# INTRODUCTION

As I write this, the global bio-weapons that have been unleashed on the population of our world clearly have the potential, if not the mission, to remove a billion people... for starters.

There is now no question that this 'pandemic' is not one exclusively about the coronavirus but rather one about a ruthless, brutally problematic and often fatal synthetic protein known as the 'spike protein' which partners with the coronavirus as it infects people. It is also now established that the four primary western 'vaccines' supposedly created to resolve the 'coronavirus pandemic' are really constructed to achieve one primary goal: to force the body of every vaccinated human to endlessly produce these deadly, pathogenic, highly sophisticated, diabolical and wickedly destructive synthetic spike proteins.

Tragically, rather than providing us with protection from infection, these 'vaccines' instead dysregulate, cripple and exhaust the immune system, setting the stage for cancer, autoimmune disease and chronic infections of all kinds, some of which are already occurring in the body.

## THE BIG CON

As if immune dysfunction were not enough, the insidious spike protein - all by itself - exerts a toxic effect on every tissue and organ it comes into contact with. This includes the blood, together with its miles of delicate vessels and arteries; the heart; liver; kidneys; lungs; intestines; ovaries; testes and, most disturbingly, the brain. It is here - in this most protected region of the human body - that the spike protein will likely inflict its most noticeable and horrific damage. If the animal studies in earlier research hold true for humans, then Alzheimer's, Parkinson's, ALS and Mad Cow disease are all predictable outcomes for a body besieged by, and essentially drowning in, spike proteins.

These 'vaccines' force billions of human body cells to switch from producing their usual endless and bountiful range of proteins, needed for normal life and health, into the full-time production of the pathological spike protein. Therefore, our wonderful, non-exclusive immune system, faced with a 24/7 tsunami of spike proteins, begins to produce antibodies that only seek out these synthetic proteins and ignore their normal life-saving protocols. The immune system is thereby effectively taken out of the business of protecting us from endless diseases and infectious organisms and only tries to neutralise spike proteins, which is a futile endeavour because of the endless stream now being produced by the body's own cells.

## THE BIG CON

The human immune system, sooner or later, will no longer be able to keep up the fight and will collapse... the results of which will be assuredly be quick and final.

We also now know that the creation of the easily-resolved flu-like coronavirus and its companion - the wickedly destructive, synthetic and deadly bio-weapon known as the spike protein - emanated from a lab at the University of North Carolina in Chapel Hill, with a probable stopover in Canada, before ending up in the Wuhan Institute of Virology's BSL 4 lab in China. Singular individuals involved in this monstrously genocidal creation are considered to be Dr Anthony Fauci and eugenics freak Bill Gates. All of this research was paid for with American taxpayer money. We have been duped into funding what may well turn out to be our own near-extinction. The results will be the same for most of the entire Western world.

These 'vaccines', untested and unproven, clearly contain even more damaging mechanisms, in addition to the genetic code for forcing the body's cells into producing the horrific spike protein. There is blatant evidence of a pervasive type of magnetism flowing all over the body following these injections, for reasons that are not fully understood.

This bizarre phenomenon can be seen in dozens of videos and live demonstrations by hundreds of shocked

## THE BIG CON

vaccine recipients who are able to apply a wide range of metal objects, from eating utensils to entire cell phones to various areas of their body and watch them stay in place effortlessly, much like a refrigerator magnet.

Every day we are learning more about the bio-weapons being deployed against us, but it takes time and great bravery to step forward. Fortunately, we have heroic people who have done so... and certainly few are more remarkable than the author of this extraordinary book.

This genocidal attack on humankind was and is a long and methodically well-planned operation. First, the release of a relatively harmless lab-created coronavirus with a 99.997% survival rate, and then the use of the utterly controlled and complicit media, corrupt and illegitimate governments, and an endless array of globalist skills, to inflict fear, terror and helplessness onto the world's population for much of 2020 and well into 2021. And yet, pitifully, the deceived masses still maintain an unwavering trust and belief in all that comes to them through television and internet 'news'.

Part One of the global genocide operation was carried out in 2020 and on into 2021 under the guise of the 'coronavirus pandemic.' People were bludgeoned with such non-stop terror that they actually agreed to mass business closures, useless and deadly lock-downs, 'social distancing' and bacteria-breeding 'face diapers'.

## THE BIG CON

Part Two is now underway with the exploding realisation that it was never about a virus... it was always about a method or means, in this case a 'vaccine', to introduce the genetically-engineered, ultimately fatal spike protein into a global population slated for extermination.

Conveniently, a population having endured 12 months of trauma-based mind control would offer no resistance to a 'vaccine' if they believed it was for their benefit. In fact, as we have seen, a majority would welcome it... or even demand it.

The trickery and deception used in reporting the number of 'deaths' from this utterly survivable lab virus were unprecedented and highly successfully constructed in the minds and consciousness of the masses. This instilled fear was of such proportions that when the already-created, 'plug-and-play', so-called 'vaccines' were made available, there was a worldwide stampede to take the shots as soon as possible. The people actually believed the government and organised medicine (organised crime) would never harm them.

As we now know, the numbers of dead from the year 2019 to the year 2020 were virtually identical. The 'dead' died from generally natural causes or were hastened to their end by an incompetent, stupid, and inept medical establishment that sold out the public

## THE BIG CON

and its patients for money. How much? A false positive PCR test for the coronavirus was worth a slick \$13,000 per patient for the hospital or clinic involved in the 'diagnosis.' The government upped the bounty to nearly \$40,000 for each patient who was put on a ventilator... which, in most cases, was not needed and whose overly-aggressive use, in fact, caused the deaths of countless individuals. The primary medical motive was, and remains, money, and mass fear-based control of the masses.

Never mind that the 'virus' has never been successfully isolated as a distinct entity to this day, or that the PCR test used to determine 'infection' is inappropriate, as confirmed by its inventor Kary Mullis shortly before his death in 2019, and is utterly bogus for that very purpose... because FEAR was - and is - running the show.

As we have indicated, and worth restating, we now know without doubt that the four primary western 'vaccines' injected into the human body order the body's own cells - via genetic and viral manipulation - to produce an endless tsunami of the deadly, toxic, synthetic spike proteins which were THE genocidal weapon all along. The virus was simply a decoy to sow panic and endless fear and to create a worldwide DEMAND for these unproven, unsafe, untested and already often deadly 'vaccines.'

## THE BIG CON

The post-injection spike proteins have already killed tens of thousands - perhaps hundreds of thousands - of human beings. The spike proteins will ultimately annihilate at least half of the first wave target - the western white Christian nations of Europe, the US, Canada and Australia. It is all unfolding before our horrified eyes.

How to deal with those who refuse the 'vaccine'? Simple. The vaxxed are now unarguably spreading at least the synthetic, toxic spike protein to the innocent un-vaxxed, and there may well be more things than the spike protein being spread. We are learning all the time. Simply being in the same room as a vaxxed person is apparently enough to transfer pathogens and/or toxic metabolites to the un-vaxxed. The symptoms showing up in the un-vaxxed are undeniably similar to those who have received the vax.

There are growing suspicions that various chronic and latent viruses within a human host have taken advantage of this novel genetic code for the dreaded spike protein introduced into the body through a needle and have incorporated it into their own genome in a process known as viral recombination.

As a result, it is highly plausible and even predictable that MANY new viruses and variants will arise within a given individual, some of which may go on to become

## THE BIG CON

highly pathogenic, infectious and contagious to others. No longer do we need a 'gain of function' laboratory to produce new and virulent pathogens. Living, walking, talking human beings can do it much more efficiently when supplied with the raw genetic material. Simple exhalations, body fluids, or merely a touch from a GMO 'vaxxed' individual can now be expected to spread countless novel recombinant viruses known as 'chimeras' into the population with unknown and possibly dire consequences.

This is the current status of the 'pandemic' as I write. The point of this entire introductory piece is to honour one unique man on the planet, who has singularly and heroically begun the process of revealing the truth of the full reality of what has been stated above. He is not working in some hidden high-tech medical lab, but is rather using his own stunning discovery of how to learn the TRUTH directly from the biggest liars involved in this nightmare.

David John Oates deserves a Nobel Prize for his staggering discovery of bi-level human communication. His nearly 40 years of research and work in the field of what is widely known as Reverse Speech could and should be a major turning point in the current evolution - or devolution - of the human race.

## THE BIG CON

The truth cannot hide any longer, and the speech reversals David has already revealed about the 'pandemic' are staggering. His perseverance and steadfast determination to drag the innermost truth and reality out of the mouths of psychopathic liars and frauds is without question one of the most amazing achievements of our times. I have been honoured to know David as a close friend and confidant for over 25 years, and I have never met a more principled, honourable, brave and brilliantly creative person. He is a scientist of the highest order, working inside the individual and collective subconscious mind of humanity.

Simply stated for those who may be new to Reverse Speech: the conscious mind lies, OFTEN, in its forward speech. In fact, I would submit, we are living now in the Age of the Lie.

On the other hand, David has proven without the faintest shadow of a doubt that the SUBCONSCIOUS mind does not and cannot lie. Think about the importance of such a astonishing discovery.

When people speak to each other, their subconscious mind is actually using the sounds of FORWARD speech to speak the words of their subconscious truth in REVERSE. Humans utilise bi-level communication, speaking simultaneously both forward AND in reverse, and the brain has no trouble at all in understanding both tiers

## THE BIG CON

of communication simultaneously. Have you ever met someone you don't feel comfortable around? In most cases, you feel that way because that person is lying to you, and your brain and subconscious mind pick that up instantly.

Play forward speech backwards, and you will find that every 10 or 20 seconds the subconscious mind speaks the truth while as people are lying in their forward statements. Using Reverse Speech, you will clearly hear unmistakable and perfectly spoken words, phrases and sentences that are, in fact, the whole truth of the individual who is speaking forwards. Many of the reversals are so clear you can hear every phoneme of every word being spoken. Reverse Speech is not a 'sorta sounds like' endeavour. It is exact, it is precise, and it adheres to extremely strict standards and protocols, as established by David Oates in his nearly forty years of research.

Why is Reverse Speech not a household term and a technology being practised and used by every therapist and curious individual in the world... by people who want to know if they are being lied to... and who want the truth? Because it WORKS - and the governments and power brokers of this planet do not want these facts about Reverse Speech to be commonly known to the public. Their deceit and games would be exposed instantly.

## THE BIG CON

Societies and even civilisations have been constructed predicated on lies... and the truth is not something those in control want made available to the people under their boots or being dominated around the world at large. Relationships between individuals and entire nations can easily be shattered by the correct use of Reverse Speech.

For those well-familiar with David's discovery of the astonishing fact that the subconscious doesn't lie, this book will come as no surprise, and will confirm the intuitions and suspicions of THINKING people the world over - that there is something demonically wrong with the entire coronavirus 'pandemic' and the insidious 'vaccine' programme that has followed it.

David Oates' continues to tear the shroud of lies from the most heinous mass attack on human beings in history - a bio-weapon attack of mass extermination. What David has already exposed - and remember there is a long way to go - is enough to shut down the use of all COVID 'vaccines' and have scores, if not hundreds, charged with Crimes Against Humanity - if the International Criminal Court were an honest Institution - which it is not.

Reverse Speech has shown the truth of the spike protein HOLOCAUST that has been unleashed on the planet. The western world is the first target - that is clear. The most

## THE BIG CON

intelligent nations and their people must be degraded horribly for the rest of the multi-stage genocide plan to be successfully deployed.

So read this book with your seat belts fastened. The TRUTH revealed by David John Oates and his magnificent Reverse Speech will stun and amaze you.

It is past time for the truth... and Reverse Speech is our last chance.

# PREFACE

The book you are about to read is probably the most important book that I have ever written. It assumes a preexisting familiarity with Reverse Speech and so it is not an attempt to convince the reader of the existence of the phenomenon, nor does it try to give an explanation of the theories, techniques and procedures that I have developed to analyse it. These matters are covered in great depth in my many other books.<sup>1</sup>

Rather, this book has been written to deliver a warning. A grave warning. Our planet is gripped by a worldwide paranoia surrounding a deadly pandemic. This cannot be denied. All our lives have been changed, and as of June 2021 almost four million people worldwide have died. However, what we have been told about the virus, its origins, and indeed its purpose, is simply a lie.

Over the last 18 months I have been analysing the speech reversals of key players in this crisis. It was like putting together the pieces of a jigsaw puzzle. Now I have more than two thousand reversals, and several obvious trends have emerged.

## THE BIG CON

In this book I will detail what I have found, quoting each and every reversal that supports my conclusions, and statements are based solely on what I have learned from Reverse Speech. Many of the statements I make, however, can be verified by a simple Google search. I have not presented other evidence that is readily available to those who wish to spend the time looking. I hope that my reversals will encourage such independent investigations.

As an added dimension to this presentation, I have built a web page that contains all the reversals, videos and TV programmes referred to throughout the book. If you really want to understand what I am presenting here, I suggest you have your web browser open and listen to each reversal, one at a time, as you read. All reversals are presented with the sections of forward dialogue in which they occurred, followed by the reversal itself at three separate speeds. If you wish to check for yourself that the soundtracks are genuine then I suggest you download the file and play it backwards for yourself. You will be amazed!

Note the connections between the reverse and forward dialogue. Reverse Speech will nearly always be related to the forwards. And as my late research partner, Greg Albrecht, said on one of our very first TV programmes:

“The proof is in the listening.”

# CHAPTER ONE

## REVERSE SPEECH

### THE VOICE OF TRUTH

In January 2020, the life of every human being on the planet was changed. A deadly and highly contagious virus was unleashed onto the world and became known as COVID-19.<sup>2</sup> Within only a few months it had spread to almost every country on earth, with a death toll reaching into the millions. Our entire way of life was altered irrevocably from that point on, with borders closed, international travel all but ceased, lock-downs, businesses closed, mask mandates implemented, social distancing enforced, vaccine passports threatened, requirements for the the scanning of QR codes in Australia, and the list goes on...

We, the people of the world, went along with these changes because we were told they were for our own good. There were very few protests, only fear and

## THE BIG CON

terror. When the vaccine came along, people were relieved and lined up around the globe to get 'the jab', once again with very few questioning it. The government told us the vaccine was safe and effective, and it would allow us to return to our normal way of life, and we believed them.

The book that you are about to read questions and challenges all the assertions which we were led to believe were true. It peels away the lies and cons we are being told every single day, and points to the real truth behind this virus. That truth is simply this:

**The virus was deliberately released onto the world by the Chinese government with the full knowledge, funding and assistance of US officials, up to and including the illustrious Doctor Fauci himself.**

The purpose of this release was the oldest one known to man: money, power and control - and maybe, just maybe, to bring in a whole new world order. Just look at the world you live in now and compare it to the one you lived in two years ago, and you will see that this is true.

The modality with which this book challenges these assertions is one that the world has known about for more than 30 years now. Its discovery was first announced on Australian National television, Channel 10, in November 1987. Since then it has received

## THE BIG CON

substantial international coverage, impressive endorsements, and is even listed on the CIA website.<sup>3</sup> It is called Reverse Speech.

The basic theory of Reverse Speech is that language is bi-level, and works forwards as well as backwards. Hidden among the sounds of speech there exists another form of communication occurring in the opposite direction to our normal forward speech. This extra form of communication can be heard if human speech is recorded and played backwards. Mixed in amongst the sounds of gibberish, short intelligent sentences can be heard every few seconds. These sentences communicate the truth, and not just the truth according to the individual, but the total truth, or the universal Truth, even if that Truth contradicts the consciously held beliefs that the individual has. I call these intelligent backward phrases speech reversals, or just reversals.

I have been researching this phenomenon for almost 38 years now; in that time I have written 7 books and 3 training manuals that explain the phenomenon in great detail. I have also appeared on dozens of TV shows and 100s of radio shows.

It is not my intention in this book to go over old ground and re-explain what I have already written. In fact, in

---

## THE BIG CON

the last year or so my whole emphasis has changed from one of proving that this phenomenon exists to now communicating the truths it reveals about our world, our life, the beliefs we have held dear, and even God himself.

I say God himself because in reality Reverse Speech is the voice of the spirit speaking. It is that still small voice within that we all know exists but haven't been able to access or put into words before. Now we can do so, and what it tells us is revolutionary. In this chapter I will explain some of the aspects of Reverse Speech that you will need to know in order to grasp fully the significance of what I am communicating. Let us start with some basic simple examples from recent and current events.

Firstly, the death of alleged paedophile and human trafficker, Jeffrey Epstein. It is claimed that Epstein ran a massive sex operation from his island in the Caribbean which catered for well known public figures including Bill Clinton, Prince Andrew, Kevin Spacey and others. He was arrested two years ago for these crimes and mysteriously died in his cell before he could be questioned. His death was officially ruled a suicide but there remains much doubt about this.

Prince Andrew was asked about his involvement with Jeffrey Epstein in a now infamous BBC interview. During

## THE BIG CON

this interview he was asked to explain a photo in which he appeared with one of Epstein's "women" - a woman who claims that she had sex with Prince Andrew when she was a minor.

Forwards, he says:

*"Nobody can prove whether or not that photograph has been doctored but I don't recollect that photograph ever being taken."*

Backwards, he says, very clearly with perfect backward lip sync:

**"Jeff had to get murdered"**

This reversal is significant because it seems to suggest that at some stage Prince Andrew had knowledge, either conscious or unconscious, of a plot to murder Epstein.

Secondly, while on the topic of the royal family, let's look at a reversal found on Meghan Markle during her now famous interview with Oprah Winfrey.

Forwards she says:

*"We're stepping back from senior roles to be just like several, I mean I can think of so many right now, who are all their royal highnesses, prince or princess, duke or duchess, who earn a living, live on palace grounds, can support the queen if called upon."*

## THE BIG CON

Backwards, she says:  
**“Wish to shatter Queen”**

This reversal tells us her motives in doing the interview with Oprah. She wanted to damage the royal family.

Reverse Speech will reveal the truth if lies are spoken, facts if they are left out of the conversation, and motives unspoken. And this is just from the first level of consciousness. Reverse Speech goes far deeper. In fact, all layers of the mind can be heard in Reverse Speech - conscious, unconscious, collective unconscious, and even the Spirit itself can be heard talking. I will be quoting reversals from all of these areas in this book.

Let's take a look at the Collective Unconscious to start with. Deep inside our psyche there is a part of the mind that exists outside of time and space. This part of the mind has access to both future and past events. It has access to universal knowledge and information that goes back aeons, and sometimes it can contain information about the future.

I was first alerted to this in June 2001 when I found a reversal on an Australian client that said:  
**“Soon plan evil on America”**

My client had no idea what it meant. He had no connection with America, so I filed the reversal away

## THE BIG CON

for future reference. Only a few months later I had my answer when the two planes flew into the World Trade Centre in New York. Had the reversal been a prediction of this event, I wondered?

Later, when I was working on the JFK assassination, I found a reversal in his January inauguration speech that said:

**“Head is hit in the car”**

This was an amazing insight into his assassination on November 22 1963, where he was indeed killed by a shot to the head.

Even Princess Diana had reversals predicting her death:

**“I was left to save us, so we had an accident”**

and:

**“suicide your chauffeur”**

These reversals imply that the chauffeur of the limousine in which she was killed was somehow forced to kill himself (and the occupants of the limo).

But the reversal which really opened my eyes to these predictions of future events in Reverse Speech occurred in 2016 when I was doing a radio interview in London.

## THE BIG CON

One of my students analysed my interview and found a reversal on me that said:

**“On a highway, there's the chill here”**

I had no idea what it meant, but two weeks later I was driving in Oregon to visit a mate and got caught in a raging blizzard on the highway. Thus the reversal came dramatically true. I entitled these reversals “Premonition Reversals.”

I mention Premonitions because they are important to some of the chapters coming up in this book.

Some of you may wonder why such an amazing and important technology has not been heard about more often. The answer is simple. Truth, real Truth, is threatening. Our whole world runs on lies, cons, and half truths. Governments, advertising agencies and religions tell us what to believe and think, and for the most part we go along with it. Imagine a technology so powerful that it is able to expose all these lies and cons and propaganda and show us the way to the real Truth, a truth that has been hidden from the world for centuries.

Would such a technology be embraced?

I thought it would be when I brought it to America in 1989, but instead I was harassed, surveilled, shot at and

## THE BIG CON

burnt out. Probably the best known example of this was when I was quite literally run out of the country by a well-known radio talk show host after I found some rather incriminating information about his past. He went into a rage and instructed all his fans to stalk and harass me, which they did. Finally I'd had enough and returned to live in Australia in 1999.

Since that time I have continued with my research, although a lot less publicly. I have built a successful therapy practice where I use Reverse Speech to solve clients' problems, and I still do one regular radio broadcast to the United States, The Jeff Rense Programme, where I regularly analyse reversals of public figures and significant events.

My success rate throughout the whole 38 years of my research has been significant, and speaks for itself. It started in 1988 when I went public with a reversal on Australia's Prime Minister, Bob Hawke. He was asked a question how he was going to celebrate his election win.

He replied forwards:

*“Ah, several cups of tea.”*

Backwards, he says:

**“Used to smoke the best marijuana”**

## THE BIG CON

This reversal was played on National TV, “A Current Affair.” The following day I had a phone call from one of his old mates from the ACTU (Australian Council of Trade Unions, of which Bob Hawke was President) who informed me that’s exactly what Hawke and his mates from the ACTU used to do at the end of the week.

A few months later, while I was analysing a programme on Australian TV, I found a confession to a murder, and the location of the murder weapon. I contacted the New South Wales police who took me seriously and sent me the whole unedited interview. Within this interview I found the type of gun used, an automatic 22. The police obtained a search warrant, raided the house and found the weapon in the cellar, where the reversals had said it would be. These events were later verified by National Channel 10 Australia, and also, when I moved to the United States by a reporter for the Dallas Times Herald,<sup>4</sup> who interviewed one of the officers involved in the case.

The next major success I experienced with Reverse Speech was after I had moved to the United States to live. I had been approached by the US intelligence community and asked to present Reverse Speech to various 3-letter agencies within the US government. At the same time America was just getting involved in the middle east conflict in operation Desert Shield.

## THE BIG CON

I was reversing key characters in this conflict: President George HW Bush, Secretary of State James Baker, and Defence Secretary Dick Cheney. In their speech reversals I was finding troop movements, battle plans, and one word in particular which appeared to be a code word. One instance said:

**“Simone, Simone in the sands”**

I contacted my man in Washington DC, a well known figure on the beltway, CB Scott Jones. He wrote a confidential memo to Dick Cheney telling him about Simone. Here is that memo:

Dear Dick:

By a technology know as Reverse Speech Therapy, several of us have been following statements made by principal actors involved in the current Persian Gulf crisis.

In statements made about Iraq by President Bush, Secretary of State Baker and yourself, a word that we have never seen in a speech reversal has appeared. The word is "Simone."

I mention this situation in case it is a code word that would not be in the national interest to be known.

If the word means nothing special to you, this is a non-event, just another mystery in a new technology we are developing.

If the word is significant, please contact me and I will provide details about the technology and assist in any way that I can in whatever the situation may be.

Warm regards,

C.B. Scott Jones  
Special Assistant

Somehow this memo was leaked to the press, and overnight it was on news services around the world, including headline news on CNN.

## THE BIG CON

I later found out that what I had heard as 'Simone' was actually an Arabic word spelled '*simoon*' - meaning a dust storm in the desert.

Imagine my shock and amazement when a few weeks later Operation Desert Storm commenced.

I had found the code word the US government was using for the operation.

The lectures about Reverse Speech to intelligence agencies in Washington subsequently took place and a few years later the CIA released details on their interest in Reverse Speech under the Freedom of Information Act.<sup>5</sup>

I had similar success a few years later when I discovered another code word, Operation Desert Fox, before it was announced. I went on the Jeff Rense Programme announcing some operation to do with a fox. The reversal was on Iraqi weapons inspector, Scott Ritter, and it said:

**“Our wrath won't shake the fox”**

In the 1990s, when I was lived in America, Bill Clinton was in office, and I had a field day with him, finding sexual reversals in many of his speeches well before the

Monica Lewinsky sex scandals went public. Examples included:

**“Seize little breast”**

This was while he was looking at an attractive woman in the front row of a press conference.

Then there's:

**“She's a fun girl to kiss”**

He uttered that one during a presidential debate.

And we also have this classic reversal in an interview:

**“Make her swallow, you trash, an easy roll”**

I appeared on many radio shows playing these reversals, claiming something naughty was going on with Bill Clinton. One host aggressively accused me of being biased. Not surprisingly, I got no apology from him when the sex scandals eventually broke. I have actually lost count of the number of times I have been accused of being biased after finding a reversal someone didn't like.

Finally, on Bill Clinton's classic statement:

**“I did not have sexual relations with that woman, Miss Lewinsky”**

## THE BIG CON

...he says in reverse:  
**“I hate to say yes”**

In other words, he hates admitting to anything!

These are just a few examples where Reverse Speech has revealed the truth in a very public manner. There are many others I have analysed over the years that are either posted on my website or published in my various books. These include the truth behind the moon landings, the JFK assassination, and the assassination of Robert Kennedy, as well as the truth behind 9/11 and the real perpetrators of this crime, to name just a few.

Reverse Speech is the Voice of Truth. It is here at this time and place in history to facilitate the great awakening that must come for us, as a species, to evolve.

I shall now present what Reverse Speech tells us about COVID-19.

## THE BIG CON

# CHAPTER TWO

## THE ORIGINS OF COVID

I was first alerted to the fact that something was about to hit the world in September 2019, when I found a reversal on a client that said:  
**“Sudden USA”**

This reversal had no connection to the forward dialogue, so I immediately suspected it of being a Premonition reversal. I had already noted that where information was being transmitted from the collective unconscious through Premonition reversals there would usually be no connection to the forward dialogue, so I spoke confidently on various radio shows, stating that something was about to hit the United States, suddenly and unexpectedly.

What this something was, I didn't know. The reversal hadn't told me.

Further clues began to appear in other clients' reversals, such as:  
**“Instant, we'll feel a war”**

## THE BIG CON

and

**“There's dark wars in the air”**

I didn't know at the time what the references to a war meant. My immediate assumption was that it was going to be a sudden military attack on the United States. It's never easy trying use foresight to look ahead, but once the virus hit, and I saw what it was doing to the world, I knew that *this* was the war the reversals were talking about. Later I would find reversals on the Chinese ambassador to the US, saying that this war was deliberately started by the Chinese Government. A lot more on this later.

Then, in February 2020, the CDC (Centres for Disease Control and Prevention) did a series of press conferences where they declared this new virus to be a pandemic. The reversals on these announcements are very revealing.

The first one says:

**“The madness, the virus get the boost”**

This reversal clearly points to gain of function manipulation, before the world even knew what that term meant. For those unfamiliar with the term 'gain of function', it simply means to increase the strength and contagion of a virus.

## THE BIG CON

Later that year the Chinese themselves confirmed this with a reversal saying:

**“Gain of function in that”**

This reversal totally negates China's claim that the virus began in a Wuhan meat market. They knew it was as a result of gain of function research! The only question remaining is, was its release accidental or deliberate?

Later, the well-known physician and medical advisor to the president, Doctor Fauci, would admit to gain of function research in reverse when he was asked a question by Senator Rand Paul about whether he had funded gain of function research at the Wuhan Institute for Virology. He angrily denied it, but his reversal told the truth:

**“Yes, Super Germ”**

In other words, they had a created a super-virus that, to my mind, could only be called a bio-weapon.

Yet the origins of the virus go back as far as 2016, when Bill Gates said in reverse:

**“Corona grow in humans now”**

This clearly indicates that the virus did not suddenly jump from bats to humans but was engineered to do so as far back as 2016.

## THE BIG CON

Thus, according to the reversals, the US knew in February 2020 that this virus was a genetically modified bio-weapon. Fauci denied funding it, but when his emails were released in June 2021, he had to admit that he had indeed given the Wuhan lab \$600,000, in the full knowledge that this money would be used for gain of function.

Later emails suggest that the full sum channelled through various off-shore accounts and secret government funding may have been as high as \$39 million (Most of it, \$34.6 million, was from the Defence Threat Reduction Agency (DTRA), which is a branch of the DOD which states it is tasked to “counter and deter weapons of mass destruction and improvised threat networks.”

The next reversal on the CDC from February 2020 is just as explosive:

**“Assist in my hit, disease is new”**

This reversal implies that the virus was much more than a bat-to-human transmission originating in a Wuhan meat market, which is the story we were given to believe, and was in actual fact a “hit” - or a deliberate attack!

This next reversal on the CDC spokesperson is also a jaw-dropper:

**“Deceive in your con”**

## THE BIG CON

In other words, the story we were all fed was a lie, and a deliberate lie at that. The CDC were well aware of the actual truth. This terrifying truth will be revealed throughout the book, as well as the shocking reasons why they covered it up.

The first clue, straight out of the CDC's mouth, says:  
**“Earth's been attacked”**

They knew back then this was a deliberate attack on the planet, and they did nothing except say wear masks and practise social distancing. This is akin to Roosevelt doing nothing after Pearl Harbour except issuing everyone with body armour as a protection just in case the US was attacked again!

The CDC knew all this and deliberately withheld the information from the public. In fact, they even knew one of the purposes of this disease, and that was to bring about terror:  
**“That disease will use the terror”**

The terror was indeed used, as the world's population donned masks, stayed in their homes, and then lined up like sheep to take “the vaccine”. (more on this later) Other purposes for the release of this disease can be seen in reversals from the Chinese Ambassador to the the US.

## THE BIG CON

For start, we have a confession from the ambassador that says the Chinese government wanted the world harmed by the virus:

**“My government helps with the harm”**

Another reversal admits that what we have been told by the CCP is all a big con!

**“Go with our biggest con”**

The expression “biggest con” is significant because this would have to be the biggest con perpetrated on the world throughout all human history.

Now we have some damning reversals from an interview the ambassador gave on January 1<sup>st</sup>, 2020, just a few weeks before the world heard about the virus, that goes to motive.

### **1/ Cull, it was habit**

This is their first motive - to cull the earth - and it is their habit, as the world saw when tanks moved into Tiananmen Square, killing thousands of pro-democracy protesters.

### **2/ The love said our Rome**

This is their next motive - to expand their influence and eventually control and dominate the planet, and they think they are doing this as a loving act for the world.

## THE BIG CON

### **3/ Fuck this, we better sell Nazi**

This reversal could have multiple meanings. I will talk later in the book about the rise of the Nazis. The Chinese Government could be working with them or the reversal could simply be continuing their theme of domination.

### **4/ Rome is there and to show fire**

They see themselves like the Roman empire, and the world will see their power.

### **5/ Soon your Dow miss it, we know**

This is another motive - to collapse the world's financial markets - and with the virus now costing the planet almost 11 trillion dollars, and with countless millions of people and businesses ruined, they are well on the way to reaching their goal.

If there's any doubt left over that China started this war deliberately, listen to these two reversals on the Reverse Speech website:

**“does a war sit?”**

In other words, why wait?

And

**“We lust this war”**

## THE BIG CON

Trump new all about this war, as we see in this speech he gave in March 2020:

**“You see a war”**

By March and April 2020, references to this war began to appear frequently in my clients' reversals.

**1/ Got a big war.**

**2/ Met the solution, the army**

Maybe this is the solution. Why aren't there warships surrounding China after their vicious and premeditated attack on the world, or at the very least demands for trillions of dollars in reparations?

**3/ Shall the army seek the war**

Indeed. Why haven't we responded?

**4/ World war**

This is indeed World War 3, but a different type of war. It is upon us now, and not a shot was fired.

So, the conclusion to this chapter is simply this: As far back as 2016, the US started experimenting in gain of function research with coronaviruses. This research was carried out in China, at the Wuhan Institute of Virology. They couldn't do the research in the United States because it had been banned in 2014. Dr Fauci arranged funding for this research with the full knowledge of the

## THE BIG CON

US State department. This is one of the reasons why they deceived the world. If it came out that the US itself funded research into the virus, the repercussions would be earth-shattering!

The Chinese Government then used this US-funded research to deliberately unleash its modified and enhanced version of the coronavirus onto the world. The US government were played as suckers and fell victim to the biggest con ever perpetrated on the planet. Thus, the United States itself funded the very research that created this virus, causing the premeditated murder of over a half a million of their citizens (more than WW1, WW2 and Vietnam combined) with the worldwide toll reaching into the millions, and Doctor Fauci himself could be guilty of crimes against humanity. More on Doctor Fauci in the next chapter.

## THE BIG CON

## CHAPTER THREE

### INSIDE THE MIND OF DR FAUCI

Doctor Antony Fauci, born 1940 (aged 80 years - he looks fabulous! I want whatever drugs he is taking!) is an American physician/scientist who serves as the director of the US National Institute of Allergy and Infectious diseases. He has been the chief medical adviser to every President since Ronald Reagan and has served the American public in various health capacities for more than 50 years.

He came to international prominence after the outbreak of COVID-19 and is a familiar face to hundreds of millions of people around the world, appearing on dozens of TV shows every week. He is considered highly trustworthy, with an impeccable reputation, and the world listens to his every word as an authority on the virus.

I have been analysing his speech ever since the outbreak of COVID and what I have found in his speech reversals is shocking. To say that the man is driven by motives that are less than honourable is an understatement.

## THE BIG CON

I want to start with a reversal on Fauci that inspired the title of this book. He is being asked when is life going to return to normal. He replied forwards, saying:  
“You cannot give a definite answer to this question”

Backwards, he says:  
“**We fed the big con**”

This is not a little con, but a big one, and one which he has actively and consciously perpetrated since the beginning. This theme is carried on, *ad infinitum*, throughout his reversals. In fact, in my 18 months of analysing him I have not found a single positive reversal, nor even one truthful statement. This is a serious claim, but one which I will prove in this chapter.

His rise to fame is monumental, but what gave him prominence is dubious, as the following reversal shows. He is saying forwards that people who have COVID go back into society and infect others.

Backwards he says:  
“**Bogus, the death made you**”

In other words, his claim is ridiculous, and he is riding on the coat-tails of those who have died.

This man's lies are constant. In this reversal he tells us how effective the vaccine is.

## THE BIG CON

Backwards he says:

**“Had to deal a scam”**

In other words, he had a compulsion to run a scam with the vaccine. Why? Then in the same month he tells us about new mask guidelines coming out with a reversal that says:

**“We must now be lying”**

Are masks ineffective? Fauci seems to think so, and this reversal I found on a client adds even more infamy to the mask mandate:

**“And rules the con with demon”**

Continuing with Fauci, this next reversal occurs as he talks about a new New York strain of the virus:

**“You will fake”**

This is followed by a reversal that seems to suggest that all the statistics we have been given, about deaths, infection etc, are a lie:

**“Witness lied”**

When he talks about a new variant of the virus in India, his reversal seems to suggest he wants the virus to explode:

**“But make it Nova”**

## THE BIG CON

Why would Fauci want the virus to go Nova (as in supernova)?

Unfortunately the answer is as old as humanity itself.  
Money!

Listen to this reversal:

**“Mess in it, my shares in the goal”**

He has a financial stake in the end goal of this war. What is the end goal? I will cover that shortly. This reversal is similar:

**“and the shares I foresee”**

Then we have this reversal:

**“Owes you money”**

There have even been rumours that Dr Fauci owns a patent on the spike protein used in the virus - as this reversal seems to suggest:

**“You own it”**

Even this reversal has overtones of money:

**“You made the bet, sick con”**

You may be interested to know that Doctor Fauci is the highest paid US government employee, earning more than the President with an annual salary of \$646,000 a

## THE BIG CON

year, plus royalties of an undisclosed amount.<sup>6</sup> His net worth is estimated to be in the millions, and he stands to make a whole lot more from the virus! He's not the only one. It is estimated that there are at least 9 new billionaires as a direct result of COVID vaccine production, with a combined wealth of at least 14 billion GBP. (Data taken from Forbes rich list)

Let us continue by looking at some of Fauci's reversals. Here he tell us forwards that the virus won't replicate once we reach herd immunity.

His reversal says:

**“Yes, dream in a con”**

In other words, he's only dreaming, and what he's saying is not true.

This reversal seems to suggest he really doesn't know what he's talking about and is only winging his answers:  
**“Wing it, you will fake”**

Then in the next reversal he talks forwards about multiple vaccines hitting the market with a reversal saying:

**“You scam in this”**

---

<sup>6</sup> <https://mywage.org/australia/salary/celebrity-pay/anthony-fauci>

## THE BIG CON

Yet another reference to a lie or con or scam. They're all the same.

In this reversal Fauci hints that he and others are planning some future event yet to be revealed:

**“The show we’re planning”**

It am reminded of his reversal - **my shares in the goal** - this game has only just begun!)

Then immediately afterwards he uses the con word again:

**“In the mud con”**

His next reversal acknowledges the major impact he and his cohorts had made on America:

**“We touched America”**

This man's mind certainly seems to be occupied with cons and negative thoughts, as this reversal shows:

**“Seize it, grievous thoughts”**

This is followed by:

**“It's in the death I knew”**

In this next reversal he acknowledges it is indeed a war we are in:

**“See a war”**

## THE BIG CON

Now we come to a theme that is scary. There are reversals on Fauci and others that refer to *the beast* and *the mark of the beast* when talking about the virus and vaccine.

These reversals seem to come straight out of the Book of Revelations and refer to the End Times.

Here is the first one:

**“Your soul, the beast did it”**

Is the pandemic a fight for our very soul?

And what or who is the beast? Here's another one:

**“Now we sealed that beast”**

This reversal occurs as he talks about the vaccine.

While we're on the topic, check out this reversal, also on the vaccine:

**“Then they mark you, all be lost”**

Is it possible that the vaccine is the mark of the beast, as talked about in the Book of Revelations in the Bible, or a prelude to that mark?

*“And it was allowed to give breath to the image of the beast, so that the image of the beast might even speak and might cause those who would not worship the*

## THE BIG CON

*image of the beast to be slain. Also it causes all, both small and great, both rich and poor, both free and slave, to be marked on the right hand or the forehead, so that no one can buy or sell unless he has the mark, that is, the name of the beast or the number of its name.”*

*(Revelations 13 v 15-17)*

I'll let you all ponder that question as you continue reading, but be aware that if this is true, and I believe it is, then there is a whole lot more to this virus than we have ever dreamed of.

It may be here literally to herald the prophesied apocalypse, and we could be fighting for our very souls!

As Doctor Fauci says backwards:  
**“There's a Satan”**

In fact, Fauci seems to suggest in his reversals that everything he touches is a disaster, as this reversal shows when he talks about the situation in India.

**“Guess what pain level will be with the help”**

And when he talks about the vaccines he says:  
**“Be damned, they're sent to kill”**

More on vaccines next chapter.

## THE BIG CON

Talking about death, Doctor Fauci seems to revel in it:  
**“Yes, there's a lot that kills”**

and

**“You're fake, had to kill”**

This reversal is his spirit talking to his conscious mind telling he is fake and he has a compulsion with death. Do you think he will listen to the voice of his spirit?

Slightly off topic but the same theme, even Bill Gates is obsessed with death and talks about killing people with the virus:

**“Send in mud, but look you kill them”**

So, this is Doctor Fauci. Would you like him to be your personal physician?

## THE BIG CON

## CHAPTER FOUR

### COVID TESTS AND THE VACCINE

Let me state something right off the bat in this chapter (no pun intended). *I am not against vaccines.* I have my 'flu shot every season, my children had all their shots as they grew up, and my five cats have their booster shots every year.

When the virus hit and Australia closed, I was anxiously awaiting the arrival of the COVID vaccine so I could travel again. That is, until I saw all the reversals on the vaccine...

They start with President Donald Trump - this one from April 2020 shortly after he announced his Operation Warp Speed to develop a rapid vaccine. He was talking forwards about logistics and in reverse he says:  
**“Your vaccine, they've broken it”**

I interpret this reversal as meaning, not that they have cracked the code as some have suggested, but rather that there is something wrong with the vaccine itself. The question then arises, who are “they”?

## THE BIG CON

Are they the vaccine researchers, or maybe something even more sinister?

What this experimental “vaccine” will do to the human body is unknown.

I have two reversals saying that it will cause cancer. One is on a Doctor Peter McCullough as he talks about the dangers of the vaccine. The reversal says:

**“It must release cancer”**

The second one is on a client as he talks about his daughter getting the vaccine. The reversal says:

**“They get cancers”**

Ironically enough, in May 2021 the cancer rate in England rose substantially. Authorities explained this away by saying that people had stayed indoors and hadn't had regular check-ups, and cancers therefore remained undetected, the impact of which is only now being felt.

However, I would suggest that because England was one of the first countries to get the vaccine, its negative effects are just now beginning to surface. If I am right, we are only just seeing the tip of the iceberg, as this reversal on Biden predicts:

**“We shall discover they'd be grievous”**

## THE BIG CON

They are going to discover in the future that their experimental vaccine is causing great harm.

Doctor Fauci and Facebook 'fact-checkers' tell us the vaccine is safe and effective, but here we have Doctor Fauci saying backwards that it will damage your health. As as he says forwards that the vaccine is safe, backwards, he says:

**“Damage their health”**

In the next clip from the same interview he says the vaccine will kill you:

**“Yes, send the dead”**

Also, in the same interview, President Obama states forwards that there have been almost no adverse consequences from the vaccine, but backwards he says:

**“You see they're culling you”**

The reversals of the vaccine causing death are many. Here are just some of them:

1/ On Fauci:

**“Bullshit, had the dead”**

2/ On Fauci:

**“The wolf with the dead”**

## THE BIG CON

3/ A premonition reversal on a client found May 2021:  
**“Dead in USA”**

4/ Kamala Harris:  
**“They carried the corpse”**

5/ Dr Peter McCullough:  
**“Burying, there will be dead”**

So, are these reversals accurate? Will we see a massive rise in deaths as a result of the vaccine? Unfortunately, the statistics gathered so far say that we will.

The Management Board of the European Medicines Agency, in their report through May 22, 2021, lists 12,184 deaths and 1,196,190 injuries following injections of four experimental COVID-19 shots:

COVID-19 MRNA VACCINE MODERNA (CX-024414)  
COVID-19 MRNA VACCINE PFIZER-BIONTECH  
COVID-19 VACCINE ASTRAZENECA (CHADOX1 NCOV-19)  
COVID-19 VACCINE JANSSEN (AD26.COV2.S)

From the total of injuries recorded, there are 604,744 serious injuries - which equals over 50%.

These statistics are in Europe. The US statistics can be seen here:

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/safety/adverse-events.html>

## THE BIG CON

Over 285 million doses of COVID-19 vaccines were administered in the United States from December 14, 2020, through May 24, 2021. During this time, VAERS received 4,863 reports of death among people who received a COVID-19 vaccine. CDC and FDA physicians review each case report of death as soon as notified and CDC requests medical records to further assess reports.

These reports are alarming. Almost 20,000 deaths now in Europe and the United States as a direct result of the vaccine, and this is only just beginning. As the long-term effects of this experimental vaccine become apparent over the next few months and years, the world will truly be living in an apocalypse - the Book of Revelations style!

These alarming reversals are not just limited to the vaccine. Even the test itself is a weapon, as this reversal on Joe Biden shows:

**“The test a weapon”**

Then we have a reversal on the Premier of the State of Victoria in Australia that says:

**“Noose with the testing”**

In other words, it is dangerous, can harm you, and may even kill you.

## THE BIG CON

You may be surprised to know that six of the major test swabs are made in China! These swabs contain a chemical on the tip called EO, or Ethylene Oxide. This is a carcinogen. It can kill you, and they are putting it up your nose. There is a video on the Reverse Speech “The Big Con” page that explains this. I suggest you watch it and then don't even consider getting a COVID test.

So, the virus can kill you, the vaccine can kill you and the test can kill you. This is a nightmare of unimaginable proportions. The Chinese Government did a very good job in bringing about Armageddon and even profiting from it.

I fear it is too late to stop it now, but you can survive it and bring about a positive change for all. I will cover this in the last chapter.

## CHAPTER FIVE

### THE CHINESE COMMUNIST PARTY

In this chapter I will present the remaining reversals I have on the Chinese Ambassador to the United States, Cui Tiankai.

Many of these reversals are disturbing, pointing to rather dubious motives. However, I want to make a statement right up front: I am not talking about the Chinese people, or the citizens of China. I have great respect for China. I do not have respect for the CCP. It is the CCP I am referring to in this chapter.

Also, let me make a brief comment about bi-lingual people and Reverse Speech. Obviously the Chinese Ambassador's mother tongue is Mandarin, yet he is speaking very fluent English in these interviews. Would his reversals be in English or Mandarin? The answer is, both. In the studies I have done on bi-lingual people it would appear that the speech reversals will occur in the language the speaker is thinking in at the time. Therefore, depending on how fluent the person is in the second language will directly affect the number of reversals that are found in that language. Usually you

## THE BIG CON

will find both languages in reverse. In fact, sometimes a reversal can start out in one language and then switch halfway through the sentence to the second language.

I found many English reversals on the Ambassador, however, the reversals do have his Mandarin accent, so when you are listening to them, please bear that in mind. And yes, there would also have been reversals in Mandarin but because I only speak English obviously those reversals I have missed. Nevertheless we have a very complete picture here of the motives and intent of the CCP.

We begin this analysis with an interview the Ambassador did in January 2020. He begins by saying this year is the 40<sup>th</sup> anniversary of diplomatic relations with the United States. Backwards he says:  
**“But you serve a Nazi”**

This is a theme of conquest and domination by the CCP that continues throughout this interview.

The next reversal is cryptic but very important. I often get asked why would the Chinese intentionally release a dangerous pathogen because it would also kill their own people.

The following reversal answers that question:  
**“Germ made an armour, office doubts.”**

## THE BIG CON

When interpreting cryptic reversals it is easier to see a picture of the image the reversal creates and then describe that picture. In this case I saw a germ surrounded by a protective armour. I immediately thought, they've got an antidote. So I googled the deaths in China by COVID and came up with a figure that shocked me!

China has a population of 1.4 billion, yet the official figures, updated on the 9<sup>th</sup> of June 2021, show only a total of 91,316 cases of COVID, and 4,636 deaths.

This is incredible. How can it be so low?

Either the figures are inaccurate (which is highly possible) or they have an antidote which they gave all their citizens! Of course, logic dictates that if you are going to release a dangerous pathogen onto the world, you'd better make sure you have the antidote first (as opposed to a vaccine).

The next reversal contains a word that I have found over and over again on multiple players. It simply says:  
**“We sit in that con”**

Its meaning is obvious.

This is followed by:

**“There's war in that earth, she'll suffer”**

## THE BIG CON

Bear in mind this was recorded in January 2020 and it shows that the ambassador knew war and suffering was coming, before the virus hit the planet. Then he immediately confirms this with a reversal that says:  
**“Cull, it was habit”**

In other words, we are going to cull you all because that's what we always do. Its our habit. It was also the habit of the Nazis, with whom the ambassador identifies with in the next reversal:  
**“Fuck this, we better sell Nazi”**

Why does this CCP think that this plan will succeed?  
Simply, they think we are dumb:  
**“So loving the dumb”**

Looking at the success of the plan so far, with China essentially given a free pass, I think they were right.

The dumb will lay down and willingly accept the CCP's outcome, which is conquest. We saw that with the Nazi reversal, and now this one using the metaphor **Rome** which is conquest, as well as expanding one's Kingdom:  
**“The love sent our Rome”**

This following reversal confirms it:  
**“We serve evil”**

## THE BIG CON

Then we have some interesting reversals as he talks about Hong Kong. The first one says:

**“So lease the dollar”**

...which seems to refer to financial leveraging and control.

The next reversal would appear to be a threat to Hong Kong:

**“They show the noose”**

On another topic, the Ambassador talks forwards about the nuclear arsenals of the US and Russia, saying that China's nuclear arsenal is much smaller.

The reversal says:

**“Run mess with our honesty”**

...which essentially means he is being less than honest and who knows how large their nuclear arsenal is. Quite large, I would suspect.

Based on all these reversals, you can't believe a word that comes out of the current Ambassador's mouth. I wonder how the existence of Reverse Speech will affect sensitive world security and intelligence operations?

## THE BIG CON

Then he continues the same theme we have seen before:

**“Adolf beat the law”**

Their philosophy is Nazism, they have no regard for the law and want to achieve total world domination. This is what all the reversals are saying.

After this we have a puzzling reversal that seems to somehow connect Australia to the crisis. This is strange because tensions between Australia and China are quite high right now after Australia called for an investigation into the source of the virus. China struck back and increased tariffs on Australian goods. I will devote a whole chapter to Australia later in this book.

The reversal is:

**“The lies serving me Sydney”**

Further on, as he talks about claimed good relations with the United States, he says backwards:

**“This is shallow, we cope”**

...in other words they put up with the US because they have to and the relationship to the CCP is rather meaningless.

Once again, you can't trust them, as we see in this reversal as he talks about building mutual confidence:

**“Bullshit”**

## THE BIG CON

The next reversal goes to motive as he talks about building mutual respect with the US.

Backwards he says:

**“Boost enemy servant”**

This essentially means he sees America as an enemy and the goal is to make the US serve the CCP even more than they are doing right now.

So, we have one reversal after another showing the Chinese Government's real intentions. Is there any doubt left in anyone's mind that the CCP deliberately and with premeditation released the bio weapon to achieve exactly what has been happening?

Their plans of conquest have now been exposed for the world to hear. Not surprisingly, this includes Taiwan, as the following reversal shows:

**“I must sue, tip Taiwan”**

In conclusion, the Chinese Government planned and created this world wide pandemic to establish their hold, militarily and financially, on the rest of world. They see themselves as superior to the rest of us, just like Nazis did, and have no issues with lying, conning and deceiving to achieve their goals.

Had it not been for Reverse Speech, their hidden agenda would have never been discovered. It is now up to you

## THE BIG CON

to use this knowledge to halt their march and turn it all around to our advantage. I'll show you how to do this in the final chapter.

# CHAPTER SIX

## THE VIRUS, US POLITICS AND RELIGION

Every time I publish or post political reversals I get accused of bias by someone, somewhere, whether the reversals I find support the right or the left. So let's start this chapter off by simply saying that I document what I find, check it against the requirements that qualify it as a reversal and then get the reversals validated by others, usually my right hand man, Jeff Toth.

Sometimes what I find supports the right, sometimes the left, and at other times they throw the whole system out of the door! As for my own political leanings, in Australia I have voted for both of our parties, Labour or Liberal, at various elections, depending on factors current at the time. So with that in mind let's start looking at reversals I have found on various political and religious figures since the virus began.

We begin our analysis with Donald Trump in March 2020, as the gravity of this new pandemic was being realised.

## THE BIG CON

In a rally, he says in reverse:

**“Do you see a war?”**

The reversal appears to be a self-questioning, as he wonders about the seriousness of what is happening.

Immediately after this reversal there is another which uses a word I have never heard in reverse before, but one that begins to appear in reference to the virus. The reversal is:

**“Their fellow zombie”**

Maybe the religious right got wind of this, and they prayed for Trump to be protected. Here, Pastor John Kilpatrick prays in tongues for Trump to be protected from witchcraft.

One wonders, though, how effective his prayers were with a reversal that says:

**“Oh look at me”**

Didn't Jesus warn us about Pharisees who pray in public to boast how pious they are...

The following reversal on a pastor speaking in tongues is similar:

**“The love on my TV”**

## THE BIG CON

With reversals like these, no amount of prayer was going to help America.

The next hint we get that the US government is concerned about the virus, can be found on Attorney General, Bill Barr, as he says forwards, the cure cannot be worse than the disease. Backwards he says:

**“So we panic”**

They may have been panicking, but the Trump Administration appeared to take no action against China for releasing the virus, as this reversal on Trump shows:

**“You forgive it”**

The Democrats started attacking Trump for his lack of response with House Speaker, Nancy Pelosi, being the most vocal. However, much of her criticism had little to do with Trump, but was rather about herself, as this reversal shows:

**“I am the shit..”**

There was little real concern, it seemed, it was all more about scoring political points and self promotion. We see this in Kamala Harris as she talks forwards about her concerns for the pandemic:

**“It's a con”**

## THE BIG CON

And Bill Clinton seems equally disinterested when he talks forwards, seemingly with great concern about the virus, but backwards he says:

**“I like my path on my girl bunny”**

Still chasing women, eh, Bill - and in the middle of a pandemic at that.

Around the same time, Obama hit the campaign trail for Joe Biden, with some rather damning reversals. When you watch this one on the video, take particular note of his hand movements, and how he seems to underline his last statement:

**“I'm the killer”**

The whole reversal says:

**“Oh beat with the law, I'm the killer”**

His backward hand movements also tap out this reversal: **“The crime when we lie we lead”**

...which seems to implicate him in the very crime he is accusing America of in the forwards!

Then as House Speaker, Nancy Pelosi, says that we cannot open schools unless we beat the virus, she says backwards quite clearly:

**“But it's a con with you”**

## THE BIG CON

...in other words, she is lying, and schools should have never been closed in the first place.

She confirms in the very next reversal:  
**“Serve you with a hoax, you coward”**

It makes me wonder whether all the extreme measures taken were actually necessary.

Then the following reversal on Pelosi confirms that she is really only concerned about her own agenda:  
**“And I was a selfish shit”**

Trump, however, seems to see this conflict a little differently to most in this reversal:  
**“And then the battle with the Light”**

Many would say that this time we are living through is in fact a battle between the light and the dark, as the reversals I quoted about the mark of the beast earlier would indicate.

Yet certain figures in politics seem to want to use this crisis to push their own agenda as Biden says backwards, when he urges Americans to limit the numbers at thanksgiving:  
**“Maximum scam”**

## THE BIG CON

Combine this with Pelosi's reversals about school closures being unnecessary and Fauci's reversals saying masks are unnecessary and you wonder what this is really all about.

Further on, as Biden talks about mask mandates, he says backwards:

**“See the Lucifer”**

Is all this really a Luciferian agenda?

Further on we have Biden actually admitting forwards that we are in a war, with casualties:

**“They die in it”**

I don't like what he sees as an outcome, however, or as Fauci says, the end goal. The reversal is:

**“A new God”**

Is this really what the pandemic is all about? The mark of the beast and a new God (or antichrist)?<sup>7</sup>

Biden's following reversal makes one wonder:

**“But I'm masonic”**

---

7 AI is considered the new God by those pushing the 2025 agenda which includes the Smart Grid and the Internet Of Things with which post-humanity will be required to integrate. This NASA Power Point presentation from 2001 explains:  
<https://archive.org/details/FutureStrategicIssuesFutureWarfareCirca2025/page/n49/mode/2up>

## THE BIG CON

His following reversal suggests that he made a rather dubious statement as he took his oath of office:

**“Demonic oath.”**

Biden talks a lot in his Presidency about following the science, let the scientists tell us what to do, but we must wonder how accurate the alleged science being quoted really is when he says backwards:

**“Making a fraud of this”**

Then we hear Canadian Prime Minister, Justin Trudeau, saying backwards at a climate conference in April 2021:

**“We make it, pandemic”**

Have world leaders all cooperated to make this pandemic appear to be worse than it actually is?

A reversal on Florida's Governor, Ron Desantis, seems to support this, as well as give a motive that he sees for this fabrication, with the metaphor *roman*, (domination and control):

**“Scammed an illness, see Roman”**

This is followed by a reversal that mentions a theme we discussed in a previous chapter, that the vaccine kills:

**“Helpless to get more dead”**

## THE BIG CON

As Biden gives his inaugural address in January 2021, he continues this theme by saying in reverse:

**“Hear their Rome”**

This is the new empire that “they” wish to set up. Who are *they*? I'm not too sure yet. Certainly Obama's reversals quoted in this book so far would seem to suggest he is one of the people giving orders. Also Biden, in his inaugural address, repeats word for word an earlier reversal of his:

**“A new God”**

Is it possible that certain nefarious characters are using and exaggerating this pandemic so they can bring in their new world order? Maybe the Chinese gave them just what they were looking for. Joe Biden should open his eyes and look around.

Certainly he appears not to know what he doing, because as he talks forwards about beating the pandemic, he spirit chastises him, saying:

**“They're fucked, oh you foul liar!”**

Then we see an even worse reversal on him as he talks about vaccinating 100 million Americans:

**“Walk that demon”**

This repeats the theme we have seen before of the vaccine causing harm and maybe even being the prelude

## THE BIG CON

to the mark of the beast. Biden continues referencing harm backwards as he talks forwards about vaccinating every single American:

**“Crime, here is the loss”**

Excuse me if I am getting a little bit apocalyptic but, as always, I go where the reversals lead, and this is where they have led me.

In May 2021, I found a reversal on Obama, interviewing Doctor Fauci, that said:

**“Jesus seduced, but we love Rome”**

This reversal summarises the conflict and decision that we must all make. Do we follow the light or the dark? This reversal on Obama tells us that America has chosen the dark. Jesus does not seduce, he invites. The church seduces. Rome is about money and power and control. Which path will you choose?<sup>8</sup>

Just look at the reversals of some current religious leaders to see who is really doing the seducing.

1/ Kenneth Copeland as part of a sermon claiming COVID will be over soon:

**“Make money.”**

---

<sup>8</sup> The Vatican has two groups, both investigating COVID and transhumanism, and working with the groups Humanity 2.0 and The Transhuman Code, to decide on future policies.

## THE BIG CON

This shows his real motives.

2/ Kenneth Copeland urging his people to continue tithing even though COVID has shut everything down: **“Your formula’s fucked.”**

What he is doing is very wrong!

3/ Reverend Sylvester Beaman giving the benediction at Biden's inauguration: **“I'm going to keep the mocking”**

Not very congruent. He is mocking God. Jesus told us to pray in private, not in public.

4/ A woman using Light Language: **“In a Satan.”** (or inner Satan)

Either way, it's not good, and America is way off the spiritual path.

5/ Dolores Cannon as she talks about guardian angels wanting to help us: **“Really, really for Hitler”**

Like I said, we are way off the spiritual path.

6/ Neale Donald Walsch: **“Dark walk do you over, here's the money.”**

## THE BIG CON

Everyone wants money and will walk on the dark side of grandiose self-interest to get it.

7/ Pastor Jesse Duplantis talking about the new kingdom of God coming:

**“Sell, buy books”**

I guess we see his real motives.

8/ Oprah Winfrey asking God for help:

**“We don't know, Satan Shock”**

Unfortunately the Bible says that even the very elect will be deceived and I have published reversals on Oprah that are far from flattering in a previous book.

9/ Pastor Peter Popoff casting out a demon:

**“Scamming this world theory”**

He doesn't even believe Christianity is real. Its just a theory.

10/ Pastor Robert Tillton:

**“I want the women”**

Are you surprised?

11/ Pastor McGee:

**“My advice is rancid”**

## THE BIG CON

I wouldn't go to him for counselling.

12/ Billy Graham:  
**"I was a shit"**

Oh my! Was he really?

13/ Billy Graham again talking to Richard Nixon about a rally he was about to conduct:  
**"I'm going to cause their pain"**

Not a very good unconscious message to have about a rally! Could it be that Billy Graham's motives were suspect, either consciously or unconsciously?

14/ Channelling Kyron (Lee Carrol):  
**"How we are stupid"**

and  
**"Hear to lie you"**

15/ Channelling Abraham (Ester Hicks):  
**"See a war, Satanist"**

and  
**"Say they rape"**

Now, listen to the reversals of some of our key politicians and tell me that we haven't already chosen the dark.

## THE BIG CON

1/ Hillary Clinton:  
**“Great Satan”**

2/ John McCain:  
**“Sell, Satan, Sell”**

3/ The crowd at an Obama rally:  
**“Thank you Satan, thank you”**

4/ Bernie Sanders:  
**“Here to sell Satan”**

5/ Bill Clinton:  
**“I am Satan”**

Reverse Speech has a blunt message to deliver to the world. We have already given ourselves over to dark forces. It is not yet to come. It is here. America's religions are corrupt, leading people along a dark path, preaching a gospel that is the very antithesis of everything Jesus taught.

Our politicians are equally dark, as this chapter has shown. We are truly in a very dark age, devoid of the light, and the sad thing is, we have absolutely no idea this is the case.

## THE BIG CON

Economist Klaus Schwab has a reversal from an economic forum he spoke at in July 2020 that really sums up where we are at:

**“I send the dark horses, nuke it”**

This phrase seems to be straight out of the Book of Revelations - Chapter Six. The four horsemen of the apocalypse, bringing conquest, war, famine, and death.

Thus we have references to “The mark,” “The Beast,” and the four horsemen.

Jesus said that in the last days every secret hidden will be shouted from the roof tops:

*“What you have said in the dark will be heard in the daylight, and what you have whispered in the ear in the inner rooms will be proclaimed from the roofs.”*

(Luke 12:3)

Reverse Speech is the fulfilment of this prophecy. It has come at this point in history to reveal the darkness, expose hidden secrets, and lead us to the light.

As Reverse Speech itself tells:

**“Its the voice in heaven”**

# CHAPTER SEVEN

## OTHER BIG CONS

Do you think the big con is limited to the virus? Not even close. Our whole society is in the grip of lies, deceit, half truths and cons. It has crept up on us over the years and we have tacitly sat back and done nothing, except post on social media and complain to our friends. This lack of action is exactly what “they” plan on to achieve their agenda of worldwide domination and a whole new world order. The first time in my memory that the public saw, and bought into, this Big Con was the assassination of John F Kennedy in Dallas, Texas on November 22nd 1963.

As the newly sworn-in President Johnson addressed Congress, five days after the assassination, he said forwards:

*“All I have I would have given gladly not to be standing here today.”*

Backwards he said:

**“See the con”**

## THE BIG CON

This reversal sets the theme for the whole assassination.

The American public was conned and the country was overthrown in a violent *coup d'état*. What did the public do about it? Nothing. They just watched the United States Select Committee on Assassinations declare it might have been a conspiracy when they released their findings in 1978.<sup>9</sup>

Book closed - nothing more done.

As Gerald Ford said backwards, talking about the select committee:

**“I'm the sham that made it up”**

We all suspected this. Why did we do nothing? Why are we doing nothing now when the powers-that-be have decreed our lives should all suddenly change?

So who really killed JFK? What is the con that LBJ talks about? Once again, this may not be a surprise to many people.

---

9 The Committee was set up in 1976 to investigate the assassinations of John F Kennedy and Martin Luther King Jr in 1963 and 1968 respectively. The HSCA completed its investigation in 1978 and issued its final report the following year, concluding that Kennedy was probably assassinated as a result of a conspiracy.

## THE BIG CON

J Edgar Hoover financed the whole operation, as this reversal shows:

**“I financed this evil”**

...using the American mafia in his plans.

One of the real assassins was mafia hit man, James Files, who has identified himself as the shooter behind the grassy knoll. His reversal confirms this, saying:

**“Hit him with my round”**

Lee Harvey Oswald was actually working for the CIA to stop the assassination as this reversal shows:

**“Here to serve White House”**

Amazingly, a few years ago his star, mysteriously appeared on the CIA's wall of honour for agents killed in the line of duty.<sup>10</sup> A CIA spokesman, when asked about it, refused to comment or elaborate on why the agency had added Oswald's name to the memorial, only saying that after 50 years several documents had been declassified, which had finally allowed the Agency to set the record straight.

*“I think the CIA's admission that Oswald was killed on an agency mission finally proves there was government involvement in the Kennedy assassination,”* explains conspiracy theorist Reuben Harris.

---

<sup>10</sup> <https://warriorgirl3.wordpress.com/2013/11/22/lee-harvey-oswald-quietly-added-to-cia-memorial-wall/>

## THE BIG CON

Why is the American public not up in arms over this?

Oswald knew who the real killers were - as this reversal found on him after his arrest shows:

**“All three men are walking”**

This is why he, himself, was assassinated on orders from the unknown powers, so he wouldn't talk. Jack Ruby's reversal tells us this:

**“Dark Ghost sealed this order.”**

If Lee Harvey Oswald had not been killed, we would know the real truth behind the assassination.

Oswald's reversal after his arrest says it all:

**“I'll reveal the killer”**

There is a “dark ghost” behind US politics, pulling all the strings and making us all dance to their tune.

George HW Bush was a member of what I call the Dark Ghost cabal as his Son's reversal shows:

**“Rule the planet Dad”**

Also a member of the dark ghost was Ike Eisenhower, although he was never suspected, as George HW Bush reveals at Gerald Ford's funeral:

**“The crime avoided Ike”**

## THE BIG CON

Note George Bush's forward speech in this example, accusing a crazed gunman of killing JFK. However, as a former head of the CIA, there is no way Bush did not know the real truth. David Rockefeller would also appear to have also been a member of this society, as the following reversal suggests:

**“Make the deal with your wars”**

I have over 200 reversals on my website dealing with the JFK assassination where my full analysis is laid out very clearly.<sup>11</sup>

Now we are in a new generation and there are new members of the dark ghost cabal ruling the planet. Obama is one of them. He is giving Biden orders. There are others I haven't found yet but I hope to.

The next major con to hit the public, which, once again, everyone just allowed to happen, was the assassination of Robert Kennedy. Reversal analysis of Sirhan Sirhan reveals he was mind-controlled to do the killing, and when asked a direct question as to whether he was involved in a conspiracy he denies it forwards, but backwards he says:

**“And you see this liar”<sup>12</sup>**

---

11 <http://www.jfkassassinationsolved.com>

12 For a full analysis of this assassination go to:

<https://reversespeech.com/reversal/sirhan-sirhan-robert-kennedys-assassin/>

## THE BIG CON

The attack on the World Trade Centre on September 11, 2001, was a major event not only for America but for the whole world. We were told that terrorists flew planes into the Twin towers, which is true. But what we were not told was that dark ghosts within the United States knew well in advance that this attack was going to happen, and actually wanted it so they could go to war with Iraq. George HW Bush's reversal verifies this:  
**“Just Iraq with it”**

...along with a reversal on Paul Wolfowitz, US Deputy Secretary of Defense under George W Bush, just a few days after the attacks:  
**“Kill the muslim without doubt”**

Wolfowitz further goes on to say this backwards:  
**“Yeah, our boss hidden”**

This reversal suggests that there are other hidden powers pulling the strings behind the scenes - or the dark ghost cabal (maybe the beast?)

Some of these other hidden players include the Saudis, as Cheney says backwards five days after the attack:  
**“The show by the Sultan, guard it”**

...in other words, he is covering for the Saudis.

The owner of the twin towers, Larry Silverstein, also had prior knowledge of this attack and, according to the

## THE BIG CON

reversals, actually installed explosives into the complex and destroyed what the planes didn't.

These two reversals show this:

**“Feel the bomb with hit”**

and

**“Blow it up”**

Despite footage of the attacks clearly showing explosions in the building and WTC7 collapsing without even being hit, Larry Silverstein has never been asked any questions about this, and is currently worth 3.5 billion dollars. As a side note, explosives experts who have analysed the wreckage confirm that this was a controlled demolition, and they state that it was a thermite reaction.<sup>13</sup>

The dark ghost cabal reigns supreme, and mass murder is one of their calling-cards. They have been allowed to operate unchecked and unseen for decades, maybe centuries. They are responsible for this current pandemic (not necessarily the virus itself) and the new world order they plan to establish. The Roman empire and the Nazis live on, just in a different guise.

## THE BIG CON

# CHAPTER EIGHT

## THE RISE OF THE NAZIS

I have always thought that it was ironic that my research into what I would eventually call Reverse Speech began originally in 1984, the year of Big Brother. This novel by George Orwell, first published in 1949,<sup>14</sup> describes a totalitarian society where Big Brother (the government) controlled our lives, telling us what to do, what to think, and what was truth. The novel had such an impact on society that the term Big Brother has since become commonplace in our language and we all know what it means.

**Be careful... Big Brother is watching**

---

<sup>14</sup> Orwell began writing the book in 1944 and completed it in 1948, reversing the digits to give the dystopian future date of 1984.

## THE BIG CON

It might be a joke, but Big Brother has been creeping into society for years, and not only from the government where one would expect, but also from the private sector and the media. Facebook fact-checkers are notorious for this, telling us what we can post and warning us if the content of our post does not meet their accepted version of what they deem to be truth. Then, if we dare cross that line, we are banned for a week or a month, depending on how serious they consider our violation of their truth has been. Only just last year Facebook was banning anyone who dared to suggest the virus came from a lab leak. They have since been forced to remove than ban as more evidence has come to light showing that it might actually have been leaked from a lab (intentionally or unintentionally).

If the US government tried to censor opinion like this there would be an uproar and violent riots on the streets. The First Amendment protects the right of free speech for the citizens and the press, as well as the right of assembly. The government would never be allowed to suppress free speech (except in China) in any way. So why do we allow social media giants to do it to us?

Social media companies are notorious for collecting, storing and even selling our private data. They track and monitor our posts, our location, and our every move. Facebook's CEO has been asked about these

## THE BIG CON

activities numerous times in Congressional hearings. In one instance, he was asked about Facebook's use of Centra, a data tracking tool. ("Centra tracks different profiles that a user visits, their message recipients, their linked accounts, the pages they visit around the web that have Facebook buttons. Centra also uses behavioral data to monitor users' accounts, even if those accounts are registered under a different name." - quote from Google search)

He denied it forwards, but backwards he says:  
**"The real con"**

This indicates he is totally lying and this is one of the purposes behind Facebook. To track and monitor.

In another statement he says forwards that he believes everyone should have good privacy controls, but backwards he says:  
**"They're not safe"**

In other words, our data and movements and posts and thoughts that are all tracked and monitored have no secure protection. Then to take it even further, in the same interview he talked about building AI systems to track movements, and backwards he said:  
**"It's the CIA Lord within you"**

## THE BIG CON

Just who is Mark Zuckerberg in bed with?<sup>15</sup>

This is just Facebook. How many other private and government entities are doing exactly the same thing, and coordinating all their data? George W Bush said as much when talking about retirement accounts while he was in office.

Backwards he said:

**“And America wants her file on it”**

People have usually been puzzled when I've played that reversal in the past, but to me its meaning has always been obvious - Big Brother is coming.

Then we have surveillance everywhere. Cameras on every street corner, in buses and taxis, airports and shopping centres, using facial recognition to track our every movement. This is just what George Orwell predicted. Intelligence agency robots scan our emails and social media posts, looking for key words and phrases. All of this for our safety and security, so we have been told. It has happened so gradually and so

---

15 Facebook appeared immediately after the claimed cessation of LifeLog, a DARPA project whose aim was to “capture, store, and make accessible the flow of one person's experience in and interactions with the world...to...trace the 'threads' of an individual's life in terms of events, states, and relationships and...take in all of a subject's experience, from phone numbers dialled and e-mail messages viewed to every breath taken, step made and place gone.” ~Ed

## THE BIG CON

subtly - all in the name of progress - for years, so that we have just grown to accept it as a normal part of life. No one questions it. Why should they? The government says it's for our own good.

So when 'the virus' comes along and the population are scared half to death by all the propaganda, they line up like sheep to get 'the vaccine' because the government told them it was safe.

As a reversal on a client, who was concerned because he had just gotten the vaccine, says:  
**“Sheep serving the con”**

The sheep have indeed served the con, and now there is even a social divide beginning between the vaccinated and the unvaccinated. The vaccinated are given certain privileges that the unvaccinated aren't.

**"Show me your papers, please!"**

## THE BIG CON

Then we have the media, the so-called 'free press'. Over the last decade, the emphasis of the mainstream media has slowly changed from that of a free and open press to one leaning decidedly to the left. Stories supporting a right-wing philosophy are mostly ignored and discarded. This is particularly true of CNN who seem to be nothing more than a mouthpiece for the Democratic Party.

Trump called the mainstream media “fake news” and he was vilified for it, most likely because it struck a nerve.

Listen to him attack the media in a press conference:  
**“And they gave worse than a zero”**

As he continues his attack, he says backwards:  
**“And they all sin together”**

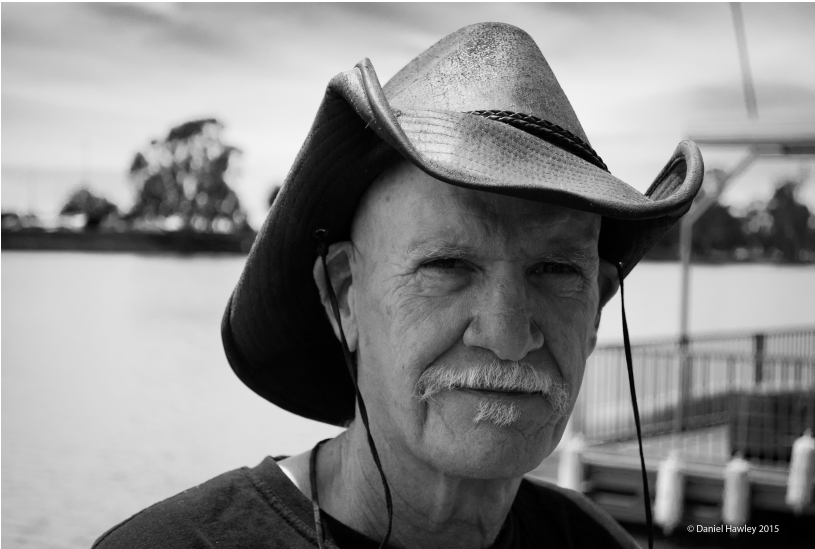

Even the CDC are nervous about the media, who are mostly toeing the CDC's line, saying in reverse:  
**“Media scary.”**

The mainstream media have forgotten their basic founding premise - to report the truth freely and independently. Now, in my opinion, it has become just like the party spokesperson of 1930s Germany.

## THE BIG CON

This sound clip from FBI agent Rouse gives an ominous warning about where this bias of the press will lead:  
**“Armageddon, the shame of media”**

Once again, a reference to an apocalypse.

**Greg Albrecht**

My late research partner, Greg Albrecht, had just finished writing a book on Reverse Speech when he died, after being absent from the field for more than 30 years. We worked together in 1987 as we co-wrote the first book on Reverse Speech, *“Beyond Backward Masking.”*

## THE BIG CON

Greg had returned to Reverse Speech in recent times and had spent three years researching his new book, entitled “*Reverse Speech, Unmasking the United States Nazi Elite.*” (see tribute video). The book title said it all. Unfortunately, Greg passed away mysteriously in January 2019 - cause of death undetermined - before his book could be published, and his family has refused all requests to release it.

However, this is the essence of his book as I recall: Greg claimed that the Nazi elite had infiltrated American society since the beginning of Operation Paperclip, authorised by Harry Truman, in 1945. The purpose of this controversial top secret operation was to bring former Nazi scientists to the United States to harness their knowledge for scientific advancements, allegedly in preparation for the Cold War.

Greg claimed, with extensive reversals to support his claim, that these Nazis had risen to high levels of power in the US government and intelligence organisations. He further claimed that they were planning a major world event where they could bring in their new world order of Nazi domination under a different form. Enter the coronavirus...

Greg's book was stunningly accurate, because what we are seeing now across the world is exactly what he predicted in his book. The Nazis are indeed returning,

## THE BIG CON

except they have different names and different uniforms. Their purpose and intent is the same, except their means of warfare has been modernised and updated. They don't just use guns any more. They also use the internet and the media, bio-weapons and vaccines.<sup>16</sup>

I have proposed in this book that the virus was deliberately released. I have quoted reversals that support this proposition. I believe the CCP is working hand-in-hand with the dark ghost. But even if it was an accidental release, it does not negate the fact that the dark ghost cabal, or modern Nazis, used this vent to kick-start the agenda they have been planning for decades.

The world is in the middle of a great transition. Unless we all recognise what is happening and work together to change it, the Nazis, or their philosophy, will indeed return for a second time, and this time they will succeed in implementing their agenda. I am serious!

The cabal has connections all over the world (the Illuminati, masons and the like). We have already shown that Doctor Fauci was cooperating with China to create this virus using gain of function research. We have connected David Rockefeller, Klaus Schwab, Obama,

---

<sup>16</sup> <https://archive.org/details/FutureStrategicIssuesFutureWarfareCirca2025/page/n111/mode/2up~Ed>

## THE BIG CON

George HW Bush, J Edgar Hoover and the CIA, and this only the start. There are so many reversals to be done and nefarious characters to be uncovered. Only time will piece all the connections together - if we *have* time, that is.

One thing is for sure, though. The world is in the middle of a major change. Whether it goes to the Light or the Dark depends entirely on you. My contribution to the light is this book. What will yours be?

# CHAPTER NINE

## COVID AND AUSTRALIA

Australia responded very quickly to the outbreak of COVID-19, closing their borders to the entire world early in 2020. The borders remain closed to this day, except for those given special exemptions. This situation effectively shut down my international career and I moved my business entirely online in 2020. I, like many Australians, suffered economically and I was grateful to receive the support the government offered in the form of monthly payments called Jobkeeper payments and a series of large lump sum payments entitled stimulus cheques.

However, there was a dark side to these measures, in the form of government control, lock-downs, and a loss of personal freedoms. This caused many alleged conspiracy-type theorists to suggest that Australia was the testing-ground for the coming of a new world order.

In many states, including my own state of South Australia, the government brought in a bar code scanning system, called QR codes. These QR codes were displayed at all shops and services, virtually everywhere

## THE BIG CON

you went. Australian citizens were required to scan the QR codes with a government app before entering the premises. This was for contact tracing, or so we were told. Recently the South Australian government sent teams of plain clothes officers out into the community to enforce the scanning of QR codes. The fine for not doing so was \$1060. Those trying to dodge the system were effectively scared into compliance.

Furthermore, protests against these lock-downs and other measures were met with strong police resistance, large fines and jail sentences. Consequently, most of these protests have now ceased. State borders were closed, with heavy penalties imposed for breaking the quarantine. This despite the fact that as of June 2021 less than 30,000 cases of COVID have been reported in Australia since the start of the outbreak, and a total of 910 deaths, significantly lower numbers than the rest of the world. The government states that these low numbers were a direct result of the harsh measures they put in place.

So let's look at the speech reversals of Australia's leaders and see if they can give us any insight into what was really going on.

First we look at the Premier of the state of Victoria, Daniel Andrews. Victoria was the state hit the hardest, with extensive lock-downs lasting for weeks and months

## THE BIG CON

on end. People were unable to leave their homes except for essential services such as medical appointments, shopping, and limited exercise.

As Andrews talks forwards about the construction industry being affected he says backwards:

**“I sell war with NASA”**

What is NASA doing in his reversals?<sup>17</sup>

Then, talking about lock-downs, he says backwards:

**“Wide with the fake”**

...indicating the lock-downs were totally unnecessary.

Continuing on lock-downs, he says backwards:

**“The loss, my folly”**

...which confirms his previous reversal, and affirms that millions of families and businesses lost their livelihood and freedoms over a foolish and unnecessary decision.

As our chief medical officer, Paul Kelly, tells us about all the COVID testings that are being done, we hear a reversal that only confirms what I have said previously in this book - that the test is a weapon.

---

17 2001 NASA presentation by Dennis M Bushnell, chief scientist at NASA Langley Research Centre (currently working on climate issues): <https://archive.org/details/FutureStrategicIssuesFutureWarfareCirca2025/page/n111/mode/2up~Ed>

## THE BIG CON

Kelly's reversal says:  
**“Satan's live men”**

Now, turning to Australia's Prime Minister, Scott Morrison, who by the way is a Pentecostal Christian, we see a rather ominous picture.

As he talks forwards about the government's confidence in all the measures being imposed to combat the virus, we hear a reversal that to this day still puzzles me:  
**“We planned the nerve mixer”**

What exactly is the nerve mixer that the Australia government has planned?<sup>18</sup>

Then, talking about the vaccination programme, he delivers a reversal that we have heard before:  
**“Shown the stab with that”**

...in other words he knows there are problems with the vaccine.

He has an ominous reversal as he talks about measures the Australian government is taking:  
**“A new Aussie”**

---

18 This video appears to confirm the Reverse Speech revelations as Dr T here explains how the vaccine affects the mixed cranial nerves, giving rise to many apparently disparate symptoms:  
<https://www.notonthebeeb.co.uk/drt-genocide>  
<https://www.kenhub.com/en/library/anatomy/mixed-cranial-nerves> ~Ed

## THE BIG CON

There are a couple of different interpretations for this reversal. I see it as meaning a new system of government coming in, or a new world order. Other people have suggested that the vaccine is rewriting people's DNA to create a new being.<sup>19</sup> Whatever the meaning, one thing is sure, as an Australian citizen and resident, I can say that the Australia that we are seeing now bears little resemblance to the Australia of only two years ago, and the following reversal on Scott Morrison makes me wonder what on earth he is trying to pull on the Australian public:

**“I'm a scammer”**

Then the references to Satan continue to come. Are these world leaders aware of, and are they wiling participants in the Luciferian agenda apparently behind this virus?

---

19 The transhumanist agenda is no secret. A transhumanist is standing for the second time in the next US presidential elections. The Human Rights Act is being revised in the UK, suggesting that perhaps that different legislation will be required for the altered specimens. Some of the COVID vaccines contain magnetic nanoparticles, allegedly to aid transportation of ingredients throughout the body. These could be influenced accidentally by EMF radiation, or deliberately through methods such as magnetofection, enabled by COVID vaccine ingredients produced by Chemicell:

[http://www.chemicell.com/products/Magnetofection/Magnetofection\\_separation.html](http://www.chemicell.com/products/Magnetofection/Magnetofection_separation.html) or by magnetogenics - genetically targeted magnetic control of the nervous system as described in this article from 2016:

<https://www.theguardian.com/science/neurophilosophy/2016/mar/24/magneto-remotely-controls-brain-and-behaviour>

And UCL are now saying in public that they need to find a way to get CRIPR gene editing technology into people asap.~Ed

## THE BIG CON

Based on all the reversals quoted so far in this book, I would suggest they are. The reversal is:

**“See the Lucifer”**

If this is the case, we will soon know, as Morrison's reversal says:

**“Soon I will tell you if I am Nazi”**

Here are the references to Nazi yet again.

Unfortunately we seem to have our answer in this reversal on Morrison found June 2021:

**“Pass the darker kiss”**

followed by:

**“But they're gonna get mud”**

The future does not appear to look good for Australia.

As he says forwards:

*“We are living in a time of great uncertainly not seen, I believe, since the 1930s, outside of wartime. The challenges we face are many. The global pandemic of course, the recession it has caused.”*

Backwards, he is saying:

**“Give me devil dog”**

Unfortunately his reversal asks for an answer from the dark side, not the light.

## THE BIG CON

Not good for a Pentecostal Christian.

The following reversal confirms this theme:  
**“Bring the wild war with this dark enemy”**

Some have said this reversal actually says “world war” - you be the judge. Either way, it does not bode well for the future.

It certainly seems that Scott Morrison, despite his Christian leanings, has bought into the worldwide propaganda machine and is leading Australia down a dark path. A path, I would suggest, that leads to more destruction of lives, and the establishment of a dark new world order.

The latest reversal I found on him very recently in June 2021 does not bode well for the future:  
**“New villains to stand, yes”**

Australia is travelling on the wrong path, a path where liberty and freedoms are curtailed. A path where the government has the final say and the citizens follow blindly like sheep.

This is not just in Australia. It is all over the world. A dark day is dawning for humanity and there appears to be no escape. Our world leaders are either deluded and conned, or are deliberately going along with this new

## THE BIG CON

agenda of domination. It almost seems to have a life of its own now. Where will it lead us? Only time and the extent of your involvement will tell.

# CHAPTER TEN

## THE END GOAL

So far in this book, using speech reversals, I have laid out an argument that the Chinese Government deliberately released this virus onto the world as just one more step in their quest to achieve world domination. I have suggested that other powers (the dark ghost cabal) have used the situation this virus created, either with or without the cooperation of the Chinese, to push their own agenda and usher in their own version of a brand new world order. Either way, if things are left to continue to go as they are, we are all screwed - and most people don't even know it!

In this chapter I plan to lay out what the future may hold for us if things are left unchecked and allowed to continue the way they are. Let us begin with some speech reversals from clients, coming from the collective unconscious, that may give us some clues.

The first one I found late in 2020. It says:  
**“Shall the army seek the war?”**

## THE BIG CON

This is followed by a reversal on a different client that says:

**“I see the rockets fly”**

Also in late 2020 is this reversal:

**“Help me call a bomb shelter”**

These reversals seem to indicate an actual military conflict, maybe on American soil itself, but certainly elsewhere in the world. So concerned was I when I found these reversals on my client, that I actually told the family to go and find out where their nearest bomb shelter was and make emergency evacuation plans just in case. I repeat that warning again to my readers.

The following Premonition reversal I found on a client in June 2021 gives an ominous warning. This reversal is what I call a Link Reversal, inasmuch as two people's voices are responsible for the reversal. The reversal says:

**“USA, you die”**

These reversals do not bode well for the future and there is a growing restlessness in my American clients - a fear of the future and a need to get prepared. One client is talking about buying a farm and getting out the city. That doesn't seem like a bad idea. Others are stocking up on food and water and other essentials.

## THE BIG CON

Indeed, so have I been. I am all prepared to hit the road at a moment's notice if something comes down, with a year's supply of food and provisions (including for my cats!).

I am a ham radio operator and I have high-powered communication equipment ready to start a short-wave broadcast if things get really bad. The voice of Truth will not be silenced.

In 2020, we saw huge riots in America, with whole sections of cities taken over by radicals, Seattle and Portland being just two. America was almost crippled by further riots following the death of George Floyd and the rise the Black Lives Matter movement. The Capitol building was stormed following Donald Trump's defeat in the general elections, a defeat that is still questioned to this very day.

Much of the American population is on edge, like a powder keg ready to blow. As Joe Biden said backwards at the G7 in June 2021:

**“You lock all the terror”**

In other words, the terror is locked in place, almost unshakable. In a reversal just a minute later he seems to imply he likes the terror that is arising:

**“My love with this terror, terror”**

## THE BIG CON

This reversal may give an answer to a question I asked earlier in the book. Are our leaders being conned or are they deliberately going along with this agenda?

I was willing to give them the benefit of the doubt and say that they had been conned just like all of us, but this reversal on Biden, also from the June 2021 G7, suggests that Biden is deep into the planning of whatever is to come. I know it's almost unbelievable to suggest a rise of the Nazis, but how else do you interpret this reversal on Biden as he speaks forward about the American ideals:

**“I sent the Nazi”**

The Nazis are the antithesis of American democracy, and so is the new world order that the dark ghost cabal and Chinese government want to usher in.

Earlier on in this book I talked about the mark of the beast and the Antichrist and became almost apocalyptic in my writings. I'm not usually one to talk about the end times or the last days. I have always believed in the potential of the human race, in our ability to progress forwards, and I still do. However, it seems as though the times in which we now find ourselves are strangely similar to some of the biblical end times prophecies.

## THE BIG CON

I found reversals on a client just this week that seemed to be reversals from the collective unconscious itself, giving a warning. The first one said:

**“They mock God today”**

This is consistent with reversals I quoted earlier from current spiritual and religious leaders that show they are a long long way away from the path of true spiritual enlightenment. Indeed, their reversals seem to mock God himself with their arrogance. To my mind, the modern church and spiritual movements fulfil the end time prophecies which say that in the last days they will hold on to the outward form of religion but deny its real power. (2 Timothy 3:5)

We saw how even the Reverend Billy Graham himself, whom many would say is the Father of the modern evangelical movement, had reversals indicating that he was causing more harm than good. I have published other similar reversals on him in previous books.

My client's reversal from this week sums it up:

**“Hurts the soul, get on the path”**

Our world is the grips of a great spiritual darkness and evil. Countries are carrying out genocide and using slave labour. Half the world is starving, and the rest of the world is caught up in this pandemic.

## THE BIG CON

If the modern church would obey Jesus' command, sell all their wealth and go back to meeting in homes like they did in the New Testament, they would solve the world's hunger and poverty problems overnight.

I wrote a book 40 years ago now, called "Apostasy and Golden Pulpits." The title says it all. The world as a whole has lost its path and the modern church is taking us all straight into the gates of Hell. What we are seeing now is an outward manifestation of the great spiritual void, a void that the dark forces eagerly wait to fill.

I have been listening in to the thoughts of the unconscious mind and soul for 38 years now and what I have found is spiritual emptiness and yearning inside. Many of my clients come to me specifically to solve this yearning and find their spiritual path.

I even found a reversal on myself twenty years ago during a period of great despair in my life. I had just been chased out of the United States for telling the truth, and my son died under mysterious circumstances shortly afterwards. I was talking to my students about this situation and in one section of the recording I talked about my great sensitivity for feeling energy. My reversal in that section seemed to cry from the depths of my being. You will hear the emotion in the reversal when you listen to it. It said:

**"My soul give the pain"**

## THE BIG CON

Why was my soul giving me pain? Because it had been wounded deeply. For more information about what Reverse Speech says about soul, read my book “The Still Small Voice Within.”<sup>20</sup>

This personal truth of mine is also the truth of the entire planet. Despite our incredible technological progress, we have advanced very little spiritually. Magnificent churches give worship only to the money it cost to build them. Religion is not solving the emptiness many of us feel inside. It is for this reason that we have allowed the dark forces to overrun our planet and indeed our lives. It is the reason why we act as sheep following the directives of a corrupt government, because we have no directives of our own.

The logical conclusion to this emptiness is total control and domination of the planet by people you don't want controlling it! All they are doing is filling the void. You are watching it happen right now before your very eyes, and allowing it to happen just like Germany allowed Hitler to rise to power in the 1930s. It didn't start with gas chambers. It started with the perversion of truth.

When Australians are forced to scan QR codes, that is only one step towards the ultimate goal of bringing in

## THE BIG CON

the actual Mark of the Beast itself. When Facebook and other social media organisations are allowed to censor opinions and Truth, this is the next step towards totalitarianism. When the media report only news that conforms to their version of truth, we have already lost our freedoms.

So where is this heading? All you have to do is look at the pages of history - while you are still allowed to read the books. Book banning has already begun all in the name of political correctness as the new version of the truth is slowly being constructed. Statues have been pulled down and removed in an attempt to rewrite history, and buildings renamed. What is happening now has happened time and time again when good people have done nothing and allowed it to happen.

It is happening now. You know it deep down inside as you read this book. You can see the indoctrination, you can see what's happening to our education system, you can see what's happening to our freedoms under the guise of protecting us from a virus. The only question remaining now is - will you allow it to continue happening?

# CHAPTER ELEVEN

## THE SOLUTION

I have thought long and hard about this chapter because there is no value in pointing out a problem without offering a solution to that problem. Unfortunately the solution is not simple, nor does it come from one direction only. The first thing to do when trying to solve a problem is to recognise that the problem exists, and in this current climate of censored opinions and political correctness that seems hard.

This might sound self-serving, but if you have stayed with me this far into the book, I assume you can see what I am trying to say. So, what I would like you to do is to distribute this book and the page of reversals to everyone you know. Download the reversals from my site, post them on social media, send them to your friends and local radio and TV stations, and let's start the process of education. The world must know about the existence of Reverse Speech.

Reverse Speech brings an amazing gift to the planet. And that gift is Truth. Not just someone's opinion, or theology or belief system, but pure unadulterated

## THE BIG CON

Truth, from the Spirit itself. Never before in human history has the world needed truth as much as it needs it now, and never before has such an amazing Truth been available.

Next, there needs to be resistance to all these new measures. No more vaccinations without adequate testing (less a year is simply not enough - the current mRNA vaccine has not been tested and the public are being used as guinea pigs); no more lock-downs; no more mask mandates that change from day to day; no more school closures; no more scanning of QR codes; no more propaganda. The reversals have shown that these measures don't work, and that our scientists know they don't work. We want our lives back!

Our freedom of speech and right of peaceful assembly have not yet been taken away.

I would like see a million-person march onto the capitol of Washington DC.

I would like to see these marches taking place in cities all over the world.

Reject the measures, demand that China be held accountable and shake up the system, because the system is full of lies, as this book has shown.

## THE BIG CON

People are needed to coordinate these marches and peaceful protests. Email me, post on my Facebook page, and let's get this thing started.

Don't let the bastards get away with it.

For politicians, why haven't you sanctioned the max out of China? I was dismayed this morning to see Biden make a press conference after the G7. He said they talked about China. I thought, about time. Then he came out with a list of grievances they had about China, mainly about human rights violations. Not a single mention of the virus, or sanctions, or even an inquiry into the source of the virus? Have I suddenly been transported into Bizzaro World?

China has attacked our planet, intentionally or unintentionally, killing millions and costing trillions, and the world has done absolutely nothing. Do you know why? Because of money, that's why. It would upset delicate trade arrangements, interfere with debt balance. You can't isolate or sanction China because they wouldn't like it, is the reasoning. These are the depths of helplessness to which we have sunk.

There needs to be international condemnation of China right now! Severe sanctions need to be imposed. The Chinese ambassador to the US needs to be expelled. China must know that the world will not tolerate this.

## THE BIG CON

Why isn't the world doing what they did when Japan attacked the United States, when the Nazis rolled into Poland?

Why have we sat back and just accepted it all? It's incredulous to me.

Write to your politicians, contact your Congressman, threaten to vote them out of office. Gather the people together who can show them you mean business.

Rally. Protest. Let your voices be heard.

While you are doing all of this, quietly and quickly get prepared. Get a year's supply of food and water. I have a rain water tank. Get a generator and lots of gasoline. We have already seen half the East Coast of the United States' gasoline supplies taken out in 2021 by a cyber attack. Don't think it won't happen again. The power grid will be next. Go to the Preparedness Expos in the United States. I used to lecture at them all when I lived there. They will give lots of ideas to get you prepared. Then get ready to hit the road at a moment's notice. Plan out your route and where you will go well in advance and have everything you will need for survival. This is only sensible and prudent advice.

Next, we need a personal revolution and a personal transformation. This dark ghost takeover has happened

## THE BIG CON

to our planet because we have allowed it to happen. The change won't come from politicians. It will come from within. It comes from you. As you change and see your own truth, and spread this to others, it will spread out across the whole planet - if you are serious.

Reverse Speech shows us the way. It really does. I have spent the last 38 years perfecting this technology. I know how it works, I know how to analyse it, I know how to change lives with it. I know how to change our planet with it. I found a reversal on a client last week that really puts it succinctly. He was struggling with multiple messages from his reversals that told him his life's purpose was to be a shaman. The reversal on that section said:

**“And David Oates look with my palace”**

That's what I do. I show you your palace, your greatness, and your spiritual potential, because that is what Reverse Speech shows us. Imagine being able to hear the voice of your spirit speaking to you in actual words that can be heard. This is what a student of mine experienced one day as he spoke into his recorder looking for answers. His reversal said:

**“You're frightened. Lean on me”**

This is what our Spirit is saying to all of us. As a planet we are collectively frightened because that is how “they” want us to be. While we are afraid they can

## THE BIG CON

control us and get us to do whatever they want. Look at the success they have had so far.

The solution is to lean on the Divine.

Change, real change, will not come through another war, or another politician, or an ideology or even a new religion. Change begins with you. With a personal transformation. Our planet is in the grip of a great spiritual darkness. This darkness has come upon us because of fear, and an inability to look inside ourselves and see who we really are.

Do you know that you are Divine? Do you know that you have access to all power and all abilities? Do you know that you can change the world? That is what Reverse Speech says. Take what I have discovered and embrace it, learn all about it. It is here to combat the darkness and to bring us to the light.

I am calling for a spiritual revolution in this book. To throw aside the chains of disbelief and fear and start to look within. We have all the answers inside of us. The Divine resides within and the divine is calling humanity home. It doesn't matter who you are, what you believe, what your level of education is or even what your outlook on life is, Reverse Speech can give you answers.

So what is the answer to the big con?

## THE BIG CON

Listen to this reversal on the same student we heard before, asking how can we bring Reverse Speech to the world:

**“We deal with revolution”**

Reverse Speech is here to bring that revolution.

A revolution of Truth.

Let us begin.

## CHINESE VIROLOGIST CLAIMS CHINA CREATED AND DELIBERATELY UNLEASHED CORONAVIRUS

David Krayden 9/16/2020<sup>21</sup>

A Chinese virologist blamed China for creating the coronavirus in a Wuhan virology lab and deliberately releasing it on the world Tuesday. “This virus actually is not from nature,” Dr Li-Meng Yan told Fox News’ “Tucker Carlson Tonight”.

“It is a man-made virus created in the lab based on the very unique bat coronavirus which cannot affect people but after the modifications it becomes a very harmful virus. So I have evidence to show why they can do it, what they have done, how did they do it.”

“What you’re saying is much more sinister even than what we have suggested on the show ... You are saying that the Chinese government manufactured this virus, if I’m hearing you correctly. That’s what you’re saying?” Host Tucker Carlson interjected.

21 <https://www.msn.com/en-us/news/politics/chinese-virologist-claims-china-created-and-deliberately-unleashed-coronavirus/ar-BB195hh4?fbclid=IwAR2ZGq79Su8FrhHzjhdI9Ge0bnqT7G7EWpvWXkQMcYzGrRWstGQZ2hhnXN8>

## THE BIG CON

“Yes exactly,” the virologist responded. “Based on the virus genome, it’s basically like our fingerprint so you can see the very unusual characters in their genome, which clearly, based on the other evidence they left during the modification, we can finally see that this comes from their own special bat coronavirus.”

When asked why “nobody is saying this if it’s true,” Li-Meng said the truth has been suppressed because of China’s influence over the scientific community and the power of the Chinese Communist Party (CCP). “They don’t want people to know the truth.”

Li-Meng says she was commissioned to do a report on the origins of the coronavirus but was suspended upon reaching the conclusion that she did and has become “a target” of the CCP.

When asked why the Chinese government would have “intentionally created a virus like this,” the virologist responded, “If you want to know the exact motive, the exact idea ... ask the Communist party ... We cannot always understand their evil thinking. You have to come to ask them.”

Li-Meng went farther in her criticism of the Chinese government and explained that she is currently working on her next report at the World Health Organisation’s reference lab at the University of Hong Kong.

## THE BIG CON

She said the spread of the virus from Wuhan was an intentional act by China to “make such damage.”

“Do you believe that the Chinese government released this intentionally, on purpose? Did they do this?”

“Yes, of course it [was] intentionally,” she said, as she accused the Chinese government of fabricating evidence about the origin of the virus, censoring the truth and making whistle-blowers like her “disappear.”

President Donald Trump reveals his list of potential Supreme Court nominees in the Diplomatic Reception Room of the White House on Sept 9, 2020 in Washington DC. Trump also fielded questions about the coronavirus and Bob Woodward’s new book about him.

Wang Yanyi, director of the institute’s BSL-4 lab, said during an interview with NBC News that a global pandemic should not be used as a political weapon by one country against another and denied the theories that the coronavirus had leaked from the lab.

According to an Associated Press report from May 2020, the coronavirus may have been present in Europe in December 2019 – at the same time it was proliferating in China. The Director of National Intelligence issued a news release on April 30, 2020 stating that “the COVID-19 virus was not man-made or genetically modified.”

## THE BIG CON

The Scripps Research Institute released a study in March 2020 that stated:

*“An analysis of public genome sequence data from SARS-CoV-2 and related viruses found no evidence that the virus was made in a laboratory or otherwise engineered.”*

## GETTING INVOLVED WITH REVERSE SPEECH

There are several ways you can get involved with Reverse Speech. Initially you may wish to become a client for your own personal growth. I have an active therapy practice where I use Reverse Speech to identify my clients' unconscious patterns, and then change them using a hypnotic technique I have developed myself, called a "Metawalk". This is an eight-session process, one session per week, and it can be conducted over the phone from anywhere in the world. I cover this process extensively in my other books.

If you really want to dive in deep, you may want to learn how to do Reverse Speech yourself and become a Practitioner. I conduct regular training classes held on-line in zoom. The course is taught in two parts. Part One is the Reverse Speech analyst course. This is a six month course, one class every two weeks plus extensive homework assignments.

Part Two is the Practitioner course. This is a year-long course, once again one class every two weeks. This course teaches hypnosis, and how to change human behaviour using Reverse Speech. Full details on these courses can be seen on the Reverse Speech website.

## THE BIG CON

For the very adventurous, I have just introduced a mentor programme. This is a full-time course for one year where you work with me on all aspects of Reverse Speech. It is essentially an apprenticeship.

To apply for these courses, or become a client, go to the Reverse Speech website for full details and current pricing.
