

The New World Order

The term 'New World Order' has been used by Secret Societies and the Elite to represent their plan and goal of an Illuminati controlled world government that will be organized according to their Secret Society/Luciferian principles. The chaotic world and economic situation that we are in is directly related to their plans for us. By using a satanic occult system the Illuminati and Secret Societies are guiding our lives.

The Illuminati Arrive In America (Date 1785)

(The 'Illuminati' has been in Europe And America since George Washington's time!)

(George Washington (1732-1799) Founding Father, 1st US President, 'Father of the Country' spoke of the Illuminati in a letter written to the Reverend G. W. Snyder (24 October 1798). He said: "It is not my intention to doubt that the doctrines of the Illuminati and the principles of Jacobinism had not spread to the United States. On the contrary, no one is more fully satisfied of this fact than I am".)

George Washington Concerning Adam Weishaupt's Illuminati

The Bavarian Illuminati, founded on May 1, 1776, is an organization that was created by Adam Weishaupt that has blurred the line between "spiritual" and "political" Secret Societies.

Weishaupt was initiated as a Freemason in 1774 in either Hanover or Munich, but found that no one in his order truly understood the occult significance of the ceremonies. He decided to found his own organization, which he did on the first of May 1776. This organization was first known as "The Order of Perfectibilists" but became famous as the "Ordo Illuminati Bavarensis", or the Illuminati for short.

By mixing the occult sciences of Freemasonry and Rosicrucianism while conspiring to achieve precise political goals, the Illuminati has become an actor on the world stage. While most Secret Societies have catered to rich people and their fascination with occultism, the Bavarian Illuminati has actively sought to profoundly change the world.

Washington issued several warnings shortly before his death, about the Illuminati. President Washington was well aware that Adam Weishaupt's radical brand of Freemasonry, the Illuminati, had spread its poison to America.

To infiltrate the Masonic lodges in Europe, Weishaupt had enlisted the aid of John Robison who was a long time, high degree Mason in the Scottish Rite, a professor of Natural Philosophy at Edinburgh University in Scotland, a British historian, and Secretary-General to the Royal Society of Edinburgh. When he went to Germany, he was given Weishaupt's revised conspiracy plans to study, in order to expand the Illuminati's influence in the British Isles. However, Robison didn't agree with their principles, and after warning American Masons in 1789, published a book to expose the organization in 1798 called *Proofs of a Conspiracy Against All Religions and Governments of Europe, Carried On In the Secret Meetings of Freemasons, Illuminati, and Reading Societies* which presented the Protestant view. He wrote: "I have observed these doctrines gradually diffusing and mixing with all the different systems of Freemasonry till, at last, an association has been formed for the express purpose of rooting out all the religious establishments, and overturning all the existing governments of Europe."

David Papen, President of Harvard University, issued the same warning to the graduating-class and lectured them on how Illuminism was having an influence on American politics and religion, and to top it off; John Quincy Adams, who had organized the New England Masonic Lodges, issued his warnings.

In 1785, the Columbia Lodge of the Illuminati was established in New York City. Among its members

were Governor DeWitt Clinton, Horace Greeley (politician and editor of the New York Daily Tribune), Charles Dana, and Clinton Roosevelt (the ancestor of Franklin D. Roosevelt). Roosevelt wrote a book called Science of Government Founded on Natural Law, in which he wrote: "There is no God of justice to order things aright on earth, if there be a God, he is a malicious and revengeful being, who created us for misery." He referred to himself and other members as the "enlightened ones," and said that the U.S. Constitution was a "leaky vessel" which was "hastily put together when we left the British flag," and therefore needed revision.

In 1786, a lodge was started in Portsmouth, Virginia, where allegedly, Thomas Jefferson was a member; followed by fourteen others in different cities of the thirteen colonies.

In April 1793 France sent new ambassador Edmond Genet to America so he could collect payment for the American debt incurred during the American Revolution. The money was to be used to finance France's war with England. However, his real reason for being here was to gain political favor for France and spread Illuminism, which he did through the establishment of 'Democratic Clubs.'

"Of all the means I know to lead men, the most effectual is a concealed mystery". - Adam Weishaupt

The Illuminati New World Order (NWO) conspiracy is for real.

It is unfortunate, but true.

It would be hard to believe that such an unsavory conspiracy that is so massive, so far reaching and and

so dark, has a strangle-hold on humanity's very existence and its way of being.

If you are wondering if it can be true, read the quotes throughout this page for the words from presidents and world leaders who profess its coming success and its reality.

It has been a plan that has been in development for many generations, and the final chess moves are about to take place.

There are secret societies behind the world's most powerful governments, and the masses are seen as "chattel," animals to be controlled, manipulated, influenced, and used as they see fit.

While you have enjoyed many freedoms in your life, you are not as free as you have thought you were, and the freedoms you have will be fully removed if the New World Order conspiracy has its way.

It is not a conspiracy, really. It is an agenda that is put out in the open.

The New World Order is being established by the Elite of the Elites and

Have The Elite Planned Another Global Depression? Consider this prophecy! Revelation 6:6 "Two pounds of wheat for a day's wages, and six pounds of barley for a day's wages..." It seems like they have.

consists of the international bankers, top government officials, leaders in the energy cartel and media monopoly owners including the Power Elite of 13 Old Line Families through the years.

This group envisions a one world banking system and currency that will give in to a cashless computer financial system, one world centralized control of global population, global control of the world's environment, economy, trade and army.

But before they fully realize their goals there's going to be more and more false flag operations occurring with new laws being established and security cameras going up everywhere.

A giant step has already been taken in the year 1945 when they drafted and created the United Nations.

These men have unbelievable power and they have spelled out their agenda in advance.

Security cameras in N.Y. city.

That global agenda is constructed around six goals.

Goal #1 : The establishment of international economic order (cashless society)

Goal #2: The establishment of a one-world government

Goal #3 : The conquest and subjugation of two super powers (USA and USSR)

Goal #4: The ascension of the United States of Europe as the dominant nation in a Confederated one-world government

Goal #5: The ushering in of a supreme world leader to preside over the new unified one-world government

Goal #6 : The establishment of a one-world religion which will coordinate all the world's religions, cults, faith groups and spiritual beliefs under the guidance of Supreme Pontiff

The method by which these are going to be brought about will most likely be either a manufactured GLOBAL ECONOMIC DEPRESSION, THIRD WORLD WAR, or MAYBE BOTH. It has been said that Albert Pike or the Freemasons have established a plan long ago that calls for Three Major World Wars that they will use to bring about their Masonic goal of a NEW WORLD ORDER.

The city of Washington is even located in the District of the (Goddess of Columbia).

In 1791, President Washington commissioned Pierre (Peter) Charles L'Enfant, a French-born architect, city planner and freemason, to design the new capital and City of Washington. The masons had wanted America to be a 'New Atlantis' and Washington, D.C. a second Rome. They were committing America to what has been called 'A Secret Destiny'. In order for a global "New World Order" economic system to be established with a one-world electronic currency the sovereignty of all nations must be undermined. Then, and only then, will everyone be forced to exist and live within the confines of a single global police state thereby losing our freedoms and rights as free human beings.

The ideal of a "New World Order" might never be closer than now. It may not be long before all of us experience an abrupt change in our way of living. There has been a group that consists of Masons, Jewish Bankers, and other influential wealthy individuals that has worked for a very long time through Freemasonry and the Order of the Illuminati to achieve this "New World Order". Their goal is to set up a Global Police State with a more controlled society and continuous surveillance over every citizen!

First they'll destroy this present world system (Old Order) and then bring in their global government.

They have everything in place and ready to go so when the time is right they will make their move without any hesitation.

Pope Francis

Pope Francis celebrated his inaugural mass among political and religious leaders from around the world. Delegations from 33 Christian Churches and 132 national governments or international organizations, as well as Jewish, Muslim and Buddhist leaders, came to Rome for Pope Francis' inauguration mass. The Patriarch of Constantinople, Bartholomew I, was among them. It was the first time that the top representative of the Orthodox Church had attended a papal inauguration since the split with Rome in 1054.

"And upon her forehead was a name written, MYSTERY, BABYLON THE GREAT, THE MOTHER OF HARLOTS AND ABOMINATIONS OF THE EARTH". (Revelation 17:5) What will be the final form of Babylon the Great? We can be sure that the Whore:

The False Prophet

A LAMB WITH TWO HORNS!

(Many believe that a pope will be the false prophet of Revelation 13: 11, and that this pope will unite the world's many faiths and then compel/force the masses to worship the antichrist. The time frame for this will be in the middle of the final seven year period.)

(1) Will be personified as "the False Prophet" (Revelation 16:13). Since Babylon the Great only rides the Beast, i.e., "I saw a woman sit upon a scarlet coloured beast [the Antichrist]" (17:3), she is not to be confused with the Beast himself. Her intimacy with the Beast stems from her need for the governmental power of the Beast to assure her a monopolistic religious franchise (the Catholic Church), i.e., "as many as would not worship the image of the Beast should be killed" (13:15).

(2) A Lamb With Two Horns will promote the worship of the Antichrist., i.e., Babylon the Great "exerciseth all the power of the first beast [the Antichrist] before him, and causeth the Earth and them which dwell therein to worship the first beast, whose deadly wound was healed" (Revelation 3:12).

Surveillance Cameras With Computer Chips That Sense Criminal Activities, Alerts Police

(Right top - Information on crime suspects is being collected. Bottom - Police officers closely monitor security camera images related to an ongoing crime.)

With DigiSensory Technologies' sophisticated cameras and sensor systems, law enforcement agencies and transportation departments across the United States are now able to proactively monitor and respond to crimes or accidents as they unfold; the company's Avista sensors process the images that its 3.2 megapixel high-resolution camera records in real time and can automatically detect when a crime is occurring; when it senses something it will alert law enforcement officials instantly; the sensors can also assist transportation departments in analyzing traffic patterns in real time; the system could allow officials to change one way streets, design real time traffic signals, and multiple speed limits to make traffic flow more smoothly.

The East Orange New Jersey police department was the first U.S. agency to install DigiSensory's Avista Smart Imaging Sensor system as part of its broader network of security cameras around the city.

If your eyes were sensitive to these wavelengths like the scanners, every person you meet would appear naked, with pens, coins, belt buckles and the like magically festooned about their person. A Balance Of Power

(The rise and fall of the old ways)

"Made in China"

Throughout the twentieth century a list of the world's great powers would include the United States, the Soviet Union, Japan, and northwestern Europe. But now that it's the twenty-first century the situation is very different. China is emerging as an economic and political heavyweight: China holds over a trillion dollars in hard currency reserves, and already a

recognized nuclear power, is developing a blue-water navy. The National Intelligence Council, a U.S. government think tank states that in the future China will continue to be ranked among the world's largest economy. Such growth is opening the way for a much different era in global politics and economy.

This tectonic shift will pose a challenge to the U.S. dominated global institutions that have been in place since the 1940s. At the behest of the U.S., these multilateral regimes have promoted trade liberalization and open capital markets ensuring prosperity for six decades. But unless a rising power such as China is incorporated into the existing framework, the future of these international regimes will be uncomfortably uncertain. If China is not fully allowed inside current international institutions, they might create a new one -- leaving the United States on the outside looking in.

Since World War II the U.S. has sought to maintain a system of global control and domination. But that project is not easy to sustain. The system is visibly eroding, with significant implications for the future. Today notably China has become an increasingly influential player and challenger.

Maybe the elite are counting on this crisis so that they will have no other choice but to bring in their global New World Order. Out with the old, in with the new.

China's Vice-Premier Li Keqiang was quoted in ChinaDaily, "China will continue its policy of opening-up to the outside world and encourage its enterprises to participate in equal competition in that process". He also said, "the world's second-largest economy will implement a 'proactive' strategy to promote further opening-up, and allow the market to play a bigger role in the economy as reforms have just entered a critical zone where 'no progress means retreat' ".

Concerning China one fact is clear, the Chinese are subsidizing the American way of life. The question

is, are we playing them for suckers—or are they playing us?

Body Check

(By using Dynamic structured light acquisition techniques a set of lines are projected onto an object of interest to generate a 3D surface. Fingerprints or facial scans can be acquired using this method without the need for contact, making acquisition possible from a distance)

AOptix Technologies, Inc., a leading-edge developer of advanced iris biometrics products and long-distance wireless optical communications solutions, announced that AOptix and Aware, Inc. will be developing a prototype dual-factor iris and face biometrics system. This prototype will integrate AOptix's innovative InSight 2 meter iris recognition system with Aware's Universal Registration Client and an industry standard face imaging camera. Aware's URC application and underlying SDKs provide an intuitive user interface for automated enrollment of iris and face images, as well as an option for fingerprint biometrics and biographic information, while the InSight system automates iris biometric capture at a nominal stand-off distance of 2 meters. The face and iris imaging and quality scoring occur simultaneously, resulting in rapid, automated capture of two irises and the face, typically in only 4 to 5 seconds. The InSight system automates the iris recognition process through its innovative adaptive optics approach, which optimizes subject usability and delivers a highly simplified instruction set. Subjects are required only to move into a very large capture zone of .75 cubic meters, look at the system and open their eyes. The biometric face imaging relies on the same instruction set, resulting in dual biometric capture with no additional effort on the part of the subject.

Recently a number of countries have initiated biometric schemes aimed at protecting their borders. Although they are typically launched amid claims that they will accelerate the immigration process, this isn't always their central purpose, and frequently the new systems culminate in long queues.

Back in 2002 Australia unveiled its plans for SmartGate, a system that uses biometric facial recognition technology linked to the passenger's e-passport. Recent travellers to the

US may have been taken by surprise by the new biometric security system in place at ten key airports there, which requires ten fingerprints for identification. Clear Cards, which carry biometric information, have been used by Americans since 2005. Dubai has established e-gates where registered passengers swipe an ID card and pass through a fingerprint scan, and the Netherlands has introduced Privium, a paid-for iris scanning service that offers a range of benefits, including lounge access and fast-track check-in.

The New World Order

Is this scheme to establish a New World Order in fact a reality? Yes it is. If you do not believe this I encourage you to study the United Nations documents and also the treaties which, once ratified by individual nations, become INTERNATIONAL LAW. The United Nations created the Commission for Global Governance, if you don't believe this, visit the United Nations website and look it up.

The Commission for Global Governance released a report: Our Global Neighbourhood, that predicates a world court, a global tax, and global police force. And the U.S. State Department Publication 7277 outlines a one world police force under the United Nations. So many prominent world leaders are calling for a one world government the intention is obvious. Yet most people are so occupied by life's responsibilities, careers, sports and television, they have little time to study what's going on in the corridors of power.

The coming one world government is being set up in the political arena under the flag of the United Nations, through organizations such as the Trilateral Commission, Council of Foreign Relations, the Royal Institute of International Affairs, the Bilderbergers, and the Club of Rome whose members include many world leaders, media personalities and other influential people. The published goal of the Council of Foreign Relations for example is a one world government. And although most have never heard of many of these groups, they do exist, and they are very influential. The core of these groups hold to "illuminist" philosophy.

The Reichstag fire (an act similar to 9/11), burning of the Reichstag

(Notice the "protecting the homeland" banner... (Isn't it interesting that they chose part of the very phrase Hitler used.) Hitler, "An evil exists that threatens every man, woman and child of this great nation. We must take steps to ensure our domestic security and protect our homeland".)

On October 26, 2001, US President George W. Bush enacted the USA PATRIOT Act. The USA PATRIOT Act is officially the "Uniting and Strengthening

America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act". The bill was in direct response to the attacks that occurred on September 11, 2001. The goal of the Act was to reduce restrictions on law enforcement and government officials when investigating criminal activity. It gave international law organizations the right to probe and search citizen's e-mail, medical, financial and personal records. Some of the main sections of the law enacted restrictions on foreign intelligence gathering, expanded the Secretary of the Treasury's authority to regulate financial transactions, and broadened immigration laws in regards to detaining and deporting immigrants suspected of terrorism-related acts. The bill was passed by a wide margin in the US Congress.

The USA PATRIOT Act broadly expands law enforcement's surveillance and investigative powers and represents one of the most significant threats to civil liberties, privacy and democratic traditions in U.S. history. The Patriot Act gives sweeping search and surveillance to domestic law enforcement and foreign intelligence agencies and eliminates checks and balances that previously gave courts the opportunity to ensure that those powers were not abused. The Patriot Act and follow-up legislation threatens the basic rights of millions of Americans.

growing market and biometrics, especially, has become a widely accepted and popular technology that is quickly moving toward mobile applications, such as handheld scanners, for uses like law enforcement

The battle of Ezekiel 38 & 39

Are the major superpowers and mideastern nations being drawn into a larger global conflict and war by the powers

that be to suit their own end? A 'New World Order'.

Israel and even the entire world are now experiencing the most critical time in history. Iran's policy has been "to remove Israel from the map of the world" and for this they are preparing nuclear weapons. The "Palestinians", never existed as a nation inside Israel are fighting against Israel and since 1948 have been an instrument of the Arab-Muslim world. Islamic-terror organizations surround Israel from every side. Syria has been armed with biological and chemical missiles aimed at Israel. All of the Arab

countries have armed themselves with modern weapons to be used against Israel in the near future. The United States is putting pressure on Israel to divide the Land of Israel and to establish a 'Palestinian State'. Years after the re-establishment of the State of Israel and after several wars with Arab-Islamic nations that wanted to destroy Israel again and again, Israel is again facing pressure from every side with step-by-step preparations of the enemies of the people of Israel to destroy the State of Israel through an apocalyptic war with nuclear weapons that were never used in the past.

In bible prophecy, Ezekiel 38 & 39 informs us of a future war and invasion of Israel by a vast coalition of nations (Russia, Iran, Libya, Ethiopia, Egypt, Turkey and Moslem Republics) that surround it. This invasion could occur at any time because of the heightened tensions over Iran's nuclear ambitions and the crisis in Syria. In regards to Iran clearly US and European powers fear that Iran is trying to develop a nuclear weapon with UN sanctions aimed at pressuring Iran to halt uranium enrichment. Since Russia has developed close ties with Iran and Syria it makes sense that they would be invading along with the Islamic confederacy.

This war will end with the use of nuclear weapons. "And I will send fire (fire and brimstone) on Magog and on those who live in security in the coastlands. Then they shall know that I am the Lord". Ezekiel 39:6

The Bible calls this war the "Battle of Gog and Magog," Ezekiel Chapter 38, verses 1 through 9, "Set thy face toward Gog, of the land of Magog (Russia), the prince of Rosh, Meshech, and Tubal, and prophesy against him, and say, Thus saith the Lord Jehovah: Behold, I am against thee, O Gog, prince of Rosh, Meshech, and Tubal: and I will turn thee about, and put hooks into thy jaws, and I will bring thee forth, and all thine army, horses and horsemen, all of them clothed in full armor, a great company with buckler and shield, all of them handling swords; Persia (Iran), Cush (Sudan and Ethiopia), and Put (Libya, and possibly Algeria and Tunisia) with them, all of them with shield and helmet; Gomer (Turkey) , and all his hordes; the house of Togarmah (Armenia and the Turkic-speaking peoples of Central Asia) in the uttermost parts of the north, and all his hordes; even many peoples with thee." These will form a confederation to invade Israel and the Middle East, for the specific purpose of conquering the Jews and destroying their country.

"What is at stake is more than one small country, it is a big idea - a new world order...to achieve the universal aspirations of mankind...based on shared principles and the rule of law...The illumination of a thousand points of light...The winds of change are with us now". George Herbert Walker Bush

A Global Currency

(The Phoenix a hypothetical currency rises from the ashes of the dollar.)

In 1988, The Economist ran an article titled, Get Ready for the Phoenix, in which they wrote.

THIRTY years from now, Americans, Japanese, Europeans, and people in many other rich countries, and some relatively poor ones will probably be paying for their shopping with the same currency. Prices will be quoted not in dollars, yen or D-marks but in, let's say, the phoenix.

The phoenix will be favoured by companies and shoppers because it will be more convenient

than today's national currencies, which by then will seem a quaint cause of much disruption to economic life in the last twentieth century. At the beginning of 1988 this appears an outlandish prediction. Proposals for eventual monetary union proliferated five and ten years ago, but they hardly envisaged the setbacks of 1987.

New Global System Will Replace All Of Today's Currencies

"Let me control a peoples currency and I care not who makes their laws." Meyer Nathaniel Rothschild in a speech to a gathering of world bankers February 12, 1912. The following year, the USA subscribed to the 'services' of the newly incorporated Federal Reserve, headed by Mr. Rothschild.

New World Order Pyramids And Bloodlines

(The New World Order is a control system in many ways, but the simplest example is the compartmentalized pyramid. Ironic when many of the secret societies and top corporations have pyramidal symbolism.)

It's always hard to comprehend and digest how the criminal elites work, because by time you reach the end of the trail you've completely forgotten where it started. The sheer fact that it's confusing and people are in a defeatist attitude about it, (well what can we do?) cements their belief that they are superior and we are just worthless undesirables that must obey their ideologies and policy. As Henry Kissinger said, "Military men are just dumb stupid animals to be used as

pawns in foreign policy." So how is it possible that gargoyles like Kissinger, a small group of bankers, corporate leaders and politicians that often worship obscure religious orders, own and control every facet of our lives? And more importantly why do they do it?

Men that lust for control will only be corrupted when they get it. "Power tends to corrupt, and absolute power corrupts absolutely. Great men are almost always bad men." – Historian John Acton.

George Washington, "It is not my intention to doubt that the doctrine of the Illuminati and the principles of Jacobinism had not spread in the United States. On the contrary, no one is more satisfied of this fact than I am." This statement was made in 1798. Article [George Washington's Masonic Connection](#).

A Police State

(Police officers dressed in riot gear.)

A Police State is when the government exercises rigid and repressive controls over the social, economic and political life of the population.

It typically exhibits elements of totalitarianism and social control, and there is usually little or no distinction between the law and the exercise of political power by the executive. In the police state, rights are non-existent and laws are selectively enforced.

The inhabitants of a police state experience restrictions on their mobility, and on their freedom to express or communicate political or other views, which are subject to police monitoring or enforcement. Political control may be exerted by means of a secret police force, which operates outside the boundaries normally imposed by a constitutional state.

The Coming "New World Order" in Bible Prophecy

The New World Order Dictator/Antichrist starts his worldwide conquest here in these prophecies.

Daniel 9:27 He (the Antichrist) shall confirm a covenant/peace treaty with many (Israel and the Palestinians) for one week - seven years. This treaty starts the 7 year countdown to the end of the age (not the "end of the world") resulting in the construction of the third temple on Mount Moriah and the mid-point "abomination of desolation" that Christ described in Matt. 24:15. The battle of Armageddon will be at the end of this seven year period.

Daniel 7: 7 After this I saw in the night visions, and behold a fourth beast, dreadful and terrible, and strong exceedingly; and it had great iron teeth: it devoured and brake in pieces, and stamped the residue with the feet of it: and it was diverse from all the beasts (kingdoms) that were before it; and it had ten horns. Revelation 17:12 The ten horns which you saw are ten kings (rulers over ten economic or regional unions) who have received no kingdom as yet, but they receive authority for one hour as kings with the beast. 13 These are of one mind, and they will give their power and authority to the beast. Daniel 7:8 I considered the horns, and, behold, there came up among them another little horn, before whom there were three of the first horns plucked up by the roots: and, behold, in this horn were eyes like the eyes of man, and a mouth speaking great things. Revelation 6:2 And I looked, and behold, a white horse. He who sat on it had a bow; and a crown was given to him, and he went out conquering and to conquer. Revelation 13:2 ...The dragon gave the beast his power and his throne and great authority. 3 One of the heads of the beast seemed to have had a fatal wound, but the fatal wound had been healed. The whole world was filled with wonder and followed the beast. 4 People worshiped the dragon because he had given authority to the beast, and they also worshiped the beast and asked, "Who is like the beast? Who can wage war against it? 5 And he was given a mouth speaking great things and blasphemies, and he was given authority to continue for forty-two months. (the final 3 1/2 years) Daniel 9:27 ...and in the midst of the week he shall cause the sacrifice and the offering to cease... (This is the abomination of

desolation that is spoken of in Matthew 24:15. This is when the antichrist enters the temple, stops the temple sacrifices, and then declaring himself god and demands worship.) Revelation 13:7 And authority was given him over every tribe, tongue, and nation. 8 All who dwell on the earth will worship him...

11 Then I saw another beast (the false prophet) coming up out of the earth, and he had two horns like a lamb and spoke like a dragon. 12 And he exercises all the authority of the first beast in his presence, and causes the earth and those who dwell in it to worship the first beast, whose deadly wound was healed.

Daniel 11:36 Then the king (Antichrist) shall do according to his own will: he shall exalt and magnify himself above every god, shall speak blasphemies against the God of gods, ...for he shall exalt himself above them all. 38 But in their place he shall honor a god of fortresses; and a god which his fathers did not know he shall honor with gold and silver, with precious stones and pleasant things. 39 Thus he shall act against the strongest fortresses with a foreign god, which he shall acknowledge, and advance its glory; and he shall cause them to rule over many, and divide the land for gain. 41 He shall also enter the Glorious Land (land Of Israel), and many countries shall be overthrown ... 42 He shall stretch out his hand against the countries, and the land of Egypt shall not escape. 43 He shall have power over the treasures of gold and silver, and over all the precious things of Egypt: and the Libyans and the Ethiopians shall be at his steps. 44 But tidings out of the east (the advancing armies of China and N. Korea) and out of the north (Russia) shall trouble him: therefore he shall go forth with great fury to destroy, and utterly to make away many. 45 And he shall plant the tabernacles of his palace between the seas in the glorious holy mountain; yet he shall come to his end, and none shall help him.

Is the end really that near? Do we need to be concerned about how much time we have left or just go about our business as usual? The one for us to go to for that information is Christ. When Jesus' disciples asked what would signal his return, he gave them several signs to watch for. He also taught that the time immediately before his coming would be known as the "beginning of sorrows" (Matt. 24:8), which is another way of saying the "onset of labor pains." Jesus was saying the signs of his coming would start out as mild pangs spaced widely apart like human labor and then gradually become closer together and more intense, like the birth process, until the final seven-year (Daniel's 70th week) period of suffering and judgment is to culminate in the coming of the Messiah. Concerning the last days he replied, "And ye shall hear of wars and rumors of wars... For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and great earthquakes, in various places". "...and upon the earth distress of nations, with perplexity; the sea and the waves roaring". "And as it was in the days of Noah, so shall it be also in the days of the Son of man".

2 Thessalonians 2:3-4 Let no man deceive you by any means: for [that day shall not come], except there come a falling away first, and that man of sin be revealed, the son of perdition; Who opposeth and exalteth himself above all that is called God, or that is worshipped; so that he as God sitteth in the temple of God, shewing himself that he is God.

The New World Order (NWO) As It Relates To The Coming Antichrist And His Kingdom

The prophesied one-world government is being formed on earth at this very time. The Bible prophesies that the Antichrist will ultimately reign over this world government for three-and-one-half years just prior to the Second Coming of Jesus to establish His own world government.

Satanically Empowered Control

Control of the coming endtime government will be consolidated into the totalitarian hands of the Antichrist. The dragon, which is the devil, gives this world governmental system its seat, power, and great authority (Revelation 13:2). We will all feel the oppression of this world government structure because it is satanically inspired, and it is forming right now.

Revelation 13:7 states that power will be given to the Antichrist over "all kindreds, and tongues, and nations." Verse 3 says, "And all the world wondered after the beast." Daniel 7:23 tells of a world governmental system ruled by The the Antichrist, "The fourth beast shall be the fourth

kingdom upon earth, which shall be diverse from all kingdoms, and shall devour the whole earth, and shall tread it down, and break it in pieces." The prophecy then states that this world government will rule the world until the Second Coming.

Globalization

After the Berlin Wall fell in 1989, we began hearing new terms like World Community and International Community. David Rockefeller said that a global crisis would have to occur before the world would be willing to accept a New World Order. When the world's economy began a dramatic downward plunge in 2008, world leaders again proclaimed the need for a New World Order with global economic structures.

The word "globalization" means exactly what it says. It is the process of transitioning the world into a global government. When we hear about international law, it is referring to the laws of the international government. When we hear about the World Court, it is referring to the court system that has been created to enforce the laws of the world governmental system. The World Bank, the World Trade Organization, the World Health Organization—all of these powerful world institutions are exactly what they say they are. They are all components of the one-world government, the world government prophesied for the endtime 2,000 years ago.

Names for the coming Antichrist: The king of fierce countenance (Daniel 8:23) The prince who is to come (Daniel 9:26) The beast (Revelation 19:19-20) The son of perdition (Thessalonians 2:3) The lawless one (2 Thessalonians 2:8) The man of sin (2 Thessalonians 2:3) The foolish shepherd (Zechariah 11:17)

"God so loved the world that He gave His only Son, so that whoever believes in Him should not perish, but have everlasting life" John 3:16.

Jesus said: "I am the way, the truth, and the life: no man cometh unto the Father but by me." (John 14:6)
