by the matrix). They exist in the 'real world' (or the spiritual world) and must connect to the physical world. Neo's nemesis, the agent Smith, is portrayed as a cold and calculating oppressor. At the end of the first film, Neo is killed by Smith and then resurrected from the dead as an enlightened being. Neo also possesses the uncanny ability to fly while none of the others can. The "Prince of the powers of the air" Ephesians 2:2 anyone? Smith initially is a high level control force in the machine world, but later is seemingly destroyed by Neo. Smith later returns and begins replicating himself in each individual within the Matrix (the holy spirit within us / we are created in 'his' likeness [image] Gen 1:27). Smith's personality later moves from cold, cruel and calculating to that of a psychopath. The picture painted by the writers of 'the Matrix' is that Smith is Jesus Christ who is destabilizing the system (both the earth-plane and the spiritual world). It is here at the end of the last film that Neo (the Antichrist /Lucifer in the flesh) breaks into heaven (the machine city), past its defense's to bargain with a cold, cruel and frightened Machine (this is how they portray Yahweh).**

**Sentinels and Agents blindly follow orders where the warriors of Zion do not. Sentinels and Agents, as God's angels are portrayed, are shown to be cold, cruel unforgiving robots. These 'Agents', ruthlessly dispatch the 'freedom fighters' of Zion or the fallen angels. As Smith so aptly put in the end of the first movie, "Did you know that the first Matrix was designed to be a perfect human world? Where none suffered, where everyone would be happy. It was a disaster. No one would accept the program. Entire crops were lost." Could he have been referring to Eden?**

**The problem is choice! Choose light or dark. As in the movie, each must choose their path. The end of the last movie, Zion is left undestroyed after a truce is struck. Like the Watchers from the book of Enoch who attempted to make a bargain or truce with Yahweh. Could it have been their hope to hide out in the physical world to escape judgment? As the Oracle told Neo, "A program can choose to hide here [in the matrix] or face deletion" (fallen angels to hide in the physical world rather than be judged and sentenced to hell). Matthew 8:29**

**A bargain or deal is struck between Neo and the Machine (representing Lucifer and Yahweh). Could this be the hope of the Luciferian's and the fallen angels? Or is it the original plan from the first movie. To 'free' the people in the Matrix and take them to Zion. Enlighten them (rebel against**

**Yahweh) and ensure they follow the fallen angels (warriors of Zion) to hell. The fallen angels can do nothing directly to Yahweh or Jesus but they can hurt them. They can hurt them by taking as many of God's creations to Hell (Zion) as they can. Because he is a Just God, Justice must be served and the sentence given. For the wages of sin is death. With each unrepentant sinner cast into hell, God weeps. But then again, the problem is choice: To accept the free gift of salvation and be washed in the blood of the Lamb of God or to reject him.**

**Morpheus [on the war that devastated the Real World]: “We don't know who struck first, us or them. But we do know it was us that scorched the sky. At the time, they were dependent on solar power. It was believed they would be unable to survive without an energy source as abundant as the sun” The fallen angels ‘scorching the sky’, trying to block out Yahweh as the light of the world. Isaiah 60:19 [God the Glory of His People ] “The sun shall no longer be your light by day, Nor for brightness shall the moon give light to you; But the Lord will be to you an everlasting light, And your God your glory.” It has been the goal of the fallen angels throughout the ages, to keep us from turning to God. If the sky can be scorched and the light of Yahweh dulled we can be easily lost in the darkness.**

**Bane: A follower of Smith (Jesus) goes to assassinate Neo with a knife. Could this be an allusion to the assassination of the antichrist? This replica of agent Smith (Jesus Christ) does later severely wound Neo and after this wound Neo is able to see without his human eyes which have been burned out. [Bane/Smith has burned Neo's eyes out]. Bane, “I wish you could see yourself Mr. Anderson. Blind messiah. You're a symbol for your kind, Mr. Anderson.” I would liken this to the possible resurrection of the Antichrist following his assassination. It is after this assassination attempt that Neo (the Antichrist – Lucifer in the flesh) goes to make a bargain with the head of the machine world (Yahweh in the movie). Neo returns to the matrix (the Earth) and destroys the destabilizing entity ‘Smith’ (Jesus Christ). All those in the matrix are purged of Smith's influence and are no longer ‘his image’ and a choice is given to all in the matrix whether to remain or to go to Zion. Neo (the antichrist) sacrifices himself to save the machine world, Zion and the Matrix (Heaven, Hell and Earth) from the psychotic and destabilizing entity known as Smith (Jesus in the movie).**

**One of the last great lies of the trilogy interspersed throughout is the theme of ‘the play of opposites.’**

**Ying and Yang. Light and darkness. Neo and Smith. The Oracle telling Neo, that Agent Smith is his Opposite, his 'negative'. Oracle, "Very soon he's going to have the power to destroy this world, but I believe he won't stop there; he can't. He won't stop until there's nothing left at all. Neo: What is he?" Oracle: He is you. Your opposite, your negative, the result of the equation trying to balance itself out."**

**It is the Luciferian claim that Lucifer and Jesus/Yahweh are equals. Once again, the words of Albert Pike, "The true and pure philosophic religion is the belief in Lucifer the equal of Adonay [Jesus]." Once again the great "I AM", The Most High, must be reduced to being equal to one of his creations (Lucifer) in the eyes of his other creation (Man). In the first movie, in its beginning, the manager of the software company, screen name of Rhineheart (likely portraying an angel of the Most High. The name Rhineheart means; brave counsel; strong decision) lectures Neo (the AntiChrist). Rhineheart, "You have a problem with authority, Mr. Anderson. You believe you are special, that somehow the rules do not apply to you. Obviously, you are mistaken." Isaiah 14:14, Lucifer, "I will ascend above the tops of the clouds; I will make myself like the Most High." Given that bold statement, I would say that Lucifer and his son do have a problem with "Authority"!**

**I leave the reader with the most powerful guide in making their choice; Jesus answered, "I am the way and the truth and the life. No one comes to the Father except through me." John 14:5-7**

**The problem or solution, is choice!**

**Agent Smith: Get away from me!**

**Neo: What are you afraid of?**

**Agent Smith: It's a trick.**

**Neo: You were right Smith, You're always right. It was inevitable.**

**Agent Smith: Wait. I've seen this. I stand here, right here, and I'm supposed to say something. I say,**

**“Everything that has a beginning has an end, Neo.”**

**Agent Smith: What? What did I just say?**

**Revelation 1:8**

**“I am the Alpha and the Omega,” says the Lord God, “who is, and who was, and who is to come, the Almighty.”**
