

From Prison to Paradise

Once upon a time in a place not far from here
There were so much loneliness, despair and oh so much fear.
Darkness ruled all over the land, there was lightning in the Sky
Causing wars and separation with no one knowing why.

These evil times raised leaders disguised as Kind and True
Hiding the Truth in misty fog so only very few people knew
Controlled by an Elite few manipulating you and me
Closing out the Light and Power that can make us all be free.

*Wake up! Wake up! We've gotta wake up!
Wake up! Wake up! We've gotta wake up! Now!*

Forced by invisible powers, demanded to conform
Into shapes unknown to Mankind making him totally abnormal,
Drowned in debts and sorrows blaming others for their lot
Made Man believe to be inferior, feeling tiny like a dot

But then came Times of Change covering countries and their towns.
Few became many and soon the prison walls came down
Starting with the men in the mirrors staring right back into their eyes
Understanding that this was a chance to stop those hideous lies.

Unhappiness is merely an Illusion of misery
Based on brainwash and a misconception of True Reality.
From now on let's build bridges between our Souls and Hearts
So we together can rejoice when the final change comes to its start.

Now let us wake up – We've gotta wake up. We've gotta wake up.

Turning prison into Paradise may seem too much to achieve
But believe me, it only takes One Strong Spirit to be Free
The True Power of a pyramid is never at the top
Instead, it is We The People that can make this global game stop.
Did you get it?

Wake up – Wake up – we've gotta wake up – it has to stop
