

WHO REALLY RULES THE WORLD?

TO OUR NEW VISITORS

An Introduction from David Icke:

Welcome to the David Icke website. I am a former journalist and television presenter from England who has spent the last ten years uncovering the **biggest secret** - who really controls the world and has done so for thousands of years.

I have written ten books, including *"The Biggest Secret"*, *"...and the truth shall set you free"*, and *"I Am Me, I Am Free."* Bridge of Love Publications, my publisher, has also produced several videos including *"Freedom Road"*, *"Turning of the Tide"*, *"Revelations of a Mother Goddess"*, and *"The Reptilian Agenda."*

I reveal how a global secret society called the Illuminati (the "Illuminated Ones" as they call themselves) have been holding the reigns of power in the world since ancient times, expanding their power out of the Middle and Near East (and other centres) to control first Europe and then, thanks to the British Empire and other European empires, to take over in the Americas, Africa, Australia, New Zealand, Asia, and elsewhere.

When those empires appeared to withdraw from these regions, the Illuminati left behind the secret society networks and the Illuminati bloodlines and these have continued to control and orchestrate events ever since. There are two type of prisons or dictatorships. There is the overt variety, which are clear dictatorships (communism, fascism, etc) and then there are the most effective variety of all - the covert dictatorship, the one that masquerades as freedom.

People do not rebel against not being free when they think they are!

The Illuminati have been working to a long planned and coordinated agenda to create a world government, central bank, army, and a micro-chipped population linked to a global computer. Anyone with an operational brain can see that all these things are now emerging ever more rapidly.

Under this edifice of global power are designed to be super states like the European Union (evolved out of the EEC free trade area), the American Union (to be evolved out of the NAFTA free trade area), and the Pacific Union (to be evolved out of the APEC free trade area). NATO (merging with the UN peacekeeping operation) is planned to be the world army, the world police force, to keep countries in line who do not wish to concede their sovereignty to the Illuminati world government, which is planned to evolve through the United Nations.

The structure of global control is pyramids inside pyramids. Very much like Russian dolls, one doll inside another. If you look at any organisation today you will see that it is structured as a pyramid. Those lower down the pyramid have no idea what the organisation they work for is really about. They just do their own job and go home every day. They don't know how what they do connects with other people's contribution to

create a very obvious and sinister pattern and direction. Only the very few at the top know that. In this way the few can manipulate thousands in an organisation to advance an agenda that those thousands do not even know exists. There is a global version of this which manipulates billions in the same way.

These "individual" organisations, be they banks, trans-national corporations, media empires, NATO, etc., then fit into even bigger pyramids. So you find, for example, that at the peak of the global banking pyramid all the banks are ultimately controlled by the same people - the Illuminati. Same with the transnational corporations, the media, and so on. There is a global pyramid which encompasses the pyramids of banking, business, media, military, politics, and the other institutions that run the planet. At the peak of this pyramid you find the elite of the Illuminati who orchestrate their agenda for global control through all their, apparently unconnected, organisations.

This is why there has been an incessant move to centralisation of global power in all areas of our lives, banking, business, media, politics, whatever. It is orchestrated by the SAME people in accordance with the SAME agenda. You will find a stream of articles on this site that will give you detailed background to this agenda and there is endless information in my books which you can order from this website.

The Illuminati manipulate humanity through the mind and emotions. There are too many people and too few Illuminati to control people physically, except on a small scale. They have to manipulate the way the masses think and feel, so we live our lives and see the world in the way the Illuminati want us to. For instance, the most powerful of the manipulation techniques is one I call Problem-Reaction-Solution. It works like this:

You want to introduce something you know the people won't like. This may be more power to the police, a further erosion of basic freedoms, even a war. You know that if you offer these policies openly the people will react against them. So you first create a PROBLEM, a rising crime rate, more violence, a terrorist bomb, a government collapse, or you get one of your Illuminati puppets like Saddam Hussein to go to war.

You make sure someone else is blamed for this problem and not you, the real people behind it all. So you create a "patsy", as they call them in America, a Timothy McVeigh or a Lee Harvey Oswald. You then use your media to tell people what they should think about your manufactured event and who they should blame for it. This brings us to stage two, the REACTION from the people - "This can't go on what are THEY going to do about it?"

This allows THEY to then openly offer the SOLUTION to the problems they have created - new legislation which advances their agenda of centralisation of global power or the erosion of more basic freedoms. This technique is being used all the time on the human mind and emotions, not least with the stream of mind-controlled youngsters and adults who go crazy with guns around the world and immediately prompt gun control laws.

I say this as someone who does not have guns and believes passionately in non-violence. But if we are going to be street-wise we need to look beyond our own beliefs and realise that the Illuminati is seeking to systematically disarm those who WOULD use weapons against them. Just before Adolf Hitler began to fill the concentration camps he introduced the same anti-gun legislation which we are seeing today all over the world.

We are now at a crucial time in this agenda's history. So many cards are waiting to be played by the Illuminati in the next 12

months. We are at a crossroads in human history. We can choose freedom or fall under the control of a global fascist state, a global version of Nazi Germany.

This does not have to happen, but to stop it a lot of arses need to be removed from a lot of chairs. This website and the books will give you the detailed background from which informed choices can be made.

What you have read here is a mere fraction of what there is to know and the picture is far bigger and more extraordinary than this brief outline has been able to detail. Look elsewhere on this site or in my books and you will see what I mean!

Welcome once again.

Hope you enjoy your stay.

Love,

David Icke

THE REPTILIANS: WHY THEY ARE OBSESSED WITH BLOODLINE AND RITUAL

By David Icke

I witnessed a "channeling" session this week in England, performed by a channel/medium I was very impressed with. As readers of my books will know, I am extremely wary of channeled information because while on occasions it can come from a high and enlightened source, much of it is very low level or, frankly, a sham.

However, I felt that this channel was one of those who is truly gifted and a wealth of detailed information emerged that confirmed and added to my own research, which has been very much gathered in this dimension and not through channeled messages.

Anyway, here is some of the information that came through relating to the relationship between the reptilian bloodline and the Illuminati obsession with ritual. As always, the choice of what feels right is yours and yours alone:

In between "worlds"

The reptilian and other entities, which are manipulating our world by possessing "human" bodies, operate in frequencies between the Third and Fourth densities. These are referred to as "hidden spaces and planes unknown to man", in the apparently ancient *Emerald Tablets*, which I quote from in "*Children of the Matrix*". For simplicity, I refer to this "between world" in my books as the lower fourth dimension.

It is from here that they police our vibrational prison - the Matrix - and seek to addict and restrict us to the dense physical senses. This world was once far less dense than it is today and the "fall" down the frequencies, caused by the manipulation of incarnate consciousness and DNA infiltration, has made it so much more difficult to maintain a multi-dimensional connection while in physical form. We are now in a cycle of change when the vibration of this "world" will be raised out of dense physicality and return to where it once was. In doing so, the reptilians' ability to manipulate our physical form will be removed and this is why they are in such a panic at this time to prevent this shift from opening the vibrational prison door.

The reptilians and other manipulating entities exist only just outside the frequency range of our physical senses. Their own physical form has broken down and they can no longer reproduce. Thus they have sought to infiltrate human form and so use that to exist and control in this dimension. They chose the Earth for this infiltration because it most resembles in vibration the locations from which they originate. These reptilians are addicted to the dense physical "world" and the sensations it offers and they have no desire to advance higher. Their aim in this period is to stop the Earth and

incarnate humanity from making the shift from dense physical prison into multi-dimensional paradise.

[From what I understand, this dense physical world is caught in a manufactured time "loop", in which "time" is a circle, constantly repeating itself. Note that one of the ancient symbols for "infinity" is the snake swallowing its own tail. The pentagram or five-pointed star, so prevalent in Satanism, is also symbolic of this unbroken "time" cycle, the vibrational prison.

The period we are now experiencing has, therefore, been played out before. We are just at that point again in the repeating circle or cycle, like a rat running on one of those wheels in a cage. No matter how fast it runs, it keeps covering the same ground. What we need to do is

break the "time" circle and thus the prison. We are now in that part of the circle that is most vulnerable to this because of the vibrational changes taking place in this part of the Universe and this is why the control of humans has tightened so rapidly in this period - they are doing everything they can to defend their prison from the awakening of the inmates. The micro-chip is crucial to that.]

Genetic corruption

These reptilians and their allies have corrupted Earth DNA with their own and this genetic infiltration lies dormant until it is activated by the vibrational fields generated by the Illuminati secret society rituals, and others in the public eye like the carefully designed coronations and official ceremonies of many kinds, including even the UK State Opening of Parliament and certainly those of the various religions.

[This activation is now also being inflicted upon the general population through technology on Earth and in space, no doubt, and this channeled entity said that the cloning programme is there to develop designer bodies for the reptilians of the "in between world" that would not require the overpowering of an already incarnate consciousness.]

Once activated, the DNA opens the body to possession by these reptilians and other beings, and this is what is happening, for example, to Freemasons in the rituals that most of them deliver parrot fashion while having no idea of their vibrational significance. This is why the Illuminati are so obsessed with knowing a person's bloodline. They know which have the potential for this activation and possession and which do not. The Mormon Church genealogical data base and now the DNA data banks are designed to identify those with the bloodline. These are the people who are given jobs and roles that serve the Illuminati agenda, while most of them have no idea what is really going on and what they are being used for. Their DNA is then activated and they go through a change of character (a phrase I have heard so many times in relation to such people once they advance in the system) and a very different consciousness takes over their mental and emotional processes.

[This is why it is so important for everyone to stay well clear of ritual, no matter how innocent it may appear on the surface. I would include "New Age" ritual in this, too. I don't mean standing in a circle, connecting together and projecting loving thoughts, etc. I mean carefully constructed ritual that is constantly repeated, as with religious ceremony for example. I am beginning to realise why I have had a life-long aversion to taking part in ritual of any kind.]

Each new generation of the Illuminati bloodline families is exposed to the appropriate ritual to activate their possession by the reptilian entities and so the cycle goes on. The phrase that comes to mind is "...forgive them for they know not what they do."

P.S. Apparently, this DNA infiltration is known within the inner circles of the British royal family as the "family disease". They are actually in fear of it because they know that once it is activated they will be taken over. But of course they are caught in a world of constant ritual and ceremony designed specifically to activate their possession. It is catch 22. Without the ritual they cannot be the royal family, but with the ritual they are activated and possessed. The thought and emotional processes of the UK's Queen Mother are not those of Elizabeth Bowes-Lyon, the little girl officially born into that body 101 years ago. They are controlled by the reptilian entity or entities, which possessed her after the hybrid DNA activation.

Reptilian Brain and the Desire for Excess

"The faith in bigness has become increasingly ingrained, which itself creates a strange sort of inflation. Marketing researcher Brian Wansink, director of the Food & Brand Lab at the University of Illinois at Urbana-Champaign, found that consumers perceive products in large packages as less expensive than smaller ones--even though they often aren't. As a result, they actually use 18% to 45% more than they otherwise would.

Anthropologist Rapaille says the desire for excess comes from the "reptilian brain," the earliest, most primitive structures in our mental evolution. "The reptilian wants to grab as much food as possible, to be as big and powerful as possible, because it's focused on survival. When it comes to a choice between the intellect and the reptilian, the reptilian always wins."

Satisfying that inner lizard has its downsides. Our insatiable appetites have left Americans 9 pounds heavier, on average, than we were two decades ago, and more vulnerable than ever to heart disease and diabetes. We're racking up mountains of debt (the late fees we pay on credit cards have more than tripled since 1996, to \$7.3 billion a year) and burning up fossil fuels like crazy. We demand things that, deep down, we don't really want or even use..."

The Drums of War:

"Beware the leader who bangs the drums of war in order to whip the citizenry into a patriotic fervor, for patriotism is indeed a double-edged sword. It both emboldens the blood, just as it narrows the mind.

And when the drums of war have reached a fever pitch and the blood boils with hate and the mind has closed, the leader will have no need in seizing the rights of the citizenry. Rather, the citizenry, infused with fear and blinded by patriotism, will offer up all of their rights unto the leader and gladly so. How do I know? For this is what I have done.

And I am Caesar."

Dear David,

There are so many of us. And our children are suffering. We are trying to bring this to the light but the press here in Vancouver refuses to publish our story. The press in South Africa published these articles with photographs to show the abuse. Then "they" sent an advocate over here to tell us to stop contacting the press in South Africa. I am a Mother trying to take care of my little girl. They are treating me like the worst terrorist. I do not have legal representation and they are going to prosecute me for abduction. I don't know who to contact in the press but we have to bring this to the public's attention. They are locking mothers up here in Vancouver because they are trying to prevent abusive ex-husbands from gaining access. I was threatened with incarceration in July 2001 and again in February 2002 when I refused to allow access because my daughter had returned from access with obvious physical and emotional signs of abuse and neglect.

The Alternative Answer to Chemtrails?

Since seeing on your site the photos of Bush and others making the 'devil-horns' sign with their fingers, I have kept an eye out for it. Today watching CBC news at around 3pm I saw Yasser Arafat making a speech on reform and during it he distinctly made this sign twice !! I

was surprised until later I read that he is Masonic or has such affiliations. I thought this might be interesting to you. I am sure this is no surprise to you but maybe you can put info that you know in regards to this connection on your site? Like does the sign mean that he has changed sides or was he always on the side of Bush and Sharon?

Why Have 11 Experts in Bio-Warfare Died Mysteriously Since 9/11?

Was this story in any U.S. paper? Nope - it comes from Canada's "Globe and Mail" where, apparently, they still take investigative journalism seriously: "It's a tale only the best conspiracy theorist could dream up. Eleven microbiologists mysteriously dead over the span of just five months. Some of them world leaders in developing weapons-grade biological plagues. Others the best in figuring out how to stop millions from dying because of biological weapons. Still others, experts in the theory of bioterrorism." Could there possibly be any connection between the delay in revealing the anthrax terrorist - already known to the FBI - and the "elimination" of these experts/potential witnesses?"

"A POST TURTLE"

While suturing a laceration on the hand of a 70-year-old Texas rancher(whose hand had caught in a gate while working cattle), a doctor and the old man were talking about George W. Bush being in the White House. The old Texan said, "Well, ya know, Bush is a 'post turtle'."

Not knowing what the old man meant, the doctor asked him what a post turtle was. The old man said, "When you're driving down a country road, and you come across a fence post with a turtle balanced on top, that's a post turtle. The old man saw a puzzled look on the doctor's face, so he continued to explain, "You know he didn't get there by himself, he doesn't belong there, he can't get anything done while he's up there, and you just want to knock the poor dumb thing down."

"Cracking the Code"

New, Breakthrough Third
Edition

The Uniform Commercial Code, "UCC," the subject of this manual, is the transcendent, paramount achievement of the efforts of a few thousands of intensely dedicated and single-minded collaborators (dare we call it "conspiracy"?) over the last two-plus millennia. It is the culmination of an almost incomprehensibly complex, systematic, intricate, pervasive, and far-reaching agenda of strategic and tactical global planning to secure absolute legal, financial, social, ecclesiastical, and political (military) dominance over the people of Earth. The fundamental medium chosen for accomplishing these iniquitous aims: Commerce. The UCC, first introduced in 1954, has been developed across the centuries with microscopically excruciating and painstaking attention to detail for avoiding forever risk of detection and revelation of its true nature. It was fully

expected that the Code would never be cracked. Proof of this fact is the absence of any device/mechanism for the enforced reversal of the process and recapture of slaves who manage to break free.

If you are a slave interested in breaking free, this manual has answers you have been searching for. Embarking on the pages of this volume, however, is comparable with "taking the red pill," and so should be carefully considered by worshipers of Big Brother and the faint of heart--for with such knowledge also comes the innate urge for responsibility, an unpleasant prospect for many. No matter your level of interest in the workings of the world around you and your commitment in making it a better place, if you "decide on the red pill" you will never again see it in the same way. The Code has been cracked, and awaits your decision.

The book will contain a CD-ROM with all pertinent UCC forms in Adobe Acrobat Reader Format (along with the Adobe software), so you will not have to search for forms. Also, the Preface for the book has been included here to give you a better idea of what's in store .

Preface

This book has been written for the purpose of showing anyone how to successfully withstand and nullify unsolicited demands for payment/performance from attorneys, banks, judges, clerks of court, police, taxmen, and government agents (and anyone else who would casually and unjustly damage one's life) and cease being muscled into "doing business" with such parties against his will. Any who proceed against the Redeemptor1[1] after having been noticed are vulnerable for both

immediate and long-term grievous and catastrophic personal financial/commercial ruin, thereby providing adequate motivation to look elsewhere for a more compliant "customer." As abundantly documented herein, the judicial system may be accurately defined as "a private, invitation-only, cultic, British-owned and -operated, commercial extortion racket," with only an apparent monopoly over the transference of wealth and control of personal freedom in this country. The prescriptions contained within the pages of this manual can set you free of this menace.

In America-as in any communist country²[2]-Big Brother's modus operandi consists of bringing down the full might of the government upon any unlucky "citizen" that crosses paths with its divine agenda (absolute ownership and control of all property and people). Few, if any, can withstand such an assault. Operating in limited liability with official immunity, Big Brother's operatives wreak holy hell on a daily basis against any they choose, but continually walk away from the carnage unscathed.³[3] For those who follow the precepts as presented in this manual, such days are numbered, if not over. The procedures appearing in this volume, if scrupulously followed, can render any legal attacker immediately liable and fully personally accountable for his/her actions should he/she proceed-the right medicine for anyone suffering from a case of the "More Equal⁴[4] Than Thou Syndrome"-and the best reason to halt all proceedings.

Cracking the Code Third Edition© offers a new plateau of stability and is orders of magnitude beyond the first two editions. This process is tried and true and cannot be

defeated if followed without alteration. The non-judicial Uniform Commercial Code has been cracked and is now utterly accessible for any who would examine the contents of this manual. As you will discover, the assurances made in the preceding paragraphs are not hollow chatter: this text can set you free.

The treatises, essays, and historical material contained in this book are all on solid legal ground. It is not a matter of if we are on the right trail or not; it is rather a matter of how well we read the trail markings we encounter-because the remedies described in this manual are working like crazy north, east, south and west, and the successes contained herein will free you of the ranting of any critic.^{5[5]} The main failing with professional (and amateur) critics is that that particular vocation does not involve helping people and getting things done. It just involves tearing down things that might help, and stopping others from breaking free of Big Brother's clutches-an occupational calling/hobby with a marginal sanity index. When you come across someone who is preoccupied with stopping this process and saying how bad it all is, realize that the critic is a "company man," obsessed with infecting all with the venom of statism,^{6[6]} and does not have your best interests at heart-and likely never will.^{7[7]} An honorable critic would bring forth another solution, i.e. another remedy for the situation at hand, rather than just sounding a general hue and cry^{8[8]} and proclaiming that all (sheep) should stand stockstill^{9[9]} and accept their fate as "part of life."

As with the first two editions, the initial aim of this volume is fully acquainting you with the process of regaining control of the all-capital-letters juristic^{10[10]}

name/TRADE NAME that began appearing on legal documents, such as the Social Security card in your possession, following the registration of your birth. This name is "yours" only in the sense that it belongs to you; it does not identify you. The problem with such a name is that even though it belongs to you, and was created expressly to reference you, someone else has custody of it-meaning that someone else can control the travels that particular piece of intellectual property (the all-caps TRADE NAME) and has been using it for financial gain courtesy of your labor. This handbook shows you how to rectify this situation.

Having accomplished the foregoing, the main objective of this manual becomes providing you with the means for fortifying your existence and deflecting all legal and financial assaults on your freedom, family, wealth, property, and peace of mind. The legality of the issues addressed herein is well substantiated in the common law and the UCC, and you are limited only by your lack of understanding of them. The Glossary contained herein has been specifically created and annotated to assist you in acquiring a working knowledge of the key issues.

Material has been laid out so that the reader can go straight into the practical application of the filing instructions, adapt the sample documents with the details of his/her life, and successfully file the documents without doing anything else. However, such practice is basically "treating the symptom" and is not recommended because the cause of the condition-unwanted victimization at the hands of the system-is still unresolved; sort of like being lost in the jungle, finding a compass, but then not knowing which direction is the best way out.

The theory portion of this volume, as well as the items in the Appendix, affords a treetop perch for those who might be lost in the legal/commercial/political jungle: one with a bird's-eye view of the whole territory as never before. Once a bewildered traveler gets a compass reading on the right landmark, he can thereafter successfully negotiate any difficulties encountered on his way out of the jungle because of acquired certainty of where he is headed and the full expectation that he will make it. Whether you do your filing(s) sooner rather than later, steady progress between the covers of this manual, however unhurried, will give you a new perspective on the same old surroundings and produce a courage and a confidence that can fuel your journey all the way out of the "jungle" and onto the highroad for a better life.

Because the Code has been cracked, the filing procedures and background material are now simple. Matters have now been removed from the private, monopolistic, judicial system, and players within that arena have become personally commercially accountable for their actions. These breakthroughs have thereby greatly remedied the nuisance of dealing with the courts, the courts' extreme formalism, and the secret rituals¹¹[11] of the inner sanctum of the legal fraternity, "the Brotherhood."

For those reading this page that may have the misfortune of being involved in an ongoing legal dilemma, some words of encouragement: the procedure contained herein is beneficial at any stage of the game.¹²[12] The more entangled one has become, the more complicated it can seem to be to extricate oneself from the tentacles of those who would gleefully destroy one's life. Obviously, the

further along on the judicial conveyor belt, the more difficult things can become. However, irrespective of what has happened, the liberation procedure is essentially the same no matter what stage of the game you are in. A healthy (and workable) approach is simply to write off everything that has already happened, chalk it up to experience, and start afresh and anew with a clean heart. What is offered here can be completely locked into place in very short order and can serve you thereafter in many different circumstances.¹³[13]

This manual will also introduce you with the very real possibility of personal independence and functional sovereignty. Believe it or not, it was the exercise of your inherent sovereign right to "decide" with whom you would contract that got you into this mess in the first place. The first step in regaining sovereignty is reestablishing ownership and control of the corporately colored property identified as your all-capital-letters TRADE NAME (and any and all other corruptions/permutations thereof). That, and the procedure to fortify your freedom and maintain control of your worldly possessions thereafter, has been presented here in detail to ensure your understanding of the subject and assist you in your efforts to create a pleasant and worry-free life for yourself.

Wishing you happier times . . .

The Authors

[1] Redemptor: Latin. One who buys back, reclaims (one who has reclaimed legal title over his life and property).

[2] All 10 planks of the Communist Manifesto are firmly entrenched in daily American life, deeply implanted in

America's psyche, and thoroughly dispersed in an ocean of code, i.e. "law."

[3] As well as innumerable, eminently qualified judges, a prime example of this phenomenon is the former California Insurance Commissioner, Chuck Quackenbush. In addition to padding his own political career, and likely lining his own pockets and the pockets of his cohorts, this man was personally accountable for the ruination of the lives of thousands (if not tens of thousands) of California families whose homes were damaged/destroyed in the 1994 Northridge Earthquake, by officially letting insurance companies off the hook-to the tune of billions of dollars. Chuck Quackenbush has quietly slipped into obscurity without so much as a slap on the wrist.

[4] In Animal Farm, the brilliant little allegory of communism by George Orwell, the original, sacred "Seven Commandments" were continually altered/deleted for favoring the pigs (the leaders) until, in the end, there was only one commandment left: "ALL ANIMALS ARE EQUAL, BUT SOME ANIMALS ARE MORE EQUAL THAN OTHERS."

[5] For conclusive, unimpeachable documentary evidence (from the Federal Reserve) of the correctness of the procedures set forth in this manual, see "How to Sign When Your Signature is Demanded" in Appendix.

[6] Statism: A theory of government which holds that the returns from group or individual enterprise are vested in the state, as in communism. Funk & Wagnall's New College Standard Dictionary, 1947.

[7] "Remember, a statue has never been set up in honor of

a critic." Jean Sibelius (renowned composer), Oxford Dictionary of Twentieth Century Quotations.

[8] Hue and cry: A great stir and clamor about any matter.

[9] Stockstill: As still as a stock or post; motionless.

[10] Juristic: Of or relating to law.

[11] "The characteristic of the earlier Roman law was its extreme formalism. From its first secret administration as the law of the privileged classes it expanded until it became the basis of all civilized legal systems." Catholic Encyclopedia.

[12] As of this writing these breakthrough procedures have already stopped the levying of a bank account after judgment had been finalized.

EVERYTHING IS UNDER CONTROL: The Encyclopedia of Conspiracy Theories

by Robert Anton Wilson

EVERYTHING IS UNDER CONTROL:
The Encyclopedia of Conspiracy Theories
by Robert Anton Wilson, Miriam Joan Hill
(Contributor)

Before the X-Files, before alt.conspiracy, there was Robert Anton Wilson and his legendary Illuminatus! Trilogy. Now this avatar of conspiriology, renowned for his razor wit and progressive philosophy, takes you on a fascinating, eclectic ride through what Wilson has termed the "Cultic Twilight" where conspiracy theories flourish.

Everything Is Under Control covers the range of Wilson's kaleidoscopic knowledge, from John Adams to the Voronezh (former Soviet Union) UFO sighting, the Campus Crusade for Cthulhu to the Mothman prophecies, and everything in between. What do the Freemasons, the Kennedys, and Princess Diana have in common? All are at the center of gigantic conspiracy theories with incredibly complex and endlessly multiplying twists, turns, highways and byways. Arranged by alphabetical entries which include cross-references to other entries in the book and also provide addresses to related sites on the Web, this book is truly interactive--you can dip in, read through, or follow one of the URLs from an interesting entry onto the internet.

What some famous people say about Robert Anton Wilson:

"A dazzling barker hawking tickets to the most thrilling tilt-a-whirls and daring loop-o-planes on the midway to higher consciousness." -- Tom Robbins

"Wilson managed to reverse every mental polarity in me, as if I had been pulled through infinity." --Philip K. Dick

"One of the most important scientific philosophers of his century--scholarly, witty, scientific, hip and hopeful." --Dr. Timothy Leary

Excerpts:

A-Albionic Consulting and Research

The most plausible of the multiconspiracy theories--i.e., those scenarios that do not claim that one supersecret criminal gang rules this planet, but rather that at least two such "gangs" exist, at war with each other--comes forth from an outfit styling itself A-Albionic Consulting and Research, in Ferndale, Michigan.

A-Albionic began in 1985 with a common or garden-variety uniconspiracy theory, blaming everything on the British royal family--rather like Lyndon LaRouche, who may have served as their original inspiration. In 1989, however, A-Albionic revised their model of the world (yes, they actually use the scientific word "model" and show other signs of some technical education). The post-1989 A-Albionic scenario holds that, in their own words (capitals included), "The Overt and Covert Organs of the Vatican and the British Empire are Locked in Mortal Combat for Control of the World."

A-Albionic traces this Mortal Combat back to the reign of the first Queen

Elizabeth, when Protestant-Catholic warfare raged all over Europe--the time when the English, typically, made their pioneer scientific rationalist, Sir Francis Bacon, a high government official, while the Vatican took their pioneer scientific rationalist, Giordano Bruno, and burned him at the stake. The British Crown and the Throne of Peter have continued to make war on each other ever since, in this model, and every other "interest group," "trade union," "association of manufacturers," Mafia family, international bank or intelligence agency--everything that might qualify as a conspiracy in anybody's mind--have all become puppets, unknowingly, in this megastruggle.

Thus, the Windsor Family Mega-Conspiracy manipulates a motley crew, which A-Albionic sums up as "Comsymp-International Banker-Judeo-Masonic-Labour Party-British Intelligence-Socialist International-Social Democrat-Fabian-AFL-CIO-UAW-KGB"--the same unlikely bedfellows that appear in many anti-Illuminati theories. The Vatican, on the opposite side of the world power struggle, controls an assembly of "CIA-Fascist International-Georgetown Jesuits-McCarthyite-Buckleyite-Knights of Malta." (See Knights of Malta and P2.)

Duoconspiracy theories, like uniconspiracy theories, often lead to logical conclusions that seem bizarre to outsiders. Thus, the late Carroll Quigley, professor of history at Georgetown University, appears as a member of the Insiders in the John Birch Society theory, and these alleged Insiders, who sound a lot like the Illuminati, all belong to the British Royal Family Jumbo Conspiracy in A-Albionic's system. In fact, many right-wing theories become compatible if one identifies Insiders with Illuminati and both with international bankers (Jewish, Dutch, or whichever suspects you prefer). . . . Ergo, Quigley was an agent of the Windsor Gang.

But Prof. Quigley taught at Georgetown, which the Jesuits own, so this makes him actually a tool of the Vatican conspiracy according to A-Albionic. He had entered the Windsor-InsiderInternational Banker-Illuminati conspiracy, A-Albionic says, but only to expose it. Quigley's

book, *Tragedy and Hope*, usually cited by right-wingers as "inadvertently" revealing the Insider's plot for world government, had nothing inadvertent about it at all. The Jesuits sent Quigley to spy out the enemy and publish their secrets, according to A-Albionic.

This minor detail in the conspiratorial mosaic became a matter of passionate debate among conspiriologists during the 1992 presidential race, because Bill Clinton, in one speech, mentioned Prof. Quigley as a teacher who had vastly inspired him in his youth. To the majority of right-wing conspiracy buffs, this "proved" that Clinton worked for the Insiders, or the Illuminati or at least the international bankers. But A-Albionic insisted on their own analysis. If President Clinton really received inspiration from a Jesuit school, they claim, then he has become a tool of the Vatican/CIA, or anti-Illuminati, conspiracy.

National Association for Consumer Protection in Mental Health Practices

The National Association for Consumer Protection in Mental Health Practices, founded by Christopher Barden, is engaged in a state by state drive to enact laws that would require mental health practioners to provide scientific evidence that their methods are safe and effective, before they can receive state insurance money. Largely inspired by the dismal record of the recovered memory movement, this organization wants every therapist to show that the methods used have been proven "safe and effective by rigorous, valid and reliable scientific investigations and accepted as safe and effective by a substantial majority of the relevant scientific community."

The model law written by Barden, who is both a lawyer and a Ph.D. in

psychology, says that patients "have a legal and moral right to be fully and fairly informed of the risks and hazards and relative benefits of all proposed mental health treatments."

In 1995 the American Psychological Association set aside nearly a million dollars to fight this proposed legislation.

Reaching for Reality: Seven Incredible True Stories of Alien Abduction

by Constance Clear

Reaching for Reality :

Seven Incredible True Stories of Alien Abduction
by Constance Clear

”Reaching For Reality is light years beyond any book about the strange and controversial subject of alien abduction that you have every read or heard of. This book takes the reader into the inner lives of seven people who have had this experience – and does it in their own words. Constance Clear’s thoughtful commentary never demands belief, but rather informs a powerful and compelling case that these shocking, amazing and deeply human stories may really be what they seem: commentaries from beyond the edge of the known.” – Whitley Strieber, author of *Communion, Confirmation...*

“We can only welcome this book. Constance Clear is one of the increasing, though still small, number of gifted clinicians who are making it possible for their clients to speak of these extraordinary experiences.” – Dr. John E. Mack, MD, author of *abduction: Human Encounters with Aliens*

“Reaching For Reality is an excellent addition to the growing body of abduction literature. Through her thoughtful analysis and the fascinating accounts of her clients, Constance Clear provides good information about this most important phenomenon while furthering our knowledge of it.” – David M. Jacobs, Ph.D., author of *Secret Life* and *The Threat*

Excerpt:

Page 57-58

I begin getting a series of rapid images. Very clear images, but of extremely short duration. Before I can describe each, I’ve moved on to the next one.

I’ve entered an auditorium. There are many people in it. I think most of them are Grays. The auditorium is semicircular; I’ve stepped in through doors at the back. The lighting is subdued, and the feel is of a social event. There are some humans down there – they stand out. One man is wearing a white T-shirt and jeans. He’s about 30 feet away. He stops and is talking with someone, standing hipshot, relaxed. The seating is a series of benches that follow the contours of the room. Some Grays are seated. We’re getting ready for a presentation. My feet are bare.

There is a keyboard I’m familiar with. A display console is above it, with numerous icons spread across the surface. Each is some variation on a fancy crescent moon with brilliant colors, reds, oranges, yellows. The colors seem to have to do with the level of urgency for each icon. The screen has fine, gold grid lines on it. Some of the icons are drifting slowly. Streams of data are going by inside an oval window on the console. The data is supplemental to other things on the display, details about things. I’m supposed to read everything that’s in green characters and read the rest if I have time.

Another icon is yellow and resembles a hammer & sickle. My job is to make adjustments. If you touch one of the icons, it can be “dragged” along the console display. I’ve gotten good at it over the years; accustomed to

how it works, but I can't tell you it's function.

The Illuminati Formula

by Fritz Springmeier & Cisco Wheeler

The Illuminati Formula used to create an
UNDETECTABLE TOTAL MIND
CONTROLLED SLAVE

By Fritz Springmeier & Cisco Wheeler

From the Dedication:

This book is dedicated to the two million Americans and counting who have been programmed with Monarch-type trauma-based mind control.

This book is written to destroy trauma-based mind control before it destroys the human race. It's time for this horrendous secret to end....

From the Introduction:

There are many dangers to the human race, some real and some imagined. I believe that the trauma-based mind control which this book exposes is the greatest danger to the human race. It gives evil men the power to carry out any evil deed totally undetected.

By the time the astute reader finishes this book, they will be as familiar with how to carry out trauma-based mind-control as some of the programmers. Ancient and more recent secrets will no longer be secrets.

Over the years, I have spent thousands of hours studying the Illuminati,

the Intelligence agencies of the world, and the occult world in general.

The centerpiece of these organizations is the trauma-based mind control that they carry out. Without the ability to carry out this sophisticated type of mind-control using MPD, drugs, hypnosis and electronics and other control methodologies, these organizations would fail to keep their dark evil deeds secret. When one of the mind-control programmers of the Church of Scientology, who has left Scientology, was asked about MPD, he said, "It's the name of the game of mind control."

Research into this subject will never be complete. This book has tried to give a comprehensive view of how the programming is done. The basic techniques were developed in German, Scottish, Italian, and English Illuminati families and have been done for centuries. Some report that some of the techniques go back to ancient Egypt and ancient Babylon to the ancient mystery religions. The Nazis are known to have studied ancient Egyptian texts in their mind control research. The records and secrets of the generational Illuminati bloodlines are very-well guarded secrets. Even when I've learned about the location of secret depositories of some of the Illuminati's secrets in Europe, America, and Asia, their records and secrets are too well-guarded to be examined.

The intelligence agencies, such as MI-6 began investigating these mind-control techniques early this century, but their records have been routinely destroyed and tampered with. There are some survivors and professionals who know that the British used programmed trauma-based MPD (DID) agents in W.W.I. In Jan., 1987, Richard Kluft submitted an article to the American Journal of Clinical Hypnosis about 8 MPD patients who were between 60 and 72 years of age.....

Excerpts:

Page 53

When the programmer wants the child's alters to learn to trance deeper, he will give a drug that the alter doesn't like. The child's alter will then be

told to go deeper into the mind if they want to escape the effect of the drug. This enforces the dissociative state being trained for the alter. The suggestion or story line that is given to the alter is frequently the picture of a train. The child is told that the conductor is at the front of the train, but he must move to the back of the train through the train cars. The child is taught to count cars when they go by as if they were steps in the mind.....

Witchcraft & the Illuminati

by unknown

The Witchcraft & the Illuminati
by unknown

From a Christian point of reference, this booklet exposes the relationships between Witchcraft and the Illuminati, through the inter-related connections and symbologies.

An excellent resource, even for those not theologically moved towards Christianity.

Quotes from booklet:

"In 1865 Abraham Lincoln wanted to rebuild the South. Lincoln refused to pay off the war debts by borrowing from the International Bankers, and was assassinated by Illuminist John Wilkes Booth. (President Kennedy was likewise killed, because he reportedly came against the Illuminati's orders.) The Secret Service aided in both murders."

"Though the Illuminati indeed controls the Financial, Political, Civil, Religious, and Social areas of the world, the Illuminati is much more than these groups."
