"Slave auctions were postponed if they fell on a Jewish holiday. In Curacao in the seventeenth century, as well as in the British colonies of Barbados and Jamaica in the eighteenth century, Jewish merchants played a major role in the slave trade. In fact, in all the American colonies, whether French (Martinique), British, or Dutch, Jewish merchants frequently dominated." — Rabbi Marc Lee Raphael, *Jews and Judaism in the United States: a Documentary Work*.

Abraham Foxman, National Director of the Anti-Defamation League, has called Minister Louis Farrakhan, who is head of the *Nation of Islam*, an antisemite. This is because of Farrakhan's criticism of Steven Spielberg's latest movie *Lincoln* in which Spielberg ignored the fact that Jewish elites had funded *both* sides during the American Civil War, and that they had played a major role in the African slave which the hated president Abraham Lincoln (1809-1865) wanted to stop.

And yet Rabbi Isaac M. Wise in his eulogy of President Lincoln had said:

"The lamented Abraham Lincoln believed himself to be bone from our bone and flesh from our flesh. He supposed himself to be a descendant of Hebrew parentage. He said so in my presence."

Hollywood director Steven Spielberg is founder of the Shoah Foundation. He has been rebuked by several fellow Jewish scholars for making **sensational stories** to promote the Zionist version of 'Six Million Died'. In order to prove the Jewish Lobby grip over American politics, the movie *Lincoln* was actually screened at the US Senate on December 19, 2012.

According to *Nation of Islam* research, the Jew Erlanger loaned \$7 million dollars to the Confederacy (about \$125 million in today's money). Erlanger made the deal through a Jewish lawyer and slaveowner from Louisiana named Judah P. Benjamin, who served as the Vice President of the Confederacy as well as its Secretary of War.

### Who's That Man?

By Rixon Stewart on January 21, 2008

It's Saddam Hussein of course. Or so western media and Coalition authorities would have us believe. But was the man sentenced and supposedly executed in Baghdad really Saddam Hussein?

Category: Behind The "News", Essential Reading

He was known as the "brains of the Confederacy." So important was the Jew Benjamin to the slaveholders that a picture of his face appeared on their money.

Apparently Judah Benjamin failed to pass Spielberg's audition, because he is not in the movie!

Benjamin was to flee from America, taking a huge number of cotton bales with him in order to finance his extravagant lifestyle in exile. After the war, he used his slave-picked cotton profits to invest in a new start-up organization – a terrorist group, wait for it, known as the Ku Klux Klan!

Other Jewish elites missing from Steven Spielberg's movie include America's first Jewish senator, David Yulee (Florida), a fanatical supporter of African slavery and ethnic-cleansing of Native Indians; New York Jewish banker and chairman of the Democratic Party, August Belmont; and New York-based Rabbi Morris Raphall, who aided and abetted the slaveholders by publicly proclaiming that God Himself supported slavery!

Spielberg wants us to believe that Blacks were President Lincoln's main problem, but Lincoln had lots of trouble with the Jews of his time. An official of Lincoln's government actually deemed the main Jewish organization, the B'nai B'rith, to be a "disloyal organization [that] helps the traitors". ### JEWISH SLAVE TRADER

"God himself approves of the slave trade." — Rabbi Morris Raphall

Steven Spielberg's 1997 so-called historic movie *Amistad* also dealt with Black slavery. The movie blamed White Christians for trading in nearly 100 million African slaves, out of which only 10 million reached western countries, while the rest perished during the voyage.

Apart from the fact that Jews were the kingpins behind the slave trade, a fact which Spielberg conveniently omits to mention, Jewish historian Edward Bristow in his 1982 book, *Prostitution and Prejudice*, wrote that Jewish elites were involved in an entirely different kind of slavery: *sex slavery*.

The Jews had exploited White women and children for centuries in the sex slave and prostitution industries and they were the chief owners of the most sumptuous brothels throughout Europe. Apparently a huge number of the prostitutes in these brothels were Jews who had been lured into a life of sexual degradation by their

### ENSLAVED CHILD PROSTITUTES

Since the recent Sandy Hook shootings, which according to Republican politician Michael Harris, was the handiwork of an **Israeli death squad**, Jewish organizations along with Barack Obama are leading the current campaign in support of gun control.

On December 2, 2011, American Jewish journalist, Max Blumenthal, wrote in the Lebanese daily **al-Akhbar** that American domestic security services are totally controlled by the local Israeli agents. This could be the reason that Jewish groups consider guns in Americans' hands as a serious threat to their domination of American government and law enforcement agencies.

Adam Bilzerian wrote on December 22 that even after their experience under Nazi rule, when Jews were not permitted to possess guns, Jewish Americans are the loudest proponents of gun control.

In fact, every piece of gun legislation in the US has been introduced or sponsored by Jewish lawmakers – from Rep. Emanuel Celler (in 1968) to Senators Lautenberg and Feinstein (in 2005). Read the article in full [here](#).
