Due to the courageous efforts of Bear "The Bear Search & Rescue Foundation has been established by the Law Firm of Proskaner Rose; one of the largest law firms here in New York City.

The Bear Search & Rescue Foundation was created to care for the health and well being of the search and rescue dogs of the World Trade Center site after the tragic events of 9/11/01 and other canines that serve mankind.

The foundation has also made a \$25,000 contribution to the Fire Museum and the Intrepid Air and Space Museum. Thanks to the foundation they now have new Computers and Office Furniture.

As Former Commissioner Arthur Freed of Westchester County said... "Chief Gunci and Father Judge must have told God that the thousands of victims who perished on September 11<sup>th</sup> could use a great dog to comfort them."

Bear's Memorial Service is being sponsored by the United States Army & the Intrepid Air & Space Museum. Admission is free and dogs are most welcome.
