

The Holocaust Historiography Project

Remarkable Nonsense about the Holocaust

Trucks to Camouflage the Noise of Gassing

From the February 29, 2000, *Journée nationale des Justes de France*:

I visited the Auschwitz-Birkenau camp during Winter 1997 (...) Near the Auschwitz-Birkenau gas chambers one may still see an old truck, the engine of which was activated by the Nazis in order to prevent the inmates from hearing the shrieks of their fellow comrades ...
