## Racial origin of the "Jews"; not Israelites, but descendants of Khazars, Edomites, Canaanites, Cain, and ultimately Satan

 [Racial origin of the Jews](#)

[The Vatic Project](#)

**Vatic Note:** I am putting this up now since they are getting very close to taking over our communities and nation. Its becoming more and more important than ever that we fully understand our enemy and what he is capable of doing, how long he has been at this, and how deeply committed he is in destroying Christianity and most of the goyim, except

those they will genetically engineer into compliance with their slave status as assets and cattle for the edomite Khazars. That is the future they have planned for your offspring and progeny.

Read this very carefully, its a very scholarly treatment of this subject and fills in much of why we are experiencing an inhumanity the likes of which we have never seen before. Our problem is our lack of experience in thinking the way they do. Our hope is within us and our commitment to match theirs, to preserve our race as goyim against their plans for genocide of every race on the planet except for 1/2 billion to serve them as slaves, and to fight for our right to live. When you think of Feinstein, and her long term obsession with disarming the "goyim", understand this below is her history and background and her mentality. It must not be allowed to prevail.

Now you understand why they must have our guns. They can go no further without them. This is where we must stop them and any world war, listed in the protocols that they need to weaken us, must only be fought against the zionist international edomite, khazar bankers and no one else and it must be done globally in every nation since they are in control in every country they intend to use to create conflict.

If we **FOCUS ON THE REAL ENEMY OF EVERY NATION AND CULTURE, PEOPLES AND RELIGION**, then we will prevail. Read the post yesterday on the protocols and together with this blog, you will finally see the very very big picture and know what must be done. Does Iceland ring a bell? They can be booted out of our government, I believe, under Article 1, subsection 8. I will confirm that for you. It says no one can hold a position of power within our gov if they have any title, or citizenship beyond being an American. All dual citizens have to vacate their positions within our government. That is how we must do this.

A commitment to destroy us at the level they have made, must be matched no less and must include our belief that this is a fight for our RIGHT TO EXIST. They always tell us with their movies what they intend. In the movie "Independance day" they showed us they intend to genocide us and that any battle with them would be for "our right to live". It says it right in the movie. So I believe them deeply. its a mistake not to believe them.

*"I know the blasphemy of them which say they are Judahites, and are not, but are the synagogue of Satan." ([Revelation 2:9](#))*

*"Edom is in modern Jewry." —The Jewish Encyclopedia, 1925 edition, Vol.5, p.41*

**\*Note: Edom is another name for Esau, the brother of Jacob/Israel (VN: who was abhorred by God as indicated in the Bible)**

*"**And I hated Esau**, and laid his mountains and his heritage waste for the dragons of the wilderness. Whereas Edom saith, We are impoverished, but we will return and build the desolate places; thus saith the LORD of hosts, They shall build, but I will throw down; and they shall call them, The border of wickedness, and, The people against whom the LORD hath indignation for ever." (Malachi 1:3-4)*

*Yahshua speaking to the Jewish Pharisees:*

*"Ye are of **your father the devil**, and the lusts of your father ye will do."(John 8:44)*

*"Ye serpents, ye **generation of vipers**, how can ye escape the damnation of hell?" (Matthew 23:33)*

**\*Note:** "generation" in the above verse is from the Greek "gennema", literally meaning "offspring". Check for yourself in [Strong's Concordance](#) and a [Hebrew and Greek Lexicon](#).

The idea that modern-day "Jews" are the descendants of the ancient Israelites is one of the **biggest deceptions** in all of history — along with the official story on the so-called "Holocaust", and the ideas that Judaism is the foundation of Christianity, and that Jews are the "friends" of Christians.

The **true origin** of the so-called "Jews" is of **critical importance** for truth-seekers who want to understand world events — and especially what is happening in the Western/Christian world. The truth of the matter is that the Jews are counterfeits or impostors masquerading as "God's Chosen People", when in fact they are the biggest enemies of God and Christians, and working to destroy Western Christian civilization.

As admitted by even Jewish authorities, the Jews are primarily descended from an ancient tribe known as the "Edomites." It is well documented that approximately 90-95% of modern-day Jews are descended from a tribe known as the "Khazars", who converted to Judaism in the 8th and 9th centuries A.D. while living in what is now southern Russia around the Caspian Sea. What is less known is that these Khazars were, in fact, descended from the Edomites:

*"No one can deny that the Jews are a most unique and unusual people. **That uniqueness exists because of their Edomite heritage.** You cannot be English Jews. We are a race, and only as a race can we perpetuate. **Our mentality is of Edomitish character,** and differs from that of an Englishman. Enough subterfuges! Let us assert openly that we are International Jews."—**Manifesto of the "World Jewish Federation," January 1, 1935,** through its spokesperson, Gerald Soman*

*"Hasdai ibn Shaprut, who was foreign minister to Abd-al-Rahman, Sultan of Cordova, in his letter to King Joseph of the Chazars (about 960 AD) ... speaks of the tradition according to which the Chazars once dwelt near the Seir Mountains [The 'Seir Mountains' are none other than the original land of Esau-Edom – "*

*Thus dwelt Esau in mount Seir: Esau is Edom' (Genesis 36:8). Seir was a mountain range sought of the Dead Sea and was also known as the 'land of Edom' (Genesis 36:21). The Seir mountains were the home of the Edomites for nearly a millennium (The Edomites arrived in Edom or Seir at the end of the 14th and beginning of the 13th century B.C. Encyclopedia Judaica, Vol. 6, p. 372)*

*Thus we have it from Jewish sources that the Khazars originally 'dwell near the Seir Mountains' so are racially of Edomite stock. But how and when did Edomites get to Khazaria? There is evidence that in the 6th century BC, some of the Edomites fled their homeland of Seir and migrated north, 'After the fall of Jerusalem, in 586 BC, the Edomites began to press northward (Ezekiel 36:5).'" (**The New Westminster Dictionary of the Bible**, ed. by Henry S. Gehman, The Westminster Press, Philadelphia, 1970, p. 418]]." (*The Jewish Encyclopedia*, Vol. IV, (1905), p. 3).*

Now, just who are the Edomites? "Edom" is another name for Esau, the brother of the biblical patriarch Jacob (aka "Israel"), the father of the 12 tribes of Israel. **Esau rejected God, selling his birthright to his brother Jacob, and defying God and his family by intermarrying with Canaanite women.**

**Esau hated God** and his brother Jacob, and vowed revenge against Jacob and his descendants, the Israelites. This is why — throughout history and to this day — Esau/Edom's descendants have waged war against the true descendants of the Israelites (ie, Christians of white European descent), and have systematically worked to undermine and destroy Western Christian civilization.

Regarding the claim that the Jews are the biological offspring of Satan, Christians should note that the Bible records (**in Genesis 6:1-7**) that in ancient times pre-dating the flood of Noah, the "Sons of God" (believed to refer to fallen angels) pro-created with the daughters of men to produce a race of "Nephilim" (sometimes translated as "giants"), whom were "heroes of old, men of renown."

The Bible records details of the descendants of these "Nephilim", among them being the Amalekites, Goliath, and the King of Bashan (whom is recorded in Deuteronomy 3:11 as having a bed 9 cubits long and 4 cubits wide, or 13 1/2 feet long and 6 feet wide). (VN:Enoch spent volumes of detail about this entire subject, and it was removed from the Bible. Now why is that? I read it and it was fascinating what Enoch had to say and how much we do not know because that book was removed. I highly recommend reading it if you truly want to know what we are up against).

This hybrid race of Nephilim are believed to be the "giants" that are the source of the legends in many cultures of humanlike beings of enormous strength and stature. And although not widely known (because the information has been suppressed by the establishment), there have been numerous archaeological finds of large humanoid skeletons, some of beings 12-15 feet tall, all over the world. Over time and through inbreeding with humans, the physical characteristics of these hybrids/giants have been nearly bred out of existence.

One final note. What really happened in the Garden of Eden has been misunderstood and hidden, partially via colorful language but mainly by mistranslation and misinterpretation. The real sin was not literally "eating fruit from a tree." Rather, it was the *sexual seduction* of Eve by the "Serpent" (ie, Satan).

This is why Adam and Eve realized their nakedness after this sin, and Eve was punished with pain in childbirth. As a result of this sin, Cain was conceived. Curiously, Cain is not listed among the descendants of Adam in any of the many geneologies recorded in the Bible. Why? **Because he was not Adam's son. Cain was the literal offspring of Satan.**

*1 John 3:12 "Not as Cain, who was of that wicked one, and slew his (half) brother."*

Here the word "of" in Greek, when used implying a person, means "a son of or offspring."

Compare this with other translations:

The New Testament in Modern English: "We are none of us to have the spirit of Cain, who was a son of the devil.."

New English Bible: "..unlike Cain who was a child of the evil one.."

I had read that the Kagan (king of the Kazars) had Muslims on one side of him, and Christians on the other, so in 740 A.D. he adopted Judaism as a national religion by royal decree to avoid getting on either side of the impending Holy war around him. To accomplish this he imported Rabbis and religious scholars from Babylon, who brought with them The Talmud (a.k.a. The Babylonian Talmud), which was their written version of what was until then known as “the oral traditions,” and that’s why few, if any Ashkenazi Jews (who descended from the Kazars) follow the Torah, which forbids the creation of a Jewish state until their messiah returns to lead them there. Zionists are all from the Ashkenazi camp.

Before adopting Judaism as a nation religion, the Kazars were pagan phallus worshipers. They were also a very war-like people, who regularly rented out their army as mercenaries.
