write your Congressman and demand that the sweeping powers of the Federal Reserve be curbed, and warn that this agency must never again be allowed to precipitate the American people into the misery and hunger of a financial panic.

Eustace Clarence Mullins was born in Roanoke, Virginia. His ancestor John Mullins was the first recorded settler in Southwestern Virginia. His mother was a Muse of Roanoke, a family prominent in Virginia politics for many years. Educated at Washington and Lee University, he is a veteran of the Army Air Force during World War II, a contributor to many periodicals in the United States, Canada, and England on political and economic problems. His articles have traced the devious connections of international banking and the international Communist conspiracy, recently pointed up by the huge sales of Soviet gold to the Bank of England. Formerly a member of the staff of the Library of Congress, research assistant to members of Congress, he is now economist with the American Petroleum Institute.

YOU CAN HELP STOP THE DEPRESSION!

For the first time, the sordid story of financial depressions is told from hitherto unpublicized Congressional Hearings. Read how the international bankers forced the Panic of 1893 and the Panic of 1907 on the American people in order to get the Federal Reserve Act passed. This book follows the bankers to their secret hideout on Jekyll Island where the Federal Reserve Act was written by Kuhn Loeb partner Paul Warburg, American representative of the Rothschild bankers of Europe. It tells how the Act was forced through Congress by deliberate misrepresentation of the powers of the bill, so that a small group of bankers gained complete control of the money and credit of the American people and their government, and only a few weeks later plunged Europe into the First World War.

Most Americans think that the Federal Reserve Banks are owned by our government. **THEY ARE NOT!** They are private banks which conspired together to gain control of the credit of our Government, and since then have used our credit for their private profit. The assets of the Federal Reserve Banks jumped from five billion dollars in 1940 to forty-five billion dollars in 1946, showing that the Federal Reserve Bankers made forty billion dollars profit from the Second World War, when they poured bil-

lions of dollars of Federal Reserve notes into circulation. Henry Hazlitt, financial writer of Newsweek Magazine, wrote in the issue of Jan. 4, 1943 that these notes had no collateral of any kind behind them, that this was simply printing press money.

Mr. Mullins tells how Woodrow Wilson turned this country over to three of his campaign contributors in 1917, when Bernard Baruch as head of the War Industries Board became dictator of America's heavy industry; Eugene Meyer, Baruch's partner in the Alaska-Juneau Gold Mining Co., became head of the War Finance Corporation, where billions of dollars worth of war bonds were printed in **DUPLICATE** and disposed of; and Paul Warburg, head of the Federal Reserve Board during the First World War while his brother Max Warburg was chief financial adviser to Kaiser Wilhelm and chief of the German Secret Service. Thus the warring countries, Germany and America, each benefited from the financial advice of a Warburg during their conflict.

Many other astounding facts come to light in this extraordinary book, which you will agree is the most exciting chronicle of high finance ever written. Every fact is unimpeachably documented from many months of research at the Library of Congress.

Dear Sirs.

I am sending you a tyewritten subject, which I copied from a mimeograph writing, 2 sheets, My daughter came home with these, the young lady who opens the mail at her place, let her have this to show me. *Rev. 21. 1952*

I am no typist but did the best I could to copy it to send to you. when you read it you will notice it is dangerous writing to hush up, I think this Mr. Justice Mullins ought to have sent this to you, instead of sending it broadcast to business houses, to arouse hatred against the Jews.

There may be some crooked Jews connected with this, but we cannot say that all Jews have this in mind to force the white men to mate with the dark women, and force the white women to mate with the dark men, to put an end to the so called White race.

And are at it to force a fight to finish between Russia and the United States.

I think I am sending this to the right Government office.

Respectfully Yours.

A north side citizen.

I would not dare to give you my name, because I have no permission from my daughter to send this to you, and may cause you to go to this place of business to find out about the envelope where it was mailed from.

But I wish you would get a hold of one of these Mimeograph copy yourself, may be it would be good to put a request to some of the business firms to be on the lookout for such letters, so that they can mail these to you.

If these letters go from hand to hand among the office help then it can spread like wild fire.

These also expect to get the chance in the near future to rule the world, something Great Britain had in mind before this last war, which can be seen in the book of the Great Pyramid of Gizeh, Great Britain wants us all believe they were the "Ten lost tribes of Israel," Page 406 and 457 in this book would show enough.

Below is a transcription of Rabinovich's speech given me by a former Bulgarian Diplomat, who broke with the communist regime, and reached Budapest, Hungary whence he hid out with AntiCommunist Friends until march. While there he obtained a copy of this speech, and was then smuggled to Hamburg, Germany finally making his way to this country (America). A gentleman in Hamburg gave him my name, and he met me two days ago, and urged me to distribute this speech at once. I sincerely hope that it will give the American people a better picture of the force arrayed against them.

Speech of RABBI Emanuel RABINOVICH
as reported by Eustice Mullins May 14 1952.

The following is a speech of Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12 1952.

Greetings my Children: You have been called here to recapitulate the Principal steps of our progress. As you know, we had hoped to have twenty years between wars to consolidate the Great Gains which we made from World War Two. But our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means to precipitate World War Three within five years.

the goal for which we have striven so concertedly for three thousand years is at last within our reach, and because of its fulfillment now apparent it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a KING and every Gentile a slave: (applause from the Gathering.) You remember the success of our propaganda campaign during the 1930s' which aroused Anti-American Fascionian Germany, and at the same time we aroused Anti-German Passions in America, a campaign which culminated in the Second World War. a similar propaganda is now being waged intensely through out the world. (campaign)

A war fever is being worked up in Russia, by an incessant Anti-American Barrage, while a nationwide Anti-Communist scare is sweeping America.

Our next pressing problem at the moment is to inflame the lagging Militaristic Spirit of the Americans. The failure of the Universal Military training act was a great set back to our plans, but we are assured that a suitable measure will be rushed through congress immediately after the 1952 elections. The Russian, as well as the Asiatic peoples, are well under control, and offer no objections to war. But we must wait to secure the Americans. This we hope to do with the issue of Anti-Semitism, which worked so well in uniting the Americans against Germany. We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States, and produce a front of solidarity against the Soviet Power. Simultaneously, to concentrate to Americans the Reality of outspokenly Anti-Semitic elements in America to increase their effectiveness, and we shall stage Anti-Semitic outbreaks in several of their largest cities. This will serve the purpose of Exposing reactionary sectors of America, which then can be silenced, and of welding the United States into a devoted Anti-Russian Unit.

Within five years this Program will achieve its objectives, the Third World War, which will surpass in destruction all previous contests. Israel of course will remain Neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our control Commissions into all wrecked countries. This war will end for all time our struggles against the Gentiles.

We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites, The white woman must cohabit with members of the dark races, and the white men with dark women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty. The Pax Judaica,* and our race will rule undisputed over the earth. Our Superior intelligence will enable us to retain mastery over a world of dark peoples.

*(meaning friendly, cooperative synbology as between Judaists)

Questions from the gathering: Among them the Question, what about the various religions after the third world war ?)

There will be no more religions, not only would the existance of a priest class remain a constant danger to our rule, but belief in an after life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We still however, retain the rituals and customs of Judaism as the work of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

We may have to repeat the grim days of World war Two, when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war Criminals, after we have dictated the peace, I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for World Leadership is indeed a small price to pay.

To convince you of the certainty of that leadership, let me point out to you how we have turned all of the inventions of the white man into weapons against him, His printing presses and radios are the mouth pieces of our desires, and his heavy industry manufactures the instrument which he sends out to Asia, and Africa against him. Our interests in Washington are Greatly extending the Point Four program for developing industry in backward areas of the World so that after the industrial plants and cities of Europe are destroyed by Atomic warfare, the whites can offer no resistance against the larger menace of the dark races, who will maintain an unchallenged technological superiority.

And so with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glories destiny as the Light of the (world.

Are you aiding this plan by contributing to an organization, or to a church, whose leaders are advocating the mixing of the races ?

COMMUNISM HITS SOUTH WITH NON-SEGREGATION

Jewish Marxists Threaten Negro Revolt In America! Communists Plan Black Republic In South

By EUSTACE MULLINS

(Readers of Common Sense will be shocked to learn that the recent decision of the Supreme Court outlawing segregation in schools actually carried out a 1921 Resolution of the Communist International. Mr. Mullins spent weeks tracing the sinister origin of this un-American decision.)

Although millions of American citizens were stunned by the decision of the Supreme Court of the United States that segregation in public schools must be ended, few realized that this decision was the culmination of a vicious campaign to destroy American liberties. This campaign had its origin in a 1921 directive of the Communist International written by the Soviet Chief of Propaganda, Karl Radek, the alias of a Jewish revolutionary named Sobelsohn.

The Radek directive gave explicit orders to the Communist Party of America to stir up racial strife between white and black American citizens, to force the two groups together in order to create race riots, and to carry on relentless agitation for "Negro rights".

This directive was read at the Bridgman Michigan convention of the Communist Party of America on August 20, 1922. It laid down the basis for "civil rights" agitation step by step outlined the methods which have been used since that date by the American Jewish Congress and its subsidiary, the National Association for the Advancement of Colored People.

Two days later, on August 22, 1922, the Bridgman Convention was raided by government agents and the Radek directive as well as hundreds of other Communist documents were seized. These documents are in the files of the Federal Bureau of Investigation today, but J. Edgar Hoover is under strict orders not to reveal the Radek directive at any cost, because it would brand the Supreme Court as a front or agent of the Communist International.

One of the great authorities on Communist infiltration, R. M. Whitney, wrote in his definitive work "Reds in America", published in 1924 by the Beckwith Press, on page 189.

"The Communists' earliest program in the United States included the use of the negro masses in its campaign to bring about the overthrow of the Government of this country by violence."

At the Sixth World Congress of the Communist International held in Moscow in 1928, the slogan for America "Self-Determination in the Black Belt" was devised. In 1930 the Communist Party published the official "Resolution of the Communist International on the Negro Question in the United States". We quote from this resolution,

"The main Communist slogan must be: The right of self-determination of the Negroes in the Black Belt. . . . If the slogan of self-determination of the Negroes is to be put into force it is necessary wherever possible to bring together into one governmental unit all districts of the South where the majority of the settled population consists of Negroes. . . . The right of the Negroes to governmental separation will be unconditionally realized by the Communist Party. . . . The Communist Party must stand up with all strength and courage for the struggle to win independence and for the establishment of a Negro Republic in the Black Belt."

PAUL ROBESON: Negro Communist Leader

THE ANSWER!

Address by Tom Linder, Commissioner of Dept. of Agriculture, Before the Georgia Education Commission, Senate Chamber, State Capitol, Atlanta, Georgia, June 25, 1954.

Your Excellency, Governor Isomodge; Members of the Commission, and visitors:

There is no reason to abolish or discontinue our present public schools. The people of Georgia, I am sure, are determined to maintain segregation of the races in our public educational institutions. They are equally determined to maintain their system of public education. There is no reason why they should not be able to do both.

Every white child and its parents shall have the opportunity to attend an all-white school. Every colored child and its parents shall have the opportunity to attend an all-colored school. No white child will be forced to attend a mixed school and no colored child will be forced to attend a mixed school. If there be those among us afflicted with a sociological complex or psychological complex, or that are suffering from some perverted instinct that makes it impossible for them to be happy and contented with their own race, the Legislature will make provisions to provide for such cases, either in public institutions or in private institutions. All these things are consistent with the Constitution, with the statutes and even with the latest decision of the Supreme Court.

In the future, the people of Georgia and the other states must see to it that the seats in the United States Senate and House of Representatives are filled with men who will use every right, prerogative and power at their command to erase from the government and the courts every individual guilty of usurpation of powers and exercising unauthorized use of constituted powers to destroy the rights of the states under the Constitution which is the real basis of our present problem which has been brought to us ready-made by outsiders and does not, in any way, originate among the people of Georgia.

—(Continued on Page 3)—

IEWS OF A NORTHERN NEGRO

"During recent years, the press of the United States has reflected various opinions concerning segregation in our public schools — and the probable effect of integration on the pupils, and the community as a whole. The problem has reached the Supreme Court.

On January 25, 1953, Davis Lee, Negro Publisher and editor of the Newark, N. J., Telegram, expressed this sound and timely view of the repercussions we might expect if the forces of agitation prove victorious. It is the best argument we have read.

He said: "The efforts being made by certain paid agitators and pressure groups to have segregated schools in the South declared unconstitutional — may cause Southern Negroes to lose a lot more than they will gain.

"The trouble with this group, as with similar ones, is that the initiators don't count the overall cost to the race. The present effort is designed to destroy the whole pattern of segregation — and to establish an integrated social order in which there will be no distinction made in this country on the basis of race, religion, color or nationality.

"This is a laudable objective, but human nature just has not changed that much, and the achievement of such an objective could cause repercussions that might set the Negro back fifty years.

"Integration in the schools in the North and East — is not a howling success. A Negro can attend most of the schools up here — and get an education — but few of the states that educate him will hire him, as a teacher. The State of Connecticut doesn't have twenty-five Negro teachers. . . .

"Nowhere in these integrated states do Negroes get anywhere near proportionate representation. Every device is employed to keep qualified Negroes from being assigned. Recently a reputable New York labor union made a report on the employment of Negro teachers in New York City — and charged that a systematic scheme has been adopted to exclude Negroes as teachers.

"This is not true in the South. The State of Georgia employs 7,313 Negro teachers, and paid them close to \$15,000,000 in salaries last year. North Carolina paid its

riat of the Executive Committee of the Communist International stated in a letter to the American Communist Party.

"Communists must unreservedly carry on a struggle for the self-determination of the Negro population in the Black Belt in accordance with the decisions of the Sixth World Congress of the Communist International."

This dictate has been periodically restated by the Communist Party, and in December, 1916 it was reissued as a "Resolution on Negro Rights and Self-Determination."

Felix Frankfurter

The anti-segregation decision of the Supreme Court was dictated by one of the most sinister men in America, an Austrian Jew named Felix Frankfurter, leader of the radical World Zionist movement and a lifelong advocate of Socialism and leftwing objectives. Felix Frankfurter was head of defense committee for Sacco and Vanzetti, anarchists who were electrocuted in Massachusetts in 1927. A law partner of Henry L. Stimson in the firm of Winthrop and Stimson, lawyers for Kuhn, Loeb Co., international Jewish bankers who financed the Communist Revolution in Russia, Frankfurter was first thrust upon the American people by President Woodrow Wilson, who brought a horde of alien Socialists to Washington and set up the Socialist hierarchy which was reinstated in power fifteen years later by his understudy Franklin D. Roosevelt.

Wilson appointed Frankfurter as counsel for the Presidential Mediation Commission in the Mooney Case. As the defender of a group of Communist bomb-throwers and terrorists, Frankfurter had the temerity to try to influence Theodore Roosevelt in the decision. Theodore Roosevelt replied in an open letter which has been publicized for years, as follows:

"You have taken and are taking an attitude which seems to me to be fundamentally that of Trotsky and the other Bolshevik leaders in Russia, an attitude which may be fraught with mischief to this country. . . . There again you have engaged in excusing men precisely like the Bolsheviks in Russia, who are murderers and encourages to murder, who are traitors to their allies, to democracy and civilization, as well as to the United States, and whose acts are nevertheless apologized for on grounds, my dear Mr. Frankfurter, substantially like those which you allege.

The official publication of the World Zionist Organization, the Zionist Bulletin, reported in the issue of September 2, 1919:

"A dinner in honor of the Hon. Justice Brandeis, prior to his return to America, was given by the Executive of the World Zionist Organization on August 26 at the Ritz Hotel. Prof. Frankfurter, in proposing the toast to his Majesty's Government, referred to the months of hard work in which he and the other Jewish delegates had been engaged in Paris. They often spoke in different tongues; but they were all animated by a single sentiment—the welfare of Israel and the good of Zion."

The welfare of Israel and the World Jewish conspiracy has always been the single sentiment of Frankfurter's life. One of the architects of the Versailles Peace Conference in 1920 which made the Second World War inevitable because of the impossible terms inflicted upon Germany, Frankfurter was instrumental in carving out the artificial state of Czechoslovakia by forcing together people of different nationalities, which made the Sudeten crisis inevitable. He also stirred up anti-Semitism all over Europe by including in the Treaty special privileges for Jewish residents of all European countries, with the threat that the United States would force the European nations to grant those special Jewish privileges.

American Civil Liberties Union National Committee

Supreme Court Justice Felix Frankfurter has always been a close associate of some of the most dangerous radicals in America. He served on the National Committee of the

A. M. Rosenberg

Herbert Lehman

American Civil Liberties Union with William Z. Foster, an open and professed Communist and the active leader of the Communist Party of America. Also on this National Committee was Morris Hillquit, counsel for the American Communist Party, and many other leaders of the Communist conspiracy. Is this not strange company for a Justice of the Supreme Court of the United States? When we realize that the anti-segregation decision of the Supreme Court followed a directive of the Communist International, we can understand why the decision was written by an associate of the leaders of the Communist Party, who is also the brother of a notorious convict.

Roger Baldwin, director of the American Civil Liberties Union, testified before the Lusk Committee Investigating Communism as follows:

"The advocacy of murder, unaccompanied by any act, is within the legitimate scope of free speech. . . . I would say on behalf of the entire committee that all of them disbelieve the theory of constructive intent, and that all of them believe in the right of persons to advocate the overthrow of government by force and violence."

Thus Baldwin, speaking for Frankfurter and the other members of the American Civil Liberties Union, defended the right of individuals to advocate the overthrow of the American Government by violence. How can we keep a man on the Supreme Court who believes in such basic Communist theory?

Mr. Holaday of the Lusk Committee asked Allen S. Olmstead of the ACLU:

"Did I understand you to say that an alien has a right to preach the overthrow of Government, and anarchy?"

Mr. Olmstead replied, "Yes." Thus, Frankfurter of Austria comes over here and because of the international political power of world Jewry, gets himself appointed to the Supreme Court of the United States despite his hatred of our free American institutions, and proceeds to undermine our country by forcing Negroes and whites together in our schools, to precipitate race riots, and fulfill the Radek directive of 1921. The Lusk Committee summed up as follows:

"The American Civil Liberties Union, in the last analysis, is a supporter of all subversive movements, and its propaganda is detrimental to the interests of the State."

Yet Frankfurter continued as an important official of this group. He was also a director of the NAACP (National Association for the Advancement of Colored People).

Our Worst Supreme Court

The present Supreme Court is a sorry gathering of political hacks, professional Jewish apologists, and democratic leftovers. Justice William Douglas is a prominent member of the United World Federalists, a group financed by the Communist apologist James Paul Warburg of the Soviet revolutionary banking family. United World Federalists actively seeks to subvert the legal government of the American people and substitute a world government in which our citizens will have no control over their own fate. On May 14, 1952, Douglas addressed the CIO Amalgamated Clothing Workers at Atlantic City. As reported in The Daily Worker and other leftwing publications, he said,

"Revolution is our business. We want United Nations recognition for China and American aid for Mao (leader of Communist China)."

Douglas was a classmate of radical Robert Hutchins at Yale. A darling of leftwing labor leaders and Jewish revolutionaries, Douglas

has been advocated for the Presidency of the United States by these groups. He recently accepted a \$1000 Sidney Hillman Award from Jewish labor leaders.

Chief Justice Earl Warren was appointed to that post by Eisenhower for the specific job of ratifying the anti-segregation decision. Warren as Governor of California spent so much time at Jewish banquets that it was said he lost his taste for Christian food.

Justice Tom Clark has cravenly refused to appear before Congressional Committees investigating the startling corruption of the Department of Justice during his term as Attorney General. He has been sharply criticized by many Congressmen investigating this corruption. A typical greedy, self-serving politician, he eagerly went along with the anti-segregation decision, although he is from Dallas, Texas, where he was unknown in the legal profession.

Jewish Revolutionaries Enlist Negro Supporters

The Jewish Communist Party of America has always envisioned arming the 15,000,000 American Negroes as an army with which to enslave the white population of America. For instance, when Senator Eastland of Mississippi protested against the recent anti-segregation decision of the Supreme Court, the New York Post of June 15, 1954 carried a letter by Harry Erice. The New York Post is edited by Dorothy Schiff, Jewish, and owned by the Schiff family. Jewish International bankers financed the 1917 Communist Revolution in Russia. The letter carried in the New York Post, of June 15, 1954, is as follows:

"Sen. Eastland (Dem., Miss.) says the government would have to send an army into the south to enforce non-segregation. That's no problem. You could raise ten divisions in Harlem alone."

This letter is typical of what the radical Jews want to do to the White Christian population of America. Our Congressmen were horrified to learn from many witnesses before the House Un-American Activities Committee that the wholesale slaughter of millions of Negroes in the South has already been planned by the Yiddish revolutionaries, in the process of setting up a Black Republic under the leadership of the notorious Negro Communist Paul Robeson. Robeson was awarded the 1952 Stalin Peace Award. During the Hearing before Un-American Activities Committee he declared "he would go to jail before he would say whether he was a Communist." He educated his son in Soviet Union. Robeson, who made millions of dollars as an entertainer in America because he was publicized and given rave reviews by the little clique of Communist Jews who control radio, television, and the movies, has always hated America.

Every other Negro who has been brought into prominence by the Jews has somewhere in his background an affiliation with Communism and left-wing causes. Consider the case of Dr. Mordecai Johnson, President of Howard University, an AB-Negro University in Washington, D. C. which year after year receives more federal aid funds than any other school in America, a school which is the apple of the eye of Franklin D. Roosevelt's sallow helpmate, Eleanor, and a school which has harbored many of the most dangerous radicals in America. Here are the sentiments of Dr. Johnson as reported in the Chicago Defender of June 10, 1933. Speaking before an audience of young Negro intellectuals who were being trained as the black elite of the Communist Party, Dr. Johnson was reported as follows:

"Dr. Johnson urged his hearers not to allow the words Communism and Socialism to blind their eyes to the reality that on Russian soil today — it makes no difference what mistakes are being made or what crimes are being committed — there is a movement for the first time in the history of the world to make available all their natural resources for the life of the common man."

With such speeches many thousands of Negroes were recruited for the Communist Party. Yet Dr. Mordecai Johnson continues today as the President of Howard University, supported by large grants of taxpayers' funds, and is constantly hailed as one of our

ANNA M. ROSENBERG (Jew) Named Communist Who Supports NAACP

most outstanding citizens.

Dr. Ralph Bunche

Another "great" Negro citizen is Ralph Bunche, who holds an honorary degree of Doctor. When Count Folke Bernadotte was assassinated by Jewish terrorists in Israel, one of the most shocking crimes in modern diplomatic history, Bunche was chosen to replace him as United Nations mediator in the theft of Palestine from its Arab inhabitants. The Jews were pleased with Bunche's handling of their affairs, so pleased that David Niles (Neyhus) offered him the position of Assistant Secretary of State in Truman's cabinet. Bunche sneeringly refused, claiming that Washington is a Jim Crow town. Since the population of metropolitan Washington is already predominantly Negro, it is difficult to see how this could be. Actually, Bunche was merely creating an artificial issue for Communists to publicize in Russia. He accepted a better-paying job with the United Nations.

Why is Bunche a favorite of Jewish revolutionaries? The Daily Worker of November 10, 1938 gives us a clue. On the front page is a picture of a Negro Communist, just back from slaughtering Jews and priests in Spain. And below is a telegram welcoming him back to America from his church-burning expedition overseas. The signer of the telegram is Ralph Bunche of Howard University. Thus Bunche reveals his real allegiance and explains his sudden rise to fame and fortune, backed by the Jewish Communist clique.

They Planned It That Way

American citizens, stunned by the unconstitutional anti-segregation of our leftwing Supreme Court, do not realize that this decision has its origins in Communist dictates of more than one hundred years ago. Like the income tax and the inheritance tax, the anti-segregation decision was demanded by the Communist Manifesto of 1848, which first used the phrase "without regard to race, creed, or color". This phrase identifies any organization which uses it as a group which follows the fundamental purposes of Communism. The American Jewish Congress and its colored subsidiary, the National Association for the Advancement of Colored People, use this phrase in all of their publications as a basic principle of their groups.

Mongrelization

The Jewish Communist Israel Cohen in 1912 wrote a "A Racial Program for the Twentieth Century", in which he declared: "We must realize that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mold them to the program of the Communist Party. The terms colonialism and imperialism must be featured in our propaganda. In America, we will aim for a subtle victory. While inflaming the Negro minority against the whites, we will endeavour to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negroes will be able to inter-marry with the whites and begin a process which will deliver America to our cause."

In the leaflet "Your Family and the

NAACP", the National Association for the Advancement of Colored People declares that "The NAACP supports the United Nations and opposes colonialism and racism wherever they appear." Thus the NAACP follows the Cohen directive.

In the pamphlet "Crusade for Freedom", the NAACP states that:

"The NAACP youth division is a constituent member of the World Assembly of Youth and has consistently opposed colonialism and imperialism in every form."

Note the similarity of this declaration with the Cohen directive.

NAACP Founded by Jewish Revolutionaries

The fact that the National Association for the Advancement of Colored People so closely follows the aims and directives of the Communist Party is more understandable when we learn that it was not founded by patriotic Negro American citizens. It was founded by Jewish Communist revolutionaries. An NAACP leaflet featuring congratulatory statements by prominent citizens quotes Rabbi Irving Miller, former President of the American Jewish Congress as follows:

"Our late President, Dr. Stephen S. Wise, was one of the founders of the NAACP. Throughout the years, our cooperation with the Association has been a source of deep gratification to us. The intimate working relationships which we have enjoyed, both in major undertakings and the day-to-day routine of the struggle for the extension of human rights in this country, have contributed significantly to the objectives we commonly seek."

The New York Times of March 24, 1917 revealed that Rabbi Stephen S. Wise had led an hysterical celebration of the Communist Revolution in Russia, and addressed a mass meeting of gleeful Jewish Communists in Carnegie Hall on the previous evening. His son James Waterman Wise has been active in many Communist fronts. His daughter, Justine Wise Folier, appointed a children's judge in New York City by the radical Marxist Fiorello LaGuardia, is married to Shad Folier, a director of the American Jewish Congress.

The American Jewish Congress itself, working with the NAACP for common objectives, was founded by Jewish revolutionaries who had been expelled from Russia and who found a haven in the New York ghetto.

The NAACP has never adequately represented the Negro citizens of America. Instead, it has represented the sinister aims of Jewish radicals. The NAACP has always been dominated by Jews. Mary White Ovington, in "How the NAACP Began", published in 1931, tells how she, W. E. Walling and Dr. Henry Moskowitz set up the NAACP in 1909. She relates that Walling's wife had been imprisoned for some years in Russia for her revolutionary activities in trying to overthrow the Czarist government. She and Moskowitz issued a call for aid in founding the NAACP, signed by 53 people. More than one-third of those listed have been cited by our Government as Communists or members of radical Communist fronts. Senator Herbert H. Lehman, elected Governor of New York with the active support of the Communist Party, has been a director of the NAACP for many years. Its President today is the Jew Arthur Spingarn. More than one-

third of the present-life members of the NAACP are Jews! Thus it can be seen that the NAACP, far from representing our loyal Negro population, is merely a tool of Jewish radicals.

What has the NAACP done for America's Negro population? What constructive accomplishments can it cite? The amazing rise in the living standard of the Negro was a result of the general prosperity of the United States in the past two decades. The NAACP has contributed nothing to our economy. Instead, it has continually sought to inflame the Negro citizens against whites and to stir up class warfare in the best traditions of Marxism. NAACP branches should be treated as Communist cells and its active members watched with suspicion until it changes its tune, shakes off its Jewish domination, and works for American principles of freedom and justice.

We could go on for many pages, citing the Communist-front affiliations of NAACP directors. A typical one is Dr. Channing H. Tobias, Assistant-Treasurer of the NAACP, with 28 listings, of which we mention a few as follows.

From Appendix IV, House Committee on Un-American Activities, 1944

Channing H. Tobias, sponsor of American Committee for Protection of Foreign Born, cited by the Committee as "founded by the Communist Party to exploit racial divisions in the United States for its own revolutionary purposes."

Channing H. Tobias, sponsor of American League for Peace and Democracy, cited by the Committee as "one of the most effective Communist front organizations ever operated in this country."

Channing H. Tobias, cited by the Committee as "one of the most vicious Communist organizations ever set up in this country."

These are only a few mentions of the 28 listings of Channing H. Tobias, Asst. Treasurer of the National Association for the Advancement of Colored People showing the kind of organization which it is.

NAACP Publications And Activities

In its booklet "Audio Visual Aids to Interracial Understanding, Teaching Democracy", the NAACP recommends the film "Achimota", narrated by the notorious atheist Dr. John Huxley, and the film "Brotherhood of Man", an animated cartoon based on the pamphlet Race of Manland, written by Dr. Ruth Benedict and Cose Wolfish. Dr. Wolfish refused to answer a Congressional Committee as to whether she was a Communist and was later named as such. It also recommends the film "Democracy at Work in Rural Puerto Rico" made by the U. S. Dept. of Agriculture. Common Sense was able to prevent the distribution of another leftwing film produced by Marxists in the Department of Commerce, the film "Don't Discriminate", which openly insults white Americans. When we informed our readers that this film was being produced, thousands of outraged Americans protested, with the result that the Department of Commerce now denies that this film was ever planned or produced.

NAACP also recommends in this booklet the film "Native Land", with songs and narration by the famous Negro Communist leader Paul Robeson, whom the Communist Party has selected as the Black Dictator of the Soviet Republic of the South to set up after the revolution in America. NAACP often cooperates with Communists and Communist fronts in its struggle to Sovietize America, but this does not mean that we should recant.

VIEWS OF A NORTHERN NEGRO

—Continued from Page 1—

Negro teachers over \$22,000,000 last year. Florida is another state that ranks at the top on teachers pay.

"If these states that are now pouring millions of dollars annually into Negro pockets which provides our people with money that enables them to enjoy the dignity of man, to enjoy the prestige and respectability, to buy homes and the necessities of life — are forced to abandon the segregated school — 75 per cent of the Negro teachers in the South will lose their jobs. Not only that, but approximately 20,000 Negro principals will lose their jobs as well . . .

"This present movement to end segregation in the schools — is merely the beginning of a well laid plan to completely end segregation in everything in the South. If this happens, the Negro will be thrown into direct competition with the white race, and our business institutions will crumble.

"No place in the world do Negroes own and control as much as do those in the South. Atlanta is without question the Negro capital of the world. It is the center of Negro culture, education, business and finance. And both Negroes and whites live, work and operate business without either being conscious of the other's race.

"This movement to integrate the schools of the South, is loaded with more racial dynamic than appears on the surface — and the Negro will be the one who is blown away.

"During the past two years I have spent more time in the South than I have in my office; and I have interviewed thousands of Negroes in all walks of life — and I have found very few who favor mixed schools. They want their own schools, but equal facilities. Thus being the situation, one questions the fairness of forcing these colored citizens to accept what they don't want. If a little group of paid agitators succeed in forcing their will upon these people, it appears to me that they should at least be given an opportunity to be heard.

THE ANSWER!

(Continued from Page 1)

white or colored. The people should reward those public servants who, by their record, have demonstrated their courage and ability to carry on this fight, such as our own Governor. I shall lend all of my efforts and influence to this end.

I propose here today to present a definite plan to carry out these pledges. I am not unmindful of the fact that we are dealing with a momentous question involving many fields of constitutional law, I am not unmindful of the fact that as time goes by, other means and methods may present themselves, other angles may develop which will require the concerted effort of our best legal minds and our best school leaders. I am not, therefore, closing the book for any new ideas and new suggestions, but, as of now, the following plan is laid on the firm foundation, not only of our Federal and State Constitutions and our Federal and State Laws, but it is also laid on a firm foundation of laws more ancient than our Constitutions and more ancient than Magna Carta; and, it shall prevail.

With this preface, I will proceed to an analysis of our situation and an outline of the plan which I propose to preserve the rights, traditions, interests and welfare, of all the people of Georgia, whatever their race may be.

The Court's Decision

The Supreme Court held, in effect, that the State cannot, as a matter of Law, segregate school students merely on a basis of race or color. In doing so, in my opinion, the Court, by necessary implication, also ruled that the State cannot, as a matter of Law, force the mixing of students of different races and colors purely on a basis of race and color.

This, I think, gives us a real basis from which to work out a program where the people themselves can effectively segregate themselves without compulsion from the State.

Basis Of Separation

It is a well defined and recognized principle of constitutional law, as held by the Supreme Court in various cases, that no power resides in government, either Federal or State, to prevent discrimination by individual citizens. The prohibition against discrimination applies only to public action. This is a firm ground on which to stand when the individuals choose to segregate themselves because of what they deem good and sufficient reasons.

Constitution, Bill of Rights, And Declaration of Independence

The people of Georgia, by and large, white and colored, and including other races, are people who believe in God. They are people who recognize the overruling providence that has made this country great. Most of them look upon marriage as a Holy God-ordained relationship. The rearing of their children, training them, protecting them during their minority from evils which the immature mind of children are not able to grasp or understand, is a part and parcel of the deep religious convictions of most people in this State. They believe in the ancient commandment, "Thou shalt not remove the ancient land marks set by thy fathers." The most ancient landmark is the separation of the races and the maintaining of the purity of each race.

Since the Constitution guarantees everyone the unalienable right to life, liberty and the pursuit of happiness, each individual, without State compulsion, has a right to pursue their happiness in their own way limited only by the supreme law of not interfering with the other fellow's right to the pursuit of happiness.

This again gives firm ground for the individual to practice, voluntarily, and of his own choice, whatever segregation is necessary for his own pursuit of happiness. Ultimately, the people themselves are the court of last resort. This is true not only to the extent that they may change their government any time they see fit, that they may unseat and punish any and all officials who are guilty of usurpation of undelegated authority and that they may use whatever force is necessary for the accomplishment of that purpose. Therefore, in this extreme sense, the people are the court of last resort.

The people of Georgia have never exercised sanctions; but, on the other hand, they have paid taxes willingly, built churches, built schools, loaned money, extended credit, and in every way tried to help the colored people of the State. The people of Georgia will not, at this time, practice any sanctions against colored people except as a necessary last resort to protect their own human rights. But the people of Georgia can exercise sanctions under the ancient laws of private property, under the ancient law merchant, under the ancient laws of the right to hire and fire. In addition to this, the white people of Georgia can practice age old sanctions of social ostracism against

those persons who are not members of the colored race, but who are engaged in the effort to breakdown and destroy the rights of the white citizens of the State.

In this sense, the people themselves are the court of last resort and from their decision there is no appeal.

Then again, the people themselves are the court of last resort at the ballot box, which is the machinery set up by census and the more severe remedy of sanctions and also to avoid the most extreme remedy of force and violence. It is, therefore, through this later sense in which the people are the court of last resort that we intend first to approach a remedy for that evil thing which now besets us through the unconstitutional acts of our Supreme Court, aided and abetted by the Chief Executive and the legislative branch of our national government. Therefore, I propose at this time, to follow a plan through which the people can maintain segregation in our public schools. I am convinced that the people of Georgia are not willing to surrender their public school system without a fight, and I am convinced that they do not intend to lose that fight. I am convinced that the people of Georgia do not intend for their children to attend mixed schools, and, I am convinced that they do not intend to lose that fight — whatever remedy they may have to resort to, I am convinced that no power on earth can force the white people of Georgia into mixed schools so long as they are unalterably determined to maintain the rights, they have to choose their own kind of school.

Proposal No. I

I propose, first, that the Legislature take appropriate action to provide for a full, thorough census of all children and parents who are now or may hereafter be patrons of public schools, requiring under oath a full statement as to the children and parents and stating definitely whether they choose to patronize an all-white school, an all-colored school or a mixed school. This census form also to be filled out by all teachers, other employees and officials connected with State or local education. When this census is completed, we will know who is who and where they are. This will force everyone to stand up and be counted.

Proposal No. II

I propose that the Legislature, by appropriate action, recognize and declare its State policy on education, recognizing that, under our present Constitution, it is impossible for the State to comply with the opinion of the Supreme Court, recognizing that no change can be made in that Constitution before the General Election in 1956, declaring a policy of working out a plan for public education that will not be in conflict with the ruling of the Supreme Court, but which will also, at the same time, maintain the rights of all individuals. I propose that the Legislature work out and submit to the voters of the State in the General Election of 1956, a complete plan and also necessary constitutional amendments to put such plan into effect. The Legislature should declare as a State policy that, in the meantime, our present school system can operate only on a segregated basis because there is no money and under our present Constitution no appropriation acts, to pay for any schools other than segregated schools.

Proposal No. III

I propose that by appropriate legislation and vote of the people we create a pool of all school pupils, both in our common schools and in institutions of higher learning, this pool to be made up without reference to or in consideration of any race, creed, color or previous condition of servitude, each student and its parents to have the privilege, at their own request and without compulsion of the State in any way, to ask to be assigned to a school of their choice. That is if a colored parent wants his children to go to an all-colored school, he may ask, without compulsion from the State in any way, to be assigned to an all-colored school. If a white parent desires for his children to attend an all-white school, he may request, on his own initiative and without compulsion from the State, that his child or children be assigned to an all-white school.

Proposal No. IV

I propose the adoption of an amendment empowering the Legislature to subsidize those children who are not satisfied in either of the schools provided by the State so that they may use their pro rata share of school funds in attending private schools.

In this way, the State will not be compelling or requiring segregation of races but will be protecting all citizens in following their unalienable rights to a free choice. No white child will be required to go to an unsegregated school or to a segregated school. No colored child will be required to go to an unsegregated or segregated school. No child will be required to go to a mixed school. No child will be required to go to a private school. Every child can go to the school of his choice without compulsion from the State.

Proposal No. V

Require all school teachers and others connected with education, both public and private schools, as a condition to their employment, to teach absolute respect for all State laws, State Constitutions, State Courts, State Legislatures and State officials. The immature mind of school children is no place to sow seeds of discord, disrespect and lack of patriotism. "He who makes his country live, makes all things live; And all things living bless him. But, he who lets his country die, lets all things die, And all things dying curse him."

Communism Takes Over

(Continued from page 3)

The Negroes as Communists. Most American Negroes are loyal, but many have fallen into the hands of Jewish radicals, and, dominated by such ones as Arthur Spingarn, President of the NAACP, they become willing tools of Marxists in America.

Thus we find the Jew Theodore Rubin, Secretary of the Society for Racial Integration, stating in the Society's Annual Report of 1932:

"We are happy to report that thousands of happily mixed Negro and white couples are now residing in New York, Chicago, and other metropolitan areas. Thus our teachings of democracy are slowly taking root all over America, and each year we shall see thousands more Americans who have found that Negro-white marriages are living proof that the principles of liberalism will triumph. Educational programs and social legislation are breaking down the fascistic tendencies of white citizens, and our Society has every reason to believe that we shall see the Negro problem solved in our lifetime."

Government Forces Whites To Accept Negroes

In 1933, Franklin D. Roosevelt and a little group of Jewish revolutionaries, among them Rabbi Stephen S. Wise, founder of the NAACP, began a program of relentless assault against the white American traditions of America. This program has been sustained by Truman and Eisenhower. Under Eisenhower, it has almost reached its completion.

During the Second World War, Eleanor Roosevelt forced the Navy to mix whites and Negroes. When Anna Rosenberg was confirmed as Assistant Secretary of Defense, after she had been identified as a Communist, before a Senatorial Committee, she completed the process of racial integration in our armed forces. In Southern Army posts, white children were forced to go to Army schools with Negroes.

In 1943, the Supreme Court declared that racial provisions in Washington real estate agreements were illegal. Consequently, thousands of white home-owners lost their homes and were forced to move to the suburbs. Hundreds of blocks of our capital city became Negro slums.

What American Negroes Want

I recently returned from a trip through the Southern states. I talked to hundreds of white and Negro citizens about the Supreme Court anti-segregation decisions. Many Negroes were bitter against the NAACP and the left-wing politicians who had forced this decision to be enacted. One former official of the NAACP, a Negro educated in the North, had returned South because it was her home. She knew that the Jews and other Communists were using the Negro as a cat's paw in their struggle to Sovietize America. She was frightened at what lay ahead, and declared that the NAACP had undone much of the goodwill which had been built up slowly between whites and Negroes in the South. "Now it will be just like in the North," she said, "I am going to leave the Negro in the Southern states, and now the NAACP wants to take them from us."

I asked her if she knew about the Jewish control of NAACP. "That's why I quit," she said. "Our officials were always speaking before Jewish groups, appearing at Jewish fund-raising rallies, and conferring with officials of the American Jewish Congress. They have no sympathy with Negroes and they don't associate with Negroes. Walter White, the Executive Secretary of the NAACP, married a white woman and associated almost exclusively with Jewish millionaires. I wish the Negroes had an organization which did represent them."

National Association For Advancement of Colored People

The official Report of the Communist Party's 4th national convention stated that the party had penetrated the NAACP. Socialist Florence Kelley (formerly of Hull House), the personal friend of Engels and Lenin, with Jane Addams, a founder and for twenty years a member of the board of directors, was very active in the NAACP. The field secretary, Wm. Fickens, is a Socialist Party member, active as well in Communist affairs and organizations. (See Who's Who?) James Weldon Johnson, Clarence Darow, John Hayes Holmes, Oswald G. Villard and other executives have similar Red affiliations.

Mulattoes In Germany

Jewish Communists in Eisenhower's headquarters in London during the Second World War sent in thousands of Negro troops behind the combat forces in Germany. These Negro troops were encouraged to rape white German girls, with the result that there are now 30,000 mulatto children in Germany. These mulattoes predict the wave of the future. Either the white race must draw the line now and begin to fight for its survival, or it will disappear. The Jews want to arm Negroes during the planned Communist revolution in America. They look upon Negroes as their principal weapon against white American citizens. We should outlaw the NAACP because it is completely dominated by Jewish radicals who are working for a Marxist America. If the Negroes were not corrupted by the Jews, they would be as good American citizens as anyone. Many of them realize that the Jews do not want to help the Negroes, and that they are trying to use the Negroes in their Communist war against us.

David Lilienthal

By EUSTACE MULLEN
Nowhere has the control of the Jewish international bankers and their Communist philosophy of government been more apparent than in the atomic energy program. Senator Herbert Lehman sent Dr. Alexander Sachs, an employee of his Jewish international banking house, Lehman Brothers, to President Franklin D. Roosevelt in October, 1939 with a letter from Albert Einstein, inveterate Communist-fronter, ordering Roosevelt to start work on the atomic bomb. John Hancock, partner of Lehman Brothers, was alternate delegate with Wall Street gambler Bernard Baruch representing the United States on the United Nations Atomic Energy Commission. When Gordon Dean

stepped aside for Strauss as Chairman of the U. S. Atomic Energy Commission, he became a \$100,000 a year consultant to Lehman Brothers. Now the Oppenheimer treason case is being decided by Thomas A. Morgan, a director of Senator Lehman's giant holding company, the Lehman Corporation!

David Lilienthal
David Lilienthal, son of the Jewish international banking house of Hirsch Lilienthal (now known as Hirsch & Co.) was appointed by Truman as the first Chairman of the U. S. Atomic Energy Commission. He fought fanatically against American development of the H-bomb until Russia had time to catch up with the United States, and then resigned.

THE PHYSICAL DIFFERENCES BETWEEN THE RACES ARE GREAT

With such great physical differences between the white race and the colored race — there is bound to be great mental, moral, and spiritual differences. Red birds and blue birds — joy birds and mocking birds — peckerwoods and pellowhammers — are all birds; but they do not co-mingle or flock together. Each remains true to its color and kind.

IT WAS SO INTENDED

Rattle snakes and chicken snakes are all snakes — but it doesn't pay to try to mix them.
IT WAS SO INTENDED
Segregation was started in Biblical days.
IT WAS SO INTENDED
"Take Your Choice —
Segregation or Mongrelization"

By integration — while trying to pull one race UP — you unavoidably pull the other race DOWN.
Read of the regrettable marriages and other things that have taken place in the last several months in Washington, New York, Chicago, St. Louis, Hollywood and several other places — where they have chosen — or been forced — to do away with segregation.

It would be a sin and a shame for the Congress or Federal Courts to attempt to force integration upon that part of the white race that does not want it. The results would be disastrous.

The 14th Amendment to the United States Constitution does not give Congress or the Federal Courts the right to interfere in schools of the States. When the amendment was adopted, control of the colleges and schools was clearly regarded as a power reserved to each state — and there it should remain.

LEFT WINGERS AIM PURGE AT MIDWEST G. O. P.

By WALTER TROHAN
From Chicago Tribune, Monday, March 22, 1954.

DRIVE EMANATES IN WHITE HOUSE

Washington, Mar. 21 — Conservative midwest Republicans in Congress are alarmed that they are targets for liquidation in November under a program being directed from the White House by left-wing Republicans.

The conservative Republicans have called upon the White House to deny reports that they have been singled out for quiet purging by Republicans Socialists.

Human Events, a Washington news letter, charged that convincing proof now exists of a formidable conspiracy directed from the White House under the very eyes of President Eisenhower to destroy the American party in November by liquidating middle west Republicans.

Midwestern Congressmen have reportedly been marked as targets because they represent an area which has been opposed to internationalism and socialism of the New Deal pattern whether under the Democratic or Republican label.

Left wingers are reported to be working to defeat this hard core of opposition in order to commit the nation to a uniform policy of planned economy and foreign do-gooding, whether the national administration be Republican or Democratic.

Human Events recalled that in 1950 Americans for Democratic Action formally signified its intention of invading the Republican party. A. D. A. pretends to be nonpartisan, but is made up of left-wing Democrats who supported the New Deal.

Lewis Lichtenstein Strauss

Lilienthal's dominant place on the U. S. Atomic Energy Commission was taken by Lewis Lichtenstein Strauss, partner of the international Jewish banking house of Kuhn, Loeb Co., which financed the bloody anti-Christian Communist revolution in Russia in 1917. Appointed by Truman, Strauss was called by Eisenhower to be his personal advisor on atomic energy. Do you get the picture? Three international Jewish bankers, Lehman, Lilienthal, and Strauss, all with Marxist connection, have been in constant control of the United States atomic energy program since its very inception, and they hired the Jewish Communist spies who gave the atomic bomb to Russia after it became apparent that the Jewish plan to give Russia the bomb via the United Nations was doomed to failure. mittee as a Communist hired 10,000 people for the Manhattan (Atomic Energy) project (The New Yorker, Sept. 15, 1945.) She was a protegee of Bernard Baruch, who took over the task of representing the United States on atomic problems.

Military vs. Civilian Control

As soon as the Second World War was ended, the Jewish leftwing press, spearheaded by Eugene Meyer's Washington Post and the Daily Worker, began a hysterical campaign to

Herbert Lehman

Edward M. Warburg

get the atomic bomb away from military control. Although it was a military weapon, the Jews argued that our loyal American generals would use the bomb to create a "fascist" state here in America (fascist being a catchall term for anyone who opposes Jewish Communism). They were so successful in this vicious propaganda that public opinion was killed to sleep when the Zionist-Communist traitor David Niles (Neybus), Truman's Jewish master in the White House, created the U. S. Atomic Energy Commission in 1946, which took atomic energy control away from our generals and gave it to a five-man board, of whom four were Jews and one Gentile fellow-traveler of the Zionist conspirators.

This Commission was headed by David Lilienthal, now consultant with the international Jewish banking house of Lazard Freres, which was Eugene Meyer's family banking house. The other three Jews were Strauss of Kuhn, Loeb Co. and Dr. Robert F. Bacher, who was at the Los Alamos atomic bomb base with Jewish Communist spies David Greenglass and Julius Rosenberg, and William Waymack, editor of the Des Moines Register Tribune, owned by Gardner Cowles of Look Magazine, which follows the pro-Jewish racial line laid down by Eugene Meyer's Washington Post. Waymack's name has appeared on the boards of directors of many organizations dedicated to the destruction of the American Republic, among them the American Association for the United Nations, a nest of Communist fellow-travelers. He also is a director of the Federal Reserve Bank of Chicago. The Federal Reserve System was set up by Paul Warburg of Kuhn, Loeb Co. as exposed in "The Federal Reserve Conspiracy" by Eustace Mullins (order from Common Sense \$1.00). The Gentile stooge was Sumner Pike, a Wall Street banker.

In 1949, Lilienthal and Bacher were replaced by Justice Robert H. Jackson, prosecutor of the legal farce, the Nuremberg Trials, when we dealt out Soviet justice to our defeated foes, and his Nuremberg assistant, Gordon Dean—this being their reward from the Jews for destroying the reputation of our nation's respect for due legal procedure.

In 1951 a protegee of Samuel Goldwyn and other Hollywood Jews, T. Keith Glennan, was appointed to the U. S. Atomic Energy Commission. A former studio manager for Samuel Goldwyn, Glennan certainly knew all about atomic energy! He also had been on the board of the Warburg-controlled Ansco Film Corporation and the General Aniline and Film Corporation (American branch of I. G. Farben of which Paul Warburg was director).

Today the five-man Commission is headed by Lewis L. Strauss, who besides being a partner of Kuhn, Loeb Co. is on the board of directors of Industrial Rayon Corporation with Secretary of the Treasury Humphrey and State Senator Harry F. Byrd Jr. Strauss also for years has held the title of "financial advisor to the Rockefeller Brothers", showing the international Jewish banking control of the Rockefeller-Standard Oil trust and the Marxist dedication of the Rockefeller Foundation. The original Rocke-

efeller expansion was master-minded by Jacob Schiff of Kuhn, Loeb Co. with Rothschild money, and Kuhn Loeb has guided Standard Oil ever since. Strauss is also a director of Radio Corporation of America, Rockefeller Center Inc., and the National Broadcasting System, which may explain the Marxist orientation of our radio-television networks.

Also on the present Commission is another Jew, Eugene Zuckert, son of Harriet Pincoffs, and three Gentiles, Henry Smyth, who was on the Manhattan Project with Greenglass and Rosenberg; Joseph Campbell, who is on the boards of corporations with partners of the international banking house of J. and W. Seligman Co. and George E. Warren of Wallace and Tiernan (the chlorination and fluoridation trust); and the fifth member is Thomas E. Murray, who was chosen by the Jewish bankers as receiver for the IRT subway system in New York after they had loded it of hundreds of millions of dollars through crooked financing. He is a director of the Bank of New York with John Foster Dulles.

More alarming is the fact that most of the members of the U. S. Atomic Energy Commission to date have been members of the Council on Foreign Relations, central and co-ordinating international agency in the United States, supported by Kuhn Loeb and the Rothschilds, and sister organization of the Royal Institute of International Affairs in London, also supported by the Rothschilds. These two organizations were founded jointly by Baron Eduard de Rothschild at the Paris Peace Conference of 1919, and are parent-institutes of the Institute of Pacific Relations, the agency which the McCarran Committee investigation proved was responsible for the delivery of China to the Soviet Union, giving Communism 400,000,000 new allies, and condemning the Chinese people to hopeless slavery under Jewish commissars from Moscow. Thus Chinese Communist troops were able to slaughter thousands of captured American boys in Korea. However, the Institute of Pacific Relations traitors still go unpunished, because they are the Wall Street bankers and lawyers who support Communism.

Oppenheimer's Treason

On April 6, 1954, Senator Joseph R. McCarthy revealed to his television audience that traitors had delayed the development of the hydrogen defense bomb program by eighteen months. He declared that our intelligence agencies had informed him that Soviet Union had caught up with our lead in the production of nuclear weapons. He also said he wanted to make a full scale investigation into the H-bomb treason.

This meant that he would be investigating the three international Jewish bankers, Lehman, Lilienthal, and Strauss. Immediately a terrific smear campaign, more intense than any yet made against him, was launched through radio, television, and the daily press. The television farce of McCarthy-Army began, its avowed purpose being to crush McCarthy once and for all, its instigators believing that because the entire proceedings were so ridiculous, McCarthy would necessarily be made ridiculous. Of course Secretary of the Army Stevens would be made into a Milton Berle type of clown, but he was to be sacrificed in the vicious attempt to halt McCarthy's threatened probe into the H-bomb program. It is intended that Stevens will resign as soon as the hearings are concluded.

McCarthy has repeatedly told the television audience that the hearings are a circus; designed only to stop his committee's vital investigations. The audience should write to their Senators, demanding that Eisenhower stop his criminal attempt to crush McCarthy and his investigations.

Doom Of Western Civilization

Because of the eighteen-month delay in our production of the H-bomb, by Oppenheimer and Lilienthal, Senator McCarthy warned that our nation and our civilization may die. It is almost a certainty that this means a Third World War with all the horrors of atomic weapon destruction visited upon our homeland. The terrible blame rests upon these Jewish bankers and their Jewish scientists who profess the Marxist philosophy. The New York Times, Congressman Sterling Cole of the Joint Congressional Committee, and every other authority on the subject name David Lilienthal and J. Robert Oppenheimer as the two men who delayed the H-bomb. What is wrong with us? Do we have to be shot down in our homes before we see the necessity for protecting our nation from these enemies in our midst? Oppenheimer is the

personal protege of Lewis Lichtenstein Strauss, as revealed by the New York Times of April 13, 1954, which stated that Strauss had appointed Oppenheimer to the post of head of the Institute for Advanced Study at Princeton, New Jersey.

Had we been able to retain our leadership in the production of atomic weapons, we could have warned Soviet Union, "Stop the spread of aggressive Communism and release the captive nations from the deathgrip of your Jewish commissars, or we will employ atomic weapons against you." This course of action has been urged by many of our military leaders, who recognized long ago that either Soviet Union would wipe us out or we would stop Communism. There is no middle ground in dealing with an international conspiracy. Sinister influences in Washington demoted and silenced those military leaders, gave the atomic bomb to Russia, and delayed our production of the H-Bomb. These influences have now been proven to be entirely Jewish, boldly committing treason from the protection of the White House on a scale hitherto unknown in the world.

Jew Control

The New York Times of April 13, 1954 says, "Fertli, Szilard, and Wigner of Princeton met with Alexander Sachs of the Lehman Corporation to discuss the possibility of an atomic bomb. On Oct. 11, 1939, Sachs read to President Roosevelt a letter from Einstein and a memo from Szilard. The President ordered an Advisory Committee on Uranium to be set up."

Who's Who in America, 1951, contains the following entry:

"Dr. Alexander Sachs, born Rossien, Russia, economist, graduated from Harvard Graduate School, now economic advisor and director of the Lehman Corporation, member of the National Policy Committee, special consultant to the Office of Strategic Services during World War II, originated the atomic project in conference with President Roosevelt in 1939, and served as the President's representative on the organizing committee of the Manhattan Project (atomic bomb program)."

A gentle, Major General Groves, was placed in charge of the Manhattan Project, but he was powerless to maintain control over the horde of alien Jewish Communists which infiltrated every level of the operation. The influence of Harry Hopkins and Anna Rosenberg was too much for him. They as well as Dr. Sachs must be held responsible for the long list of convicted Jewish spies, Rosenberg, Greenglass, Sobell, Gold, Brothman, Weinberg, etc. who gave the atomic bomb to Russia and placed the American people in grave danger of atomic annihilation.

Dr. Sachs was a special consultant to the Office of Strategic Services in 1945 when that agency compiled a secret list of German scientists who had been working on the atomic program in Germany, and gave that list to the Russian secret police, who immediately arrested these scientists and shipped them to Russia to work in the Soviet atomic program. Those on this list, whose names could have been known only to Sachs or his co-workers, were obligingly arrested by our military police, acting on orders from the Eisenhower administration of Germany, and handed over to the Communists.

Baruch And The Atomic Program

The aged Bernard Baruch himself came out of retirement to take charge of the atomic program. He appointed himself U. S. Representative to the United Nations Atomic Energy Commission in 1946, and came forth with a plan for international control of atomic energy, in blissful ignorance of the fact that it had been developed in America with American money and resources. The following year Oppenheimer came out with a program which clearly showed his political allegiance. He wanted a World Atom Authority, with six laboratories in different countries, to be open to any scientists of any nation seeking information and aid in atomic development. Naturally this would include Soviet Union.

The alternate U. S. Representative to the U. N. Commission on Atomic Energy was John Hancock, partner of Senator Herbert Lehman's family banking house of Lehman Brothers, which has furnished so many top people for the atomic program.

Atomic Treason

In November of 1946 it was estimated by our intelligence agencies that Russia could not possibly build an atomic bomb in less than six years, and even in 1949 the Presidential Com-

H-BOMB TREASON

(Continued from Page 2)

mission on Air Policy set 1953 as the earliest date we could expect an atomic attack from Soviet Union. Only a few months later, in September 1949, Truman announced that an atomic explosion had taken place in Soviet Union. The Jewish Communist spies had been able to deliver our recent plans to our enemies.

Bombing Of Japan

Not only had the Jews given the Soviet Government the atomic bomb, but by deliberately engineering an atomic attack upon Japan during the closing weeks of the Second World War, they had placed the United States in the intolerable position of having been the first to use the horror weapon against civilians, thus giving Communist Soviet Union the opportunity to use it on us whenever she felt like it. Our military leaders have now testified that it was completely unnecessary to use the horror bomb on Japanese civilians. Japan, already defeated, had been suing for peace for weeks, but we would not receive her offers. The Emperor and Prime Minister, Suzuki, in July desperately tried to make peace, but Soviet Ambassador Malin, in Tokyo, sabotaged the peace efforts of the Japanese government.

Who ordered the bomb used against Japan? The lawyer for Kuhn, Loeb Co., Henry L. Stimson, senior partner of the Wall Street firm of Winthrop and Stimson and law partner of the fanatical Zionist leader, Supreme Court Justice Felix Frankfurter, boasts that he is solely responsible for the decision. Stimson was Roosevelt's Secretary of War. In his autobiography, "On Active Duty in Peace and War", Stimson says on page 612.

"For nearly four years I was directly connected with all major decisions of policy on the development and use of atomic energy, and from May 1, 1943 until my resignation as Secretary of War on September 21, 1945, I was directly responsible to the President for the administration of the entire undertaking. At the same time I was the President's senior advisor on the military employment of atomic energy. The atomic energy undertaking was not solely American. It was another and conspicuous example of co-operation between the United States and the British Commonwealth, in this instance represented by Great Britain and Canada, the latter being a critically important source of raw materials. In April I set up the Interim Committee which held discussions on the whole field of atomic energy. I was its chairman, but the principal labor fell to George L. Harrison (Governor of the Federal Reserve Bank of New York, who is dealt with at length in The Federal Reserve Conspiracy), who acted as Chairman in my absence; James F. Byrnes, personal representative of the President (Byrnes had been Baruch's right-hand man and political lieutenant since 1912); Ralph A. Bard, Under Secretary of the Navy; William L. Clayton, Under Secretary of State (former law clerk to Justice Brandeis, fanatical Zionist leader and uncle of Felix Frankfurter, Dr. Vannevar Bush, Chairman of the Carnegie Institution of Washington (which made many grants to pro-Communist fellow travelers); Dr. Karl T. Compton, and Dr. James E. Conant (as President of Harvard, refused to discharge revolutionary Communist professors). The Interim Committee recommended on June 1, 1945 that the bomb should be used on Japan without any specific warning. The ultimate responsibility for the recommendation to President Truman rested upon me. The detailed plans were brought to me for approval. I approved four targets including the cities of Hiroshima and Nagasaki."

This bland confession of guilt for the slaughtered hundreds of thousands of helpless Japanese civilians by radioactive poisoning at Hiroshima and Nagasaki also appeared in Harper's Magazine, February, 1947. Stimson, the creature of Kuhn, Loeb Co., was the law partner of Bronson Winthrop, director of the International Acceptance Bank and the Bank of Manhattan, both enterprises of the Warburg Family of Kuhn Loeb Co.

Amiral Ellis Zacharias, head of the Office of Naval Intelligence, says in his book, "Behind Closed Doors",

"The development of the atomic bomb needed foreign prodding and encouragement. It was left to a group of foreign-born physicists, centering on L. Szilard, and including E. Wigner, E. Teller, V. F. Weisskopf, and to their foreign-

born sponsor Dr. Alexander Sachs to stimulate reluctant American support of its use for military purposes."

This valuable testimony by a secret service chief proves that Americans would never have used the horror weapon upon helpless civilians, but the Gentile stooges of the international Jewish bankers went ahead and dropped the atom bomb on Japanese cities, without the knowledge or approval of the American people, most of whom were horrified when they heard about it. The inhabitants of Hiroshima and Nagasaki were doomed to their horrible death by Kuhn Loeb lawyer Stimson and his circle of Jewish Communist physicists. Now Russia can say "We have every right to drop atomic weapons on America, because she used them first against the Japanese civilians."

While international Jewry directed the development of the atomic bomb, its very existence was kept secret from the American people. It was truly the best-kept secret of the war, although Major George Racey Jordan in his diaries, published by Harcourt Brace, 1952, records that Harry Hopkins sent tons of daily reports and uranium samples to Russia via air mail through the Lend-Lease Air Base at Great Falls, Montana. Thus the Communists were kept informed of every atomic development, while loyal Americans were not allowed to know about or participate in the program.

However, one "American" journalist was permitted to know everything about the atomic bomb project. Of course he was a foreign-born Jew. Here is his Who's Who In America biography for 1951:

"William L. Laurence, son of Ephraim and Sarah (Presna) Siew, born in Salantai, Lithuania, graduate of Harvard Law School. Selected by heads of the atomic bomb project to visit secret war plants and write series of reports following use of bomb against Japanese from April to September, 1945. Only journalist present at first atomic test explosion New Mexico July 16, 1945. With atomic bomb mission to Marianas Islands, August, 1945, flew with mission to Nagasaki, witnessed both atomic bomb explosions at Bikini, awarded Pulitzer Prize for report on Nagasaki."

William Siew does not bother to inform us how he came by the name of Laurence, or who selected him to be the only journalist allowed to know about our bomb. A Lithuanian Jew, like Kuhn, was presumably greater than that of native-born Americans. He is now atomic expert for the New York Times, owned by Jews, Sulzberger and others, who have been the most active in the atomic energy program.

Atomic Submarine

When the Navy started to build an atomic submarine, a former personal aide of Lewis Lichtenstein Strauss, who chose to head the program. He was Captain Hyman Ruckover, a sinister appearing Jew. Subsequently, the White House ordered the Navy Department to promote Ruckover to the rank of Admiral over the heads of hundreds of loyal Gentile officers. The Navy refused and a desperate battle ensued. The outcome was that Ruckover was made an Admiral, and the upper echelon of our Naval officers was left completely disgusted and demoralized. One top naval officer said in an interview that the damage done to our Navy by the Ruckover case was incalculable, and had greatly assisted the Russians by breaking down the morale of our officers. The atomic submarine contracts went to Westinghouse, controlled by Kuhn Loeb Co., and the Electro Boat Co., a subsidiary of Vickers of England, controlled by the Rothschilds. It is not generally known that most of the world's munitions productions is in the hands of Jewish bankers who preach disarmament on the one hand while stealthily rearming nations on the other, in preparation for future slaughters of the Gentile cattle according to the Protocols of Zion (order from Common Sense \$1.00).

The Strange Case Of Dr. Oppenheimer

Of course a Jew, Dr. J. Robert Oppenheimer, a scientist, was placed in charge of the atomic research program from the very beginning, while the Jewish Communist Anna Rosenberg, of Budapest, Hungary, was placed in charge of hiring the manpower for the project. The American people were horrified recently when Maj. Gen. K. D. Nichols of the Atomic Energy Commission, charged in a letter to Oppenheimer on December 23, 1953 that Oppenheimer's brother, Dr. Frank Oppenheimer, had been an ardent and long-time member of the Communist Party, that J. Robert Oppenheimer's wife Katharine Tamm had been the wife of a fanatical Communist, Joseph Dillat, who was killed fighting for the Communists in Spain, that she met Steve Nelson (Mesaroch) in Spain, that when she came to America and married J. Robert Oppenheimer, Steve Nelson, one of the top-echelon Communists, was a frequent guest in their home in Berkeley, California. Many other Communist connections of Oppenheimer were cited, his membership in some of the more notorious Communist-fronts, his signing of numerous petitions on behalf of Communist causes, his frequent entertainment of the most prominent Communist leaders of America, and his close connections with Jewish Communist spies in the atomic energy program.

Consequently, Oppenheimer was removed from the atomic energy program, and denied access to our atomic installations. On May 25, 1954, the AEC decided that Oppenheimer was "a loyal citizen." But they couldn't trust him with our national security! However, this was only a joke. All of our top-secret atomic developments were kept at the Institute for Advanced Study in Princeton, New Jersey, a Jewish cultural center set up

by the late Louis Hamburger, wealthy department store owner of Newark, New Jersey, and directed by L. L. Strauss, who placed Oppenheimer in charge of the Institute. The longtime friend of the Soviet Union, Albert Einstein, who had urged Jewish Communists not to testify before Congressional Committees, is at the Institute, and Emmanuel Goldenweiser, the Russian Jew who directed the Federal Reserve System for thirty years, was also sent to the Institute after his retirement.

This is an admirable case of locking the burndoor after the horse has been stolen. Oppenheimer and his little group of Jews at the Institute has all of our atomic secrets. The obvious course is that Oppenheimer should be arrested at once and the atomic secrets removed from the Institute. The Jewish scientist Bruno Pontecorvo worked his way to the top of Great Britain's atomic program, then took the English plans and his wife and children and went to the Soviet Union. When will Oppenheimer do the same? He should be locked up at once! All Jews feel that Soviet Russia is their homeland, because it is under the control of Jews and has laws against "anti-Semitism". That is, anyone who opposes the Jewish Communist hierarchy is sent to the concentration camps, a system which the Jews are desperately trying to introduce to America. They have already built the concentration camps here, and hope to have a world government force by next year which will round up loyal Americans and send them to these camps to die.

H-Bomb Delay

Already it has been proved that Oppenheimer has done incalculable harm to our defense program and has been of great assistance to the Soviet Union. On February 12, 1950, Oppenheimer, Lantini, and Albert Einstein appeared on Eleanor Roosevelt's television program and opposed the development of the H-bomb. Dean Acheson, lawyer for the Soviet Union participated in National Security Council discussions which delayed the production of the H-bomb. The Nichols letter of Dec. 23, 1953 charged that Oppenheimer continued to fight a desperate delaying action against the H-bomb even after it had become a matter of national policy on which the go ahead had been given by our government. He even tried to dissuade other scientists from working on the H-bomb!

In 1951 Oppenheimer came out with a plan to prevent the Strategic Air Command from using its long-range bombers to deliver the H-bomb, which so alarmed our air strategists that an investigation of his Communist loyalties was ordered. As chief adviser to the Defense Department and State Department on the use of atomic energy, he did harm to our nation which may not be revealed for years.

Protège Of Strauss

J. Robert Oppenheimer is a personal protégé of Lewis Lichtenstein Strauss, international Jewish banker, partner of Kuhn, Loeb Co. which financed the Communist Revolution in Russia, according to the Swason Report to President Wilson in 1915, according to the Communist Party (Soviet) Document 66, 1919, and according to many other Government documents. Cholly Knickerbocker, in the society column in the N. Y. Journal-American Feb. 3, 1949, said:

"Today it is estimated even by Jacob Schiff's grandson, John Schiff, a prominent member of New York society, that the old man sunk about \$20,000,000 for the final triumph of Bolshevism in Russia."

Jacob Schiff was the senior partner of Kuhn, Loeb Co. John Schiff is now President of the Boy Scouts of America, which may explain the heavy doses of Marxism which our American boys are getting along with their Boy Scout training these days. His sister Dorothy Schiff, many times married, is editor of the volubly leftwing New York Post, which sees Communist-hunter McCarthy as the real danger to America. Naturally she has stuffed her paper with a number of Marxists who call themselves "ex-Communists".

The New York Times of March 24, 1917 told of wild revels by Jewish Communists in Carnegie Hall the previous evening, led by Rabbi Stephen S. Wise and George Kennan, personal agent of Jacob Schiff in Russia before the Communist revolution. Kennan boasted of how he had distributed tons of revolutionary propaganda in Russia, all paid for by Schiff. His nephew and namesake, George Kennan, subsequently became Ambassador to Moscow, but when it made this information on the Kennan family available to a number of Congressmen, Kennan saw fit to retire from the State Department.

A-Bomb Spies Were Jews

Hungarian Jewess Anna Rosenberg, positively identified as a Communist before the Senate Armed Services Subcommittee by Ralph de Sole, hired personnel for the Manhattan Project. Of course she hired those of her own race and revolutionary allegiance, Julius Rosenberg, Ethel Rosenberg, both of whom died in the electric chair for having given our atom bomb secrets to Russia, David Greenglass, Harry Gold, Julius Fuchs, Morton Sobell, as well as their associates Abraham Brothman, Marian Moskowitz, Sidney Weinbaum, Julius Fuchs, Bruno Pontecorvo, Joseph Weinberg, and Steve Nelson (Mesaroch).

Canadian Spy Ring

Igor Gouzenko exposed a Canadian spy ring which was handing over atomic secrets to Russia. It was headed by Fred Rose, a Polish Jew who had shortened his name from Rosenberg. Rose was actually a member of the Canadian Parliament, elected by revolutionaries living in Montreal. Second in charge was Sam Cury, who had abandoned his birth name of Cohen, Professor Raymond Boyer, who married the Jewess Anita Cohen, was sentenced to two years in prison for his part in the espionage. Yet when Cury went to the Canadian Government with this information, he was denounced by Prime Minister Mackenzie King for "trying to disrupt Canadian-Soviet relations!" Finally an Ottawa newspaper forced a Royal Commission investigation. Other principals in this affair, were Isaac Halperin, Samuel Carson, and David Shuger, all Jews.

H-BOMB TREASON

—(Continued from Page 3)—
How can any nation admit such people to citizenship?

English Spy Ring

In England the Jews also took over the atomic energy program, and aided by Copenhagen and Albert Einstein, sent their spies over here to learn all of our atomic secrets, which then were handed over to Russia. Simon Kramer, Russian Attaché in London, handled the details of English atomic scientist Bruno Pontecorvo's flight to Russia. An Italian Jew, Pontecorvo's brother, Gilberto, was one of Italy's most fanatical Communists, yet England cheerfully placed her atomic program in his hands. Cok Mikelen, assistant chief of intelligence in Moscow, received most of the atomic information. In the same way, a Jewish clerk in the Russian Consulate in New York, Asatoh Yakovlev (Jacobson) received most of the American atomic information.

Stalin's Indifference

James Byrnes relates that when Truman told Stalin we had a powerful new bomb at Potsdam in 1945, Stalin paid no attention. He already knew more about the new bomb than Truman did.

Why Atomic Energy?

The Jews had to gain control of atomic power for several reasons. First of all, they already control most of the public power in America and other nations. Victor Emanuel's giant holding company, Standard Gas and Electric controls one-third of U. S. electrical power, J and W. Selgman's holding company Electric Bond and Share controls one-fourth, Lehman's holdings in Niagara Power accounts for another huge portion, while the Schoonkopf family and Kuhn, Loeb hold the rest of U. S. public utilities. It was this Jewish banker control of electric power which forced Senator Harry Byrd to go on the air with public testimonials favoring the appointment of Jewish Communist Anna Rosenberg as Assistant Secretary of Defense, Virginia Electric Power Company, controlled from New York, forced Byrd to perform the most distasteful job of his political career and one which yet will ruin him.

If atomic power were developed outside of Jewish hands, it would bankrupt these Jews and their billions of dollars worth of holdings in electrical power. Consequently, they wrestled control of it from the United States Army, set up a five-man Commission according to the plan of David Niles, and set up a Joint Congressional Committee on Atomic Energy in charge of Senator Enea MacMahon, whose law partner William Pearl shocked the civilized world with his sadistic tortures of German prisoners-of-war.

Keep Hold Over Gentiles

Once the Jews had control over atomic energy, they refused to let it be developed for peaceful purposes, and devoted its power to military use, finally perfecting bombs which would exterminate all life over areas of thousands of square miles. Thus God's gift to the peoples of the world, which would have given them sufficient energy to power every home with light and energy for every conceivable purpose, was perverted by the Satanic Jews into a horror weapon which in their hands will make the earth a poisoned desert, floating lifeless in space.

In 1947 Albert Einstein predicted that in eight years, that is, 1955, we would have an atomic war in connection with the struggle to set up world government Christians, this is 1954! You have only a few months in which to decide your own fate.

Can the Gentile peoples of the world look forward to anything but radioactive death? Sooner or later, when they begin to resist the Anti-Christian Jews, the Jews will threaten us with this weapon. They are a cannibalistic insane people who will not hesitate to destroy themselves and the rest of the world. Every Christian American should pray that the murderers of Christ will not be allowed to triumph over us and condemn us to a life of hopeless slavery under atheistic Communism.

LEFT WINGERS AIM PURGE AT MIDWEST G.O.P.

—(Continued from Page 1)—

and who captured the campaign of Adlai Stevenson in 1952.

At the time of the announcement, Republican leaders in Congress had drafted an attack on socialism and communism in the Truman administration.

On July 4, 1950, a movement designated as Republican Advance, was launched in Pennsylvania. The movement called for soft-pedaling the G. O. P. attack on the socialism and communism of the Truman administration.

The movement was launched by a number of Republican congressmen, including Richard Nixon, then campaigning for the senate in California and now Vice President. Also in the movement was John Cabot Lodge, then party nominee for governor of Connecticut, and Christian Herter, later party nominee for governor of Massachusetts. Both Herter and Lodge were successful in their state campaigns.

Other Republicans in the movement included Rep. Auchincloss (N. J.); Rep. Corbett (Pa.); Rep. Fulton (Pa. 27th Dist.); Rep. Hale (Me.); Rep. Heselton (Mass.); Rep. Hope (Kans.); Rep. Javits (N. Y.); Rep. Judd (Minn.); Rep. Kean (N. J.); Rep. Keating (N. Y.); Rep. Nelson (Me.); Rep. Saylor (Pa.); Rep. Scott (Pa.); Rep. Tollefson (Wash.); and Rep. Widnall (N. J.).

A month after the formation of Republican Advance congressional investigators revealed that efforts of the A. D. A. "seeking to infiltrate the Republican Party" were being directed from the White House by a Truman assistant, David D. Lloyd, who had been under fire from Sen. McCarthy (R. Wis.).

Russell Davenport, Time and Life editor, who was campaign manager for Wendell Willkie, played a major role in organizing Republican Advance. Davenport, an ardent one-winger left the Republican party later but returned to support and work for internationalism under Eisenhower.

Before the 1952 Republican convention, Human Events said, a highly confidential document was circulated among top Republican leaders which warned that left-wing "supporters" of the Eisenhower "evils" were counting on selecting the former general so they could use the White House to take over the Republican party as other left wingers had been successful in capturing the Democratic party under Roosevelt and Truman.

Republican Advance was absorbed in a reactivation of the "Citizens for Ike Clubs," Human Events reports. The news letter says the program of the reactivated groups bears a striking resemblance to the program of the A. D. A. and to the Democratic platform of 1952, which the A. D. A. had a hand in preparing.

At the February meeting of the Republican national committee, Mrs. M. Chapman Rose reportedly acted as liaison between the national group and the Citizens for Ike clubs. Her husband is assistant treasury secretary, but also served in the Truman administration.

Mrs. Rose told how helpful the Ike club could be in the campaign. However, a national committee-woman from the middle west threw the meeting into an uproar by telling how the clubs were being used in Illinois to boost their own candidates against Republican incumbents.

Human Events reports:
"The national offices of the Ike clubs are in the 40 Post building, Washington, D. C. In one room there is a large map of the United States on the wall. There are solid clusters of blue pins on the midwestern portion and very little elsewhere.

"An employe explained to a visitor that the pins represent localities which had requested financial help from national headquarters in the coming congressional campaign. Thus are confirmed reports that the purpose of Citizens for Ike club is to unseat congressmen whose Americanism could never subscribe to an A. D. A. Democratic party Ike clubs legislative program for New Deal socialism and internationalism."

I am soon going to press again with THE ANTI-DEFAMATION LEAGUE AND ITS USE IN THE WORLD COMMUNIST OFFENSIVE. This probably is the last time I will ever reprint this booklet. This was the booklet which perhaps more than anything else in 1947 and the years following, launched the drive to expose the Anti-Defamation League OGPU. The booklet made history and still cannot be factually refuted by the power cultists. If you want copies of it please let me know at once; otherwise it will no longer be available. IF JESUS CAME TO YOUR HOUSE

(Author Unknown)

If Jesus came to your house to spend a day or two— If He came unexpectedly, I wonder what you'd do. Oh, I know you'd give your nicest room to such an honored Guest. And all the food you'd serve to Him would be the very best. And you would keep assuring Him you're glad to have Him there— That serving Him in your home is joy beyond compare. But—when you saw Him coming would you meet Him at the door? With some outstretched in welcome to your heavenly Visitor? Or would you hate to change your clothes before you let Him in. Or, hide some magazines and put the Bible where they'd be? Would you turn off the radio and hope He hadn't heard. And wish you hadn't uttered that last, loud, hasty word? Would you hide your worldly music and put some hymn books out? Could you let Jesus walk right in, or would you fuss about? And I wonder—if the Savior spent a day or two with you, Would you go right on doing the things you always do? Would you go right on saying the things you always say? Would life for you continue as it does from day to day? Would your family conversation keep up its usual pace. And would you find it hard each meal to say a table grace? Would you sing the songs you always sing and read the books you read. And let Him know the things on which your mind and spirit feed? Would you take Jesus with you everywhere you'd planned to go. Or would you, maybe, change your plans for just a day or so? Would you be glad to have Him meet your very closest friends. Or would you hope they'd stay away until His visit ends? Would you be glad to have Him stay forever on and on. Or would you sigh with great relief when He at last was gone? It might be interesting to know the things that you would do. If Jesus came in person to spend some time with you.

THE CRACKER BARREL

EAGLE ROCK, Cal., Feb. 22—I am a Democrat who voted Republican when Eisenhower ran for President. I didn't do it because I thought the elephant was a prettier animal than the donkey. Or because I was intellectually overwhelmed by the logic of a political philosophy that was summarized by the slogan, "I Like Ike." I didn't even do it because I loved Ike's grin, smirking Harry and beaming Franklin had made me a little leary of grinning Presidents. I always suspect a fellow who grins when I don't know what he's grinning about. He's too apt to be putting something over on me.

No, I voted Republican last time because I was sick and tired of Alger Hiss, Owen Lattimore, Harry Dexter White, Philip Jessup, and all the Democratic appointees who were selling out this country. So did a lot of other Democrats. We put quietly above party. Now we feel a little better when Ike says the Republicans should lay off these guys because it might offend the Democrats. That don't make sense — even when he tries to pass it off as bipartisanship. IF TWO PARTIES ARE FOR A BAD THING, WE SHOULD BE AGAINST BOTH PARTIES. JONATHAN YANK

When the United States is worn down enough and the Russian H-bomb stockpile is built up enough so that Russia can win then the Jews will bring about World War III to exhaust the white race so that the remnants left will submit to world government in desperation, which will be a "Jewish World Government".

(e) To set aside our Constitution by means of treaty law with the United Nations and then set up world government of the United Nations which will be a Jewish world government.

(f) In any world government we will have 7 per cent of the vote, being 7 per cent of the world's population. They will outvote us and will ship millions of black and yellow people into the United States and with non-segregation laws, the white race will melt away, which is the Jew plan.

(g) Fair Employment Practices Commission, FEPC, the Genocide treaty, the Human Rights Covenant, and Universal Military Training are all Jewish Communist measures pushed by the Jewish controlled United Nations.

(h) F. E. P. C. is to force employers to hire Communists and colored people with no freedom of choice, in order to break down white control of industry, and also to bring about intermarriage of whites and colored by non-segregation in industry, to further the wiping out of the white race.

(i) The Genocide treaty could force you to be taken to Russia to be tried, without protection of the U. S. Courts and U. S. Constitution, and trial by jury. It makes it a crime to say anything reflecting upon any race, or group, and this law the Jews want so they can proceed unhampered in their plot, and it will be criminal to accuse them.

make the present World Crisis.

L. The Jews caused the stooge TRUMAN-ACHESON gang to build up Russia to present a threat to the United States which they could then use to put the United States in a military dictatorship strait-jacket, which is fast on the way.

LI. The Jews caused F. D. ROOSEVELT to give Manchuria and Poland to the Communists and to divide Germany and Korea — see results. FRANKFURTER, directing the State Department, gave China to the Communists and sent General MARSHALL, their stooge, to spend 13 months breaking down enemies of Communism in China.

LII. They caused the Korean war to follow by having the U. S. refuse to arm the South Koreans, although knowing Russia armed the North Koreans to the teeth, and by withdrawing our troops and announcing we would not defend Korea. Colonel ALFRED G. KATZIN was U. N. representative to Korea, now in charge of all U. N. personnel. Why worry about military secrets when Jews are in such key spots?

LIII. This caused the invasion they desired, then they threw our troops in there without consent of Congress, in violation of Public Law No. 261, but caused adoption of the policy whereby we were not allowed to win the war.

Protocol II-1 says "It is indispensable for our purpose that wars, so

Whites will be allowed only to marry colored peoples in order to dissolve the white race.

LX. After they got the United Nations "Human Rights Covenant" passed, which gives all member governments the right to impose martial law if they consider themselves threatened, they will have their Russian friends perpetrate an event which they will call a national threat, enabling the government to put the United States under martial law, and then you will actually have in being the Jewish dictatorship which is now already in the seat of power but has not yet pulled the strings.

LXI. EISENHOWER is completely subservient to the Jewish Plotters and is carrying forward their Protocols Plot steadily. That is why:

(a) He is against the Bricker Amendment because he wants the United Nations to be able to set aside our Constitution, which will bring the destination of America, and the setting up of Jewish World Government under the United Nations.

(b) He proposed and secured passage of treaties making our soldier boys subject to foreign courts. Surely he cares naught about protecting our American boys.

(c) He refused to blockade Red China.

(d) He refused to cut off aid being given to our so-called allies, who were trading with Red China.

(e) He refused to enable CHIANG KAI-

shek to

(a) He has appointed Jew LEWIS L. STRAUSS as Chairman of the Atomic Energy Commission. STRAUSS is a member of KUHN, LOEB CO., investment bankers.

(b) He has appointed Jew ARTHUR F. BURNS his Economic Adviser.

(c) He has appointed Jew MEYER ROBERT GUGGENHEIM, Ambassador to Portugal.

(d) He has appointed Jew LOUIS ROTHSCHILD Chairman of the Maritime Board.

(e) He has appointed Jew FRED HENNOCK, Federal Communications Commissioner.

(f) He has appointed Jew SAMUEL B. GRONER, Assistant Federal Communications Commissioner.

(g) He has appointed Jew MAX RABINOWITZ White House Assistant.

(h) He has appointed Jew I. JACK MARTIN liaison man between White House and Congress.

(i) He has appointed Jew CLARENCE D. DILLON (LAPOWSKI) Ambassador to France.

LXIII. The Gentiles have been willing to share America with the Jews, but the Jews are not willing to share America with the Gentiles. The Jews want it all, and to make the Gentiles their slaves.

LXIV. The Jews cry "Anti-Semitism whenever accused, but the correct name of anti-Semitism is "Jew-conscious." If a group

American Jewish Congress and American Jewish Committee.

3. They have trained "Military Government Units" and in a trial run in nine cities moved in and imposed Martial Law in the name of the United Nations. This was a dress rehearsal for what is to come.

4. Eisenhower's reorganization of the defense system is the BARUCH Plan, which puts the final authority in one man, the Chairman of the Joint Chiefs of Staff.

5. The State National Guard units everywhere have purposely been prevented from getting ammunition and equipment by the Federal Government. This is to prevent them from resisting the "take-over" when it comes.

strategy the Executive gets his way. He can buy legislation. Congressmen admit they have no check on the astronomical budget figures they vote for, and once voted, the Executive can spend it at will with no check up. The Executive appoints the Supreme Court Judges and so controls that also.

XLIII. The invisible Jewish government has been in control of the U. S. since F. D. R. took office, and also controls WINSTON CHURCHILL, England, France, the Soviet Union, Israel, Hungary, and Czechoslovakia, Poland, and Roumania.

XLIV. The land in Israel is owned by the PALESTINE POTASH CORP. and the PALESTINE ECONOMIC CORP. represented in the United States by the National Jewish Fund. Arabs had occupied part of this land for 1,500 years and part 1,700 years. The Jews came in from other parts of the world and murdered the Arabs and pushed nearly a million into the desert where 850,000 still exist.

XLV. WINSTON CHURCHILL sent his war time messages to ROOSEVELT through BERNARD BARUCH who had his apartment in the Waldorf-Astoria in New York.

(j) Universal Military Training is for the purpose of getting the young men of America under control of the Jews for 8 year periods and with the military whip-hand over them, they will be forced to study and accept Communist propaganda. Those who accept will be given the advancement and allowed to study for the positions of doctors, dentists, lawyers, etc., but those who rebel against it will be chosen for floor scrubbers, etc.

(k) The Human Rights Covenant, drawn up by ELEANOR ROOSEVELT, DEAN ACHESON, and two Russians, gives the government of any member nation of the United Nations the right, if it thinks itself threatened, to curb the freedom of the press, and impose martial law, and to take over all industry and all labor.

This is the means they intend to use to spring the trap on the United States and take over the government with their dictatorship. They are also pushing to do the same thing by urging passage of standby mobilization legislation, for which BARUCH appeared before Congressional committees and for which he has made public speeches is advocating that the President be given complete authority to mobilize everyone from 17 to 70, in event of attack

far as possible, should not result in territorial gains; war will thus be brought to the economic ground... Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves.

LIV. EISENHOWER advocated the LEHMAN-inspired legislation to admit 214,000 additional immigrants (mostly Jews, you will see) to replace the Gentile Americans destroyed in the Korean war. Eighteen glibble Republican Senators sponsored this legislation which they would have voted against the previous year had TRUMAN introduced it, but now they consider they have a Republican President. Since the end of World War II ACHESON let in five times as many immigrants as the law allows and 77 per cent of them were Jews. Congress stands supinely by while all this goes on as though it were a little child and not supposed to know.

LV. HENRY MORGENTHAU JR., Secretary of the Treasury, with HARRY DEXTER WHITE, Under Secretary and Communist (who committed suicide when

SHEK to invade the mainland.

(f) He refused to win the Korean war. (g) He gave the Communists everything they asked in the peace negotiations, including giving up the strategic island of Cho and two others.

(h) He is against tax reduction, although he had promised it.

(i) He has refused to clean out the Reds in government positions.

(j) He is against McCARTHY and never talks against the enemy from within, but only against the enemy from without. (In line with the Protocols wherein they say they will divert the attention of the people while they do their work of the plot.) To give the Gentiles no time to think, their minds must be diverted. (All nations will take no note of their common foe.)

(k) He is for the United Nations (which is to be the Jewish World Government).

(l) He appointed the pro-communist Harvard President CONANT as High Commissioner of Germany.

(m) He appointed the BARUCH-WEINBERG chosen BOHLEN as Ambassador to Russia, he being a ROOSEVELT-TRUMAN favorite interpreter and adviser, who still

is guilty of a crime against others, then they should be decied as a group, just as you would decry the Capone gang or the Mafia for the same reason.

Members of Congress, Awaken now or you will be shot! This is your last chance. When the Jews pull the dictatorship, they will shoot you or put you in concentration camps. You have presided at the passing of the United States and the passing of the white race. You let it happen. Now get together in one mighty effort to stop it. This is reality. You have only one chance left and that is to arrange a simultaneous outcry by a group of your fellow members of Congress to indict this conspiracy by the size of which the Capone gang and the Mafia are infants. The Jewish Anti-Defamation League, it's B'nai B'rith, the American Jewish Congress, are subversive conspiracies carrying out the Jew plan. They are a "Gestapo" in every community. The Jewish communities everywhere fully cooperate - none disavow it. They have been taught it for hundreds of years. The Protocols of Zion are being fulfilled. Act now or your posterity will be slaves forever! BENJAMIN FRANKLIN predicted this in his Convention Speech in 1784, and

XLVII. THE JEW PLAN

(a) To cause wars to consume the American Gentile manpower which should be the seed of this nation.

THE PASSING OF THE WHITE RACE

XLVIII. Jews keep themselves segregated and do not intermarry but they want the Gentiles to intermarry with colored races. Why not, then, the Jews? Oh, no, they consider themselves "the chosen people" to rule over all the other races of the world.

This plot could not go on if the newspapers of the country would inform the people. Papers daily speak of the world crisis yet not one of the regular commercial dailies has the guts to come out with the truth of the Jew plot. They would lose

In case you think we are prejudiced, history for more than 1,000 years indicates that wherever these people have settled that it was necessary to evict them eventually - Babylon, Spain, France, England, and as recent as 1933, Germany. And it will happen in America.

What YOU Can Do

- TO U. S. SENATORS and CONGRESSMEN
1. Organize into a group willing to save America by simultaneous action.
2. Outlaw Communism.

VII. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all touch it not. Thus the internal enemy has a free and unframed field in which he is moving rapidly forward to the climax.

VIII. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could thus be aroused, and once aroused, would give them its support, and smear of individuals could not take place when a goodly number act simultaneously.

VIII. Communism is a Jewish world mastery plot.

IX. It is the Jewish plot to enslave the Gentiles and to rule over them as kings over slaves.

X. The Jews consider this their destiny as "the chosen people".

Company on the promise that he would obtain passage of and sign PAUL WARBURG'S "Federal Reserve Act of 1913"—which he did—which placed the banking reserves of the United States under the control of the Jewish international bankers. ROTHSCHILD, KUHN, LOEB, and LEHMAN, etc.

XIX. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish international bankers.

XX. They collect the dividends resulting from the interest-payments of the U. S. government on its bonds sold to the Federal Reserve Banks, financed by deposits of commercial banks throughout the country —YOUR MONEY. The U. S. government

BARUCH spent 10 billion dollars of allied money, giving his own companies the choicest contracts, on which he also could fix prices, and made himself a multi-millionaire by fleecing the people of the United States.

XXIV. BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Advisor to Presidents". He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has foisted on America in their plot. BARUCH spent \$10,000 to bring the Communist church burners back from Spain where they burned religious leaders alive after covering them with kerosene. (Time

Magazine, Jan. 2, 1939.) Communist fronts, yet backed by BARUCH for the position. Other Jew members, W. W. WAYMACK, LEWIS L. STRAUSS and R. F. BACHER.

XXXI. Why does EISENHOWER now appoint LEWIS L. STRAUSS, Jewish KUHN LOEB banker, as Chairman of the U. S. Atomic Energy Commission?

XXXII. Why did Eisenhower appoint Jewish Austrian-born Professor ARTHUR F. BURNS his Economic Adviser? (The Protocols say the Jews must occupy the positions of economic advisers).

XXXIII. Why did EISENHOWER appoint Jewess FRED A. HENNOCK Federal Communications Commissioner, and Jew SAMUEL B. GRONER her assistant? The Protocols say they must control all communications.

XXXIV. ANNA M. ROSENBERG, member of the Communist Party, according to sworn testimony by RALPH DE SOLA,

gold — which is all in our hands — we shall create universal economic crises which will bring industry to a standstill.

Protocol IV. 4. To give the Gentiles no time to think, their minds must be diverted — thus all nations will take no note of their common foe.

XXXVIII. The U. S. is already captured. Its government is under the control of its eleven million Jews headed by the BARUCH, FRANKFURTER, LEHMAN, MORGENTHAU, WARBURG gang.

160 million American Gentiles ruled by eleven million Jews. A nation within a nation. And in the world billions of Gentiles are ruled by 16 million world Jews.

XXXIX. DAVID SENTER, political writer, for the Hearst papers on July 6, 1933, states that the man behind the guns in the EISENHOWER administration is

LOUIS ROTHSCHILD Chairman Maritime Bd.

XI. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

XII. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

XIII. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

XIV. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not bow-low to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They might lose advertising.

XV. The International Jewish Council

pays interest on its own credit and the Jewish international bankers collect it. In 1946 on a national debt of 246 billion, the interest was 14 1/2 million dollars a day. Today, 1954, the National debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

XXI. The Congress "abdicated" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor to Congress and has repeatedly shown that it is under the control of the international banker. By raising the rediscount rate (a deliberate act) in 1921 and 1923, they brought on the depressions. (The Jewish plan—see the Protocols).

Protocol XX, 20. "Economic

Magazine, Jan. 2, 1939.)

XXV. World War II was forced on Germany by the Jewish International bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UNTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

XXVI. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

XXVII. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries—Poland, Hungary, Czechoslovakia, Roumania, China (Estonia, Latvia and Lithuania have been digested by the Communist Jews)—with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all government positions and live in luxury with the finest cars and mink coats while the Gen-

aired 10,000 people for the Manhattan (Atomic Energy) project, (The New Yorker, September 15, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOBELL, GOLD, KLAUS, FUCHS and others. SIDNEY FIELDS, writing in the New York Mirror November 15, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today we are in for a long pull . . . I would not dare estimate how long. Nobody would believe me. But it's going to last a good many years." ANNA knows the plan of the Protocols. She supervised the hiring of more than a million while she was in that job. It will take ten years to unscramble the Red network she set up if America does not pass out before. Senator McCarthy is trying. XXXV. She was backed by BERNARD

SIDNEY JAMES WEINBERG, Wall Street investment banker of GOLDMAN, SACHS & COMPANY. It is clear that the Eisenhower cabinet was handpicked by WEINBERG's man, General LUCIUS CLAY, whom WEINBERG made Chairman of Continental Can. Jews WEINBERG and BARUCH rule EISENHOWER, that is definite.

XL. While focusing our attention on the enemy from without, the enemy from within has captured the United States government. The power passed from the people to the state about twenty years ago. No longer are the three divisions of government, Legislative, Executive, Judicial of equal power as was intended by the founding fathers.

XLI. Only the form of a Republic in maintained, deceiving the people into believing they have a Republic. They have same on local level only, not on a national level.

III. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, and especially the last 20 years, and now has its key men in the desired positions of power, ready to pull the strings which will submerge Gentile humanity forever.

IV. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

V. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery, spineless creatures engrossed with the egotism of the

met at Basle, Switzerland, in 1905 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

XVI. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

XVII. The Russian revolution was financed by Jews, Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company, New York bankers. They advanced 48 million dollars and trained 276 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul Warburg's brother, who was the Kaiser's Chief of Espionage, and permission of the Ger-

man Chancellor, Von Bethman-Hollweg (Jew). Trotsky and Lenin were the leaders. All attempted assassinations and assassinations of Czars were carried out by Jews.

XVIII. BERNARD BARUCH gave \$50,000 to WOODROW WILSON'S campaign, backed by WARBURG of Kuhn Loeb & Co. This was done in order to bring about the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "The Federal Reserve Conspiracy" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panics of 1893, 1907, 1929 and 1933 were caused in the same way, and the details are similarly documented.

XXII. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (in line with the Protocols plot). Without such loans there would have been no war as neither side could afford war. But the Jews wanted war in the same way, and the details are documented, and to bring on world chaos and to

file population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish father-in-law of STALIN, is the head man of the Soviet Union behind the scenes.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

XXVIII. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LEWIS L. STRAUSS (of Kuhn, Loeb & Co., and who was recently appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, EINSTEIN, and the rest of their Jewish conspirators.

XXIX. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and the United States. The crisis is their

BARUCH for her position. She is a friend of EISENHOWER. BARUCH is the secret President of the United States. EISENHOWER is his mouthpiece. EISENHOWER, on BARUCH'S advice, opposes the BRICKER amendment so our Constitution can be set aside and world government set up, and the White Race destroyed.

XXXVI. Jew EINSTEIN caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. EINSTEIN was a strong supporter of traitors JULIUS and ETHEL ROSENBERG. EINSTEIN in a letter to Jew WILLIAM FRAUENGLASS, New York teacher, advised all witnesses to refuse to answer questions before Congressional committees.

XXXVII. Jewish international banker forces that backed EISENHOWER for President also backed STEVENSON; TRUMAN followed the Jewish instructions. The Jewish international bankers promoting Communism in accordance with the

AT STAUNTON, VIRGINIA

*This is subject's father
Mullins, Sr.*

Captain R.R. CLINE, Staunton Police Dept., advised that EUSTACE CLARENCE MULLINS has been employed as the manager of Leggetts Dept. Store in Clifton Forge, Virginia for the past eighteen months or longer and that he very rarely sees him in Staunton. Captain CLINE mentioned that MULLINS had the reputation of being slightly on the "screwball Side" and is also considered to be quite a "ladies man". He informed that he heard a rumor to the effect that MULLINS was discharged from last his/managerial job at one of the local stores in Staunton because he showed too much personal interest in several of the female employees.

Captain Cline mentioned that he knew nothing about MULLINS outside activities or writings and knew no one else that could furnish this information.

It is suggested that the Agent covering Clifton Forge, Virginia conduct a preliminary inquiry as to his activities in that area as set out in Bureau letter dated 9-10-52. This letter is attached to this memorandum.

AT CLIFTON FORGE, VIRGINIA:

*This man is Mullins
& not the subject of this
letter. ↓*

MISS MINOR JONES, Retail Merchant's Association, advised she has no credit data on subject but that she is personally acquainted with him. She said he came to Clifton Forge from Waynesboro, Virginia, where he was Assistant Manager of a Leggitt's Department Store for 5-1/2 years. He is at the present time Manager of the Leggitt's store in Clifton Forge which position he has held for several months. She said he is well regarded and that she knows nothing questionable concerning him.

MR. AL BURTON, former Manager, Leggitt's Department Store, who is presently employed by Zimmerman's Clothing Company, Clifton Forge, advised that while he was acquainted with subject, he didn't feel he knew him at all and that his efforts to be friendly with subject had met with little success. He stated that he knew nothing of subject's activities outside of his job as Manager of Leggitt's and his membership in the Clifton Forge Lion's Club. He said it is his understanding that subject lives at 811 Kenniston Avenue, Clifton Forge. MR. BURTON advised that so far as he is concerned, subject is a loyal citizen with no questionable activities.

Chief of Police BOB CRAFT advised that subject had been Manager of the Leggitt's store in Clifton Forge since before Christmas, 1951. Chief CRAFT said he had no arrest record for subject and had never had any trouble with him although he regarded him as an odd-type person. He said at Christmastime, 1951, subject had asked him if he could give something to the men in the police department for Christmas and the Chief said cigars would be acceptable. When Christmas came, the department received a \$10.00 gift certificate which the Chief

said that he had neither heard nor seen anything concerning the subject that he would in any way question. Chief CRAFT stated that there was no indication that subject was putting out any type literature at the present time.

Chief CRAFT furnished the following description of subject:

Name	EUSTACE CLARENCE MULLINS
Race	White
Sex	Male
Age	50 - 55
Weight	155- 160
Height	5'8"
Features	Sharp
Hair	Grey
Build	Stout
Occupation	Department store manager

The investigation at Clifton Forge developed nothing to indicate an interview with subject would or would not be desirable.

LEAD: At Waynesboro, Virginia: *None*

Will develop information regarding subject who is reported to have been Assistant Manager, Leggitt's Department Store, for 5-1/2 years previous to assuming his present position as Manager of the Leggitt's store in Clifton Forge, several months ago. It is to be noted that the present Manager of the Leggitt's store in Waynesboro, O.C. Muse, is stated to be related to subject.

May I congratulate you on your great fight against Communist influences in America? Considering the odds you have faced, you have done a splendid job. Nevertheless, as we both know, there are compelling reasons why you have not been able to pursue this struggle as forcefully as you might. Therefore, please let me know if at any time I can be of service to you in the fight against the twin evils of Communism and Zionism which threaten our Republic.

Mr. Mullins' Reply
To the Editor:

The May 11, 1960, Sokolsky column which appeared on the editorial page of The Staunton Leader might well have been reprinted from the Daily Worker, since it repeated several smears which the Communists have used against me during the past decade. Although Sokolsky's role in the Russian revolution is still a matter for public debate, I do not believe that the ailing columnist wrote this piece. As a veteran reporter, he would not term me a "subversive" because of his personal knowledge of my patriotic work. However, this is criminal libel which he and King Features Syndicate will have to prove in court.

His charge that I am "making a living" out of these activities is ridiculous. Last year I lectured on communism at Northwestern University and the University of Illinois without fee. I have supported myself through public relations work and feature writing in order to carry on my campaign against subversion. My most recent assignment was the final editing of H. L. Hunt's book, "Alpsca." Mr. Hunt has spent more than thirty million dollars of his own money to fight communism, and he would hardly employ a "subversive."

The references to Mr. Nelsen's wearing a Nazi uniform is another of the vicious fabrications which Sokolsky has crammed into a single column. Mr. Nelsen, a respected businessman, has never been near a Nazi uniform. Both Mr. Nelsen and myself are honorably discharged veterans of the United States forces. We served during World War II, with a total of more than eight years service. Sokolsky compounds the libel by quoting a completely discredited report that I am a "neo-fascist." This is straight Communist dialectic. As the Southern poet Allen Tate points out, "fascist" in American political invective simply means one who is opposed to communism, there being no fascist political party or movement in this country.

My first run-in with Sokolsky was in 1952. He represented the Communist infiltration as "fascists." I am a completely discredited spokesman for Don Surine (the man really responsible for Joe McCarthy's rise to fame) and myself to be shunted aside on the McCarthy committee replaced by the comedy team of Cohn and Schine. This development brought McCarthy's campaign against communism to a halt, and greased the skids for his decline and death. Surine, a former F.B.I. agent, had been obtaining material on Communist agents from F.B.I. files. J. Edgar

Hoover was called on the carpet at the White House for allowing this, and forced to issue a directive that any F.B.I. agent who gave McCarthy assistance in fighting communism would be discharged. I left Washington, the only man there who was willing to place national security ahead of his personal political fortunes. This is the inside story of his censure by his fellow-senators.

Why has Sokolsky launched this reckless smear attack against me? Word has leaked out that H. L. Hunt will back me for the Senate, to replace one of our more notorious do-nothing, deadhead senators. Sokolsky and the subterranean group for which he is a mouthpiece hopes to frighten Hunt away from me, but they have only prematurely exposed their hand. They now face the task of proving in court that it is "subversive" for me to travel, lecture, and write for ten years at my own expense in order to expose Communist infiltration into American government, press, and education.

These Days, By George Sokolsky:

The Activities Of One E. Mullins

Some time ago, I received a letter from E. Mullins of the Policy Committee of the Institute for Biopolitics of Chicago questioning me as to the truth of the report the aforesaid Mullins had received from H. L. Hunt, the oil tycoon, that Lenin, Trotsky and I made the Russian Revolution. Amused, I replied that it must have been another feller.

Subsequently I heard that some Chicago private eyes, formerly FBI agents, were searching through files of my voluminous writing. Their apparent object was to discover whether I was or was not Zinoviev or Kamenev, or maybe Madame Kollontai or perhaps even Elsa Maxwell.

The conspiracy deepens!

Behold! I am told that a Chicago millionaire, who I assumed is a friend of mine, is financing the Institute for Biopolitics, which made me a bit miserable, for the name mentioned is that of a good American. Let us pull a veil over it all!

Some Background

Then I received a letter from the Institute for Biopolitics saying: "Your support is needed today!" The document is addressed to "The Whitemen of America." The subject of the letter is "Parasitism." The first paragraph of this letter reads:

"The philosophy of the group led by Jews, which now holds power in the United States and in the other 'people's democracies', is that of humanism. This doctrine holds that since all human beings are equal, any human being who works harder and earns more shall have a percentage of his earnings taken from him and donated to those who work less

or not at all. As any biologist knows, the human beings who subsist on the efforts of others are parasites . . . the philosophy of humanism is the philosophy of parasitism."

The House Committee on Un-American Activities in 1954 issued a report on "Neo-Fascist and Hate Groups." Among those mentioned was the National Renaissance Party and the report notes that Eustace Mullins, my Chicago pen pal, wrote an article for the NRP Bulletin, entitled, "Adolf Hitler: An appreciation." He is also noted to be a staff writer for "Common Sense," a particularly vicious anti-Semitic publication.

In his article on Hitler, Mullins wrote on October 1952:

"Eventually America must admit her debt to Adolf Hitler for it was Hitler who first called upon all Aryan people to unite and challenge (sic) Jewish economic and political power. It was Hitler who first enunciated the doctrine of national self-determination and led the armies of Christian Europe in a great crusade against the godless Jews of the Kremlin. Hitler, like Christ before him, was crucified on a Cross of Gold through the duplicity of his own Christian people."

Mullins is associated with Maynard O. Nelsen who heads the "Realpolitical Institute" which gives the same P. O. box in Chicago. From the record that I have gathered, Mullins is a very active and aggressive person. He seems to be obsessed with the word "whiteman" and his institute has published "Pax Americana, the Elite Whiteman's Guidebook."

Mullins' associate, Maynard O. Nelsen, started his neo-nazism while still at the University of Minnesota where he paraded in a Nazi uniform and distributed Nazi literature. The police went after him and he had lots of trouble. In 1964, he founded the "Realpolitical Institute," which has, to repeat, the same P. O. address as the "Institute for Biopolitics." Nelsen is not only anti-Semitic but he is anti-Christian, he regarding Christianity as a Jewish subversive movement.

Still Another

Another organization owned by these two men is called "M & N Associates." This firm engages in political engineering." Here Eustace Mullins signs himself "State Chairman of the Constitution Party of Illinois." In an article written by Mullins in this guise, he says that "J. Edgar Hoover's recent book, 'Masters of Deceit,' was largely written for him in the ADL offices in New York, for favors received." A D.L. refers to the Anti-Defamation League.

I have much more material on Mullins and Nelsen but this suffices to show what the Institute for Biopolitics is. We thought that Hitler was dead but it is apparently possible to make a living out of his ghost. The neo-fascists and the Communists ought to get together to pool their resources in their mutual effort to damage the United States.

It is often suggested that these small efforts be ignored. Nothing can be ignored in these perilous times when our country suffers subversive groups.

Dear Mr. Mullins:

I hope that I can reach you from this address which I got out of the National Directory, put out by the Night Pub. and this was the only way that I knew to write you. I don't know if you remember me but we meet at an N.S.R.P. meeting in Louisville, Ky. At that time I ask you to send me some of the leaflets "It is better to light one candle" I received some of them and would like to thank you for them. Now I would like to have some more if you can send them. I am enclosing \$1.00 in the hopes that it will help with the postage. I am also sending a copy of the leaflet so that you will know what I am talking about.

I hope that this letter reaches you as I don't know just where you are at this time so I am taking a chance that the letter will be forwarded or to you. Please advise me of your address so that I may write you and if and when you get down this way I would be more than happy to have a visit with us here at my home.

Have you talked to our friend Mrs. Lloyd in Chicago?? How is she getting along these days? If you see her please give her our love and best wishes.

By the way if you get down to Carolina could you speak at a meeting for us?? We would like to have you speak and I am sure all the Klaxmen would enjoy hearing you.

Our Great Leader Rev. James Cole should be getting out of prison any day now and then we will be on the move with public speaking ect.

Again I hope you get this letter so that I can get the leaflets as I think they are very good.

Waiting to hear from you I am,

Sincerely yours

[Redacted]

Charlotte 3, North Carolina

Dear Mr. Bryant;

I was very glad to hear from you, and in sending on the material which you requested in another envelope.

The Women's Voice office in Chicago is still open, I believe, although I do not know if Mrs. Lloyd is still there. Mrs. Van Young's husband died, in December of last year, and I am not sure if she has kept the place going since then, as I understand that he subsidized the office from his income in the furniture business.

It is possible that I can get down to Charlotte this summer, but I will have to let you know later on that.

With best regards,

F. Mullins

Re New York teletype 1/13/61, captioned "UNSUB,
Bombing of Anshe Emet Synagogue, 3760 North Pine Grove,
Chicago, Illinois, 1/10/61, BOMBING MATTERS".

Referenced teletype advised that MULLINS was at
that time residing on Main Street, Sag Harbor, New York.

Chicago has designated MULLINS as a potential
bombing suspect of this Division and continues to maintain
him in that category. Last available information regarding
MULLINS' plans, indicated he intends to return to Chicago.

It is requested that New York and Richmond attempt
to ascertain from available sources whether or not MULLINS
has established permanent residence or if it is still his
intention to return to Chicago. If it is determined he will
remain, it is desired that his present address and employment
be verified.

captioned "HATE ORGANIZATIONS; RACIAL MATTERS".

Referenced airtel advised that the Bureau by
airtel to Albany dated 4/24/61 directed all offices
to immediately institute spot checks of bombing
suspects so that the Bureau will be aware of their
activities.

Referenced airtel set forth a list of individuals
designated as Potential Bombing Suspects of the Chicago
Division. Included in this list was captioned subject
who was last known to be residing at Sag Harbor, New
York.

On 5/15/61, JOHN HARRINGTON, Chief of Police,
Sag Harbor, N.Y., advised SA [redacted] that
subject left Sag Harbor approximately six weeks ago and
has not returned. Chief HARRINGTON advised he did not
know where subject went and that while subject was in
Sag Harbor, he, the subject, appeared to be fully engaged
in painting or writing.

On 5/15/61, Mr. [redacted] Postmaster,
US Post Office, Sag Harbor, N.Y., advised SA [redacted]
that the subject had filed a change of address at his
office changing his address to 126 Madison Place,
Staunton, Virginia. The date of the filing was not re-
corded, according to Mr. SCHREIER.

Richmond which has received previous communication
from Chicago in instant case, is requested to determine
if subject is residing at the above address.

On June 21, 1961 the records of the Corporation Court of the City of Staunton, Virginia were made available by EDITH H. PAXTON, Clerk. These records revealed a suit by EUSTACE C. MULLINS, JR., plaintiff against the Leader Corporation of Staunton, Virginia, defendant. The Leader Corporation publishes the Staunton Leader Newspaper in Staunton, Virginia. This suit is for the sum of \$1,250,000 and in substance alleges as follows:

On May 11, 1960 defendant published in the Staunton Leader a column by [redacted] which contained numerous untruths, errors and distortions concerning plaintiff which libeled him to the thousands of readers of said newspaper, by such epithets as "neo-fascist", "neo-Nazi", "making a living out of Hitler's Ghost", and engaged in an "effort to damage the United States".

The column by [redacted] is part of a continuing effort over a period of years to defame and injure plaintiff and make it impossible for him to earn a living and to prevent him from further exposing Communist subversion in the United States.

The defendant cited in said column a discredited, unauthorized and unofficial report on "neo-fascist" and "hate groups" issued under the imprint of the House Un-American Activities Committee in December of 1954 and later disowned by the members of same committee, which identified plaintiff as a member of, an associate of, and a writer for so called "neo-fascist" and "hate groups"

although [redacted] as co-author of said report for the Anti-Defamation League of B'Nai B'Rith, was aware that said report was distorted, untrue and unofficial. The Chairman of the House Un-American Activities Committee, Honorable FRANCIS E. WALTER, in a letter dated April 20, 1960, referred to said report, stated, "this report cannot be considered official". Congressman WALTER stated, at the time that this report was issued, that the House Un-American Activities Committee had held no hearings on said report, that no witness had been called, and that the persons mentioned in the report had not been asked to appear to defend themselves as is customary in any Congressional hearing. All this information was known to [redacted] author of said column which appeared in defendant's publication, said [redacted] co-author of said report and official apologist for it through the organization known as the Anti-Defamation League of B'Nai B'Rith, an organization which hires professional "anti-semites" to hold meetings and issue publicity denouncing "Jews", in order to convince members of the American-Jewish Community that there is in fact a large and powerful national organization of "anti-semites" "fascists" and "Nazis" who intend to exterminate the American Jews, when said organization consists solely of the paid agents and propagandists of said Anti-Defamation League, who are so maintained in order to aid the Anti-Defamation League to extort more than five million dollars a year from the American-Jewish Community by keeping them in fear of their lives and property, and said Anti-Defamation League has also aided and maintained Communist agents, spies and propagandists in the United States.

The defendant had attacked the Anti-Communist efforts of the late Senator JOSEPH R. MC CARTHY, who had employed the plaintiff to battle against Communist subversion in the United States and defendant has editorially attacked the Anti-Communist John Birch Society.

The defendant in said column further identified plaintiff as "a staff writer for 'Common Sense' a particularly vicious anti-semitic publication", when plaintiff has not worked for or had association with said "anti-semitic" publication since November, 1952, plaintiff

RH 105-186

having discovered at this time that said "anti-semitic publication" was being financed and operated by the Anti-Defamation League of B'Nai B'Rith as part of its five million dollar-a-year shakedown of the Jewish Community and plaintiff wanting no part of said operation, has been for more than nine years disaffiliated and publicly opposed to said publication, its editor, CONDE MC GINLEY, and its financial backer, the Anti-Defamation League of B'Nai B'Rith.

Defendant further identified the plaintiff as an associate of a "neo-Nazi", [redacted] in the following organizations, "Realpolitical Institute", Institute for Biopolitics" and "M and N Associates", when it is well known that defendant has no association with [redacted] who is not a "neo-Nazi" and that there are no such organizations as are alleged in said column.

RACIAL MATTERS

Re Chicago letter to Richmond dated 11/22/62.

[redacted] Robert E. Lee
High School of Staunton, Virginia, and [redacted]
to subject and his mother, Mrs. E. C. MULLINS, 126 Madison
Place, also of Staunton, was contacted on November 30,
December 8, 13, 21, 31, 1961; January 12, 15 and 22, 1962.
The purpose of these contacts with [redacted] was to
determine if he could through casual neighborly contacts
with subject's mother, determine subject's future plans
and if he intended to make his mother's home his permanent
residence. Through these contacts it was also planned to
ascertain the identity of MULLINS' associates, contacts,
employment and trips made by him to other cities.

On January 22, 1962, [redacted] informed that
in all his brief conversations with Mrs. MULLINS she had
seemed to purposely avoid conversation concerning EUSTACE,
and it was his feeling in the matter that she was ashamed
of the "stir" he had caused in Staunton over his threat to
sue their local newspaper. He also informed that subject's
mother seemed to be very pleased that EUSTACE was dropping
the suit against the newspaper. [redacted] stated that from
what he could glean from the conversations with Mrs. MULLINS,
EUSTACE was in no hurry to obtain a position and was apparently
living off the sales of his new book on the life of EZRA
POUND. He further stated that subject, outside of possibly
two or three trips to Richmond, Va., and New York City, has
not been away from Staunton during the past three months.
He said that subject's mother indicated to him that EUSTACE
seemed to be getting restless and that his present visit
with her has been one of the longest he has had with her in
recent years. [redacted] advised that subject uses his
mother's car occasionally but when he makes trips out of the
city he uses his own car, which is the same Plymouth he has
been driving for some time. [redacted] said that he con-
templated talking to EUSTACE in the near future about his
new book and would attempt to ascertain his future plans.

Captain M. ELWOOD MILLER, Staunton Police Department, advised on January 22, 1962, that subject's brother, EUGENE MULLINS, has done considerable traveling in his new position with Reed Stores of Staunton and that he has had little opportunity to speak to him during the past eight weeks. He further advised that from what EUGENE has told him, EUSTACE must be staying pretty close to his mother's home and is apparently doing some writing. He stated that EUGENE mentioned to him that he did not expect EUSTACE to stay in the Staunton area much longer, but did not mention any particular position he was interested in or place he contemplated going to. He said that EUGENE on one occasion mentioned that he has had very little contact with his brother, although he visits or calls his mother at least once every week to see how she is doing. Captain MILLER advised, with respect to the automobile used by subject, that this was a 1952 Plymouth Sedan, Virginia license 492-574.

On January 25, 1962, [redacted], Clerk, Virginia Division of Motor Vehicles, Richmond, Virginia, advised SA W. HERSHEL CAVER that Virginia license [redacted] was issued to [redacted] Milwaukee, Wisconsin, for a 1952 Plymouth sedan, VIN P23-A81979.

It would appear from an examination of Richmond files concerning [redacted] that this individual is well known to the Chicago Division (Chicago file 105-3527) as an official of the National States Rights Party (Chicago file 105-4630). In this connection Richmond has noted a letter from WFO to Bureau, 11/28/58, captioned "National States Rights Party", with an enclosure from a source who advised on October 16, 1958, in connection with the National States Rights Party that [redacted] and EUSTACE MULLINS, captioned subject, were at that time reportedly living on an estate belonging to a rich woman on the outskirts of Chicago and were co-authoring a book entitled "The Parasite Theory". One copy of reflet of WFO to Bureau with an enclosure was furnished to Chicago at that time.

Richmond will continue contact with sources in Staunton, Va. concerning subject's activities and movements.

The following investigation was conducted by SA
WILLIS A. BENNER:

[redacted] Robert E. Lee
High School, Staunton, Virginia, [redacted] of
subject and his mother, Mrs. E. C. MULLIN, has been contacted
on a continuing basis during the past 45 days. He claims
that the subject has not indicated what his future plans are
in regard to leaving the area. He stated that this is the
longest period of time that the subject has stayed in
Staunton during recent years, and there is no question about
it that his mother has induced him to stay with her. Mr.
SMITHER said that subject's mother has had very little to
say about her plans or the plans of her son, but it is
believed that she would dispose of her very large home if he
were to decide to leave. He added that he would report any
information he received regarding a change of plans on the
part of the subject.

Captain M. E. MILLER, Staunton, Virginia Police
Department, Staunton, Virginia, advised on March 26, 1962,
that he has talked to subject's brother, EUGENE MULLINS, on
several occasions concerning subject and what he is doing,

He further advised that EUGENE MULLINS indicated that his brother is still doing considerable writing, but apparently does not know what he is writing or for what purpose. MILLER stated that he has seen very little of the subject during recent weeks and is of the opinion that he is staying very close to home. He added that should he receive any information concerning the future plans of the subject or any of his activities in Staunton, he would immediately furnish this information to the FBI.

In view of the fact that the subject has now been in the Staunton area for a considerable length of time and there apparently is no information available to indicate a change in residence, it is suggested that the Chicago Office might desire to have the Bureau change the office of origin to the Richmond Office.

Staunton Man Offers Art For Tax Bill

RICHMOND (AP)—A Staunton author has offered an allegorical painting he did to the In-

ternal Revenue Service as settlement of a \$600 tax bill.

Eustace Mullins says he has received no reply to the offer of the painting, "Karl Marx Contemplating the Bust of Venus," from IRS Commissioner Mortimer Caplin.

Mullins values the painting at \$3,500.

The IRS disallowed a \$1,200 deduction Mullins made for expenses incurred in preparing a recently published book on the controversial poet, Ezra Pound. Mullins was billed for \$600 and told to settle up by June 6.

He said the IRS hasn't told him why the deduction was disallowed "but they've started to attach the royalties from the book. The only thing I can figure is that Pound is a politically unpopular subject."

A court order freed Pound in 1958 from a Washington mental hospital where he spent 13 years. An indictment charging him with treason for broadcasting for Italy's wartime Fascist government was dismissed.

Pound returned to Italy.

**Aibel Suit
Thrown Out**

Failure of Eustace E. Mullins to reply to a demurrer petition in his suit against the Leader Publishing Co., Inc., for \$1,250,000 damages has caused the case to be stricken from the docket of the Corporation Court by Judge C. G. Quesenbery. The suit was instituted in 1961 by Mr. Mullins because of publication of an article by the late George S. Sokolsky, King Features Syndicate columnist, discussing some of Mr. Mullins' writings and activities. The syndicate and at least one other newspaper were also sued but so far as has been learned, these cases have not come to trial. Mr. Mullins maintains he Staunton address but his activities take him elsewhere much of the time.

EDITOR'S NOTE: The following letter contains such serious charges against the FBI that it was submitted in proof to Director J. Edgar Hoover on Aug. 13 for such simultaneous comment as he might see fit to make. To date no comment has been received.

FBI 10% Reds, He Says To the Editor:

May I take exception to your editorial of Aug. 10 in which you state: "There is not much the individual American can do on the domestic scene to checkmate the Communist plotters except to insist that his public officials, continue vigilant, etc."

There are several hundred organizations of patriotic Americans who have done much to alert the nation to the Communist menace, nor is it surprising that the FBI has continually harassed these organizations. These American patriots sponsor radio programs and publish newspapers which reveal the inroads which the Communist conspiracy has made into our society.

I am presently writing a biography of J. Edgar Hoover, which includes a recent estimate that 10 per cent of FBI agents are dedicated Communists, and another five per cent are "double agents" who ostensibly are members of the Communist Party as FBI spies, but who actually are implementing Communist programs in this country.

Many patriots have been harassed by the FBI during its fanatical drive to forcibly integrate schools, homes and businesses in the South. Businessmen have been harassed by the FBI in their role of "political

police" as in the steel crises. If the FBI showed one-tenth the zeal it displays in harassing patriots when it supposedly goes after Communists, there would be no Communist Party in the United States today. Many chapters of the Communist Party subsist solely on the FBI donations.

I have had much experience with the FBI. My janitor in Chicago was offered \$50 a month to save my garbage for the FBI, and when he refused they approached me with an offer of \$100 a month to act as informer on patriots in the anti-Communist groups with which I was working.

Your editorial that "there is not much the individual American can do about communism" is the standard FBI line intended to lull Americans to sleep while the Communists take over the country. There is much Americans can do, and have done, to stop communism in America, and many of them have undertaken this work at great personal sacrifice.

'So Ridiculous'

EDITOR'S NOTE: In Friday's letter-box in The Leader, Eustace Clarence Mullins, 126 Madison Place, said a recent estimate was that 10 per cent of the Federal Bureau of Investigation agents are "dedicated Communists, and another five per cent are double agents". The letter was referred on Aug. 13 to Director J. Edgar Hoover of the FBI for such comment as he saw fit to make for simultaneous publication.

Mr. Hoover's comment was not received until Friday. He wrote as follows, with personal references omitted:

To the Editor:

In response to your inquiry concerning a letter your paper received from Eustace C. Mullins, it is my personal belief that the statements in his letter are so ridiculous that further comment is not warranted.

December 14, 1963

Mr. J. Edgar Hoover,
Federal Bureau of Investigation,
Washington, D.C.

Dear Mr. Hoover,

In my appeal of my \$1,250,000 libel suit against the Washington Post, occasioned by a column written by your late friend George Sokolsky, I am making note of the fact that the attorney for the defense boasted that FBI files were being made available in the case and that if the case came to trial, FBI agents would testify against me.

Since the basis of my complaint was that the AntiDefamation League of B'nai B'rith had attacked me because I refused to be involved in their network of ADL-supported anti-Semitic groups, directed by Sandy Griffiths and F.C.F. Weiss, as a patriotic American, I can only voice my resentment and disappointment that the Federal Bureau of Investigation should be so shamelessly prostituted by such a shadow organization.

sincerely,

E. Mullins

Virginian Sues Hoover's Estate

WASHINGTON (UPI) — Claiming his knowledge of certain "details" of the private life of the late J. Edgar Hoover has led to 20 years of FBI harassment, a Staunton, Va., man has filed a \$3 million suit against the former director's estate.

In a suit filed Tuesday in District of Columbia Superior Court, Eustace Mullins, 50, said an acquaintance gave him the information in 1952 and that the FBI promptly forced his firing from the Library of Congress.

Mullins charged similar incidents cost him jobs in New York and Chicago during the next 10 years.

Then in 1961, while working on a biography of poet Ezra Pound in Lake Mecosta, Mich., Mullins said, FBI agents contacted him again.

He claimed the agents tried to force him to sign a statement that he knew nothing of Hoover's personal life. He refused and the agents allegedly began to harass his aged parents, "who subsequently died of heart attacks," Mullins said.

RE WFO letter to Bureau, dated 7/5/73.

In referenced communication, WFO advised that on 6/13/73, [redacted] obtained from [redacted] of JESSE CLAYBURN STEPHENS, self-styled East Coast coordinator from Minutemen Organization, a copy of the name card file. This file was identified by [redacted] as a "Minutemen Registration" file, according to the informant.

WFO has concluded, after a review of the above file, that it contains the name of STEPHENS' Minutemen group together with his mailing list, contributors, and right wing contacts, and legitimate business contacts.

The name card file listed the following identifying data regarding the subject:

Mr. EUSTACE MULLINS
126 Madison Place
Staunton, Virginia 24401

Investigation in this case is predicated upon the fact that subject's name was listed among well-known white extremists and is designed to conduct preliminary inquiries to identify subject and to contact sources to determine if subject is presently involved in white hate activities.

Baltimore indices contain no pertinent information regarding subject.

Baltimore will contact Minutemen sources regarding subject.

Richmond need not furnish Baltimore with results of investigation unless pertinent to this Division.

(OO: LA)

ReLAlet to Bureau, with LHM, 7/17/74; Buairtel to AL, 9/6/74.

Attached and considered a part of this memo for investigation outside of the Richmond HQ City area is one (1) copy each of referenced Buairtel to Albany.

For further information, captioned organization filed Articles of Incorporation in California in October, 1964, with the primary purpose of establishing, maintaining and conducting a Church of the Christian faith. The group has been referred to as a cover for an underground army and has a mailing address of P. O. Box 423, Glendale, Calif. As reflected in reBuairtel of 9/6/74, the leader of the Identity Group is WILLIAM POTTER GALE, who espouses hatred for Jews and Negroes and advocates assassination of FBI Agents and Internal Revenue Service Agents as well as the hanging of certain judges. The group also advocates tax rebellion and the formation of a Posse Comitatus, a voluntary group of citizens who would act in the name of local Sheriffs to "enforce" the law.

ReLAlet to Bureau, 7/17/74, included LHM reflecting, as of 5/28/74, a booklet entitled "Identity Directory For All Anglo-Saxon, Celtic and Kindred Peoples", 1974 Edition. This directory provided a state-by-state listing of names and addresses. The following names were within the Richmond Division:

BRUCE ANDERSON, c/o Chatham Press, Boone Mill 24065.

Richmond indices on 9/24/74 reflected that BRUCE ANDERSON is probably identical to the BRUCE ANDERSON who resides at Rt. 32, Boones Mill, Va. ANDERSON was subject of Richmond File 100-11063 in 1969, captioned "BRUCE ANDERSON, IS - MM". Review of the file reflects that ANDERSON also resides in Chatham, Va., was 84 years old in 1969, and is a bee keeper. Review of indices re Chatham Press reflects a reference in 1965 to investigation conducted in Tampa, Fla. and Norfolk, Va. The information concerns the National States Rights Party (NSRP) and one DEWEY MC KINLEY TAFT, purportedly an organizer in the State of Florida in 1965. Investigation developed two envelopes addressed to DEWEY TAFT, above, from B. ANDERSON, Boones Mill, Va. Also developed was a bill to the NSRP from Chatham Publishing Co., Boones Mill, Va., dated 7/64.

[REDACTED]

Richmond indices reflect [REDACTED] apparently identical to [REDACTED] subject of Richmond File 157-3312. [REDACTED] National Organizer and National Board Member of the NSRP. In the past, there was also some indication of [REDACTED] being involved with the Klan.

Recent investigation has determined that [REDACTED] is no longer active in the NSRP or the Klan. The NSRP is all but defunct in the Richmond area.

EUSTACE MULLINS, 126 Madison Place, Staunton 24401.

Richmond indices reflect that EUSTACE MULLINS was subject of Richmond File 105-186, captioned "EUSTACE MULLINS, EM - MM ", OO: Richmond. File review also reflects that MULLINS has shown some interest in the past in the NSRP.

Richmond indices on 9/24/74 negative re Tax Rebellion Committee, Posse Comitatus, Sheriff's Posse Comitatus, and Identity.

[REDACTED] and Sgt. [REDACTED] Richmond Bureau of Police, Richmond, Va., Intelligence Squad, advised on 9/24/74 that no information re existence of captioned group in the Richmond, Va. area.
